

SOUTH CAROLINA RED SHIRTS

We seek to advance the cultural, economic, political well-being and independence of all South Carolinians by all honorable means.

Red Shirts, with a few exceptions, live within the borders of South Carolina and operate at the direction of the chairman. Red Shirts are outstanding activists who seek state sovereignty. They wear red shirts and gather at special events to demonstrate their determination to force cultural and political change. They hold Red Shirt rallies, pickets, and assemble at meetings held by government entities from the state level to the smallest community.

Free South Carolina - a 21st Century Republic

Red Shirts hold a time-honored position with our ancestors who pledged their lives, fortune and sacred honor for a free and independent South Carolina.

We seek a free and prosperous South Carolina Republic: our own nation founded on private property, free association, fair trade, sound money, low taxes, equal justice before the law, secure borders, and armed and vigilant neutrality. It will be a self-governing state of local communities invoking Almighty God's favor and guidance, a bold, self-confident civilization based on European roots.

Red Shirts will work with like-minded individuals within governmental bodies by demanding change and encouraging implementation of laws, ordinances, and regulations to effect change. Economic and political changes will occur through personal commitment and political action.

Our goals are to:

1. Implement God's laws as the acceptable standard of behavior and adopt a Biblical worldview.
2. Eliminate all federal government control and influence in South Carolina.
3. Reduce the size and scope of all levels of government from state, county, and towns to the absolute minimum to maintain law and order.
4. Promote and institute Southern culture relying on Biblical truth.
