

REPUBLIC OF THE PHILIPPINES

NATIONAL DISASTER COORDINATING COUNCIL

National Disaster Management Center, Camp Gen. Emilio Aguinaldo, Quezon City, Philippines

NDCC ADVISORY

TO : ALL CHAIRMEN, RDCCs, PDCCs, OCDRCs I, II, III, IV-A, IV-B, V, CAR, & NCR

SUBJECT : WEATHER ADVISORY NUMBER 01

DATE : 11:00 AM, 17 July 2010

Source: PAGASA

The SHALLOW LOW PRESSURE AREA (SLPA) was estimated based on satellite and surface data at 200 km east of Central Luzon (15.5°N, 123.5 °E). This weather system is expected to bring occasional to frequent rains over Aurora, Quezon and Bicol Region which may trigger flashfloods and landslides.

Residents in these areas are advised to take all the necessary precautionary measures.

The next advisory will be issued at 11:00 AM tomorrow.

For more information, you may contact the Weather Division of PAGASA at telephone numbers: 927-1541, 926-4258 and 927-1335.

You are hereby directed to undertake precautionary measures in your AOR. Likewise, the public and Disaster Coordinating Councils (DCCs) concerned are advised to take appropriate actions.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let us untiringly aim for zero casualties.

Submit report on actions taken.

BY AUTHORITY OF THE CHAIRMAN, NDCC:

BENITO T. RAMOS
Administrator, OCD and
Executive Officer, NDCC
