## The Audi A4

With its innovative technologies and pioneering design, the Audi A4 will completely redefine your driving experience.

Beginning with the exterior, its ultra-modern lights, sporting profile and sweeping lines give the car a distinctive silhouette. The longer wheelbase increases stability, while air flows more dynamically around the lower, wider body.

Under the bonnet, a choice of three petrol engines feature FSI® direct injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race. And like their petrol counterparts, three TDI diesel engines are designed for power and performance, with low fuel consumption and CO2 emissions.

For the driver, the optional Audi Drive Select system adapts the vehicle's character at the touch of a button, effortlessly transforming your A4 from a sports car to an executive saloon. It can even be individually tuned, ensuring a ride that's perfectly customised to your needs.

Optional climate controlled seats add greater comfort, while quattro permanent four-wheel-drive, Audi Side Assist and Audi Lane Assist are also available, ensuring a safer, more satisfying journey.

In short, the Audi A4 incorporates the ideal combination of cutting-edge design and advanced technologies, delivering one of the most balanced, rewarding driving experiences ever.

This is a manufacturer's specification sheet and new vehicles must be purchased from dealers. Specifications are as planned from May 2009 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local Audi dealer.

# Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

## Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

### Audi Music Interface connector cable must be purchased separately through Audi Genuine Accessories.

Overseas models are shown. An A4 3.2 quattro sedan is pictured with optional sports front seats, navigation system and metallic paint.
