Foreword

To celebrate the Games of the XXI Olympiad, Canada, Québec, Montréal, and COJO put together an enterprise of unprecedented proportions. With the support of the entire Canadian nation, thousands of ordinary men and women joined forces to score a resounding triumph with this the greatest festival of sport in the world.

In addition, what must also not be forgotten is the undying effort expended by those other men and women — the athletes — who strove to their utmost to guarantee the Montréal Games the success they deserved.

In point of fact, no less than 6,189 athletes and 2,661 additional team members brought life into the magnificent Olympic surroundings by the simple force of their exploits. And these very exploits were the product of physical mastery coupled with pure strength and powerful concentration crowned with elegance.

And when, after a hard-won victory, the champion raises his arm in a salute on the podium, he does it not in defiance but to share with the crowd a burden that is simply too heavy for him to bear alone! What usually follows is that the public immediately takes the name of the conquering hero for its own and etches it in its memory forever.

For who can ever forget the pert gymnast, Nadia Comaneci, and her seven perfect scores? Or those outstanding performers on the track and field: Alberto Juantorena, Bruce Jenner, and Tatiana Kazankina? Or Kornelia Ender and John Naber in the swimming pool? Or Klaus Dibiasi on the diving board? Or that personable weightlifter, Vasily Alexeev?

For them and for everyone else who participated, Volume III of the Official Report is more than just a parade of hit performances. On the contrary, it is a complete results summary dedicated to them.

And the contents of this volume would not have been possible without the outstanding devotion to duty of the hundreds of international officials to whom we hereby express our undying gratitude for their priceless contribution to this part of the report.

And we hope that the emotions of those who witnessed the Games will be fired once more upon pouring over the statistics, the photography, the names, and the numerous record-breaking performances of the Games of the XXI Olympiad.

De précieux apports pour la
physionomie de Montréal:
les installations sportives du
Parc olympique et les
pyramides du village des
athlètes érigées pour les
Jeux de 1976.

Montreal's skyline was
forever altered by the
soaring structures of the
magnificent sports facilities
and the athletes' village
(foreground) created for the
1976 Olympic Games.

Sa Majesté Élisabeth II vient de proclamer l'ouverture officielle des Jeux de Montréal. Le drapeau aux cinq anneaux entrelacés est hissé, au Stade olympique, sous les regards d'une foule enthousiaste, composée de 90 000 personnes, athlètes et spectateurs, sans compter l'assistance innombrable de la télévision.

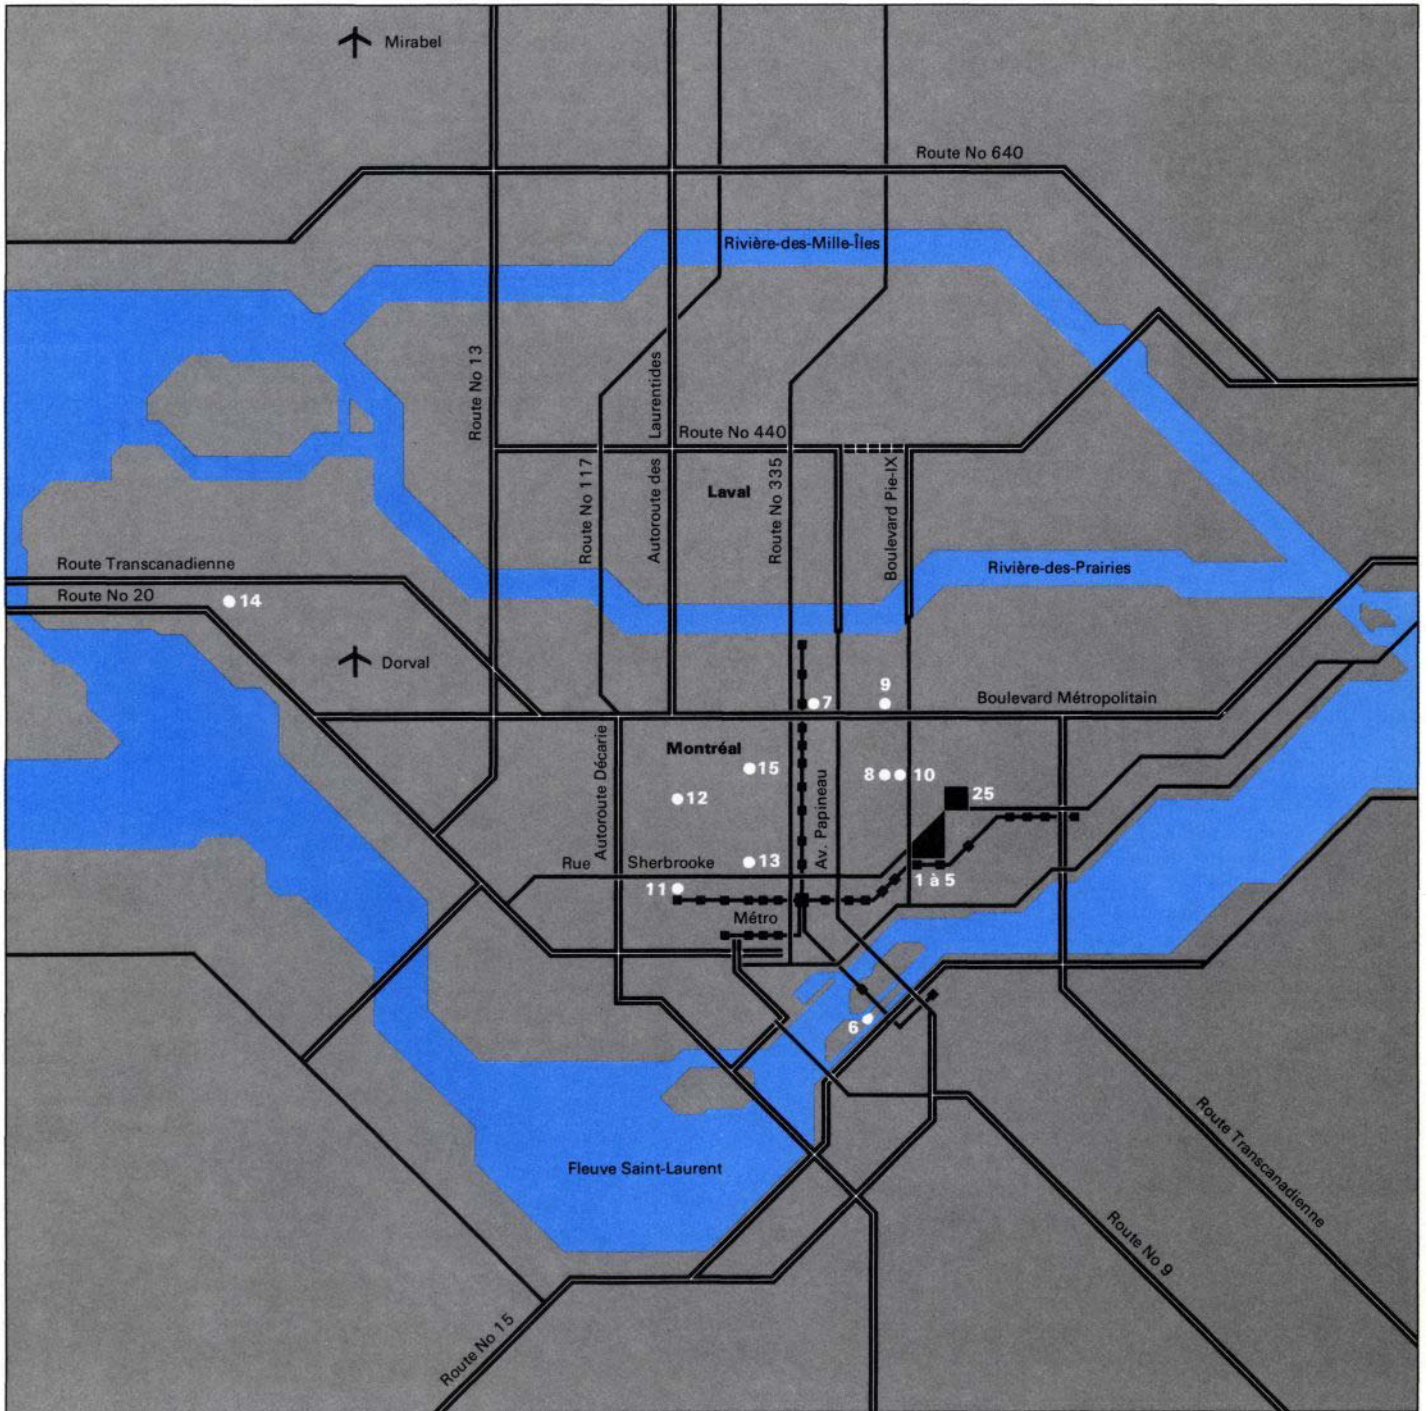

Moments after Her Majesty Queen Elizabeth II has officially opened the Montréal Games to celebrate the XXI Olympiad of the modern era, the Olympic flag begins its triumphant ascent into history before a wildly cheering crowd of 90,000 athletes and spectators in Olympic Stadium together with millions of television viewers round the world.

Finale du 100 m: Annegret Richter (République fédérale d'Allemagne) dans le couloir 7 devance au fil d'arrivée la médaillée d'or de Munich, Renate Stecher (République démocratique allemande).

Annegret Richter (GER) in lane 7 outleaps the Munich gold medal winner Renate Stecher (GDR) in the final of the women's 100-m dash.

Le 200 m aussi allait être chaudement disputé entre les deux Allemagnes. Baerbel Eckert (République démocratique allemande), dans le deuxième couloir, termine au premier rang et Renate Stecher (République démocratique allemande), dans le huitième couloir, au troisième rang. Annegret Richter (République fédérale d'Allemagne), déjà médaillée d'or au 100 m, se classe deuxième.

The women's 200-m event shows the tables turned: the German Democratic Republic won the gold medal with Baerbel Eckert in lane 2 and Renate Stecher in lane 8 winning the bronze medal. The silver medal went to Annegret Richter (GER) winner of the 100-m.

Malgré l'absence du Tanzanien Filbert Bayi, le Néo-Zélandais John Walker remportera difficilement le 1 500 m, devant le Belge Ivo Vandamme, et Paul H. Wellmann, de la République fédérale d'Allemagne.

Even without Tanzania's Filbert Bayi, New Zealander John Walker was hard pressed to win the 1,500-m gold from silver medalist Ivo Vandamme of Belgium and bronze medalist Paul H. Wellmann (GER).

Un des derniers grands moments pour le Belge Ivo Vandamme qui vient de remporter au 1 500 m sa seconde médaille d'argent. Cet athlète plein de promesses devait perdre la vie sur la Côte d'Azur, peu après les Jeux de Montréal, dans un accident de la route.

One of the last great moments for Belgium's Ivo Vandamme as he finished second in the 1,500 metres for his second silver medal. The great runner met a tragic death in a car accident on the French Riviera not long after the Games.

Finale du 5 000 m. Lasse Viren, le Finlandais volant, à la conquête d'une quatrième médaille d'or olympique. Le suivent de près, le Néo-Zélandais Dick Quax (691) et Klaus P. Hildenbrand (420), de la République fédérale d'Allemagne, qui se classent deuxième et troisième. On aperçoit également le Néo-Zélandais Rod Dixon (689), le Britannique Brendan Foster (364).

Lasse Viren, the flying Finn, on his way to a fourth Olympic Gold Medal, this time in the 5,000 metres. In hot pursuit are Dick Quax of New Zealand (691), who won the silver medal, and Klaus P. Hildenbrand of the Federal Republic of Germany (420) the bronze. Other finalists are Rod Dixon of New Zealand (689), Brendan Foster of Great Britain (364).

Le Finlandais Lasse Viren sourit, et pour cause: il vient de recevoir une deuxième médaille d'or (5 000 mètres) aux Jeux de Montréal.

Lasse Viren (FIN) has reason to smile as he receives his second gold medal of the Montréal Games for the 5,000-metres.

Au 110m haies, Guy Drut, cinquième couloir, va mettre fin à la domination américaine qui dure depuis 1928, et remportera l'unique médaille d'or de la France en athlétisme.

The last time the United States lost in the 110-m hurdles was in 1928, but Guy Drut (FRA) in lane 5 broke this streak and won his country's only gold medal in athletics.

Le tour de piste des vainqueurs: les Américains Mike Shine (959) et Edwin Moses viennent de remporter les médailles d'argent et d'or au 400 m haies.

Ces trois coureurs, qui ont encore deux obstacles à franchir, toucheront le fil d'arrivée du 3000 m steeplechase dans le même ordre. Ce sont le Suédois Anders Garderud, premier, le Polonais Bronisla Malinowski, deuxième et Frank Baumgartl, de la République démocratique allemande, troisième.

Accelerating toward the final two obstacles in the 3,000-m steeplechase brought no change in the order of these three competitors: gold medalist Anders Garderud (SWE), silver medalist Bronisla Malinowski (POL) and bronze medalist Frank Baumgartl (GDR).

Le Mexicain Daniel Bautista prend la tête dès le départ du 20 km marche, où les concurrents font deux tours de piste dans le Stade olympique avant d'emprunter un circuit fermé entourant le Jardin botanique, à proximité du Parc olympique.

Daniel Bautista (MEX), gold medalist in the 20-km walk, wasted no time taking the lead as shown here. The walkers do their two laps in the Olympic Stadium before entering the Botanical Garden and the main route of the walking event.

Soixante-sept marathoniens au départ d'une longue course de deux heures, sous la pluie, dans les rues de l'île de Montréal.

Sixty-seven marathoners prepare for two hours of pounding the rain-soaked streets of Montréal.

À mi-chemin dans la course à pied. Le peloton de tête est mené par le Finlandais Lasse Viren qui devait terminer au cinquième rang.

At the mid-point of the marathon, a small group of competitors have detached themselves from the pack and are led by Lasse Viren who finished fifth.

Au moment critique de la course, l'Américain Frank Shorter, gagnant du marathon de Munich, s'efforce vaillamment de tenir tête à Waldemar Cierpinski de la République démocratique allemande.

Munich's Marathon Champion, Frank Shorter of U.S.A. makes a valiant effort to keep pace with GDR's Waldemar Cierpinski during one of the race's more crucial moments.

Plus que 400 mètres avant la victoire pour Waldemar Cierpinski lors de la dernière et de la plus prestigieuse épreuve de la compétition d'athlétisme.

For Cierpinski (GDR) only 400 metres to victory in the most prestigious and final event of athletics.

Détenteur du record mondial au triple saut, le Brésilien Joao C. de Oliveira n'a pu remporter de médaille au saut en longueur à Montréal.

The world record-holder for the triple jump, Joao C. de Oliveira of Brazil, was not as fortunate in the long jump in Montréal as he finished out of the medals.

Au saut en longueur, l'Américain Arnie Robinson, le premier à s'exécuter, réussit d'emblée une marque de 8,35 m et remporte la médaille d'or.

As happened in the women's long jump, the first competitor in the men's event, Arnie Robinson (USA) leaped to a gold medal with an impressive 8.35 metres on his first attempt.

Au triple saut, le Soviétique Viktor Saneev sera le premier athlète non américain à entrer dans le groupe sélect des trois médailles d'or consécutives.

Triple jumper, Viktor Saneev (URS) bounding his way to a third successive Olympic gold medal in this event, the first non-American to join the exclusive club of triple gold medalists.

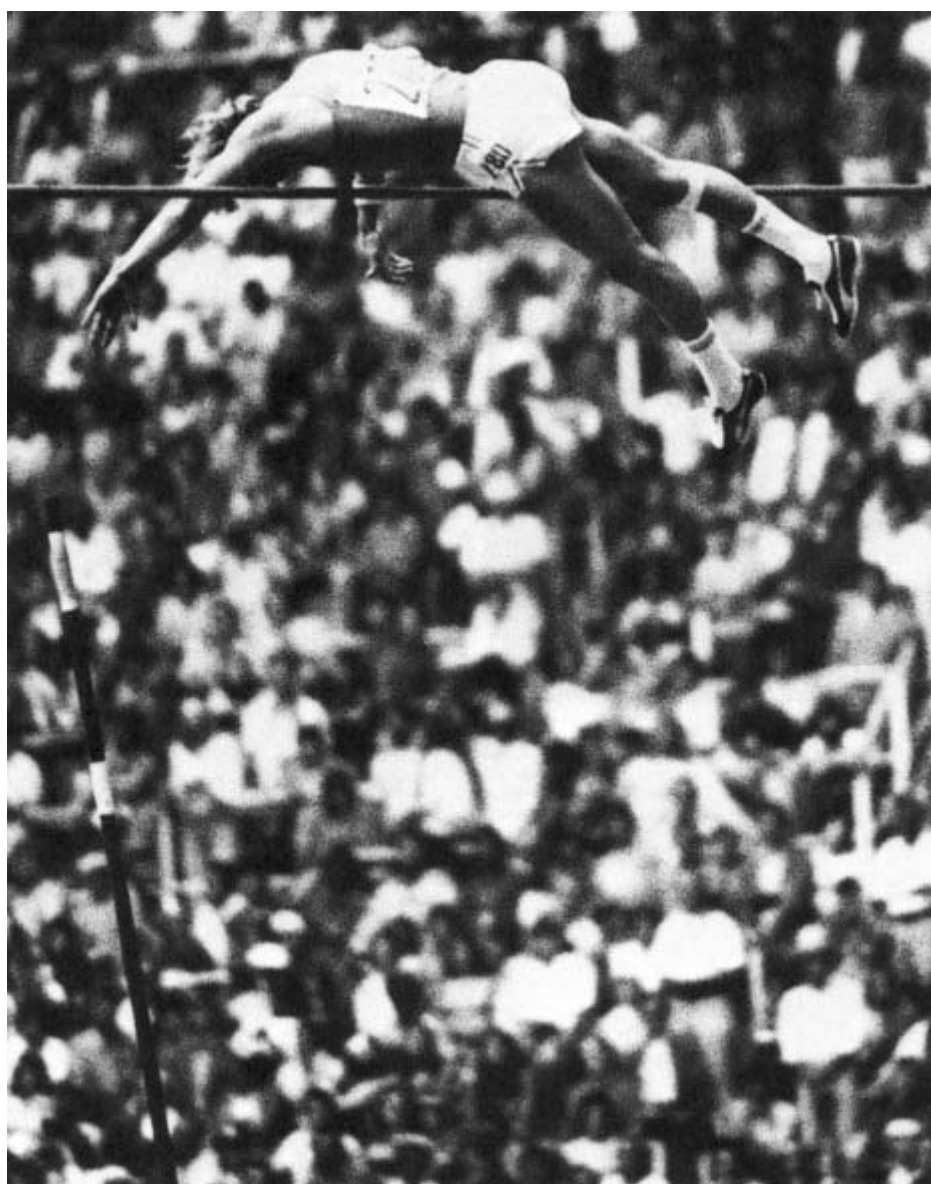

Au triple saut, l'Américain James Butts n'épargnera aucun effort pour supplanter le Soviétique Viktor Saneev, mais il finira en deuxième place derrière lui.

James Butts (USA) attempts to overhaul triple jump leader Viktor Saneev (URS), but the distance was not sufficient and he had to settle for the silver medal.

Même s'il franchit ici la barre à la même hauteur que le Polonais Tadeusz Slusarski, le Finlandais Antti Kalliomaki devra lui céder la première place puisqu'un plus grand nombre d'essais lui ont été nécessaires.

Even though he reached the same height as the winner, Tadeusz Slusarski (POL), Antti Kalliomaki (FIN) had to settle for the silver medal because of his greater number of attempts.

Le Hongrois Miklos Nemeth crée un précédent aux Jeux olympiques en remportant la médaille d'or au lancer du javelot, 38 ans après que son père, Imre Nemeth, eut fait de même au lancer du marteau, aux Jeux de Londres en 1948. Se sont joints à lui sur la tribune, le Finlandais Hannu Sütönen et le Roumain Gheorghe Megelea, respectivement deuxième et troisième.

In winning the gold medal in the javelin, Miklos Nemeth (HUN) completed the first-ever father-son gold medal double in Olympic history. His father Imre won the hammer throw in the 1948 Games in London. On the podium with Nemeth are silver medalist Hannu Sütönen (FIN) and bronze medalist Gheorghe Megelea (ROM).

Au lancer du marteau, l'équipe soviétique a démontré sa supériorité et ses réserves: Yuriy Sedyh, premier et recordman olympique avec un lancer de 77,52 m, reçoit les félicitations d'Anatoliy Bondarchuk, deuxième, médaillé d'or en 1972; le médaillé d'argent est Alexey Spiridonov.

A fitting demonstration of Soviet Union superiority and depth in the hammer: Yuriy Sedyh, the winner with a new Olympic record of 77.52 metres, is congratulated by bronze medalist Anatoliy Bondarchuk, gold medalist in 1972. Looking on is the silver medal winner, Alexey Spiridonov.

Titulaire du record mondial, l'Américain Mac Wilkins, était le favori au lancer du disque. Il établira un record olympique de 68,28 m au tour de qualification, et remportera la médaille d'or avec un lancer de 67,50 m en finale.

World record-holder Mac Wilkins (USA), the favorite in the discus, set an Olympic mark of 68.28 metres during the qualifying round, and went on to win the gold medal with a 67.50-m throw in the final.

Aux épreuves de qualification, le lanceur de poids soviétique Alexander Barisnikov établissait un record olympique. Sa performance en finale ne lui vaudra toutefois que la troisième place.

Not able to match his Olympic record performance during qualifications, Alexander Barisnikov (URS) had to settle for the bronze medal in the shot put.

Le décathlonien soviétique Nikolay Avilov enlèvera le saut en longueur. Le médaillé d'or de Munich remportera la palme dans deux autres épreuves mais terminera troisième.

Le décathlonien Guido Kratschmer (République fédérale d'Allemagne) tente de reprendre au saut à la perche la première place qu'il a perdue dans une épreuve antérieure.

Guido Kratschmer (GER) strives to regain the lead he lost in an earlier decathlon event.

L'Américain Bruce Jenner remporte la médaille d'or au décathlon, avec un record mondial et olympique.

Not only did Bruce Jenner (USA) win the title of best all-round athlete with his gold medal in the decathlon, but he also set world and Olympic records.

Le huit en pointe avec barreur demeure une épreuve sensationnelle. Les représentants de la République démocratique allemande, champions du monde en 1975, remporteront la médaille d'or à Montréal.

Most will agree that the most incredible rowing event is the coxed eights. The uncontested masters, the 1975 world champion GDR crew, won the gold medal at Montréal.

La Grande-Bretagne, jadis souveraine en aviron, a réalisé à Montréal des performances pleines de promesses et remporté notamment la médaille d'argent au huit en pointe.

Great Britain's performances at the Montréal Games point toward a resurgence of past mastery in rowing. Their eight-oars silver medal augurs well for the 1980 Moscow Games.

Remise des médailles du premier tournoi olympique féminin de basketball. L'équipe soviétique remporte la médaille d'or; les équipes américaine et bulgare, les médailles d'argent et de bronze.

Medal ceremony for the first women's Olympic basketball tournament: the Soviet Union won the gold, and the United States and Bulgaria the silver and bronze respectively.

Le Soviétique Vladimir Tkachenko, le joueur le plus grand du tournoi (2,26 mètres), se fait quand même soustraire le ballon par l'Australien Russell Simon.

The size of Vladimir Tkachenko (2.26 m) did not help the Soviet player here as Australia's Russell Simon got inside the tallest competitor of the Games and snared the rebound.

Fait inusité, deux frères, les Spinks, remporteront la médaille d'or dans leurs catégories respectives. Ci-dessus, le mi-lourd Leon.

A rare occurrence: two brothers — Michael and Leon Spinks (USA) — won gold medals in their respective categories. Pictured here is Leon, the light-heavyweight.

Le poids lourd roumain Mircea Simon, médaillé d'argent, gagne aux points sur le Jamaïcain Trevor Berbick (178) en huitième de finale.

Silver medalist Mircea Simon (ROM) outpointed Jamaica's Trevor Berbick (178) in their eighth-final heavyweight contest.

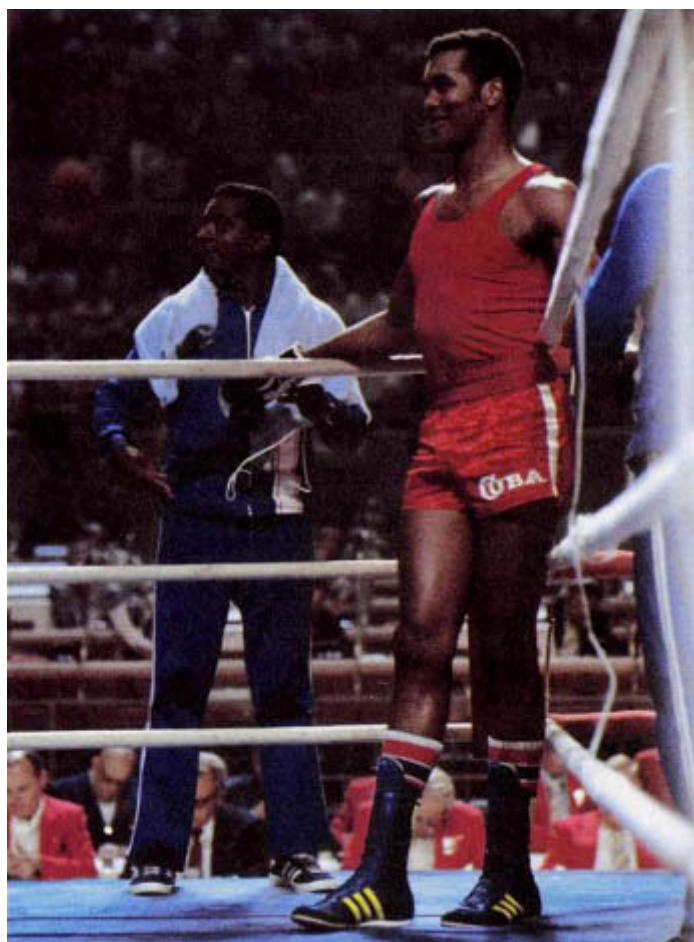

Le poids lourd cubain Teofilo Stevenson face au Sénégalais Mamadou Drame (287), qu'il vaincra par knock-out au deuxième round d'un match de huitième de finale.

Teofilo Stevenson advanced along the route to the heavyweight gold medal by knocking out Senegal's Mamadou Drame (287) in the second round of their eighth-final.

Teofilo Stevenson attend la proclamation de sa victoire remportée par arrêt de l'arbitre au premier round sur le Finlandais Pekka Ruokola, en quart de finale.

A smile on his face, Teofilo Stevenson (CUB) awaits the announcement of his first-round victory over Finland's Pekka Ruokola, in a quarter-final heavyweight bout.

La ligne d'arrivée est franchie, mais les muscles encore tendus trahissent l'intensité des derniers efforts des frères Lars et Anders Andersson (Suède).

Although the bow of the boat has passed the finish line, muscles of Lars and Anders Andersson (SWE) are still flexing in the last stroke to the wire.

Le Vélodrome olympique est bondé à chacune des épreuves.

Filled to capacity for every event, the indoor Velodrome proved a popular spot.

Le coureur de vitesse français Daniel Morelon se fait ravir par Anton Tkac (Tchécoslovaquie), la chance de remporter sa troisième médaille d'or olympique d'affilée.

A third consecutive gold medal in the sprint was not to be for France's great Daniel Morelon as Anton Tkac (TCH) prevailed in the final.

Erreur fatale d'un droitier qui engage une fente face à un adversaire gaucher qui le touche au dos.

A bad mistake by a right-handed fencer: bending forward in a lunge against a left-handed opponent results in a hit on the back, which is also a valid target.

L'Italienne Maria Consolata Collino, future médaillée d'argent, médite sans doute quelque tactique...

Italian silver medalist Maria Consolata Collino ponders her next tactic.

Les souriantes médaillées des compétitions individuelles de fleuret: or, Ildiko Schwarczenberger (Hongrie); argent, Maria Consolata Collino (Italie); bronze, Elena Belova (Union soviétique).

A happy threesome: individual women foil medal winners: (L-R) Maria Consolata Collino (ITA) silver; Ildiko Schwarczenberger (HUN) gold; Elena Belova (URS) bronze.

Jeu de jambes « passer-arrière » d'une fleuretiste tentant de parer l'attaque en flèche de son adversaire.

Note the neat "passer-arrière" footwork of the defending foilist against the running flèche attack of her opponent.

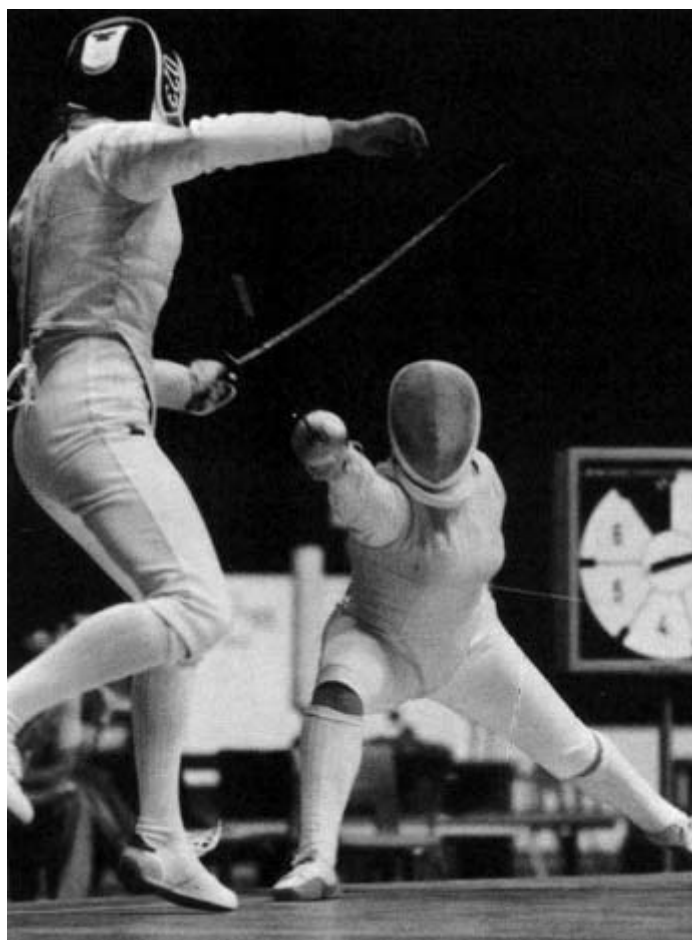

La Canadienne Donna Hennyey, entre deux bouts.

Canadian team veteran Donna Hennyey between bouts.

Finale des compétitions par équipe: jolie parade de sixte réussie par la Française Christine Muzio contre son adversaire soviétique. L'équipe soviétique l'emportera cependant 9-2.

A nice parry in sixte by Christine Muzio (FRA) against her opponent during ladies' team final, eventually won by the Soviets 9-2.

L'ultime défenseur polonais Henryk Wieczorek s'interpose devant Martin Hoffmann, de la RDA, alors que le gardien de but Jan Tomaszewski et le défenseur Antoni Szymanowski assistent impuissants à la scène qui se déroulait lors de la finale gagnée par la RDA 3-1.

The last Polish defender, Henryk Wieczorek, faces Martin Hoffmann (GDR) while goalkeeper Jan Tomaszewski and defender Antoni Szymanowski look on helplessly in the final match which the German Democratic Republic won 3-1.

L'équipe championne de la République démocratique allemande déborde d'allégresse; lord Killanin, président du CIO, et M. João Havelange, président de la FIFA, viennent de lui remettre la médaille d'or.

The champion German Democratic Republic team registers its immense joy to the crowd after having received the gold medal from Lord Killanin, IOC president, and João Havelange, FIFA president.

(1) 5 disciplines
La différence dans le pointage, entre 1972 et 1976, est due au fait que le mouvement "développé" fut aboli après 1972.

(1) 5 disciplines. The difference in the system used for scoring between 1972 and 1976 is due, in full to the abolishment of the press movement following 1972.

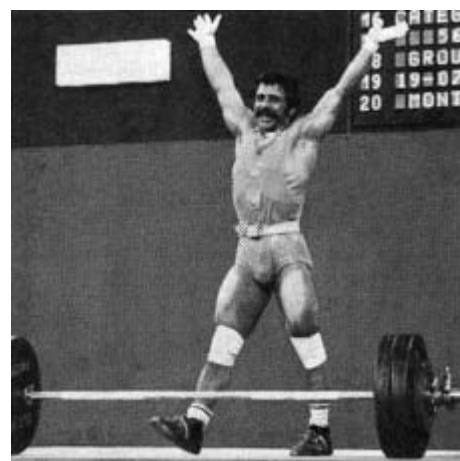

Catégorie 52 kg. Alexandr Voronin (Union soviétique), termine au quatrième essai un épaulé-jeté de 141 kg, un record mondial.

In the 52-kg class, the Soviet Union's Alexandr Voronin completes a clean and jerk of 141 kg on his fourth attempt for a new world record.

Lord Killanin félicite le Polonais Grzegorz Cziura, médaillé d'argent. Le médaillé d'or bulgare Norair Nourikian observe la scène.

Grzegorz Cziura (POL) accepts his silver medal in the 56-kg category from Lord Killanin, as gold-medalist Norair Nourikian of Bulgaria (top) looks on.

Le Bulgare Norair Nourikian montre sa joie après avoir réussi un épaulé-jeté de 145 kg qui lui procure la médaille d'or. Champion olympique en 1972 dans la catégorie 60 kg, il répète son exploit de Munich, mais dans la catégorie 56 kg.

Norair Nourikian of Bulgaria shows his joy after a 145-kg clean and jerk which won him a gold medal. A most unusual champion, Nourikian also won a gold at Munich in 1972 but in the heavier 60-kg category.

Dans la finale, le gardien de but roumain Cornel Penu s'est souvent trouvé seul devant les rapides avants soviétiques. Il affronte ici Vladimir Kravsov (6).

In the final, the Romanian goal tender, Cornel Penu, often had to face the quick Soviet forwards alone. Here he attempts to thwart Vladimir Kravsov (6).

Dans la catégorie de 48 kg, le Soviétique Roman Dmitriev tente vainement de baisser la jambe de Khassan Issaev (Bulgarie) qui s'accroche à son dos et lui retient la cheville. Bien que victorieux, le Soviétique ne remportera pas une deuxième fois la médaille d'or olympique. Il recevra toutefois la médaille d'argent. Sa double disqualification dans le combat contre le Japonais Akira Kudo (médaille de bronze) vaudra la médaille d'or à Issaev.

In this 48-kg class bout, Roman Dmitriev (URS) has attempted leg takedown countered by Khassan Issaev of Bulgaria who hangs down his back and holds his ankle. Even though Dmitriev won this fourth-round match 9-7, Issaev went on to win the gold medal, and Dmitriev, the reigning Olympic champion, had to settle for the silver, because of his double disqualification in a match with the bronze medalist, Akira Kudo of Japan.

Le Soviétique Ivan Yarygin répond aux acclamations de la foule; il vient de remporter une deuxième médaille olympique dans la catégorie 100 kg. Il lève le bras au médaillé d'argent américain, Russ Hellickson (à gauche) et au médaillé de bronze bulgare, Dimo Kostov.

Ivan Yarygin (URS) acknowledges the cheers of the crowd for his second straight gold medal in 100-kg Olympic Games wrestling. Here he holds up the arms of silver medalist Russ Hellickson (USA) on the left and Bulgaria's Dimo Kostov, the bronze medal winner.

Roland Gerke, de la République démocratique allemande, attaque à la jambe le Soviétique Soslan Andiev, qui l'emportera et se classera 1er dans la catégorie des plus de 100 kg.

In over 100-kg, sixth-round action, Roland Gerke (GDR) shoots for the single leg against Soslan Andiev (URS). The Soviet wrestler won the match and the gold medal.

Liubov Rusanova (Union soviétique), à droite, et Hannelore Anke (République démocratique allemande), ci-dessous, se livrent une chaude lutte au 100 m brasse.

Liubov Rusanova (URS) on the right and Hannelore Anke (GDR) below left provided thrilling battles in both the 100-and 200-m breaststroke.

La Britannique Margaret Kelly, qui avait participé à la finale du 100 m brasse, va tenter de faire encore mieux au 200 m.

Margaret Kelly of Great Britain, who took part in the 100-m breaststroke final, will attempt to do better in the 200-m event.

Remise des médailles, 200 m brasse, la seule épreuve qui devait échapper à la domination de la République démocratique allemande. Marina Koshevaia, médaillée or, félicite sa compatriote Liubov Rusanova. Les Russes ont remporté les trois premières places.

The 200-m breaststroke was the only race to escape the domination of the powerful women swimmers from the German Democratic Republic. Here the gold-medalist, Marina Koshevaia (URS), congratulates her country-woman, Liubov Rusanova, after a Soviet Union sweep of the first three places.

L'Américain Brian Goodell, s'il n'est pas parvenu à nager le 1 500 m en moins de 15 minutes, a quand même établi un record mondial et olympique.

Even though the American Brian Goodell was unable to swim the 1,500-metre race in less than 15 minutes, he still established Olympic and world records.

John Naber (États-Unis) avant la finale du 200 m dos. Prendra-t-il encore la première place comme au 100 m?

Before the 200-m backstroke final, everyone was wondering whether John Naber (USA) would repeat his 100-m first-place finish.

Départ de la finale du 200 m brasse.

Start of the 200-m breaststroke final.

Le Britannique David Wilkie, vainqueur au 200 m brasse, vient de démontrer sa nette supériorité en devançant de plus de deux secondes l'Américain John Hencken, gagnant du 100 m brasse. La troisième place est prise par l'Américain Rick Colella.

David Wilkie (GBR), winner of the 200-m breaststroke, has just demonstrated his prowess over this distance by defeating the 100-m winner, John Hencken (USA) by more than 2 seconds. Third place went to Hencken's countryman, Rick Colella.

L'équipe américaine victorieuse au 100 m papillon: Matt Vogel, Joe Bottom et Gary Hall. Les succès des États-Unis à la nage papillon ne s'arrêteront pas là. Une autre équipe va remporter la victoire au 200 m.

The Americans swept the 100-m butterfly: Matt Vogel, Joe Bottom, and Gary Hall finishing in that order. But the U.S. domination of the butterfly did not stop there: another trio swept the 200-m event!

Gagnant de la médaille d'or au 100 m papillon, l'Américain Matt Vogel exhibe un geste de victoire.

After churning his way to the gold medal in the 100-m butterfly, America's Matt Vogel raises his own victory salute.

Attaque en flèche à l'épée, sur la piste d'aluminium d'une toute nouvelle conception, au Stade d'hiver de l'Université de Montréal.

A flèche attack with épée during the second day of modern pentathlon competition on the new-style aluminium plate piste in the University of Montréal's Winter Stadium.

Janusz Pyciak-Peciak s'accorde un moment de détente à la fin de l'épreuve d'escrime. Il ne sait pas encore qu'il remportera plus tard la première médaille d'or olympique de la Pologne au pentathlon moderne.

After the second day's fencing competition, Poland's Janusz Pyciak-Peciak sits pensively on the edge of a piste. Three days later, he became the first Polish athlete ever to win the individual gold medal in the modern pentathlon at the Olympic Games.

Éventuel médaillé de bronze des épreuves individuelles, le Tchécoslovaque Jan Bartu, au stand de tir.

Jan Bartu (TCH) winner of the bronze medal in the individual competition, shown here during the shooting event.

Le pentathlète canadien John Hawes, lors de l'épreuve du 25 m dans le tir au pistolet.

John Hawes of Canada takes aim during the third day's shooting competition of the modern pentathlon.

Le Polonais Janusz Pyciak-Peciak s'éloigne pensivement de la cible. Sa marque de 196 sur 200 lui vaudra 1 044 points, apport substantiel pour la première place au classement individuel.

Janusz Pyciak-Peciak (POL) walks away from the silhouette target after verifying his score during shooting competition. His 196 out of a possible 200 converted to 1,044 modern pentathlon points and went a long way toward his individual gold medal.

Montant le cheval Goodwill, la princesse Anne de Grande-Bretagne franchit un obstacle lors de l'épreuve de fond.

Princess Anne of Great Britain and Goodwill negotiate a difficult jump during the endurance test.

Le doyen des concurrents au concours complet, l'Australien William Roycroft, en est à sa cinquième participation aux Jeux olympiques. Monté sur Version, il mènera son équipe à la médaille de bronze grâce à sa performance aux sauts d'obstacles.

William Roycroft of Australia aboard Version. The oldest competitor in the three-day event, in his fifth Olympic Games, Roycroft led his team to a bronze medal.

Une pente abrupte et détrempée, un saut sous les arbres, un virage rapide et deux mètres plus loin, un autre saut. La Canadienne Juliet Graham, sur Sumatra, s'en tire très bien.

Canada's Juliet Graham and Sumatra have just jumped over an obstacle and into the trees where they make a quick two-metre turn on a wet steep hillside to face another jump.

In Grand Prix jumping, few competitors cleared the 4.8-metre water hazard without getting covered in mud.

Le Français Hubert Parot, sur Rivage, franchit le neuvième obstacle d'un parcours difficile. Son équipe remportera la médaille d'or du Grand Prix de sauts d'obstacles.

Aboard Rivage, Hubert Parot of France clears the ninth jump on a very difficult course. His team won the gold medal in Grand Prix jumping.

L'Américain Lanny Bassham, médaillé d'or à la carabine de petit calibre, trois positions, fait preuve d'une extrême concentration; atteignant de 33 coups sur 40 la zone de 10 points large d'un centimètre, il réalise, position debout, une marque de 373.

Lanny Bassham (USA) gold-medal winner in the small-bore rifle three positions event, shows the concentration needed to place 33 of 40 shots in the 10-point, 1-cm inner ring, for a score of 373 in the standing position.

Carabine de petit calibre, trois positions. Margaret Murdock est la première femme à remporter une médaille aux compétitions olympiques de tir. Sa marque était égale à celle de son compatriote Lanny Bassham. Se fondant sur les résultats de la ronde finale, les juges décernent la médaille d'or à ce dernier et la médaille d'argent à Mlle Murdock.

Margaret Murdock (USA) became the first woman to win a medal in Olympic Games shooting. Although her score in the small-bore rifle three positions event tied her with team-mate Lanny Bassham, the judges, basing their decision on the final round, awarded her the silver medal while Bassham won the gold.

Aux épreuves de tir à la carabine de petit calibre, position couchée, match anglais, la compétition est tellement serrée que la moindre maladresse technique ou un seul moment d'inattention peut occasionner la perte d'un point et coûter cher au classement.

The small-bore rifle, prone position, "English Match" features such stiff competition that one small slip in technique or attention can lead to the loss of a single point and move an athlete from medal contention down many places in the standings.

Les sonneries, au Stade olympique, marquent la fin des Jeux. Cinq cents écolières forment les anneaux, au centre, tandis que la Marche des athlètes annonce le défilé de clôture.

Fanfares resound throughout the Olympic Stadium as the Games of the XXI Olympiad draw to a close. Five hundred school-girls form the Olympic rings in the centre of the field as the final procession begins to the tune of the March of the Athletes.
