**To All 2013 Palm Desert Senior Games Athletes,**

Our 13<sup>th</sup> year of competition is done and the results have been officially recorded. What follows in the pages of this document are the official record of our Gold, Silver and Bronze Medal winners for all of the events hosted this year. We have done our best to insure all of the results are accurate and easy to understand.

The Palm Desert Senior Games and International Sports Festival are split into two separate age groups: The Master's Division and The Senior Games' Division. Within these two age groups are more groups broken up in to 5-year increments, as is required by the California Senior Games Association (CSGA). They are as follows:

**Master's Division**

35 – 39

40 – 44

45 – 49

**Senior Games' Division**

50 – 54

55 – 59

60 – 64

65 – 69

70 – 74

75 – 79

80 – 84

85 +

When no athlete qualified for a medal in a given event the column has been left blank. In addition, when some age divisions have to be combined due to low enrollment that will be reflected in the column that lists the Age Category.
