Notes:

¹ This is a listing of all communities in the Province of Newfoundland and Labrador as of the Statistics Canada, 2011 Census of Canada, based on the 2011 Statistics Canada geographies and the following definition:

A community can be a city, town, village, Indian reserve, or a cluster of five or more dwellings (i.e. a settlement), locally known by a specific name, but lacking legal limits or local government. To be defined as a community, a village, Indian reserve, or a settlement must be inhabited at least six months of the year and have an estimated 2011 Census population of at least ten residents. Where possible, a settlement not meeting these criteria can be included under a neighbouring community. If not, a settlement will be included under the "**Between Communities**" category.
