SINGLES. With P!nk on our shores for the weekend's ARIA Awards, it is no surprise *So What* keeps hold of the No.1 spot for another week. **Dizzee Rascal** who was in town last week, is doing some damage – up seven places to No.13 with *Dance Wit Me*. Former No.1 single, *Whatever You Like* by T.I. moves six places to No.19, meanwhile *Kids* is up eight places, leaving **MGMT** at No.40 this week. On a final note, **The Potbelleez** have done it – *Don't Hold Back* has secured their place in ARIA Singles Chart history, racking up fifty-two weeks in the chart.

No.16 WOMANIZER – Britney Spears. Pop sensation, **Britney Spears** has garnered much praise and just as much criticism in her nine years in the music business. But **Spears** has managed to keep her fans captivated and wanting more. The mini mogul was the first person on record to have her first four albums all debut at No.1 on the Billboard 200 Albums Chart. *Womanizer* is the first single to be taken from **Spears'** upcoming album *Circus*, which will be released on her birthday – December 2.

No.38 CANT SHAKE IT – Kate Miller-Heidke. Professionally trained as an opera singer – **Kate Miller-Heidke** turned from opera virtuoso to pop diva! **Miller-Heidke** debuted on the ARIA Singles Chart last year with the single, *Words* (No.43 July '07) and later wowed the audience with her performance of the track at the ARIA Awards ceremony. She was also nominated for four ARIA Awards in the categories Best Female Artist, Best Pop Release, Breakthrough Artist: Album (for *Little Eve* No.11 June '07) and Breakthrough Artist: Single (for *Words*).

No.45 I HATE THIS PART – The Pussycat Dolls. **Ashley, Nicole, Melody, Kimberly** and **Jessica** are the purrfect singing felines – **The Pussycat Dolls**. They made their chart debut three years ago with – *Don't Cha* (No.1 Aug. '05). Immediately after **Pussycat** pandemonium arrived, the **Dolls** kept on churning out the hits including *Beep* (No.3 Apr. '06), *Buttons* (No.2 July '06) and *Wait A Minute* (No.16 Mar. '07). *I Hate This Part* can be found on the album, *Doll Domination* (No.4 Sep. '08).

No.48 TAKE BACK THE CITY – Snow Patrol. Forming in Scotland in 1994, most of the band members hail from Ireland. **Snow Patrol** currently consists of **Gary Lightbody** (vocals/guitar), **Paul Wilson** (bass), **Jonny Quinn** (drums), **Nathan Connolly** (guitar/vocals) and **Tom Simpson** (keyboard). **Snow Patrol** are best known for their singles *Chasing Cars* (No.53 Jan. '08), *Open Your Eyes* (No.53 Nov. '07) and *Signal Fire* (No.22 May '07), which was taken from the *Spider-Man 3* Soundtrack (No.62 May '07).

No.54 NEVER MISS A BEAT – Kaiser Chiefs. Named after South African Football Club – **Kaiser Chiefs**, a team which United members, **Lucas Radebe** once played for. It also happens that the band, **Kaiser Chiefs** hail from Leeds in the UK. **Ricky Wilson** (vocalist), **Andrew 'Whitey' White** (guitarist), **Simon Rix** (bassist), **Nick 'Peanut' Baines** (keyboardist), and **Nick Hodgson** (drummer) are **Kaiser Chiefs**. This is the band's debut to the ARIA Singles Chart, although they have released two other singles *I Predict A Riot* and *Everyday I Love You Less And Less*, but both failed to make an impact with the Top 100.

No.72 BRUISES – Chairlift. Brooklyn, USA based trio **Chairlift** is **Aaron Pfennig** (songwriting/vocals/electronics/guitar), **Caroline Polachek**, (songwriting/vocals/tambourine/synthesizer), and **Patrick Wimberly** (drums/keyboard/production). Their track *Bruises* has been used for the next generation of iPod Nano, as seen in the commercial. This is **Chairlift's** debut to the ARIA Singles Chart.

No.76 THE LIGHTHOUSE SONG – Josh Pyke. Taken from this week's No.3 debuting album, *Chimney's Afire*. **The Lighthouse Song** is **Pyke's** third Top 100 Single, following *Memories & Dust* (No.39 Oct. '06) and *Lines On Palms* (No.33 Apr. '07). The Sydney based singer, songwriter and musician has featured on three Triple J Hottest 100 compilations for his works *Middle of the Hill* at #19 in 2005; *Memories & Dust* and *Private Education* in at #38 and #57 respectively in 2006 and *Lines on Palms*, *Sew My Name* and *Forever Song* in at #79, #91 and #97 for 2007.

No.81 ANOTHER WAY TO DIE – Alicia Keys & Jack White. A very unlikely pairing, but nonetheless it works well! **Alicia Keys** and **Jack White** of **The White Stripes** have teamed up for the very first duet for a James Bond movie series. *Another Way To Die* is the theme song for *Quantum Solace* and was written and produced by **White**, who also plays guitar and drums on the track while **Keys** is on her signature instrument, the piano.

No.82 LET IT ROCK – Kevin Rudolf. Born in New York and now currently based in Miami. **Kevin Rudolf** has worked with a host of stars either as producer, guitarist or writer. The list consists of **Justin Timberlake**, **Black Eyed Peas**, **Nelly Furtado**, **Britney Spears**, **Timbaland** and it goes on! *Let It Rock* features **Lil Wayne** and is **Rudolf's** debut to the ARIA Singles Chart.

No.96 U WANT ME 2 – Sarah McLachlan. Canadian born Grammy Award winner, singer, songwriter and musician had predictions in her year book by her high school peers that she would be famous one day and they were right! **McLachlan** has gained super success with her ethereal voice. Previous chart entries include *Stupid* (No.37 June '04), *Fallen* (No.41 Nov. '03) and *Aida* (No.55 Sep. '99). **McLachlan** was also the voice behind **Delerium's** dance hit – *Silence*, which peaked at No.6 in August 1999 and has since been accredited with platinum sales.

ALBUMS. **Kings Of Leon's** *Only By The Night* holds the No.1 spot for another week (that's the 3rd week in a row, and fourth week in the top 5), keeping *Death Magnetic* by **Metallica** at No.2 (also for the third week in a row). *Paper Trail* by **T.I.** is trying to match it's No.1 peak in the US by flying up from No.98 to no.30. There are many, many new debuts into the album charts this week – see below...

No.3 CHIMNEY'S AFIRE – Josh Pyke. ARIA Award winning singer, songwriter **Josh Pyke** returns to the top of the charts with his second full length album release, *Chimney's Afire*. It follows *Memories & Dust* which peaked at No.4 (Mar. '07) and saw **Pyke** walk away with the prize for Best Adult Contemporary Album at last year's ARIA Awards. *Chimney's Afire* was recorded this year at Sydney's Linear Recording Studios with **Pyke** taking care of most of the production duties himself. The first single to be lifted from the album – *The Lighthouse Song* – has also debuted on the ARIA Charts at No.76 this week.

No.5 DIG OUT YOUR SOUL – Oasis. Fronted by legendary brothers **Liam** and **Noel Gallagher**, this is the seventh studio release for UK group, **Oasis**. After forming in 1991 and rising to superstardom in the mid 90's with the release of *Definitely Maybe* (No.23 Aug. '95), *(What's The Story) Morning Glory* (No.1 Jan. '96) and *Be Here Now* (No.1 Aug. '97). There has never been a dull moment in the **Oasis** camp, always in the headlines for their rock star antics, they suffered a blow to their popularity in the late 90's and have more recently started winning back fans all over the world. Set to tour the globe in support of this latest release, hopefully they'll take time out to visit our shores.

No.7 APPEAL TO REASON – Rise Against. **Rise Against** are **Tim McIlrath** (vocals, guitar), **Joe Principe** (bass), **Zach Blair** (guitar) and **Brandon Barnes** (drums). Influenced by the likes of **Pennywise**, **Nirvana**, **The Descendents** and **Black Flag**, the band have been very vocal when it comes to animal rights and addressed this issue in their video for *Ready To Fall*. This is the second album for the band to achieve chart success in Australia, following in the footsteps of *The Sufferer & the Witness*, which reached No.22 (July '06).

No.8 WALKING ON A DREAM – Empire Of The Sun. Formed by two of Australia's finest – **Luke Stelle** of **The Sleepy Jackson** and **Nick Littlemore** of **Pnau** – they took their name from the 1984 novel by **J. G. Ballard**. The title track taken from the album is sitting at No.28 on the ARIA Singles Chart this week and has gained a strong following after receiving high rotation on both radio and TV alike. The video for the song was filmed on location in Shanghai, China and exploits some amazing visuals. The equally spectacular artwork for the album was inspired by old movie posters for the original **Star Wars** and **Indiana Jones** movies.

No.26 SEVERED TIES – The Amity Affliction. This is the first official full length release from Brisbane locals **The Amity Affliction**. On the scene since 2004, they released their second EP *High Hopes* last year which peaked at No.80 (Jan. '07) on the ARIA Singles Chart. The band comprises of **Joel** (vocals), **Ahren** (bass, vocals), **Trad** (keyboards), **Troy** (guitars), **Christos** (guitars) and **Ryan** (drums). *Severed Ties* features guest vocal appearances from **Michael Crafter** and **JJ Peters** of **I Killed The Prom Queen** and **Matthew Wright** of **The Getaway Plan** just to name a few. The band is on tour across Australia in the support of the album until mid November.

No.28 SUICIDE SEASON – Bring Me The Horizon. **Bring Me The Horizon** are **Oliver Sykes** (vocals), **Matt Nichols** (drums), **Curtis Ward** (guitar), **Matt Keane** (bass) and **Lee Malia** (guitar). Describing themselves as deathcore (a combination of death metal and metalcore), this is the band's debut to the ARIA Charts. Forming in 2004, the band took inspiration for their name from a line in the **Pirates of the Caribbean** movie. In Australia for the Gigantour late last year and more recently in May and June of this year playing support to **I Killed The Prom Queen** on their final tour, **BMTH** obviously won over a horde of fans to be debuting at No.28 this week.

No.32 TELL TALE SIGNS: RARE AND UNRELEASED 1989-2006 – THE BOOTLEG – Bob Dylan. *Tell Tale Signs* is Volume 8 in a bootleg series of rare material by quintessential singer, songwriter **Bob Dylan**. The release features recordings from sessions for *Oh Mercy*, *World Gone Wrong*, *Time Out of Mind* and *Modern Times*. **Dylan's** work spanning almost half a century has shaped pop culture for an entire generation. With several No.1 hit albums in Australia alone, including *John Wesley Harding* (May '69), *Desire* (Jan. '76) and *Slow Train Coming* (May '79), he hit the top again more recently with *Modern Times* (No.1 Sep. '06). Still a stalwart on the touring circuit, **Dylan** is renowned for his unpredictable sets, often completely altering the arrangements of his songs.

No.51 A LITTLE CLOSER – David Hobson. Straying slightly from the classical scene, **Hobson** has taken a turn into the pop world as he gives his unique spin to a few old classics. Tracks included on the album are: *Have I Told You Lately?*, *Fields of Gold* and *Wicked Game*. Alongside these standards are two self written songs. **Hobson's** chart history includes *Handel: Arias* (No.28 May '02), *Presenting David Hobson* (No.30 Aug. '06) and *The Promise* (No.14 Nov. '07).

No.52 EASY FEVER: A TRIBUTE TO THE EASYBEATS & STEVIE WRIGHT - Various. As the title suggests, this is a tribute album to **The Easybeats** and **Stevie Wright**. Included on this album are the covers of tracks made famous by **The Easybeats** and **Stevie Wright** as well as the originals of the same songs. The following bands and artists have lent their talents and given some classic tunes a distinctive turn: **The Living End**, **The Veronicas**, **Thirsty Merc**, **Bernard Fanning**, **Neil Finn**, **Old Man River**, **The Cruel Sea** and **Faker**.

No.56 GUNS & GUITARS – Steve Forde. **Forde's** latest album has also debuted at No.2 on the country chart, a new peak for him. Previously his peak was No.4 with his last album *Steve Forde* (No.59 Oct. '07). **Forde** has re-joined with US producer **Richard Landis** – who produced his last album – and recorded it in the US. **Forde** is scheduled to tour with **Adam Brand** around country NSW and WA during November this year.

No.62 CLOSER: THE BEST OF SARAH MCLACHLAN – Sarah McLachlan. This best of collection was selected by **McLachlan** herself, and also includes 2 brand new tracks. Included on this album is *Building A Mystery* (No.97 Mar. '98), *Fallen* (No.41 Nov. '03) and *Adia* (No.55 Sep. '99). This is **McLachlan's** third album to hit the top 100, the first was *Surfacing* which peaked at No.37 in August 1999 and was accredited gold and *Afterglow* which reached No.22 in June 2004 and was also accredited gold.

No.76 ALL CITY – Downsyde. This is the first album of **Downsyde's** to chart. Previous albums include *Land Of The Giants* and *When The Dust Settles*. **Downsyde** originated in Perth, WA and is made up of the following **Optamus**, **Dazastah**, **Dyna-Mikes**, **DJ Armee**, **Cheeky** and **Hi-Hat**. This hip-hop group had its beginnings in high school when members came together to write something to perform at a school talent quest. At that age, they decided that they wanted to write music that touched on topical and current issues, while still remaining loyal to their Australian roots. They have been nominated several times for the Australian Dance Music Award and have won a handful of WAMI awards.

No.85 NEW SURRENDER – Anberlin. This is the Major Label debut for the Florida (USA) based five piece band whose previous output has included three semi-independently released studio albums. Those albums are *Blueprints For The Black Market*, *Never Take It Personal* and *Cities* of which only the latter has charted here in Australia, reaching No.59 in February 2007.

No.89 TAYLOR SWIFT – Taylor Swift. Although it is a new release here in Australia, this album has been in the charts in Taylor's native US for close to two years, hitting No.5 there in January of this year and selling more than three million copies to date. The second album for the 18 year old country singer from Pennsylvania will be called *Fearless* and is due to be released next month.

No.99 YOU AND I – Cut Off Your Hands. Slipping in at No.99 we have a debut album from the New Zealand band **You And I**. The band consists of **Nick Johnston** (vocals), **Michael Ramirez** (guitar), **Phil Hadfield** (bass) and **Brent Harris** (drums). The boys have been kept busy the last few years as they have recorded several EP's and toured around Australia, America, England as well as their home-land New Zealand. While on these tours they have supported such bands as **Bloc Party**, **The Wombats** and **We Are Scientists**.

#1 Single this week
