

VITA

Russell A. Barkley, Ph.D.

Current Affiliation:

Research Professor
Department of Psychiatry
SUNY Upstate Medical University
Syracuse, NY
And
Clinical Professor.
Department of Psychiatry
Medical University of South Carolina
Charleston, SC

Education

Degree

A.A. Wayne Community College, Goldsboro, North Carolina. Summa Cum Laude, June 1972.

B.A. Honors in Psychology. University of North Carolina at Chapel Hill, August 1973. Summa Cum Laude.
Honors Thesis: Reduction of children's locomotor activity by modeling and the promise of contingent reinforcement.

M.A. Clinical Psychology, Bowling Green State University, Bowling Green, Ohio, June 1975. Masters Thesis: A comparison of objective measures of activity and distractibility in hyperactive and nonhyperactive children.

Preliminary Doctoral Examination: Child Clinical Neuropsychology, September 1975.

Ph.D. Clinical Psychology. Bowling Green State University, Bowling Green, Ohio, June 1977. Doctoral Dissertation: The prediction of differential responsiveness of hyperkinetic children to methylphenidate (Ritalin).

Internship: Predoctoral internship training: Department of Medical Psychology, Child Development and Rehabilitation Center, University of Oregon Health Sciences Center, Portland, Oregon, July 1976-77.

Clinical Experience and Positions (chronologically)

Clinical Psychology Clerkships and Practicums (1973-76) while in graduate training at Bowling Green State University: Psychological Services Center, Bowling Green State University; Hope House (residential group home for juvenile delinquents), Bowling Green, Ohio; Department of Psychology, St. Vincents Hospital and Medical Center, Toledo, Ohio; The Link (drug crisis center), Bowling Green, Ohio; Ralph L. Zucker Center for Developmental Disabilities, Toledo, Ohio.

Assistant Professor, Department of Neurology and Psychiatry, Medical College of Wisconsin, Milwaukee (July 1977-June 1980).

Child Neuropsychologist, Section of Child Neurology, Milwaukee Children's Hospital (July 1977 to June 1985).

Chief (and founder), Neuropsychology Section, Department of Neurology, Medical College of Wisconsin, Milwaukee (July 1979 to June 1985).

Associate Professor, Departments of Neurology and Psychiatry, Medical College of Wisconsin, Milwaukee (July 1980 to September 1985). Tenure awarded, May 1983.

Professor of Psychiatry and Neurology, University of Massachusetts Medical School, Worcester, MA (Appointment in Psychiatry September 1985 to present; appointment in Department of Neurology as of March 1988 to present). Tenure awarded, May 1988. Director of Psychology Sept. 1985-Dec. 2000.

Founder and supervisor, ADHD Clinical Research Program, University of Massachusetts Medical Center, September 1986 to present.

Professor, Office of Research, College of Health Professions (Jan. 2003-2004), and Professor of Psychiatry (Jan. 2004-July 2005), Medical University of South Carolina, Charleston, SC. Currently, Clinical Professor of Psychiatry (July 2005-present).

Research Professor, Department of Psychiatry, SUNY Upstate Medical University, Syracuse, NY, July 2005 to September 2010.

Licenses and Certifications:

Diplomate in Clinical Neuropsychology, (#3584) American Board of Professional Psychology, Inc. and American Board of Clinical Neuropsychology, Inc., August 1984 to present.

Diplomate in Clinical Psychology (#3747), American Board of Professional Psychology, Inc., November 1985 to present.

Diplomate in Clinical Child and Adolescent Psychology, American Board of Clinical Child and Adolescent Psychology, 2003 to present.

Fellow, Academy of Clinical Psychology (#0857), American Board of Professional Psychology, Inc., January 1994.

Licensed Psychologist, State of Wisconsin, November 1977-85 (#0649).

Licensed Psychologist, Commonwealth of Massachusetts, May 1985 to Dec. 2002 (#3797).

Licensed Psychologist, State of South Carolina, January 2002- present (#000827)

National Register of Health Service Providers in Psychology (#17689), Member, March 1979 to December 2004.

Fellow, Division of Clinical Psychology (Division 12), American Psychological Association, August 1999 to present.

Fellow, Division of Clinical Child Psychology (Division 53), American Psychological Association, December 2000 to present.

Awards, Honors, and Fellowships

Phi Beta Kappa, Alpha Chapter, University of North Carolina at Chapel Hill, August 1973.

Distinguished Dissertation Award in Education and the Social Sciences, Bowling Green State University, Ohio, June 1978.

Letters of Commendation for superior performance in the graduate program, Department of Psychology, Bowling Green State University, Ohio, for academic years 1974-75 and 1975-76.

Fellowship, National Institute of Mental Health, in clinical psychology, Bowling Green State University, Ohio, for three consecutive academic years, 1973-76.

Landsdowne Visiting Scholar, University of Victoria, British Columbia, Canada, October 1980.

Psychology Research Award, Wisconsin Psychological Association, 1984.

Honorable Mention, Cindy Award - 1992, Association of Visual Communicators, for the videotape ADHD: What Do We Know?, produced with Kevin Dawkins Productions and Guilford Publications.

Golden Apple Award (1993), National Education and Film Video Association for the videotapes ADHD: What Do We Know? and ADHD: What Can We Do?, produced with Kevin Dawkins Productions and Guilford Publications.

Golden Apple Award (1995), National Education and Film Video Association for the videotapes ADHD in the Classroom, produced with Kevin Dawkins Productions and Guilford Publications.

Nominated for Best Educational Film of the Year, International Health and Medical Film Festival, San Francisco, CA, February 1994, for the videotapes ADHD: What Do We Know? and ADHD: What Can We Do?, produced with Kevin Dawkins Productions and Guilford Publications.

Named one of the best child mental health professionals in the United States, Good Housekeeping magazine, January 1994.

Commencement Speaker, Wayne Community College, Goldsboro, NC, May 1994.

Distinguished Contribution Award, Association for the Advancement of Applied and Preventive Psychology, July 1994, Washington, DC.

Inducted into the ADD Hall of Fame, Annual National Meeting of CHADD (Children and Adults with Attention Deficit Disorders), October 14, 1994.

Mentor Award, Massachusetts State Science Fair, April 29, 1995, Massachusetts Institute of Technology, Boston, MA.

C. Anderson Aldrich Award for Research on Child Health and Development, Division of Developmental and Behavioral Pediatrics, American Academy of Pediatrics, November 1996, Boston, MA.

Finalist for best video in the Professional Education/Patient Information category, New York Festival Media Competition for Managing the Defiant Child, by R. A. Barkley, created with Guilford Publications and Kevin Dawkins Productions, January 16, 1998.

Distinguished Contribution to Research Award, Section on Clinical Child Psychology, Division 12, American Psychological Association, August 1998, San Francisco.

President's Award, Wisconsin Psychology Foundation, for service to the Foundation and to children and adults with ADHD, May 1999, Madison, WI.

Outstanding Educator Award for Mental Health Education, New England Educational Institute, August 1999, Cape Cod, MA.

2002 SSCP Science Dissemination Award, Society for a Science of Clinical Psychology, Section 3, Division 12, Annual Meeting of the American Psychological Association, August 2002, Toronto.

2004 Distinguished Service Award to the Profession of Psychology, American Board of Professional Psychology, Inc., Annual Meeting of the American Psychological Association, August 2004, Hawaii.

2005 Distinguished Lecturer in Neuropsychology, Swedish Neuropsychological Society, Sept. 2005.

LEND Distinguished Alumnus Award, Child Development and Rehabilitation Center, Oregon Health & Sciences University, Portland, OR, June 2006.

Professional Societies and Associations

American Psychological Association, full member as of January 1979. Member of Division 53 (Child Clinical Psychology), Division 12 (Clinical Psychology), and Division 40 (Neuropsychology).

American Association for the Advancement of Science, February 1981.

Sigma XI, Scientific Research Society of North America, Full member, Bowling Green State University, 1976-82.

Association for the Advancement of Behavior Therapy, Full member, April 1977 to 2002.

International Neuropsychological Society, Full member, April 1977 to 2004.

American Association of University Professors, June 2001 to 2003.

Wisconsin Psychological Association, Full member, 1977-85.

Massachusetts Psychological Association, Fellow, 1986-2000.

South Carolina Psychological Association, Emeritus Member, 2004-present

International Society for Research in Child and Adolescent Psychopathology, January 1989-present

Civic Activities

Executive Director, Community Advisory Board, Willowglen Academy (for psychotic and autistic children), Milwaukee, Wisconsin, April 1979-81; continued as board member April 1981-1985.

Advisor, Wisconsin Council Against Health Fraud, 1984-1985.

Founder and Executive Secretary, Milwaukee Society of Medical Psychologists, 1982-85.

Member, Westborough Civic Club, Member January 1987-1992.

Founder, New England Attention Disorders Association, November, 1987. (Parents association for ADHD children)

Vice President, Friends of Oxford Academy (parents association for a private school for academically talented children), Northborough, MA, May 1988 to May 1989.

Member, Professional Advisory Board, Children and Adults with Attention Deficit Disorders (CHADD), national association of parent support groups for families with ADHD children. January 1990 - present.

Member, Professional Advisory Board, Attention Deficit Disorders Association (ADDA), national association of parent support groups for families with ADHD children. September 1990 - 2002.

Member, Professional Group for ADD and Related Disorders (PGARD), a coalition of professionals specializing in ADHD formed to advise the public and parent support groups on the disorder and to hold annual scientific meetings on ADHD. September 1990-97.

Member, Professional Advisory Board, The Community School of Bergen County, Westwood, NJ, 1997-Present.

Member, Community Advisory Board, Life Management Center, Charleston, SC January 2003-present

Chair, Professional Advisory Board, ADHD Global Network, Amsterdam, The Netherlands, June 2006-7.

Professional Offices and Committees

President (1988), Past-President (1989), President-Elect (1987) Section on Clinical Child Psychology (Section I), Division of Clinical Psychology (Division 12), American Psychological Association.

President (1992), Past-President (1993), President-Elect (1991), Treasurer (1989-91), Society for Research in Child and Adolescent Psychopathology.

Member, Committee to Revise DSM-III, Diagnostic categories of Attention Deficit and Conduct Disorders, American Psychiatric Association, July 1985 to 1987.

Member, DSM-IV Committee to Revise the Disruptive Behavior Disorders categories, American Psychiatric Association, May 1989 to 1994.

Member, DSM-V Committee to Revise the ADHD Diagnostic Criteria, American Psychiatric Association, 2007.

Chairman, Scientific and Professional Affairs Committee, Section on Clinical Child Psychology, Division 12, American Psychological Association, 1985.

Chairman, Student Award Committee, Section on Clinical Child Psychology, Division 12, American Psychological Association, 1986.

Examiner, Clinical Neuropsychology, American Board of Clinical Neuropsychology, Inc., and American Board of Professional Psychology, Inc., January 1985 to present.

Chairman, Task Force on the Appropriate Role of Psychologists in Prescribing Psychoactive Medications to Children, Section I, Division 12, American Psychological Association, 1989-90.

Member, Committee on Synthesizing and Verifying Effective Practices for Children and Youth with Attention Deficit Disorder, Chesapeake Institute and U.S. Department of Education. November 1993-94.

Member, Child Psychopathology and Treatment Review Committee, National Institute of Mental Health, Oct. 1998 – March 1999.

Member, DSM-V Committee to Advise on Revisions to the Disruptive Behavior Disorders categories, American Psychiatric Association, 2007, meeting held in Mexico City.

University Committees

Department Executive Committee, Department of Neurology, Medical College of Wisconsin, July 1979-1985.

Department Executive Committee, Department of Psychiatry,

University of Massachusetts Medical School, 1985-2000.

Co-Chair, Psychology Training Committee (APA approved Clinical Psychology Internship Program) University of Massachusetts Medical School, 1987-2000.

Chair, Clinical Psychology Credentials Committee, University of Massachusetts Medical School, 1989-2000.

Committee for the Protection of Human Subjects in Research, Institutional Review Board, University of Massachusetts Medical School, September 1986-90.

Research Growth Task Force, University of Massachusetts Medical School, January 1991-92.

Member, Scientific Council, University of Massachusetts Medical School, September 1992-2000.

Chair, Small Grants Committee of the Scientific Council, Scientific Council, University of Massachusetts Medical School, March 1993-95.

Member, Hospital Executive Committee, University of Massachusetts Medical School, Sept. 1992-95.

Grants Awarded (Total Direct Costs = \$7,073,117)

National Institute of Mental Health, Title: Drugs and the Social Behavior of Hyperactive Children. Principal Investigator. Amount: \$84,688 direct costs over two years, 1978-80.

Milwaukee Children's Hospital, Title: Stimulant drugs and hyperactive children. Amount: \$3,000 for 1 year, 1977.

Medical College of Wisconsin, Title: Mother-child interactions in hyperactive children. Amount: \$8,700 for 1 year, 1978.

Medical College of Wisconsin, Title: Psychophysiological research with hyperactive children. Amount: \$4,000 for 1 year, 1978.

National Institute of Mental Health, Section on Child and Adolescent Psychopathology. Invited literature review. Title: A Critical Review of Rating Scales and Checklists for Research in Child Psychopathology. Amount: \$2,450 for 2 months (June, 1984) .

Department of Mental Health, Commonwealth of Massachusetts, September 1986-June 1989. Title: Development of School Mental Health Programs for Behavior Disordered Children. Principal Investigator. In conjunction with Worcester Public Schools. Amount: \$45,000 over 3 years.

National Institute of Mental Health, Title: ADD adolescents: Family conflicts and their treatment. Principal Investigator. Amount: \$421,890 direct costs over three years (December, 1986-1989).

National Institute of Mental Health, Title: ADHD adolescents: Family conflicts and their treatment. Principal Investigator. Competing renewal for 3 years awarded October 1994 - 1997, Amount: \$752,410 direct costs.

National Institute of Mental Health, Title: Family interactions in ADD children: 7 years later. Principal Investigator. Amount: \$127,000 direct costs for 1 year (April 1987-1988) . Competing Renewal of \$125,000 awarded for second year April 1988-1989.

National Institute of Mental Health, Title: The adult outcome of ADHD children: Social/parenting competence. Principal Investigator. Competing renewal for 5 years awarded April 1991-1996. Amount: \$479,427 direct costs.

National Institute of Mental Health, Title: ADDH children: An analysis of subtypes. Principal Investigator. Amount: \$217,337 direct costs over two years (August 1987-1989).

National Institute of Mental Health, Title: Early Multi-method Intervention for Aggressive ADHD Children. Principal Investigator. Amount: \$1,549,578 direct costs over 5 years (March 1991 - 1996).

National Institute of Mental Health, Title: Comorbidity and ADHD Parent Training Outcome. Co-investigator with Arthur Anastopoulos, Ph.D. (PI). Amount: \$427,401 direct costs over 3 years, Sept. 1992 - August 1995.

National Institute of Child Health and Human Development, Title: Shannon Award in support of Multi-method assessment of driving skills in ADHD teens. Principal Investigator. Amount: \$100,000 over two years (October 1994-1996).

National Institute of Child Health and Human Development, Title: Multi-method assessment of driving skills in ADHD teens. Principal Investigator. Amount: \$264,064 (July 1995-1997). Competing renewal awarded 1/1/01-6/30/04 for \$450,000.

National Institute of Mental Health, Title: The adult outcome of ADHD children: Mental & medical health. Principal Investigator. Competing renewal for 5 years awarded April 1997-2001. Amount: \$913,315 direct costs.

National Institute of Mental Health, Title: Adults with ADHD: Comorbidities and adaptive functioning. Principal Investigator. Awarded for 3 years, May 1997-2000. Amount: \$939,297 direct costs.

Howard Hughes Medical Research program, small grant awards for human genetic research, \$23,900 direct costs, May 1998-1999.

Parsons Foundation, two annual gifts for conducting research in ADHD, \$35,000 direct costs (March 1998-2000).

Eli Lilly Co. Grant, Effects of atomoxetine on driving performance in adults with ADHD. May 2004-2005, \$99,750.

Teaching Experience

Psychology of Personality Adjustment, Summer and Fall Quarters, 1975, Bowling Green State University, Ohio.

Hyperactivity and Learning Disabilities, Seminar provided every 8 weeks to third year medical students during rotation through child neurology, Department of Neurology, Medical College of Wisconsin, July 1977 to 1984.

Clinical Neuropsychology, introductory seminar provided every 9 weeks to medical students during rotation in Department of Neurology, Medical College of Wisconsin, 1977-1979.

Practicum Training in Clinical Neuropsychology, 3 month elective rotation for neurology and psychiatry residents, Medical College of Wisconsin, July 1980 - 1985.

Advanced Child Psychopathology, three semester evening continuing education course, March 1984 to June 1985, Medical College of Wisconsin.

Practicum Training of Psychology Interns and Post-doctoral Fellows in clinical neuropsychology, Medical College of Wisconsin, July 1981-85.

Supervisor of 5 Masters' Theses and 3 Doctoral Dissertations for Graduate Students from Marquette University and University of Wisconsin conducting their research at the Medical College of Wisconsin, 1977-85. Masters Theses:

Marilyn Befera, James Tallmadge, Daniel Nolan, Sherry Tarver- Behring, Michael Breen. Dissertations: Michael Breen, Meryl Lipton, Leslie Cermak.

Supervisor of 1 Masters' Thesis and 5 Doctoral Dissertations, University of Massachusetts Medical Center, 1985 to present. Students: Mary Ann Mariani, Gail Grodzinsky, Kevin Murphy, Julie Schweitzer (M.A. & Ph.D.), and Elizabeth Arnold.

Supervisor of psychology interns and psychiatry residents in Department of Psychiatry, University of Massachusetts Medical Center, 1985 - present.

Advanced Child Psychopathology, organized and conducted a two semester evening course for clinical practitioners at the University of Massachusetts Medical Center, March 1987 to June 1988.

Soviet-American Psychology Seminar, Attention Deficit Hyperactivity Disorder, 14 day tour of child mental health programs in 4 cities of the USSR, July 10-25, 1988.

Kenyan-American Psychology Seminar, Defiant Children: A Clinicians Program for Parent Training; 14 day tour of child mental health programs in Kenya, Africa, June 16 to July 2, 1989.

Behavior Therapy Seminar, 8 week course taught each spring to psychiatry residents, 1990 - 1995.

Lectures to Psychiatry and Pediatric Residents, University of Massachusetts Medical School, lectures on Attention deficit hyperactivity disorder, tic disorders and Tourette's Syndrome, oppositional/conduct disorders. Annually from September 1987 to 2002.

Lectures on ADHD to Psychiatry and Pediatric Residents, Medical University of South Carolina, lectures on Attention deficit hyperactivity disorder. Annually from January 2003 - present.

Scientific Contributions

Editorial Board Member:

Journal of Consulting and Clinical Psychology (1988-89)
Journal of Clinical and Experimental Neuropsychology (1981-95)
Journal of Abnormal Child Psychology (1981-99)
Journal of Pediatric Psychology (1980-87)
Behavioral Assessment (1981-86)
Behavior Therapy (1982-84)
Professional School Psychology (1984-85)
Journal of Clinical Child Psychology (1986 - 1997)
Journal of Child Psychology and Psychiatry (1986-99)
The Clinical Neuropsychologist (1986-99)
Journal of Attention Disorders (1996-99)
Journal of ADHD and Related Disorders (2008-present)

Consulting Reviewer for:

Archives of General Psychiatry (1995-99)
Behavior Therapy (1982)
Behavior Research and Therapy (1992)
Journal of Abnormal Psychology (1979-2003)
Psychological Bulletin (1980-99)
Journal of Autism and Developmental Disorders (1980)

Journal of Consulting and Clinical Psychology (1979-2003)
Journal of Abnormal Child Psychology (1978-2003)
Behavioral Assessment (1980-81)
Journal of Pediatric Psychology (1977-2005)
Journal of Clinical Child and Adolescent Psychology (1981-2003)
Life Sciences (1983)
Developmental Psychology (1983-99)
Journal of Child Psychology and Psychiatry (1983-2002)
Journal of Applied Behavior Analysis (1984)
Developmental Review (1984)
Journal of Behavior Therapy & Experimental Psychiatry (1985)
Journal of Developmental & Behavioral Pediatrics (1986-99)
Perceptual and Motor Skills (1985-2002)
Journal of Psychological Assessment (1989-99)
Journal of Learning Disabilities (1992)
Pediatrics (1992-present)
Journal of the American Academy of Child and Adolescent Psychiatry (1996-2003)
European Child and Adolescent Psychiatry (2001- Present)
Journal of Attention Disorders (2004-present)

Grant Reviewer for:

Thrasher Foundation; National Science Foundation; Alberta (Canada) Mental Health Council; National Institute of Mental Health; National Institutes of Health, Behavioral Medicine Study Section (February, 1985-86); Institute on Alcohol Abuse (February 1987); Medical Research Council of Canada; W. T. Grant Foundation

108. Barkley, R. A. (Sept. 2009). (1) ADHD in children: Life course outcomes and management implications; (2) Issues in the assessment of the preschool child with ADHD; (3) Dealing with noncompliance in teenagers with ADHD. Invited addresses at the annual meeting of the Pediatric Society of Germany, Mannheim, Germany.
109. Barkley, R. A. (January 2010). (1) Life course outcomes of ADHD in children: Implications for management. (2) The importance of emotion in understanding and managing ADHD; (3) Optimizing ADHD treatment: the impact

of comorbidity. Invited addresses at the annual meeting of the Nordic Psychiatric Association, Copenhagen, Denmark.

110. Barkley, R. A., & Murphy, K. R. (May 2010). Deficient emotional self-regulation is a core deficit that predicts adaptive impairments in adults with Attention-deficit/hyperactivity disorder. Poster presentation at the annual meeting of the American Psychiatric Association, New Orleans, LA.

111. Barkley, R. A. & Fischer, M. (August 2010). Executive functioning and adaptive impairment in hyperactive children at adulthood. Presentation at the annual meeting of the American Psychological Association, San Diego, CA.

112. Barkley, R. A. (August 2010). The importance of emotion in the nature and management of ADHD. Presentation at the annual meeting of the American Psychological Association, San Diego, CA.

113. Barkley, R. A. & Fischer, M. (October, 2010). The unique contribution of emotional impulsiveness to impairment in major life activities in hyperactive children as adults. Paper presented at the annual meeting of the American Academy of Child and Adolescent Psychiatry, Atlanta, GA.

Public Presentations

I have also presented more than 700 invited lectures, grand rounds, seminars, and full-day workshops to various public and professional groups throughout North America and in Russia, Kenya, Holland, Sweden, Norway, Denmark, Iceland, Finland, England, Ireland, Belgium, Spain, Venezuela, Germany, Japan, Australia, and New Zealand. The topics dealt with attention deficit hyperactivity disorder, learning disabilities, parent training, stimulant drug therapy, and child neuropsychology. I have also appeared on many national television programs to discuss topics pertaining to ADHD, including: Today (NBC TV, August 1991; September 2005), A Closer Look with Faith Daniels (NBC TV, June 1991), and Good Morning America (ABC TV, August 1992; June 1994; August, 1998); Eye-to-Eye with Connie Chung (CBS TV, June 1994), 60 Minutes with Leslie Stall (CBS-TV, November, 1995), Real Life (NBC-TV, March & September 1996), Day & Date (February 1996), Leeza with Leeza Gibbons (ABC-TV, March 1996), The Early Show with Bryant Gumbel (CBS, Sept. 2000), the BBC (November, 2000), Frontline (PBS, April, 2001), Investigative Reports (A & E, April, 2001) and on a variety of regional radio and television programs throughout North America and Australia. I have also assisted the following major magazines and newspapers, among others, with stories on ADHD: *Newsweek*, *Time*, *Scientific American*, *Newsday*, *Readers Digest*, *The New Yorker*, *Parents Magazine*, *Woman's Day*, *Cosmopolitan*, *Wall Street Journal*, *New York Times*, *Washington Post*, *Washington Times*, *Detroit Free Press*, *Los Angeles Times*, *Boston Globe*, *Charlotte Observer*, *San Francisco Chronicle*, *Philadelphia Inquirer*, and *Sydney Morning Herald*.
