

ALL-AMERICA ADDENDUM

In the November 1998 issue we began an occasional series of printing some long-lost All-America teams for the period of 1889-1945. Below is the next installment, and these are being presented in a format that allows for easy addition into your copies of Bernie McCarty's landmark book on All-America teams published years ago. These listings are being presented through the efforts of Society member Henry Bryan of St Louis. (Copies of Bernie's book All-America: 1889-1945 are available from the editor for \$20 each - all proceeds going to his family.)
