## EFFECTIVE 01/01/15

### SOLID WASTE & RECYCLING COLLECTION

Beginning January 1, 2015, the New York State Electronic Equipment Recycling and Reuse Act will prohibit all households and generators of electronic waste from disposing of electronic waste such as computers, computer peripherals, televisions and other electronic devices as garbage.

However, City of Utica residents will be permitted to set out electronic waste at the curb as their weekly bulk item. There is a limit of one (1) bulk item per week, per building. Bulk items that are electronic waste will be collected for proper recycling.

### **ELECTRONIC WASTE CANNOT BE PLACED IN YOUR CURBSIDE RECYCLING CONTAINER.**

Residents may also deliver electronic waste to the Oneida-Herkimer Solid Waste Authority's Residential Convenience Station located at 80 Leland Avenue in Utica Monday-Friday from 8:00 am - 4:00 pm and Saturday from 7:00 am - 2:00 pm. Acceptable electronics may be delivered to the Authority's Utica facility year-round, free of charge.

**As of January 1<sup>st</sup>, these items can no longer be placed in your trash.**

# BLUE BAGS & GARBAGE SET-OUT REQUIREMENTS

This information is for City of Utica residents on how to set out garbage & recyclables properly to the curb. Please take time to read this information. This is our City, and by following the rules and regulations we can help keep our City clean.

Garbage (Blue Bags) and Recyclables (Orange Container/RecycleOne Decaled Container) should be placed between the sidewalk and the curb for collection.
