## Section 7.

**General Rules**

- B. All teams must have a minimum of ten (10) practice days prior to a game or scrimmage with another team. The first three (3) days of these ten (10) shall be non-contact. These three days are to be a conditioning period with no contact between players and the players will be allowed to wear only t-shirts/jersey, shorts, shoes, helmets, and shoulder pads.
- G. Use of the 25-second field clock will be required for all football games during the season and for the National Championship Game if such game is played.
- H. Football jersey must be full-length and tucked into the pants as stated in the current NCAA Football Rules and Interpretations.
- I. Adhere and follow the NCAA Fight Rule (Rule 2 and 9) and the following addition for players leaving their designated bench area:

**No player may leave their designated bench area to participate in any on or off the field altercations and/or fights. If such player or players are involved in this altercation, they will be disqualified for the remainder of the game and for the next game. If a player is disqualified for fighting a second time during that season, he shall be disqualified for that game and suspended for the remainder of the season.**

**The home team is required to film/video the entire game and the post game until all players and coaches have left the playing area in order to obtain the specific jersey number (s) of the player or players involved.**
