THE 221ST YEAR

coleg chabad today: 221 years of tzedakah - and counting

ESTABLISHED IN 1788

Colel Chabad of R' Meir Baal Hanes - the oldest continuous tzedakah in Israel - was created by the first Lubavitcher Rebbe and founder of the Chabad movement, Rabbi Schneur Zalman of Liadi, and has been overseen by successive Lubavitcher Rebbes ever since. In our time, the seventh Rebbe, Rabbi Menachem M. Schneerson, obm, considered Colel Chabad a personal and most cherished cause.

Colel Chabad's purpose is to help Israel's neediest regardless of age, gender, background or degree of observance, and in a manner that preserves and enhances their dignity. Today, Colel Chabad is a thriving umbrella philanthropy conglomerate of soup kitchens, food banks, day care centers, dental and medical clinics, camp scholarships, senior centers, interest-free loans, immigrant absorption programs, and other social welfare projects throughout Israel.
