HEAD COACH GREGG TROY

The summer of 2012 brought major accomplishments to an already stellar resume for Head Coach Gregg Troy. Troy served as the 2012 USA Men's Olympic Swim Team head coach in London, England, as the U.S. men won 16 medals during the Games. In coordination with his success with the University of Florida and his international coaching resume, Troy was inducted into the American Swimming Coaches Association Hall of Fame in 2012.

Troy has brought the University of Florida swimming and diving program back to the national spotlight after winning the women's program's second NCAA Title in 2010, the first since the Gators won the inaugural NCAA Championship in 1982. As a result of his success during the 2010 season, Troy was named the 2010 USA Swimming Coach of the Year, 2010 and 2011 ASCA Coach of the Year, 2010 NCAA Women's Swimming Coach of the Year and 2010 SEC Men's Swimming Coach of the Year. A top-10 NCAA contender in his 17 years at the helm of the University of Florida women's swimming team and 16 as the leader of the men's program, Troy has created an atmosphere of consistency and excellence around both the men's and women's Gator swimming and diving programs. The result has been the elevation of one of the most storied collegiate programs to even higher levels of success.

SEC team titles, All-Americans, and Coach of the Year honors are just some of the accomplishments Troy has accumulated during his tenure at Florida. Entering his 18th season with the women's squad and 17th with the men's team, Troy has guided the Gators to 31 national titles, 141 SEC event titles, more than 325 SEC Academic Honor Roll selections and more than 850 All-America honors.

And that's just at Florida. With his first National Championship as the Gator head coach, Troy elevated to an elite status, having won a team national championship at the high school, club and collegiate levels. In his career, he's tutored over 75 Olympians, over 250 All-America swimmers and has coached athletes to more than 155 U.S. and international records.

The Gators took one step further during the 2013-14 season, as the men's team repeated as Southeastern Conference Champions and finished third at the NCAA Championships with 387 points, representing the highest finish for the Orange and Blue since 1991 and the

school's highest point total ever recorded at the national meet. The women's team finished sixth overall, extending Florida's top-10 streaks to 15 for the men and 14 for the women, respectively. Marcin Cieslak captured a pair of national titles in the 200 IM and 100 fly, providing Troy with his 30th and 31st national titles. Florida's program combined to set 22 school records and eight of 10 relay records throughout the midseason invite, conference championships and national championships.

The 2012-13 season brought even more highlights to Troy's already illustrious resume. UF's sixth-place finish on the men's side capped off a strong season for the Gators. The group tallied 41 All-America honors at the national meet, the most since the 2007 season. For the second time in three years, Florida's men claimed victory in the 800 free relay. The group of Pawel Werner, Sebastien Rousseau, Marcin Cieslak and Dan Wallace blistered the field with a school-record time of 6:13.27, winning by two seconds over eventual NCAA Champion Michigan. Cieslak led the team with seven All-America honors after finishing second in all three individual events (200 IM, 100 fly and 200 fly) and swam on four relays.

The biggest highlight of the season came at the 2013 SEC Championships, where Troy guided the Gator men to the conference title for the first time since 1993. The Gators broke Auburn's streak of 16-consecutive conference championships, and gave the program its 34th SEC title. Cieslak won two individual event titles, while Matt Elliott and Pawel Werner each won their first SEC titles. Troy was named the SEC Male Swimming Coach of the Year.

UF's women also finished sixth at the 2013 NCAA Championships, collecting 35 All-America honors, and placed third at the SEC Championships. Elizabeth Beisel won the NCAA title in the 400 IM, giving her two NCAA championships in her career. Out of the pool, Beisel became just the 11th student-athlete in Florida history to be named Capital One Academic All-America of the Year, earning the distinction for the women's At-Large team.

In the 2011-12 season, the Gators continued their streak of consecutive top-10 finishes at the NCAA Championships. With their 12th consecutive top-10 finish, the Gator women took 10th at the 2012 NCAA Swimming and Diving Championships. They also brought home 27 All-America honors. Senior Teresa Crippen led the team with six All-American honors and finished eighth among the high point swimmers. Beisel won her first individual national championship when she finished first in the 200 backstroke with a time of 1:50.58.

The UF men also extended their streak of top-10 finishes to 13, as they placed eighth at the NCAA Championships. The Orange and Blue collected 27 more All-America titles, with Marcin Cieslak earning six to lead the men's team. Cieslak finished second in the 200 IM and third in the 100 and 200 butterfly. The Gators were one of only two SEC teams in the top-10.

At the 2011-12 SEC Championships the Gators collected eight SEC Championships, including a sweep of the 200 and 400 IM events. Beisel and Cieslak each won three

individual events and Brad deBorde and Eduardo Solaeche-Gomez won one title apiece. Beisel and Cieslak were named SEC Female and Male Swimmers of the Year. It was the first year since 2010 that a Gator has received the Female Swimmer of the Year and the third year in a row that a UF swimmer has won the Male Swimmer of the Year.

The 2010-11 season was another successful year for Troy, as the men's team finished fifth and the women's team placed seventh at the 2011 NCAA Swimming and Diving Championships. The UF men's top-five finish was the highest of any Southeastern Conference school at the meet, Florida's fifth top-five finish in the last six years and UF's eighth under Troy. For the 12th consecutive season, the Orange and Blue finished in the top-10 nationally. Individually, 15 UF swimmers combined to bring back 19 All-America honors and two national championships (200-yard freestyle, 800-yard freestyle relay) to Gainesville.

For the 11th consecutive season, the Gator women placed in the top-10 at the NCAA Championships with 11 swimmers and one diver combining to earn 38 All-American honors, led by junior Shara Stafford's seven All-American honors. This year's SEC Female Freshman of the Year, Elizabeth Beisel, brought home five All-America honors, including top-three finishes in the 400-yard IM and 400-yard backstroke.

At the 2011 SEC Swimming and Diving Championships, Troy coached 19 Gators to 56 All-SEC honors, including 13 SEC Championships, more than any other school in the conference. As a result of Troy's guidance, UF took home the Male Swimmer of the Year Award and both Male and Freshman Swimmer of the Year Awards.

2010 was one for the record books, as the Florida women brought home the school's first National Championship in 28 years, led by five school records and national championship performances in the 200-yard free relay and 100-yard back by senior Gemma Spofforth. Like the Gators did on March 18-20, 1982, the 2010 squad pulled out a close victory over second-place finisher Stanford. Florida scored 382 points, edging out the Cardinal (379.5) in the second-closest NCAA competition ever. A total of 12 All-Americans tallied 36 All-America performances on the Purdue campus at the Boilermaker Aquatic center.

While the women's team swam and dove its most complete Championship meet in recent history, the 2010 men's swimming team rallied for its seventh top-five NCAA finish in Troy's tenure at Florida, scoring the most points in Florida history at the time to finish fifth at the NCAA meet on the Ohio State campus after tallying 364 points with leverage from three national titles and five top-eight relay finishes. Junior Conor Dwyer was named the men's Division I National Men's Swimmer of the Year after winning the 200 and 500 freestyle events, the first NCAA swimmer to do so since 2001. Additionally, senior Shaune Fraser recorded one first and two second-place finishes, earning seven All-America honors to rack up an all-time Florida mark of 27 All-America honors, the most for a single men's swimmer or diver in school history.

Ten other Gators collaborated with Fraser to collectively put on 38 All-America performances to highlight the 2010 campaign.

Both the 2010 Gator squads finished second at the 2010 SEC Championship meet, Florida's 10th straight top-three finish on both the men's and women's side. The Gators tallied numerous accolades at the league championships in Athens, Ga., under Troy, including SEC Men's Swimming Coach of the Year, SEC Women's Swimmer of the Year in Spofforth, SEC Men's Swimmer of the Year in Dwyer, high point awards for Spofforth, Dwyer and S. Fraser, while the Gator divers cleaned up with SEC Women's Diving Coach of the Year for Donnie Craine and SEC Women's Diver of the Year for senior Kara Salamone.

In summer 2009, Spofforth captured the spotlight of the world when she shattered the World Record in the women's 100-meter backstroke (58.12), winning her first World Championship for Great Britain at the 2009 FINA World Championships in Rome, Italy. But Spofforth's World Title is just the tip of the iceberg. Under Troy, Spofforth defended her 100 & 200-yard backstroke races in 2009, becoming just the fourth NCAA swimmer to win the 200 back three consecutive years. Under Troy's watch, Spofforth, the 2009 SEC Swimmer of the Year, eclipsed the NCAA record in the 200 back at the 2009 SEC meet, becoming only the second swimmer to ever break the 1:50.00 mark in the event when she swam to a 1:48.34. Spofforth also carried British Commonwealth Records in the 50, 100 and 200-meter backstroke races, as well as the 100-meter back European Record. The Gators stamped their 17th SEC Championship team title in 2009 in Auburn, Ala., with the help of Spofforth, a tribute to Troy's talent and expectations of excellence at the head of the Gator program.

Additionally, Troy tutored 2009 NCAA Champions Bradley Ally and Shaune Fraser, who collectively won three individual national titles, the most since 2006, when Gator great Ryan Lochte picked up three, bringing Florida's all-time national championship count to 35 titles. Collectively, the men's and women's squads brought back 71 All-America honors home to Gainesville after the 2009 season.

Troy's success is thriving at Florida, but it's no different than the mark he made his first season. Troy came to Florida in 1998 as the women's head coach and promptly led the Gators to an eighth-place finish at the NCAA Championships – an improvement of seven spots from the previous season. A year later, he became the third coach in UF history to take the reins of both teams when he was named the head coach of the men's squad.

In his inaugural season as men's head coach, the Sarasota, Fla., native guided the Gators to a ninth-place showing at NCAAs and a runner-up finish at the SEC Championships. For his efforts, Troy was named the 2000 SEC Men's Coach of the Year.

Both teams made remarkable strides the following season, as the women jumped 11 places from 19th at NCAAs in 2000 to an eighth-place spot in 2001. The men also showed improvement, from ninth place the

year before to eighth that season, at NCAAs.

The case was the same in 2001-02, as both teams made progress at the conference and national levels. The women's team captured the SEC Championship and finished seventh at NCAAs. The men placed second at SECs for the second-straight season, and, like the women, showed improvement at NCAAs with a fourth-place finish – the highest for the Gators since a third-place showing in 1991. In addition to taking home the high finishes, Troy captured the 2002 NCAA Men's Coach of the Year and SEC Men's Coach of the Year awards. He also received the Knoxville Sentinel's 2002 SEC Men's and Women's Coach of the Year awards.

In 2002-03, both squads continued to make progress under the tutelage of Troy and his staff. The women improved yet again at the national level by placing fifth at NCAAs after a runner-up finish at the SEC Championships. The men took home second at the SEC meet for the third-consecutive season and followed that up with a sixth-place showing at NCAAs.

In 2003-04, Troy led the women's team to a fourth-place finish at NCAAs. The women's team finished third at SECs, marking the fifth-consecutive year UF had placed in the top three at the league championships, and the Florida women did not drop out of the top five of the College Swimming Coaches Association (CSCAA) national poll for the second-consecutive year. On the men's side, the Gators finished second at the SEC Championships, the fifth-straight top-three finish at SECs, and placed sixth at the NCAA Championships. One of the highlights of the season was Lochte winning the 26th NCAA title in UF history when he broke the U.S. Open, American and NCAA record in the 400-meter IM. At the end of the season, Troy was rewarded for the Gators' success with his second NCAA Men's Coach of the Year Award.

In 2004-05, Troy led both teams to top-five finishes at the NCAAs, as the women placed fourth and the men secured the fifth spot. For the women, it was the 22nd time in Florida history that they finished in the top-five. Both teams also had success outside of the pool, claiming a combined 30 SEC Academic Honor Roll selections during the season.

Troy piloted the Gator men to a fifth-place finish for a second-consecutive season in 2005-06, while Lochte, one of Troy's finest protégés, became the all-time Florida leader in individual NCAA Championships with seven titles. The women finished in the top-10 for a sixth-consecutive season under Troy's direction.

The 2006-07 season was another banner campaign for both Troy and the Gators, as both squads finished in the top-10 at the NCAA Championships. The UF men earned 45 All-America honors en route to a fourth-place finish – their highest in five years – at the NCAA meet. Three Gator men's swimmers also combined to win six individual SEC titles and Florida won the 800 FR at the conference meet for the sixth year in a row, garnering Troy SEC Men's Coach of the Year honors.

Florida's women were not left out of the title chase in 2006-07, as Troy guided freshman

Gemma Spofforth to NCAA crown in the 200 back and Caroline Burckle to the conference championship in the 100 breast. Spofforth's performance marked the first individual national championship for a member of the UF women's team since 1995, and the squad's first backstroke victory in 17 years.

Spofforth returned a year later and under Troy's direction, became the first Gator woman since the 1993-94 season to win both the 100 and 200 backstroke events at the SEC and NCAA Championships in the same year. Burckle added to the trophy haul at the NCAA Championships, winning both the 200 and 500 freestyle events. Burckle also set a new NCAA record in the 500 free, eclipsing Janet Evans' 20-year record.

Named the 2008 SEC Women's Swimming Coach of the Year, Troy oversaw the development of Burckle, who came away from her four-year career with five school records. For her accomplishments in the water, she was named the 2008 NCAA Swimmer of the year and collected the Honda Sports Award for Swimming and Diving. Burckle additionally rallied at the 2008 Olympic Trials in Omaha, swimming a lifetime-best 200-meter free time to make her first-ever Olympic Games. In Beijing and under Troy's watch, she swam one of the four 200-meter free legs in the women's 800-meter free relay that claimed a bronze medal.

The Gator men countered in 2008 with five SEC titles of their own. Clark Burckle collected two of the five, winning the 400 IM and 200 breast while also setting the school record in the 100 breast. Shaune Fraser picked up his second straight SEC Championship in the 200 free, defending his title in pool-record time. Bradley Ally picked up the win in the 200 IM in pool-record time while Omar Pinzon led a Gator sweep in the 200 back with the fifth-fastest time in school history. The men would go on to finish eighth at the NCAA Championships, picking up a total of 38 All-American honors.

Troy has also found success in international competition as the head coach of several teams, including his honor as an assistant coach of the men's United States Olympic Team in Beijing. Troy additionally served as head coach of the Thailand Olympic Team in the 1992 games in Barcelona, as well as the men's United States 2010 Pan Pacific Swim Team. Active Gator Olympians that are presently under Troy's tutelage include Sarah Bateman, Elizabeth Beisel, Melani Costa-Schmid, Evan Lehtonen, Jemma Lowe, Anna-Liisa Pold, Rodion Davelaar, Brett Fraser, Shaune Fraser, Balazs Gercsak, Sebastien Rousseau and Gemma Spofforth.

Under Troy's watchful eye, Lochte has developed into one of the top swimmers in the world. At the 2010 Pan Pacific Championships, Troy coached Lochte to a meet-high six gold medals, giving Lochte Male Swimmer of the Meet honors at the year's biggest international meet. At the 2008 Olympics in Beijing, China, Lochte won two gold medals and two bronze medals. He broke fellow American Aaron Peirsol's two-year winning streak in the 200-meter back with a world-record performance at the 2007 World

HEAD COACH GREGG TROY

Championships in Melbourne, Australia, winning his first individual world title in a long-course meters setting. He won five medals (three gold, one silver and one bronze) and set four world records at the 2006 FINA Short Course Championships in Beijing, China, just 10 days after competing at the NCAA Championships. In 2004, Lochte captured a gold medal at the Summer Olympic Games in Athens, Greece, in the 800 FR with an American-record time of 7:07.33, and won a silver medal in the 200-meter IM in a University of Florida-record time of 1:58.78, which ranks third-fastest all-time in the history of the event.

Troy was on deck in Melbourne as an assistant coach with the U.S. Men's World Championships Team when Lochte claimed his world record. He has also served as the head coach for the U.S. Team at the World Championships in 2001; head coach of the U.S. Team for the Pan American Games in 1999; assistant coach for the 2004 U.S. Women's FINA World Short Course Championships; assistant coach for the U.S. Women's Team at the 1996 Olympics in Atlanta and the head coach for the U.S. Pan American Team in 1995. His accomplishments on the international level led him to being named the 1997 U.S. Olympic & United States Swimming Development Coach of the Year. The award is one of several that Troy has received from the U.S. Swimming Coaches' Achievement program.

Before Troy racked up success at the collegiate and international levels, he enjoyed a scintillating career at the prep level for The Bolles School in Jacksonville, Fla. For 20 years, he led the school's program and its affiliated club program.

During his tenure, Bolles claimed several national high school team championships. At the state level, his teams won 15 boys' Florida State Championships (including 10 consecutive) and 11 girls' state titles (including nine consecutive).

Troy earned his bachelor's degree in history/government from Texas Christian University in 1972. In 1987, he earned his master's in history education from Jacksonville University. Troy and his wife, Kathleen, have three sons: Patrick (27), a former UF Cross Country and Track & Field athlete who earned his undergraduate degree in English from Florida in 2009; Geoffrey (26), a four-year football player at the Merchant Marine Academy and now a United States Marine Lt. Helicopter Pilot; and Ryan (24), a decathlete on the 2009-11 Gator Track & Field team and a graduate of Idaho State University in Outdoor Education.

ASSISTANT COACHES

ANTHONY NESTY

ASSOCIATE HEAD COACH

One of the most decorated swimmers in Florida history, Anthony Nesty enters his eighth season as an associate head coach and 17th as a member of the Gators' coaching staff.

Primarily working with the men's team, Nesty has played a key role in guiding UF men to back-to-back Southeastern

Conference Championships and a third-place finish at the 2014 NCAA Championships. Prior to 2013, the Gators had not won a conference title in 20 years. In addition, UF's SEC title in 2014 represented the program's 35th overall. The Gators' third-place finish at NCAA's was the highest finish in program history since 1991 and extended UF's streak of top-10 national finishes to 14 seasons. Florida had 13 student-athletes total 43 All-America honors over the three-day meet.

The Florida men set 12 school records in 2014, including Brad deBorde in the 50 and 100-yard free, Dan Wallace in the 500 free, Arthur Frayler in the mile, Eduardo Solaeche-Gomez in the 100 and 200 breaststroke and Marcin Cieslak in the 100 and 200 butterfly races. In addition, four of five relay teams set UF records as well. Cieslak won a pair of NCAA titles, becoming the first Gator since Nesty to bring home three consecutive national titles in the 100 butterfly (1990-92). Cieslak also captured UF's eighth 200 IM national championship. Sebastien Rousseau was named the SEC Swimmer of the Year and earned the SEC Commissioner's Trophy after he won a trio of SEC titles.

"Anthony is one of the most revered coaches in college swimming, and one of the few who is considered both a great athlete and a great coach," Florida head coach Gregg Troy said. "He's got a great work ethic and a tremendous ability to get results. His experience at the Olympics as an athlete is instrumental in his ability to relate to our current athletes. His reputation for getting the most out of them speaks for itself."

During his collegiate career at UF, Nesty won his aforementioned three consecutive NCAA crowns in the 100 fly from 1990-92. In addition at the NCAA Championships, Nesty won the 200 fly in 1990 and he was a member of Florida's 1991 NCAA champion 400 medley relay team. He held the school records for NCAA titles until 2006, when former Gator Ryan Lochte finished his illustrious career with seven such honors.

For his accomplishments as a Gator, Nesty was inducted into the Athletic Hall of Fame in April 2002.

In addition to his success at the collegiate level, Nesty brings experience at the highest levels of international swimming to the Florida staff. At the 1988 Seoul Olympic Games, he won the first-ever Olympic medal for his native country of Suriname when he edged seven-time medalist Matt Biondi of the United States by .01 to bring home the gold in the 100-meter fly. Nesty also won the gold medal in the 100 fly at the 1990 Goodwill Games and captured a world championship in the same event in 1991.

Nesty concluded his swimming career at the 1992 Barcelona Olympics, where he earned the bronze in the 100 fly.

Nesty made his return to Gainesville on June 1, 1998, to assume duties on the pool deck. Prior to that, he served as a club level coach for three years with Swim Florida in Sarasota.

Making the coaching stop at Florida has not only allowed Nesty to reach a career goal, but his post on the Gators' deck has allowed him to be reunited with a close friend in Gator swimming head coach Gregg Troy, for whom Nesty swam for high school at The Bolles School in Jacksonville. Following Nesty's illustrious collegiate career, he served as one of Troy's assistants at Bolles, while also holding the head coaching position at Jacksonville's Nease High School.

Nesty began his international coaching career as an assistant coach for Suriname at the 2004 Olympic Games in Athens, Greece. He then continued his Olympic tradition as the head coach for Suriname at the 2008 Olympics in Beijing and the 2012 Olympics in London. On the 20th anniversary of Nesty's Olympic gold medal in the 100-meter fly, not only was Nesty honored as head coach of his country's team, but he was recognized as the Suriname flag bearer at the opening ceremonies of the 2008 Summer Games.

Outside of the Olympics, Nesty coached internationally during the summer of 2009, when he traveled to Rome as the coach for the 2009 Cayman National Team at the 2009 FINA World Championships. At the Championships, Nesty tutored then-current Gators Brett and Shaune Fraser. In the summer of 2010, Nesty coached the Cayman National Team at the 2010 Mutual of Omaha Pan Pacific Championships, the largest international meet of the year. In 2011, Nesty served on deck as an assistant coach for the U.S. men's team at the World University Games, which was his first time coaching for the United States. In 2014, Nesty coached the Venezuelan team at the Pan Pacific games, where he tutored Olympian Andreina Pinto, who trains with the Gator swim club in Gainesville.

Over the last 17 seasons at UF, Nesty has shown the ability to transfer his penchant for fast times in the water to the Gator swimmers he has coached. In 2006-07, he helped Shaune Fraser, a 2004, 2008 and 2012 Olympian from the Cayman Islands, develop into a top-five finisher in the 200 fly at the NCAA Championships in his first collegiate season. His work with the Gators' middle-distance and distance freestylers during that campaign also came to fruition at the 2007 NCAA Championships, as he tutored Grant Johnson and Tobias Work to earn a combined five All-America honors and record four career-best times.

Fraser returned to the NCAA Championships in 2008 to collect seven All-American honors and finally reached the highest collegiate achievement under Nesty in 2009, when he brought home his first two individual national championships in the 200 free and 200 fly (NCAA record). Fraser became the first Gator to win the 200-yard fly since Nesty did so in 1990. Fraser wrapped up his career in 2010 with seven All-America honors, giving him 27 accolades for his career, the most for a single men's swimmer or diver in school history.

In 2014, Cieslak finished his career with 25 All-America honors and three NCAA Championships, the third-most All-America honors and the 10th most NCAA titles in school history.

At the 2000 NCAA Championships, Nesty saw his pupil, Duncan Sherrard, break his 10-year old school record, which he set at the 1990 SEC Championships, in the 200 fly. In 2006, he was on the pool deck when Ryan Lochte set the school records in the 100 and 200 fly at the SEC Championships. Another Nesty protégé, Ricardo Monasterio, collected four All-America honors during his career at UF and swam in the 1996, 2000, 2004 & 2008 Olympic Games for his home country of Venezuela.

In addition to all the All-America honors, national championships and record breaking times that Nesty has led current and former Gators to; the Paramaribo, Suriname native has led multiple swimmers to SEC Male Swimmer of the Year and SEC Male Freshman Swimmer of the Year honors.

ASSISTANT COACHES

MARTYN WILBY

ASSOCIATE HEAD COACH

Martyn Wilby enters his ninth season as an associate head coach and 18th as a member of the Gators' coaching staff in 2014-15.

"Martyn is an internationally-known coach whose success on the deck speaks for itself," Florida head coach Gregg Troy said.

"Europe has a vast swimming community, and he has one of the strongest reputations in that area of the world. His move to associate head coach has been a tremendous asset because of the increased level of contact that he has had with our student-athletes. His work ethic and passion for swimming are contagious both on and off the deck."

The Darlington, England, native completed a stellar four-year collegiate swimming career at the University of Kentucky, where he lettered from 1982-86. While swimming for the Wildcats, he was also a member of the British National Team.

Wilby's arrival at Florida in 1998 marked a reunion with head coach Gregg Troy, after having previously coached under him for seven years at The Bolles School in Jacksonville.

This past season in 2014, Wilby helped lead the Gator women to a sixth-place finish at the NCAA Championships and a third-place mark at the SEC Championships. Florida reset 11 school records during the 2013-14 season, including Natalie Hinds in the 50 and 100-yard freestyle, Alicia Mathieu in the mile, Hilda Luthersdottir in the 100 and 200 breast, Ellese Zalewski in the 100 fly and Elizabeth Beisel in the 200 IM, as well as four relay standards. UF has now finished in the top-10 at the NCAA Championships in 14 consecutive seasons. In addition, Florida had six student-athletes earn 19 All-SEC accolades at the 2014 SEC Championships.

From 2011-13, UF's women earned 99 All-America honors and had 12 student-athletes named as an All-SEC performer. The Gators placed third at the SEC Championships all three years. Individually, Elizabeth Beisel won two NCAA championships and became just the 11th student-athlete in Florida history to be named Capital One Academic All-America of the Year, earning the distinction for the women's At-Large team in 2013. Also in 2013, Natalie Hinds was third Gator since 2005 to be named the SEC Female Freshman of the Year (Beisel, 2011, Caroline Burckle, 2005).

Wilby played an instrumental part in the Florida women's 2010 National Championship which was the school's first in 28 years. Wilby coached the women to two national championship performances and five school records. Under Wilby's direction, the 2009-10 squad pulled out a close victory over second-place finisher Stanford on March 20. Florida scored 382 points, edging out the Cardinal (279.5) in the second-closest NCAA competition ever. Florida totaled 12 All-Americans and 36 All-America honors to capture the title. In addition, Wilby coached the women's team to its first-ever 200-yard freestyle relay national title, as well as its most SEC titles (8) since 1995.

Just one year prior, the Gators won their 17th SEC Championship crown in school history in 2009. Gemma Spofforth defended her NCAA 200 back title and also won the individual championship in the 100 back for the second consecutive year. The following summer, Spofforth captured the spotlight of the world when she set the World Record in the women's 100-meter backstroke (58.12) for Great Britain at the 2009 FINA World Championships in Rome, Italy. Wilby was on deck at the international swim meet to watch Spofforth capture her first World Championship. Later that summer, Wilby tutored Spofforth to two more gold medals and a silver medal at the 2009 European Championships. The 2008 and 2009 SEC Swimmer of the Year finished her career as a seven-time NCAA champion and 25-time All-American.

Wilby's British background and European experience have proven to aid the Gators in international recruiting, proven by Spofforth and 2008-09 newcomer Jemma Lowe, who swept the 100 & 200-yard butterfly events at the 2009 SEC Championships. Lowe took down 25-year-old Florida records in both events.

Most recently, Wilby was on deck twice last summer at the 2014 European Games and Commonwealth Games. Dan Wallace led UF at the Commonwealth Games as he captured gold in the 400-meter individual medley, while Sebastian

Rousseau earned a trio of bronze medals. Also competing for UF were Corey Main and Sinead Russell. Wilby coached three student-athletes at the European Games, including Eduardo Solache-Gomez, Marcin Cieslak and Pawel Werner.

Wilby made the transition from swimming to coaching when he accepted a position as a swimming developer with the Stockton Council in England. In 1990, he returned to the United States and was named head coach at the Lakeside Hawks Swim Club in Louisville, Ky. Two years later, Wilby joined the coaching staff at The Bolles School in Jacksonville, Fla., and was honored as the Florida Age Group Coach of the Year in 1994.

In addition to coaching at UF, Wilby has also had numerous successes while coaching internationally. In 1997, he coached the Malaysian National Team to its best-ever finish in the Southeast Asian Games. Wilby also served as head coach for Barbados' swim team at the 2000 Olympics in Sydney, Australia. In Sydney, he coached former Gator and current assistant swim coach Leah Martindale-Stancil to a 23rd-place finish in the 100-meter freestyle preliminary heats and a 25th-place tie in the 50-meter freestyle preliminary events.

HEAD DIVING COACH

DALE SCHULTZ HEAD DIVING COACH

Dale Schultz enters his first season at Florida in 2014-15 after being named the head diving coach by head coach Gregg Troy on July 11, 2014.

"We are very excited to have Dale with us in Gainesville," Troy said. "He brings a wealth of knowledge and experience to our program. Having been in the conference

(SEC), Dale knows the level of competition and what it takes for our student-athletes to succeed."

Schultz came to Gainesville from Noblesville, Ind., where he was the Associate Head Coach at Ripfest Diving. Prior to that, Schultz spent 16 years at Southeastern Conference rival Arkansas (1989-2000, 2008-13) as the Razorbacks' head diving coach.

While overseeing the Razorbacks, Schultz, who was named the 1993 SEC Diving Coach of the Year, coached eight Arkansas student-athletes to a total of 19 All-America honors. At the SEC Championships, Schultz produced a pair of platform champions, with P.J. Murphy taking the men's title in both 1993 and 1994. His 1994 squad scored 38 points at the NCAA Men's Swimming & Diving Championships that contributed to Arkansas' 20th-place team finish.

Schultz spent the past year in Noblesville as a private instructor at Ripfest, where he coached many individuals, including his daughter, Brooke, who enters the 10th grade this fall.

Before arriving at Arkansas, Schultz served as the head diving coach at Purdue during the 1988-89 season, where he oversaw the development of a Canadian Games gold medalist, Eric VanKannl, as well as multiple Big Ten finalists and NCAA top-20 finishers. He also made stops at Idaho and Northern Michigan (Division II).

In addition to his success on the college scene, Schultz served as the team leader for the United States at the 1993 World University Games in Buffalo, N.Y.

A native of Akron, N.Y., Schultz is a 1984 graduate of Kansas State University, where he earned a B.S. in agriculture. In 1988, he earned his M.A. in exercise science while at Northern Michigan.

Schultz (53) and his wife Darby have three children, Hayden, Brooke and Collin. Hayden (17) is an AMA pro road racer as he competes in the Vance and Hines XR 1200 series as well as the SuperSport 600 class (cc). Brooke (15) is an accomplished diver, winning the 2013 Pan-Am Junior Championships bronze medal. Dale's youngest son, Collin (12) is an amateur road racer.

Schultz replaced Donnie Craine, who passed away in April 2014. Craine steered the Gator diving program for the past 30 seasons and he was named the SEC Diving Coach of the Year five times at UF. Craine coached five NCAA champions, including Florida's first – Chris Snode in 1978 (3-meter springboard).

"Donnie (Craine) was a close friend and mentor to me throughout my career," Schultz said. "I just want to continue to move this program forward and build on the success and tradition that he set up at the University of Florida."

Troy echoed Schultz's comments.

"Dale was great friends with Donnie (Craine), so he knows how much he meant to this program and he understands what we like to do," Troy said. "Dale has an interest in our entire program as he knows that diving is just one part of it. That makes him unique."

STEVE JUNGBLUTH

ASSISTANT COACH

Steve Jungbluth enters his fifth season as an assistant coach for the Gators in 2014-15. Jungbluth works with the sprinters.

This past season in 2013-14, Jungbluth helped the Gators break eight UF sprint records in four individual events and four relays. Individually, Natalie Hinds' set the new standard in the 50-yard

(21.66) and 100-yard freestyle (47.40) races. Meanwhile Brad deBorde broke the same two records on the men's side with times of 18.86 and 42.18 seconds, respectively. At the 2014 NCAA Championships, Jungbluth tutored deBorde to a third-place finish in the 50-yard free at NCAA's following his victory in the same event at the SEC Championships a weeks earlier. His sprinters helped lead the men's team to its second consecutive SEC Championship and 35th overall, as well as a third-place team finish at the national meet. The women placed third at SEC's and six at NCAA's.

In 2012-13, Jungbluth guided Hinds to seven All-America honors and three SEC titles. For her efforts, Hinds was named the SEC Female Freshman of the Year. In addition on the women's squad, Jungbluth coached Ellese Zalewski to

swim UF's second fastest time in the 50-yard free (22.04) at the 2013 NCAA Championships. On the men's side, deBorde finished runner-up in the 50-yard free (19.12) at the 2013 SEC Championships and fifth in the same event at NCAA's. Also, Pawel Werner won the 200-yard free (1:33.23) at SEC's and earned four All-America honors at the national meet.

Combining the 2010-11 and 2011-12 seasons, Jungbluth tutored one national champion, three All-Americans and one SEC champion.

Before his time in Gainesville, Jungbluth spent seven seasons (2003-10) as the head coach at Colgate, where he led the Raiders to the top of the Patriot League. His women's squads won the league title in two of his last three seasons in Hamilton, N.Y., while every swimmer he recruited into the program achieved at least one personal-best time during the course of their career.

In the 2008-09 season, his women's team cruised to its second consecutive conference crown and the second-highest point total ever generated in the three-day event. At that meet, Colgate won titles of 14 of 18 swimming events; set 18 team records and 14 meet records. In the 2007-08 campaign, the Raiders' women's team won its first Patriot League championship in program history. Colgate had 11 individuals earn All-Conference honors and six take home take individual championships.

During the 2005-06 campaign, Jungbluth led Colgate's women's team to a perfect record through its dual-meet schedule, which included wins over the Naval Academy and four-time defending league champion Bucknell. Colgate defeated Navy for the first time in school history while it beat the Bison for the first time in 21 years. In his first season at Colgate (2003-04), Jungbluth earned Patriot League Coach of the Year honors after leading the women's team to a second-place finish at the conference championships. At the time, it was the highest finish at a conference meet in the history of the women's program. In addition, the men's squad finished with a 9-5 record in 2004, which was Colgate's highest number of victories in 20 seasons.

Prior to taking over at Colgate, Jungbluth served as an assistant coach for three seasons at Navy. During his time there, he produced nine Patriot League champions, six Patriot League record-setting performances, two Patriot League Championship Swimmers of the Meet and one team championship.

Jungbluth began his coaching career as an assistant coach and later interim head coach at NCAA Division III Amherst College (Mass.). As an assistant at Amherst, he helped coach seven New England champions, 10 All-Americans and 13 honorable-mention All-Americans. In addition, the Jeffs broke 41 varsity and pool records during his tenure. The men's team posted a perfect 10-0 dual meet record during the 1995-96 season.

Jungbluth earned a bachelor's degree in exercise science from the University of Massachusetts, Amherst, in 1994 and a master's degree in exercise science from UMass, in 1997. He was a four-year letterwinner for the Minutemen, serving as a co-captain during his senior season.

LEAH MARTINDALE-STANCIL

ASSISTANT COACH

Leah Martindale-Stancil, a former Gator swimmer and UF grad ('02), enters her seventh season as an assistant coach for Florida in 2014-15. Stancil has assisted with both the men's and women's swimming and diving programs since she returned to her alma mater prior to the 2008 season.

"Leah has a tremendous background in international competition, and sports psychology and she's also a Gator," head coach Gregg Troy said of Stancil.

Stancil's highlights of her young coaching career began with the 2008-09 Florida women's swimming and diving team, as she helped guide it to its 17th SEC Championship. Individually that season, Stancil tutored three individual NCAA Champions, including Bradley Ally, Gemma Spofforth and Shaune Fraser. The following season in 2010, Stancil helped elevate the women's program to new heights, as that squad won the programs first NCAA Championship since 1982.

This past season in 2013-14, the Florida men's team won its second consecutive SEC title and finished third at the NCAA Championships, which was the highest finish for the Gators in 23 years. The Gators women's squad placed third at SEC's and sixth at NCAA's for the second consecutive year at both meets. Individually, the two teams had 21 student-athletes

combine for 74 All-America honors. In addition, Florida broke 22 school records.

From 2011-14, Stancil helped extend Florida's streak of consecutive NCAA top-10 finishes, which is now 15 for the men and 14 for the women following this past season. Stancil also helped lead the Gator men's team to their first SEC Championship in 20 years in 2013.

In addition to her coaching duties, Stancil serves as the Gator Swim Camp Director, while also coordinating all the team's travel.

Prior to her return to Gainesville, Stancil spent two seasons at SEC foe South Carolina (2006-08), one year as an assistant coach at the Savannah College of Art and Design (2005-06) and one as a graduate assistant at UF (2004-05) which began her coaching career. While she was a grad assistant, Stancil served as an instructor at Swim America in Gainesville.

In the pool during her career, Stancil was a 12-time NCAA All-American, two-time Olympian and a four-time national record holder for her native country, Barbados. She was a member of the 2002 Florida Gators SEC Championship team.

Internationally, Stancil is the Barbados national record holder in the 50 free, 100 free, 50 butterfly and 100 fly in both long and short course events. Stancil recorded her record-setting times in the 50 and 100 free events at the 1996 Olympic Games in Atlanta, while she clocked her marks in

SEC CHAMPIONSHIPS

Florida Swimming & Diving in the Southeastern Conference

Both the Florida men and women's swimming and diving programs have dominated the Southeastern Conference since league competition began, dating back to 1937 for the men and 1981 for the women. The men's team has claimed 35 SEC Championships, 17 more than its closest competitor, Auburn (18). In 2014, the men won UF's second straight SEC Championship. The women have claimed 17 out of 34 possible league crowns, including 11 consecutive from 1986 through 1997, and their most recent title in 2009. Both teams boast numerous SEC honors, as the men's history includes 22 SEC Male Swimmer of the Year awards and four SEC Male Diver of the Year selections. The SEC Female Swimmer of the Year has been a Gator 19 times, while the SEC Female Diver of the Year has been a Gator five times. Florida coaches have also earned 23 SEC Swimming Coach of the Year accolades and eight SEC Diving Coach of the Year awards.

Combined, the two teams have won 690 SEC-event titles and received 546 SEC Academic Honor Roll accolades.
