This park is located along Minami-asakawa River in Hachioji City, surrounded by the Kasumi and Tama hills. The site was used as a bicycle racing track for the Tokyo Olympics, later becoming a park. An open, bright park facing Minami-asakawa River, Ryonan Park is backed by the Tama mausoleum and has a view of Mt. Takao and Mt. Jinba to the west.

The park is separated into two sections. One has a baseball diamonds and fields, and the other across the bridge over Minami-asakawa River has a children's playground.

Opened	April 1, 1968
Area	59,511.16 m ² (some areas are state-owned property provided under gratuitous loan)
Trees	Tall trees: 1,380, Shrubs: 5,600 m ² Grass: 4,600 m ²
Main plants	Ginkgo, cherry (someiyoshino), sawara cypress, dwarf sawara cypress, Chinese evergreen oak, Himalayan cedar, Japanese holly, holly tea olive
Facilities	Baseball field (rubber-ball only), pool (administered by Hachioji City: tel: 042-664-5808)

Observation field ● The observation field, north of the baseball field, sits atop the highest point in the park. Trees provide plenty of shade for visitors looking out to the Takao mountain range from the arbor.

Children's playground ● This park annex across the Minami-asakawa River bridge is a playground for kids. The field surrounded by large

Japanese zelkovas holds a swing, slide, sandbox, and other equipment. A pool administered by Hachioji City is also nearby (fee required for pool use).

Cherry blossom viewing

Splashing pond

Sakura Dori and Sakura Hiroba ● The stone paved Sakura

Dori (cherry blossom road) leads into the Sakura Hiroba (cherry blossom square) where approximately 200 cherry blossoms such as someiyoshino, oshima-zakura and yama-zakura are planted. Many visitors come here to admire the cherry blossoms from the end of March to the end of April.

Splashing pond ● Right next to the Sakura Hiroba is the Jabujabu (splash) pond where children can frolic in the water. The water is released during the Golden Week period in spring and the summer vacation period.
