Individual Battlefield Profiles

Battlefield Profile Glossary

County or city in which the battlefield is located. Location

Name of military campaign of which the battle was part. Campaign Campaign

names are taken from The War of the Rebellion: a Compilation of the

Official Records of the Union and Confederate Armies.

Battle Date(s) Day or days upon which the battle took place, as determined by the

Civil War Sites Advisory Commission.

Principal Commanders Ranking commanders of opposing forces during the battle.

Name or description of largest units engaged during the battle. **Forces Engaged**

Results Indicates battle victor or inconclusive outcome.

Acres within the Study Area, as determined by the ABPP, **Study Area**

that represent the historic extent of the battle upon the landscape.

Potential National Register Lands

Acres of land that retain historic character and may be eligible for listing in the National Register of Historic Places, as determined by

ABPP.

Protected Lands Estimated acres (based on questionnaires and GIS) of battlefield land

set aside or placed under permanent easement since the Civil War for the purposes of maintaining the historic character of the landscape and for preventing future impairment or destruction of the landscape

and historic features.

Lands

Publicly Accessible Estimated acres (based on responses to questionnaires) maintained

for public visitation.

Management Area Name of historic site, park, or other area maintained for resource

protection and/or public visitation.

Friends Group(s) Name of local advocacy organization(s) that support preservation

activities at/for the battlefield.

Preservation Activities **Since 1993**

Indicates which types of preservation activities have taken place at the battlefield since 1993 (based on responses to guestionnaires).

Public Interpretation **Since 1993**

Indicates which types of interpretation/educational activities have

taken place at the battlefield since 1993 (based on

responses to questionnaires).

Condition Statement The ABPP's assessment of the overall condition of the battlefield's

Study Area (based on field surveys and responses to questionnaires).

Historical Designation Notes the most prestigious historical designation the battlefield has

received (i.e. national park unit, National Historic Landmark, or

National Register of Historic Places).

Bean's Station (TN026)

Location Grainger County

Campaign Knoxville Campaign (1863)
