

About Drama and Music Club

CCS HAU Drama and Music Club, has been actively engaged in fulfilling its primary objective of strengthening of the teacher taught relationship by way of promoting the cultural activities with special emphasis on drama, dance and music. Such activities are source of inspiration for the students to develop their personality and tame their youth energy into a proper and creative channel. The club got recognition of regular credit activity in 1973 and since then it has been continuously engaged in searching, promoting, cultivating and developing the talent in drama, dance and music among the university students. This club is one of the largest and most popular clubs of the university with an average of about two hundred per year. It has been the leading co- curricular activity club of the university which inculcates and exposes the creative aspects of the students.

- The students of this club have participated in various state/Zonal/National level Youth Festivals. University team has presented Haryanvi Folk Dance in Indian Festival held at Moscow in Russia in 1986.
- Many students after completion of their graduation have joined National school of Drama, New Delhi. Indian Council of Agricultural Research has started All India State Agricultural University Youth Festivals competitions since 2000.
- Club team has participated in **ten** All India State Agricultural University Youth Festivals organized by ICAR and been declared **four** times champion in theatrical events competitions. Students of the club also won **six** times 1st position in the group songs competitions in music category.
- The club has also brought many glories for the university by winning competitions in State / North Zone /National youth festivals since its inception.
