

* "Percentage Change" does NOT represent the rate of return on investment for the listed endowment. This figure represents an endowment's change in market value between fiscal year end 2007 and fiscal year end 2008. Such factors as growth from gifts, reductions due to expenditures and withdrawals, and investment returns determine an endowment's fiscal year end market value.

Footnotes:

- 1- University of Oklahoma and Foundation are reporting together for the first time. The figure for 2007 has been adjusted to reflect this total.
- 2- University of Houston System – The foundation is included for the first time.
- 3- Indiana State University is, for the first time, reporting its endowment only. In the past, it reported on its investment pool as total assets.
