*NOTE: These awards are not authorized for units but are awarded to individuals who meet the eligibility criteria established by AFM 900-3, and who were members of the units listed in this pamphlet.

†NOTE: Although a unit may be entitled to display the streamer for a campaign, this does not mean that all personnel of the unit are entitled to credit for the campaign because it is possible that not all personnel of a unit were sent to Southeast Asia. Therefore,

determination of eligibility for personnel must be made on an individual basis. Only those individuals who were in Southeast Asia during designated periods may be credited with participation in campaigns. In many cases individuals may be entitled to campaign credit based upon TDY to Southeast Asia, although their organization of assignment would not be entitled to display the streamer.

2. Entries in Personnel Records. Personnel Officers will cite the special order or general order as authority for making entries on personnel records. If the special order or general order number and date are unknown, this pamphlet may be cited as the authority. Previous entries using general orders or letters as authority are not invalidated and will not be reaccomplished because of this pamphlet. (See AFM 35-14.)

3. Submitting New Evidence. The information herein does not deny or rescind any campaign participation credit or decoration due any unit because of omission from this pamphlet. The data presented are subject to correction as new evidence becomes available. Inquiries regarding entries should be forwarded through channels to USAFMPC/DP-MSAA, Randolph AFB, TX 78148.

4. Eligibility Criteria. Unit and individual eligibility criteria for awards and decorations described in this pamphlet are prescribed in AFM 900-3.

Chapter 3

**CAMPAIGN PARTICIPATION AND ASSAULT LANDING CREDITS FOR
WORLD WAR II, KOREAN CONFLICT, AND VIETNAM OPERATION; US
UNIT DECORATIONS; BERLIN AIRLIFT DEVICE; MEDAL FOR HUMANE
ACTION; KOREAN SERVICE STREAMER; ARMED FORCES
EXPEDITIONARY MEDAL; AND FOREIGN UNIT AWARDS (WWII, KOREA,
AND VIETNAM)**

8. Units Honored. Table 2 is a consolidated listing of campaign participation and assault landing credits for World War II, the Korean conflict, and the Vietnam operation; Distinguished Unit Citations, Presidential Unit Citations, Navy Unit Awards, Army Meritorious Unit Commendations, Air Force Outstanding Unit Awards, and foreign unit awards. This table also lists units whose assigned or attached personnel accrued entitlement to the Berlin Airlift Device, Medal for Humane Action, and Armed Forces Expeditionary Medal based on eligibility criteria prescribed by AFM 900-3. Table 2 is divided into four columns as follows:

1st Column — Unit designation at the time of the award or honor.

COLUMN A — Campaign participation credits.

COLUMN B — Distinguished Unit Citations, Presidential Unit Citations (Air Force), and Air Force Outstanding Unit Awards.

COLUMN C — Assault Landing Credit, Berlin Airlift Device, Medal for Humane Action, Korean Service Streamer, Army Meritorious Unit Commendation, Navy Unit Awards, Armed Forces Expeditionary Medal, foreign unit awards, and remarks explaining any entry as required.

NOTE: Due to the extremely large number of units involved, and because organizational histories provide this information, units eligible to display a war service streamer for World War II have not been included.

9. Explanation of Codes. Two types of codes are used in the tabulation for this chapter: a numerical and an alphabetical code. The numerical code used in Column A identifies World War II, Korean, and Vietnam campaigns listed in paragraph 9a, below.

The alphabetical code used in Column C indicates special honors and entitlements as cited in paragraph 9b, below.
