Winner of 35 major awards including a Grammy® and three Tony Awards® including Best Musical, **WICKED** is the untold story of the witches of Oz. Long before Dorothy drops in; two other girls meet in the land of Oz, one born with emerald green skin, is smart, fiery and misunderstood. **"Hooray! Broadway's got a big new musical that's good enough to run for a decade or two! If it doesn't please you, you're too tough to please. Go!"** - Wall Street Journal

Currently in its 8th year on Broadway, **WICKED**'s North American and International companies have cumulatively grossed over US\$2.2 billion and have been seen by nearly 28 million people worldwide.

"We're delighted that Singapore is now set to follow **WICKED** productions in New York, Chicago, Los Angeles, the North American tour and London's West End," Marc Platt and David Stone said in a joint statement from New York. "This will be the first time that **WICKED** will visit the South East Asian region, and we're absolutely sure that Singaporeans – and visitors from around the region – will be just as enchanted by **WICKED** as the audiences are in America, England, Europe, North Asia and Australia."

**"If every musical had the brain, the heart and the courage of WICKED, Broadway really would be a magical place."** - Time Magazine

**WICKED** opened in London's West End in 2006. In 2007, a Japanese language production of **WICKED** opened in Tokyo and a German language production of **WICKED** opened in Stuttgart in the same year. This show has been running in Australia since 2008.

The Producers of **WICKED** take great pleasure in working with Milan Rokic, Managing Director and Vice President of BASE Entertainment Asia and local promoter of **WICKED**. Rokic says “Get ready Singapore for a musical that is unique, a phenomenon, quite unlike any other show. Music theater lovers and audiences from all different backgrounds will adore **WICKED**. It’s an enchanting musical with wit and spectacle and a wonderful score, but it also spans the demographic of people from 8 to 80. It brings in audiences who’ve never been to the theater, and never thought they would go and they come out spellbound and wanting more. Singapore is in for a treat.”

The smash-hit musical with music and lyrics by Stephen Schwartz (*Godspell, Pippin, Academy Award-winner for Pocahontas and The Prince of Egypt*) and book by Winnie Holzman (*My So Called Life, Once and Again and thirtysomething*) is based on the best-selling novel by Gregory Maguire. **WICKED** is produced by Marc Platt, Universal Pictures, The Araca Group, Jon B.
