# KUMMISSJONI TAL-HARSIEN TAT-TFAL U L-ADULTI VULNERABBLI

*Safeguarding Commission*

**Tel: 2590 6308**

email: [safeguarding@maltadiocese.org](mailto:safeguarding@maltadiocese.org)

Ir-rwol ta' din il-Kummissjoni, imwaqqfa mill-Konferenza Episkopali u s-Superjuri Reliġjużi, huwa li tagħti direzzjoni strateġika fuq ir-regolamenti u l-proċeduri dwar il-harsien tat-tfal u adulti vulnerabbli biex tassigura li dawn qed jiġu mharsin mill-entitajiet kollha fi hdan il-Knisja. Il-Kummissjoni hija responsabbli li tmexxi u tappoġġja dawn ir-regolamenti tal-Knisja billi:

- Tassigura li toffri għajnuna u appoġġ lill-vittmi tal-abbuż
- Tittratta lill-akkużati b'dinjità, u fejn xieraq toffrilhom l-għajnuna li jehtieġu
- Tiżviluppa dawn ir-regolamenti u proċeduri, u tassigura li huma aċċessibbli u aġġornati
- Tagħmel evalwazzjoni ta' riskju fi żmien adegwat meta ssir allegazzjoni ta' abbuż kontra nies fi hdan il-Knisja
- Taħdem mal-awtoritajiet ċivili rilevanti, inklużi l-Pulizija
- Tidentifika u taħdem bl-aħjar modi
- Tieħu hsieb torganizza taħriġ dwar prevenzjoni ta' abbuż
- Tipprovdi pariri u taħrif fuq kwistjonijiet ta' abbużi.

Meta l-Kummissjoni tirċievi rapport jew ilment, hija tiftaħ investigazzjoni fejn tiġbor informazzjoni u evidenza u tevalwa hemmx riskju ta' abbuż mill-individwu jew individwi li jaħdmu fi hdan il-Knisja. L-evalwazzjoni ta' riskju tkun neċessarja meta haddiema fi hdan il-Knisja (impjegati jew volontiera), li jaħdmu kemm mat-tfal kif ukoll ma' adulti vulnerabbli, ikunu jew (i) ġabu ruħhom b'mod li jkunu għamlu hsara lil tifel/tifla jew adult vulnerabbli, (ii) possibbilment jikkommettu offiża kriminali li għandha x'taqsam ma' tfal jew adulti vulnerabbli, jew (iii) iġibu ruħhom b'mod li jista' jindika li huma ta' riskju fil-konfront tat-tfal jew adulti vulnerabbli. L-għan ta' din l-evalwazzjoni ta' riskju hu biex thares lejn l-aħjar interessi tal-vulnerabbli u tidentifika jekk il-persuna konċernata hijiex ta' riskju lejn tfal jew adulti vulnerabbli. Fi tmiem l-evalwazzjoni, il-Kummissjoni tagħmel rakkomandazzjonijiet biex timminimizza kull riskju fil-konfront ta' tfal u adulti vulnerabbli.

*The role of the Safeguarding Commission, mandated by the Episcopal Conference and Religious Superiors, is to recommend the strategic direction of the Church's safeguarding policy and procedures and to ensure that standards are being met by all entities within the Church. The Commission is responsible for driving and supporting the Church's safeguarding policy by:*

- *Making sure that care and support is offered to victims of abuse*
- *By treating perpetrators with dignity and where appropriate offering them help they need*
- *Developing policy and procedures, and ensuring they are accessible and up to date*
- *Carrying out risk assessments in a timely manner when an allegation of abuse is made against Church personnel*
- *Liaising with civil authorities involved in safeguarding, including the Police*
- *Overseeing and delivering safeguarding training*
- *Providing advice on safeguarding matters*

*When the Commission receives a referral or a complaint, it may open an investigation to gather information and evidence that will inform a risk assessment on the individual or individuals who work within the Church. A risk assessment is necessary when Church personnel (both in paid or voluntary posts) working with children or vulnerable adults have either (i) behaved in a way that has harmed a child or vulnerable adult, (ii) possibly committed a criminal offence related to a child or vulnerable adult, or (iii) behaved towards a child or vulnerable adult in such a way that may indicate that she or he poses a risk of harm to children or vulnerable adults. The aim of the risk assessment is to look at the best interest of the vulnerable and to identify whether the person concerned poses a risk to children or vulnerable adults. After the completion of the assessment, the Commission makes recommendations, where necessary, to minimise and manage any risk to children or vulnerable adults.*

Il-Kummissjoni Emigranti twieldet fis-snin 1950s u twaqqfet mill-Azzjoni Kattolika Maltija. Fl-1958 l-Arcisqof Mikiel Gonzi għamilha Kummissjoni Djoċesana, u fl-1970 giet kostitwita bħala Segretarjat Djoċesan li jhaddan hidmiet pastorali favur, fost l-oħrajn, l-emigranti minn Malta, it-turisti, ir-residenti barranin f'Malta u l-immigranti.

Meta beda t-turiżmu f'Malta, il-Knisja nediet il-*Catholic Tourist Council*, li maż-żmien sar l-Uffiċċju Turiżmu Reliġjuż. Aktar tard saru wkoll il-Parroċċi Personali għall-komunitajiet f'Malta li jtkellmu bl-Ingliż, bit-Taljan, bil-Franċiż u bil-Ġermaniż, u l-Kappillani tal-Lukandi. Fl-istess żmien, fil-Kummissjoni bdew l-Appostolat tal-Baħar u l-Appostolat tal-Avjazzjoni. Sar ukoll is-Segretarjat għas-Sacerdoti Maltin barra mid-Djoċesi.

Peress li l-biċċa l-kbira tal-barranin li bdew ikunu residenti f'Malta ma kinux Kattoliċi, mal-hidmiet tal-Kummissjoni ntrabtu l-inizjattivi għall-Għaqda tal-Insara u Inter-Reliġjonijiet. Sar ukoll il-*Catholic Enquiry Centre*.

Meta f'Malta bdew deħlin għadd ta' refuġjati jfittxu kenn f'artna, il-Kummissjoni haddnet ukoll din il-hidma u saret magħrufa bħala l-“Kummissjoni Emigranti u Refuġjati”.

Proġett ieħor fi hdan il-Kummissjoni huwa l-Mużew Diġitali tal-Migarazzjoni, li jinsab f'Dar l-Emigrant.

Is-Segretarjat għall-Emigrazzjoni u Turiżmu hu affiljat mal-Kunsill Pontifiċju għall-Kura Pastorali tal-Migranti u Itineranti (Ruma) u mal-*International Catholic Migration Commission* (I.C.M.C.)

*The Emigrants' Commission came into being in the 1950s through a Maltese Catholic Action initiative. In 1958, Archbishop Michael Gonzi established it as a Diocesan Commission. When the tourism sector began to grow in Malta, the Church established a Catholic Tourist Council and later on parish centres for English, Italian, French and German speaking communities as well as Hotel Chaplains. Other initiatives that were*

established are the Apostleship of the Sea, the Apostleship of Aviation, and a secretariat to keep contact with Maltese priests abroad.

As many of the visitors who started to come to Malta were not Catholics, the Commission became interested in ecumenical activities and in inter-religious dialogue, and a Catholic Enquiry Centre was founded.

When displaced persons started seeking refuge in Malta, the Commission began to look after them and became known as a Commission for Emigrants and Refugees. In 1970, all these activities were brought together in one Diocesan Secretariat.

The Commission also has a Digital Migration Museum, which is housed in Dar l-Emigrant.

The Migrants and Tourism Secretariat is affiliated with the Pontifical Council for Migrants and Itinerant People, Rome, and the International Catholic Migration Commission (I.C.M.C.), Geneva.

Is-Seminarji riedhom il-Konċilju ta' Trento fis-seklu XVI għall-  
edukazzjoni tal-kandidati għas-saċerdozju. Il-Konċilju Vatikan II insista li  
“fis-Seminarji l-edukazzjoni kollha tal-kandidati għas-saċerdozju bħala għan  
irid ikollha li tagħmel dawn il-kandidati veri rġajja tal-erwieh b'xebh ma'  
Kristu, l-imghallem, is-saċerdot u r-ragħaj”.

F'Malta l-edukazzjoni tas-saċerdoti djoċesani tingħata fis-Seminarju  
tal-Kbar u mill-Fakultà tat-Teoloġija fl-Università ta' Malta. Is-Seminarju  
jaġhti formazzjoni umana, spiritwali u pastorali. Filwaqt li l-formazzjoni  
akkademika tibqa' responsabbiltà tas-Seminarju, dan jiddelega dan l-aspett  
tal-formazzjoni lill-Fakultà tat-Teoloġija.

Il-formazzjoni tagħhom, li normalment tiegħu seba' snin, qed  
issir b'attenzjoni kbira. Hemm ukoll programm speċjali, imsejjaħ iż-  
żmien “propaedewtiku”, bħala thejjija immedjata qabel id-dhul fis-  
seminarju.

*Seminaries were set up by the Council of Trent in the 16th century in  
order to provide for the training of candidates to the priesthood. As Vatican  
Council II emphasised, “in the seminaries the whole training of the candidates  
for the priesthood should have as its object to make the candidates true shepherds  
of souls after the example of Jesus Christ, teacher, priest and shepherd”.*

*In Malta, the training for the diocesan priesthood is provided for  
by the Major Seminary which offers the necessary human, spiritual and  
pastoral formation, and by the Faculty of Theology of the University of Malta.  
While the seminarians' academic formation remains the responsibility of the  
Seminary, the latter delegates this aspect of priestly formation to the Faculty of  
Theology.*

*The formation of the candidates, which normally takes seven years,  
is taken very seriously. There is also a Propaedeutic Programme which  
prepares candidates in the last months before their commencement of Seminary  
formation.*

Is-Seminarju Minuri huwa skola li tibda mil-livell primarju u tibqa' sejra sa dak sekondarju. Timxi skont il-Kurrikulu Nazzjonali. Madanakollu, minhabba li hija skola tal-Knisja taghti enfasi akbar lill-valuri tal-Vangelu

u tfitteż l-iżvilupp holistiku tal-istudenti. L-iskola ttiprovdi ambjent fejn kull student ikun indukrat fil-bżonnijiet akkademiċi kif ukoll spiritwali tiegħu.

Minkejja li l-istudent dejjem jibqa' fil-libertà assoluta, l-iskola taġmel minn kolloxx biex l-istudent jagħraf x'inhi s-sejha speċifika tiegħu. L-iskola torganizza laqgħat u *live-ins* biex tgħin fid-dixxerniment vokazzjonali.

*The Minor Seminary is a school ranging from primary to secondary which, by and large, follows the National Curriculum. Nevertheless, being a Church school it does give greater emphasis to Gospel values and emphasises the holistic development of the students. The school provides an environment where all pupils are catered for in their academic needs and for their spiritual care.*

*While they are allowed full freedom of choice, there is in the whole school environment an effort to help students become aware of their calling in life. Weekend live-ins and meetings of vocation discernment are organised.*

Il-Fakultà tat-Teoloġija hija l-Fakultà l-aktar anzjana fl-Università. It-Teoloġija u l-Filosofija kienu fost il-materji li kienu jiġu mgħallmin fil-*Collegium Melitense* li l-Ġizwiti fethu l-Belt fit-12 ta' Novembru 1592 u li kellu s-setgħa mingħand il-Papa li jagħti gradi akkademiċi. Meta fl-1768 il-Ġizwiti tkeċċew minn Malta, il-*Collegium Melitense*, bl-awtorità tal-Papa Klement XIV, ġie mgħolli għad-dinjità ta' Università.

Fl-1978 il-Fakultà tnehhiet mill-Università, iżda minnufih twaqqfet mill-ġdid fis-Seminarju, Tal-Virtù, mill-Kongregazzjoni għall-Edukazzjoni Kattolika tas-Santa Sede. Il-Fakultà reġgħet lura fl-Università fl-1 ta' Ottubru 1988, wara ftehim bejn is-Santa Sede u l-Gvern Malti. Bhalissa l-Fakultà tat-Teoloġija tilhaq madwar 250 student li mhux biss jinkludu dawk li jsegwu "degrees" fl-istess Fakultà, imma wkoll hafna minn Fakultajiet oħra. Ir-rivista akkademika li l-Fakultà ilha tippubblika mill-1947 jismha *Melita Theologica*.

*The Faculty of Theology is the senior Faculty of the University of Malta. Theology and Philosophy were among the subjects taught in the Collegium Melitense founded by the Jesuits in Valletta on 12th November 1592; the Collegium was empowered by the Pope to grant academic degrees. In 1768, when the Jesuits were expelled from Malta, the Collegium became a University through the authorisation of Pope Clement XIV.*

*The Faculty was expelled from the University in 1978, but was immediately re-established by the Holy See at the Seminary in Tal-Virtù. Ten years later, after an agreement between the Holy See and the Government of Malta, the Faculty was again incorporated within the University of Malta on the 1st October 1988. About 250 students are taught by the Faculty, including many hailing from other Faculties. The Faculty journal is "Melita Theologica", published since 1947.*

## IL-KAPITLU TAL-KATIDRAL

### *Cathedral Chapter*

**Tel: 2145 4136 (Mdina); 2122 5639 (Valletta)**

Fil-bidu l-Kapitlu kellu erba' dinjitarjiet: arċidjaknu, dekan, teżorier u kantur u għaxar kanonċi. Aktar tard l-arċipriet ukoll sar wiehed mid-dinjitarji tal-Kapitlu. Matul iż-żminijiet l-għadd tal-kanonċi żdied, u llum hemm 26 kanonku, barra l-erba' dinjitarjiet.

Meta l-Ordni ta' San Ġwann ħalla Malta, il-Knisja konventwali ta' San Ġwann giet fdata lill-Kapitlu tal-Katidral biex jiehū hsieb iċ-ċelebrazzjonijiet liturġiċi li jsiru fiha. Illum il-kapitlu tal-Katidral hu maqsum f'żewġ sezzjonijiet, waħda għall-Katidral u l-oħra għall-Kon-Katidral ta' San Ġwann.

## MUŻEW TAL-KATIDRAL

*Cathedral Museum*

**Tel: 2145 4697, 2145 0498 Fax 2145 0455**  
**email: [cmuseum@go.net.mt](mailto:cmuseum@go.net.mt)**  
**website: [www.mdinacathedral.com](http://www.mdinacathedral.com)**

Il-Mużew tal-Katidral fl-Imdina jaf il-bidu tiegħu lill-ghotja kbira ta' oġġetti artistici li l-Konti Saverio Marchesi ried li tghaddi lill-Katidral meta ma jibqa' ebda superstiti tal-familja tiegħu. Dan ġara fl-1896 u l-Kapitlu tal-Katidral mill-ewwel haseb biex dawn ikunu esposti b'mod xieraq f'diversi nhawi fil-bini li hemm madwar l-istess Katidral. B'hekk inghata bidu għal Mużew fl-Imdina, fl-1898, sitt snin qabel ma nfetaħ il-Mużew Nazzjonali.

Aktar tard, b'inizjattiva ta' Mons. Prof. Edward Coleiro, infetaħ il-Mużew li hemm illum fil-bini li l-Isqof Mons. Alpheran de Bussan kien bena bhala Seminarju, u li Mons. Mikiel Gonzi għoġbu joffrih lill-Kapitlu halli jservi ta' Mużew tal-Katidral. Il-Mużew ġie miftuħ fl-4 ta' Jannar 1969.

Fil-5 ta' Frar 2002, in-Nobbli Agatha Formosa Gauci għamlet ghotja ta' dar fi Triq Villegaignon, Mdina, biex jiġu trasferiti fiha l-Arkivji li kienu jinsabu fil-Mużew. Nhar it-8 ta' Ottubru, 2004, din is-Sede ġdida tal-Arkivju nfetħet uffiċjalment u tbierket minn Mons. Arċisqof Gużepi Mercieca. B'hekk il-lokal tas-Seminarju l-Qadim hu issa riservat esklussivament għall-Mużew tal-Katidral.

*The Cathedral Museum at Mdina traces its origins to an important donation made by Marquis Saverio Marchesi, who decreed, in his last will, that once his family became extinct, all the artistic works the family possessed were to be given to the Cathedral Chapter. This came about in 1896 and the Cathedral Chapter immediately took steps to set up a Museum to house the contents of this donation.*

*Later on, through the initiative of Mgr Prof. Edward Coleiro, the Cathedral Chapter opened the present Museum in the building which Mgr Alpheran de Bussan had built to house the Seminary, and which Mgr Michael Gonzi made available to the Chapter to serve as the Cathedral Museum. The Museum was inaugurated on 4th January 1969.*

*On 5th February 2002, the Noble Agatha Formosa Gauci donated to the Cathedral Chapter a house in Villegaignon Street, Mdina, to transfer therein the Archives then still in the Museum. These premises have been officially opened and blessed by His Grace the Metropolitan Archbishop, Mgr Joseph Mercieca, on 8th October 2004. In this way, the old Seminary building at Mdina, is exclusively used as the Cathedral Museum.*

# KUMMISSJONIJIET TAL-KONFERENZA EPISKOPALI

## KUMMISSJONI TEOLOĠIKA INTERDJOĊESANA

*Interdiocesan Theological Commission*

Tel. 2590 6502

email: [theological.commission@maltadiocese.org](mailto:theological.commission@maltadiocese.org)

Il-Kummissjoni Teoloġika Interdjoċesana tagħti l-kontribut tagħha f'dak li għandu x'jaqşam ma' materji ta' natura teoloġika, l-aktar kif dawn jolqtu l-Knisja u s-soċjetà f'Malta u Għawdex.

Il-Kummissjoni toffri r-riflessjoni tagħha meta tiġi kkonsultata mill-Konferenza Episkopali Maltija, iżda tista' wkoll tissuġġerixxi minn rajha lill-istess Konferenza linji ta' hsieb fuq dawn il-materji. Tgħin, bil-pariri tagħha, lill-Konferenza Episkopali u, meta mitluba, ukoll lill-Isqfijiet djoċesani ta' Malta u Għawdex, fit-thejjija ta' dokumenti ekkleżjali fejn tkun meħtieġa riflessjoni ta' natura dottrinali. Iżżomm kuntatti mal-Fakultà tat-Teoloġija fl-Università ta' Malta, mas-Seminarju ta' Għawdex, u ma' Istituzzjonijiet oħra ta' formazzjoni u aġġornament għas-sacerdoti, għall-membri ta' Istituti ta' Hajja Konsagrata u għal-lajci f'Malta u Għawdex, waqt li tirrispetta l-awtonomija propja tagħhom.

*The mission of the Interdiocesan Theological Commission focuses on theological issues, especially when these concern the Church and society in Malta and Gozo.*

*The Commission offers its reflections when consulted by the Maltese Episcopal Conference, and can also take the initiative to suggest guidelines on such matters. Through its advice, it assists the Episcopal Conference, and, when requested, helps the Bishops of Malta and Gozo in the preparation of ecclesial documents which require reflection on doctrinal matters. It maintains contacts with the Faculty of Theology of the University of Malta, the Gozo Seminary, and other institutions which cater for the formation and ongoing education of priests, members of Institutes of Consecrated Life and the laity in Malta and Gozo, while respecting their respective autonomy.*

### PARROĊĊA MADONNA TAL-KARMNU

Għal mijiet ta' snin fil-Figura kien hemm niċċa tal-Madonna u hdejha fl-1798 inbniet kappella li reġgħet inbniet fl-1844. Din twaqqgħet mill-

Gvern fl-1956 biex titwessa' t-triq li minn Raħal Ġdid tiehu għal Haż-Zabbar. Ftit bogħod minn fejn kienet il-knisja, il-Patrijiet Karmelitani fl-1950 bnaw knisja oħra li fl-1965 saret knisja parrokkjali. Minhabba li l-popolazzjoni kibret sewwa u l-knisja kienet żgħira wisq għan-nies inbniet knisja ġdida fi Triq Hompesch li giet imbierka fl-1988 u ddedikata fl-1990.

*In 1798 a small church was built where a small shrine of the Virgin Mary had existed for more than a century. The church was rebuilt in 1844 but was demolished to widen the road from Paola to Zabbar. In 1950 the Carmelite friars built a small church not far from the place of the old church. The Carmelite church became a parish church in 1965, and because the population of the parish was rapidly increasing, the friars decided to build a larger church, blessed in 1988 and dedicated in 1990.*

### Knisja tad-Duluri

Il-Knisja nbriet fl-1590 fil-post fejn kien hemm ċimiterju tal-mejtin bil-pesta. Fl-1617 hdejn il-knisja nbena kunvent żgħir tal-Agostinjani li marru joqoġhdu fil-1652, iżda ma damux wisq hemm. Fl-1721 il-knisja saret viċi-parroċċa ta' San Pawl tal-Belt għan-nies li kienu joqoġhdu fix-xatt tal-Pietà, iżda ma baqgħet aktar viċi-parroċċa fl-1740 meta viċi-parroċċa saret il-knisja ta' San Publiju fil-Furjana. Mis-sena 1974 is-Sorijiet Franġiskani tal-Qalb ta' Ġesù ħadu f'idejhom il-kunvent u bdew jieħdu ħsieb il-knisja. Minn Jannar 2005, b'Digriet ta' Mons. Arċisqof, Ġużeppi Mercieca, il-Kappella tad-Duluri u l-Kunvent ġew fdati f'idejn iċ-Cenacolo Community għall-pastorali taż-żgħażaġh.

*The church was built in 1590 near a cemetery where the victims of the plague are buried; in 1617 a small friary was added to the church by the Augustinian friars who took up residence in the small friary in 1652 but left soon after. In 1721 the church became a subsidiary parish church of the parish of St. Paul in Valletta to cater for the spiritual needs of the people living in the area. In 1740 the Floriana church took over as the subsidiary parish church of St. Paul's and the Pietà church lost its status. In 1974 the church and the friary were entrusted to the Franciscan Sisters of the Sacred Heart. In January 2005, by Decree of the Archbishop, Joseph Mercieca, the chapel and the adjoining convent, were passed on to the Cenacolo Community, as a centre for pastoral work with young people.*

## GŻIRA PARROĊĊA MADONNA TAL-KARMNU

Fl-10 ta' Lulju 1902 xi bahrin fis-sakra kienu tefgħu ġebbla lejn niċċa tal-Madonna

tal-Karmnu li kienet ma' ħajt ta' dar quddiem il-pont tal-Gżira, u l-ġebbla baqgħet imwahnha mal-ħġieġa tal-kwadru; dan wassal biex tinbena kappella żgħira fitit 'il bogħod u giet magħrufa bħala l-kappella tal-Madonna tal-Ġebbla. Din il-kappella saret parrokkjali fl-1921 u n-nies tal-post bdew iħabirku biex tinbena knisja akbar, dedikata lill-Madonna tal-Karmnu.

*On the 10th July 1902 some drunken sailors started throwing stones at a house near the bridge leading to Manoel island; one of the stones became stuck between the glass and the image of Our Lady of Mount Carmel in a small shrine on the wall of the house. The incident led to the building of a small chapel which came to be known as the chapel of Our Lady of the Stone. In 1921 Gzira became a parish and the people in the area started building a new church to take the place of the chapel. The church is dedicated to Our Lady of Mount Carmel.*

Data tad-Dedikazzjoni: 23 ta' Mejju 1959.  
Il-Festa se tiġi ċċelebrata fit-12 ta' Lulju.

Fl-1951, il-knisja ġiet fdata lill-patrijiet Kapuċċini tal-Marsa.

*In 1875 the civil authorities planned the building of a new town which was to be called Albert Town in honour of Albert, the Prince Consort of Queen Victoria. The plan did not materialize but a number of families went to live near the church of the Sacred Heart, which had been built for the new town. In 1951 the church was handed to the Capuchin friars of Marsa.*

# MARSAXLOKK

## PARROĊĊA MADONNA TA' POMPEJ

Marsaxlokk mill-qedem kien meqjus post imqaddes kif jixhdu l-fdalijiet li hemm fl-inhawi tas-Silġ. Għal żmien twil, minhabba l-biża'

tal-furbani. in-nies ma baqgħux jgħammru hemm iżda għall-habta tal-1890 il-post reġa' beda jiġbed in-nies, l-aktar fis-sajf, u għalhekk inbniet il-knisja dedikata lill-Madonna ta' Pompej li saret knisja parrokkjali fl-1897. F'dawn l-aħħar snin, fit-8 ta' Mejju, nhar l-anniversarju tad-dedikazzjoni tas-santwarju tal-Madonna f'Pompej hdejn Napli, fil-parroċċa qed isir pellegrinagg nazzjonali.

*The extensive archeological remains at tas-Silġ show that Marsaxlokk from ancient times was considered a sacred locality, but the area was completely abandoned for several centuries when Malta was continually raided by Moslem corsairs. During the 19th century Marsaxlokk became a summer resort and the church dedicated to our Lady of Pompei became the parish church of the locality in 1897. The parish is today the venue of a national pilgrimage every year on the 8th May.*

Mellieħa became a parish again in 1844. On the 5th September 1883 the Parish Priest, Fr Frangisk Maria Magri, blessed the first stone of the new Church, which was then blessed by Bishop Pietru Pace on the 5th September 1897 and consecrated by Bishop Mauro Caruana on the 18th February 1930.*

# PAOLA PARROĊĊA KRISTU RE

Rahaġ Ġdid sar parroċċa fl-1910, u dak iż-żmien il-knisja parrokkjali kienet dik ta' Santa Ubaldeska, li l-Gvern kien taha

lill-Knisja: għalkemm tkabbret, kienet żgħira wisq għan-nies li bdew imorru joqogħdu f'Rahaġ Ġdid u għalhekk inbniet knisja ġdida dedikata lil Kristu Re.

*Paola, or, as it is popularly known, Raħaġ Ġdid (the new village), became a parish in 1910, and the parish church then was the church of St. Ubaldesca, which the Government gave to the Church. But this church was too small for the population of the locality and so the present church dedicated to Christ the King was built.*

## PEMBROKE

### KNISJA PARROKKJALI TA' KRISTU RXOXT

Il-medda ta' art bejn il-bajja ta' San Ġorġ u Baħar iċ-Ċagħaq magħrufa bhala Pembroke kienet okkupata mill-militar Ingliż għal

snin twal. Priġunieri Ġermaniżi Kattoliċi kienu bnew kappella żgħira lejn it-tmien tal-aħħar gwerra. Meta telqu l-Ingliżi u bdew jidhlu l-familji Maltin fil-postijiet tas-servizzi Ingliżi u fi plots mogħtija mill-Gvern, din l-istess kappella għet irrangata mill-Prof. Richard England fuq stedina tal-kappillan ta' San Ġiljan. Meta twaqqfet iż-Żona Pastorali Awtonoma tal-Ibraġ, Pembroke kien maqtuġh mill-parroċċa ta' San Ġiljan u magħmul parti miż-żona l-għdida. Peress li l-komunità ta' Pembroke baqgħet tikber u peress li hemm pjan li tkompli tikber iżjed, il-Knisja nhar Hadd il-Palm 1998 qatgħet lil Pembroke mill-parroċċi qrib u għamlitu żona awtonoma dedikata lil Kristu Rxoxt. Meta tlesta x-xogħol tal-bini ta' Ċentru Pastorali adegwat għall-iżvilupp ta' komunità nisranija f' Pembroke, din iż-żona għet dikjarata parroċċa fit-8 ta' Diċembru 2004.

*The area between St George's Bay and Baħar iċ-Ċagħaq was a military area for several years. Catholic German war prisoners built a small chapel in the area. When the British military authorities left Malta, the area became a residential area for Maltese families and plans were drawn up by architect Richard England to embellish the Chapel. When the Tal-Ibraġ pastoral area was established, Pembroke was attached to this area, but, as the population of Pembroke kept growing, it was decided to create Pembroke as an Autonomous Pastoral Zone. A pastoral centre has now been built in the area. Pembroke became a parish on December 8<sup>th</sup>, 2004.*

# QAWRA – BUĠIBBA

## PARROĊĊA SAN FRANĠISK T'ASSISI

L-inhawi tal-Qawra u Buġibba marbutin ma' San Pawl il-Baħar, raw żvilupp mgħaġġel fil-popolazzjoni. Din

iż-zona kienet f'idejn il-komunità tal-Patrijiet Franġiskani Konventwali ta' San Pawl il-Baħar. Il-quddies għan-nies residenti u tas-sajf, kien isir fil-knisja ċkejkna ta' San Massimiljan u kappelli oħra. L-idea li tinbena knisja ikbar kien ilha tberren f'moħħ l-awtoritajiet ekkleżjastiċi. Fid-29 t'Awwissu 1993 sar it-berik tal-ewwel ġebbla tal-knisja l-ġdida; u tliet snin wara, fis-sajf tal-1996, għalkemm mhux kompletament lesta, beda jsir il-quddies fil-knisja l-ġdida. Il-knisja, fuq pjanta tal-Perit Richard England, hi ddedikata lil San Franġisk t'Assisi u mmexxija mill-Patrijiet Franġiskani Konventwali. B'digriet tat-8 ta' Diċembru 2004, il-Qawra ġiet dikjarata parroċċa ddedikata lil San Franġisk fl-ghoti tal-pjagi.

*The population in the areas of Qawra and Bugibba, under the care of the Franciscan Conventual Friars in St Paul's Bay, increased rapidly. The Chapel dedicated to St Maximilian Kolbe soon became too small for the residents and the summer visitors and the need of building a larger church had been felt for a long time. This new church started functioning in 1996. The Church, designed by Architect Richard England, is dedicated to St Francis of Assisi, receiving the stigmata. Qawra became a parish by a Decree dated December 8th, 2004.*

## KNEJJES OĦRA

### Knisja tal-Vitorja

Fil-viżta ta' Mons. Dusina tissemma' b'ħala knisja ta'  
Santa Marija, iżda ftit qabel l-1588 l-isem inbidel fi  
knisja tal-Vitorja. Fl-1656 l-Isqof għalaqha minħabba  
l-kundizzjoni hażina li fiha kienet tinsab, iżda nfethet  
mill-ġdid kif inhi illum fl-1686.

*The church is mentioned in Mgr. Dusina's report as  
being dedicated to the Virgin Mary, but from 1588 the  
church became known as the Church of Our Lady of  
Victories (Nativity of Our Lady). For a number of years  
it remained closed because of its ruinous condition but  
it was rebuilt in 1686.*

Every year a pilgrimage leaves Qrendi for the church just before its feast day on the Sunday after the 8th September.*

### **Knisja ta' San Matthew**

*This is an old church probably built in the 15th century on the edge of the Maqluba depression. It is open to the public on the Sunday after the 21st September and for other spiritual needs. Marriages may also be celebrated here.*

## IR-RABAT PARROĊĊA SAN PAWL

Il-knisja ta' San Pawl hi mibnija fuq il-foss tal-belt Rumana li kienet tħaddan ukoll parti sewwa mir-Rabat. Hi wkoll mibnija fuq għar fejn skont tradizzjoni

qadima kien jgħammar San Pawl tul it-tliet xhur li dam Malta fis-sena 60 w.Kr. Fis-sena 1336, l-Isqof ta' Malta, Ilarju, sejhilha 'ecclesia Sancti Pauli de crypta' u semma wkoll iċ-Ċimiterju u l-foss tagħha. Tul is-snin inbnew diversi knejjes fuq dan l-għar kemm mid-djoċesi kif ukoll mill-Kavallieri ta' San Ġwann. Il-knisja li hemm illum, li hi wkoll kolleġġjata, inbniet bil-ġenerożita' tan-nobbli Guzmana Navarra fuq il-pjanta ta' F. Bonamico fl-1653 u tlestiet minn Lorenzo Gaġà fl-1683.

### **Kappella ta' Sant'Anna**

Il-knisja nbriet b'wegħda għall-helsien mill-hbit tat-Torok fl-1565; fl-1796 ġiet restawrata u tinfetah nhar il-festa titolari u għal htigijiet spiritwali oħra.

*The church was built as a thanksgiving vow after the siege of 1565; it is open only on its feastday on the 26th July and for other spiritual needs.*

### **Kappella tas-Salvatur**

Il-kappella nbriet fl-1658 fil-post fejn kien hemm kappella oħra aktar antika: hi knisja benefiċjali u fiha jsiru l-laqgħat ta' Gruppi ta' Talb. Dan l-aħħar ġiet restawrata u qed tintuża għall-adorazzjoni (bejn it-8.30am u 7.30pm).

*The chapel was built in 1658 on the site of an earlier church; today it is used for Prayer Meetings. Lately it has been restored and is now being used for Eucharistic adoration between 8.30am and 7.30pm.*

### **Kappella ta' Santa Katerina**

Il-kappella nbriet fl-1526 u tinsab barra r-rahal.

*The chapel was built in 1526; it is situated outside the village.*

### **Kappella tal-Madonna tal-Grazzja**

Il-kappella nbriet fuq il-quċċata tal-Maqluba fl-1658 u oriġinarjament kienet dedikata lill-Madonna tal-Vitorja.

*The chapel was built in 1658 overlooking the Maqluba depression; originally it was dedicated to Our Lady of Victories.*

Data tad-Dedikazzjoni: 21 ta' Settembru 1726

Il-Festa ta' San Pawl se tiġi ċelebrata fil-5 ta' Lulju.

Il-Festa ta' Corpus Christi se tiġi ċelebrata fis-7 ta' Ġunju

Il-Festa ta' San Ġuzepp tiġi ċelebrata fid-19 ta' Marzu

*The church is built over the ditch of the Roman city which included a large part of Rabat. The church is also built over the grotto where, according to tradition, St. Paul was kept prisoner during his three months' stay in Malta in 60 A.D. In 1336 Bishop Hilarius refers to the church as "ecclesia Sancti Pauli de crypta", and also mentions the cemetery and the Roman ditch. Several churches were built on the site both by the diocese and the Knights of St. John. The present church was built with funds provided by the noble woman Guzmana Navarra on plans prepared by F. Bonamico. The church was completed by Lorenzo Gaġà in 1683.*

Il-Franġiskani Konventwali ġew Malta xi żmien qabel is-sena 1347, u kellhom l-ewwel kunvent u knisja tagħhom hdejn l-isptar San Franġisk li biż-żmien beda jissejjaħ l-isptar ta' Santu Spirtu. Qrib l-1624 il-kunvent nbena mill-ġdid għax kien qdiem hafna, u mbagħad il-knisja ġarrbet hsarat kbar bit-terremot tas-sena 1693. Il-knisja nbriet mill-ġdid fl-1701 minn Lorenzo Gafa. *The Conventual Franciscans came to Malta before the year 1347 and built their church and friary near the hospital of St. Francis, which later became known as Santo Spirito hospital. In 1624 the friary was rebuilt as it was no longer a place suitable to live in; later on the church was also rebuilt by Lorenzo Gafa after being extensively damaged by the 1693 earthquake. In this church a devotion to Our Lady of Good Health developed and continued to increase even when a new painting of the Virgin took the place of the older one: people visiting their sick relatives at the Santo Spirito Hospital and at the Saura hospital used to visit the church to pray the Virgin requesting her help for their sick relatives. The painting was solemnly crowned on the 4th April 1948. Marriages may be celebrated in the church.*

*The presence of the Augustinian friars goes back to the second half of the 14th century. Their first friary was situated outside the walls of Mdina but this was demolished in 1551 because of fears of a Turkish attack on Mdina. ## PARROĊĊA MADONNA TA' LOURDES

Meta l-inhawi bejn Birkirkara u San Ġiljan, wara l-gwerra, bdew jiżviluppaw, Mons. Gonzi talab lill-patrijiet Kapučċini biex jiehdu hsieb il-hajja spiritwali tan-nies. Il-Kapuċċini bdew il-hidma taghhom fis-sena 1956 u hasbu għall-bini ta' knisja dedikata lill-Madonna ta' Lourdes li tlestiet fl-1959; fl-1965 saret il-knisja parrokkjali tal-post.

*Soon after the war, people started building their homes in the area between Birkirkara and St. Julian's, and Mgr Gonzi asked the Capuchins to take care of the spiritual welfare of the people residing there. The Capuchins established themselves in the locality in 1956 and started building a church dedicated to the Virgin Mary of Lourdes. The building of the church was completed in 1959 and in 1965 it became the parish church of the locality.*

Data tad-dedikazzjoni: 12 ta' Mejju 1962. Il-Festa se tiġi ċċelebrata fis-7 ta' Awwissu.

### Santwarju tal-Madonna tal-Minsija

Il-knisja hi mibnija fuq għar li skont it-tradizzjoni, meta nstab, kien hemm xbieha tal-Madonna bil-musbieħ jixgħel quddiemha. Il-knisja sa qabel il-gwerra kienet tinsab f'nofs il-kampanja, u kienet ingħalqet mill-Isqof fl-1659 iżda reġgħet infetħet meta ġiet restawrata. Fiha jistgħu jsiru ż-żwiġijiet.

*The church is built over a cave whose existence had been unknown for a long time; tradition says that a person entering it for the first time saw a light burning in an earthen lamp in front of an old painting of the Blessed Virgin. Before the war the church was a rural chapel with only one house in its vicinity. The church was closed by the Bishop in 1659 but re-opened when restored. Marriages may be celebrated in it.*

San Pawl il-Baħar kien minn dejjem post ta' villegġjatura, iżda fil-bidu tas-seklu l-iehor tant kiber li s-santwarju ta' San Pawl ma baqax kbir biżżejjed, u għalhekk il-Markiza Anna Bugeja, b'tifkira tas-Sena Mqaddsa tal-1900, bniet knisja dedikata lid-Duluri u tatha lill-patrijiet Franġiskani Konventwali. Il-knisja saret parroċċa fl-1905 u wara għiet imkabbra kif inhi llum bejn l-1968 u l-1979.

*Saint Paul's Bay has always been a summer resort, and with the increase of summer residents at the beginning of the 20th century the old church of St. Paul's Sanctuary became too small. Countess Anna Bugeja, in remembrance of the 1900 Holy Year,*

*provided funds for the building of a church dedicated to Our Lady of Sorrows and donated it to the Conventual Franciscans. The church became a parish in 1905 and was considerably enlarged between 1968 and 1979.*

The same Grand Master linked this church to the Collegiate of St Paul's Grotto as part of the “Fondazione Wignacourt”. The church was completely destroyed during an air raid in 1943 and was rebuilt on the original designs in 1957. It has three paintings depicting scenes of St Paul's shipwreck, attributed to Cassarino although others attribute them to Lionello Spada, both disciples of Caravaggio. *The old church of St. Venera was given to the Carmelite friars in 1912, and six years later it became a parish church. Because of the rapid increase of the population in the locality the friars decided to build a new church on the main road to Mdina: the foundation stone of the church was laid on the 6th October 1990, and the Church was inaugurated on the 17th July, 2005, by Mgr Joseph Mercieca, Archbishop of Malta. It is now the parish church of the locality.*

*St. Joseph Institute was founded by Mgr F. Bonnici: at first the boys in the Institute lived in a house in Hamrun, but it was soon realised that the house was too small and through the efforts of Rev. George Bugeja a piece of land was acquired from the Government to build the Institute; the Institute's church was added at a later date. For a short period the Christian Brothers took care of the institute but since 1922 St Joseph's Home is administered by the St. Paul's Missionary Society.*

is-seklu Dsatax u

ghall-ewwel, il-knisja ż-żgħira dedikata lill-Madonna tal-Grazzja kienet biżżejjed għan-nies li kienu joqogħdu hemm; iżda meta n-nies kibret inħasset il-htieġa li tinbena knisja oħra. Dan sar fl-1854 u l-knisja ġiet dedikata lill-Verġni Marija Kewkba tal-Bahar. Aktar tard il-knisja ġiet imkabbra u fl-1878 saret parroċċa. Tas-Sliema kompliet tikber u żdieđu parroċċi oħra: dik tas-Sacro Cuor, dik ta' San Girgor u dik tan-Nazzarenu.

*Sliema became the summer resort for Valletta residents in the middle of the 19th century; at first the small church of Our Lady of Divine Grace was sufficient for the needs of the people residing there, but when the population increased a new church was built in 1854 and dedicated to Our Lady Star of the Sea. Later on the church was enlarged and in 1878 Sliema became a parish. During this century other parishes were established in Sliema: the Sacro Cuor parish, St. Gregory's parish and the Jesus of Nazareth parish. Data tad-dedikazzjoni: 28 ta' Novembru 1899*  
Il-Festa se tiġi ċelebrata fil-21 ta' Awwissu.

Carmel Busuttil beda jiċċelebra l-Quddiesa fid-Dar tal-M.U.S.E.U.M. u f'xi djar privati, sakemm tlestiet il-Knisja fl-2004. Bid-Digriet tat-3 ta' Diċembru, 2006, is-Swatar saret Żona Pastorali Awtonoma. Fit-8 ta' Novembru 2008 Monsinjur Arċisqof Pawlu Cremona O.P. waqqafha bhala parroċċa dedikata lil San Ġorġ Preca u bierrek il-Knisja.

*The areas known as Swatar and Tal-Qattus, originally formed part of the Parishes of Msida and St Helen, B'Kara. When development increased in these areas, the need for greater pastoral care became necessary. In 1989, Can. Carmel Busuttil started celebrating Mass at the M.U.S.E.U.M. Centre and in some private homes, until the Church was completed in 2004. By Decree dated 3rd December, 2006, Swatar became an Autonomous Pastoral Zone. On the 8th November, 2008, Archbishop Paul Cremona, O.P., blessed the Church and Swatar was declared a parish dedicated to St George Preca.*

Il-kappella ż-żghira li kien hemm fiċ-Ċimiterju antik ta' Hal Tarxien kienet tiġbed hafna nies, tant li nhasset il-htieġa li tinbena knisja akbar; dan sehħ f' dawn l-aħħar snin u nbniat knisja fi stil jixbaħ lil dak tal-fdalijiet neolitici li hemm fil-qrib, u ġiet dedikata lil Kristu Rxox. *The old chapel which existed near the Tarxien cemetery was too small for the people visiting it to pray for the souls of the faithful departed, and so it was decided to build a larger church dedicated to the Risen Christ. ## VALLETTA KONKATIDRAL TA' SAN ĠWANN

San Ġwann inbena mill-Granmastru La Cassiere bejn l-1573 u l-1577 u ġie konsagrat fl-20 ta' Frar 1578 minn

Mons. Lodovico de

Torres, Arċisqof ta' Monreale. Fi żmien il-Granmastru Rafel Cotoner saret il-pittura tas-saqaf minn Mattia Preti. San Ġwann kien il-knisja konventwali tal-Ordni tal-Kavallieri ta' Malta, iżda meta Malta ħaduha l-Franċiżi minn għandhom, Napuljun ta l-knisja ta' San Ġwann lill-Isqof ta' Malta kif jidher ċar minn dokument iffirmat minn Napuljun stess u jnsab fl-arkivju tal-Kurja. Il-Fondazzjoni tal-Kon-Katidral ta' San Ġwann hija responsabbli għall-amministrazzjoni materjali u kulturali, waqt li l-Kapitlu Metropolitan huwa responsabbli għall-funzjonijiet reliġjużi kollha.

*St. John's Co-Cathedral was built by Grand Master La Cassiere between 1573 and 1577 and was dedicated on the 20 February 1578 by Mgr Lodovico de Torres, archbishop of Monreale; during the Grandmastership of Rafel Cotoner, Mattia Preti decorated the church, which was the Conventual church of the Order of St. John. When the French occupied Malta, Napoleon gave the church of St. John to the Bishop: this results from a document signed by Napoleon himself and which is kept in the Curia archives. The Foundation of St John's Co-Cathedral is responsible for the material and cultural administration, while the Metropolitan Chapter is responsible for all religious services.*

### Santa Katerina Vergni u Martri (maghrufa bhala Ta' San Girgor)

L-ewwel knisja aktarx li nbriet fis-seklu tnax, iżda l-knisja li hemm illum inbniet fl-1492. Qed isservi għall-htigijiet spiritwali tal-hafna nies li joqogħdu fl-inhawi. Fl-antik, fit-12 ta' Marzu, kienet tmur purċissjoni mill-Katidral għal din il-knisja, iżda aktar tard il-purċissjoni bdiet issir nhar l-Erbgħa tal-Għid. Hemm hafna fehmiat dwar il-bidu ta' din il-purċissjoni iżda dokument fl-arkivji notarili, misjub minn P. Mikiel Fsadni O.P., jgħid li l-purċissjoni ordnaha l-Isqof Cubelles biex iwieġeb għax-xewqa tal-Papa biex isir talb għall-paċi: din il-haġa malajr intesiet għax ma kinitx toqot il-Maltin mill-qrib u għalhekk saru hafna konġetturi dwar għrajiet li laqta lil pajjiżna li taw bidu għal din il-purċissjoni votiva.

*Originally the church was built in the 12th century but the present church dates from 1492: today it serves the pastoral needs of the people living in the area. Formerly on the 12th March each year a procession left the Cathedral Church and proceeded to this church, but later on the day of the procession was changed to Wednesday in Easter Week. Several suggestions have been made*

*with regard to the origin of this votive procession, but in recent years Fr Michael Fsadni O.P. found a document in the Notarial Archives which states the procession was held after a request by the Pope for prayers for peace in all Christian countries, and bishop Cubelles of Malta therefore instituted this procession, which today starts from the church of St. Clement on the outskirts of Żejtun.*

### L-APPOSTOLAT TAT-TALB

#### *Apostleship of Prayer*

L-Apostolat tat-Talb huwa network dinji ta' talb mal-Papa. Il-Papa jstieden lill-Insara biex jifthu qalbhom għall-missjoni ta' Kristu billi ta' kuljum joffru lilhom infushom lil Alla f'għaqda ma' Ġesù Ewkaristija, kif ukoll biex jitolbu u jirriflettu dwar kif se jwieġbu għall-isfidi tal-umanità u tal-Knisja, li Hu jgħarrafna permezz tal-fehmiet tiegħu ta' kull xahar. B'dan il-mod sempliċi, huma jhossuhom haġa waħda mal-missjoni tal-Knisja u viċin tax-xewqat profondi tad-dinja bil-ferh u n-niket tagħha.

*The Apostleship of Prayer is a worldwide network of prayer of the Pope. The Pope invites Christians to make themselves available for the mission of Christ by offering themselves daily to God in union with Holy Eucharist, as well as to respond to the challenges of humanity and of the Church, formulated in the prayer intentions proposed by him every month. It is a very simple way of feeling one with the mission of the Church and close to the deep longings of the world with all its joys and sorrows.*

Il-Papa Piju XI waqqaf l-Azzjoni Kattolika mad-dinja kollha bl-Enciklika “Ubi Arcano” f’Diċembru 1922. F’Malta twaqqfet fil-5 ta’ April 1929 minn Patri Prof. Danjel Callus O.P. fost l-istudenti tal-Università, u f’Ottubru tal-1930 twaqqfet il-Federazzjoni taċ-Ċirkoli tal-Azzjoni Kattolika.

L-Azzjoni Kattolika hi għaqda ta’ lajċi li minn rajhom jimpenjaw ruħhom, b’mod komunitarju u organizzat u b’kollaborazzjoni diretta mal-Ġerarkija, li jaħdmu biex jintlaħaq l-iskop appostoliku ġenerali tal-Knisja.

L-Azzjoni Kattolika tiġbor fiha Ferġat tal-Irġiel, Nisa, Żgħażaġh, Koppji Miżżewġin, adolexxenti (bniet u subien), imxerrdin kważi fil-parroċċi kollha tal-gżejjer Maltin. B’inizjattiva tal-membri tal-AKM, l-Azzjoni Kattolika tagħti diversi servizzi permezz tas-Segretarjat Assistenza Soċjali (SAS), u l-Kummissjoni Ħidma Morda u Persuni b’Diżabilità.

L-Azzjoni Kattolika waqqfet id-Dar tal-Providenza għal persuni b’diżabilità li tinkludi Villa Mons. Gonzi, Villa Papa Giovanni u Villa Papa Luciani. Għal żmien twil mexxiet ukoll id-Dar tal-Anzjani Familja Mqaddsa, fin-Naxxar. Tmexxija li hadet minghand il-Little Sisters of the Poor u li matulha għamlet titjib kbir fid-dar, b’investment kbir hafna ta’ ħidma volontarja u ta’ finanzi miġbura mill-membri tal-AKM.

L-Azzjoni Kattolika tippubblika ‘*Lehen is-Sewwa*’, gazzetta li toħroġ kull nhar ta’ Ħadd, u ‘*Il-Faraġ*’, rivista li tintbagħat b’xejn f’għadd ta’ djar ta’ persuni anzjani u/jew b’diżabbiltà.

*Catholic Action was launched by Pope Pius XI in December 1922 by means of his Encyclical “Ubi Arcano”. Seven years later, on the 5th April*

1929, Prof. Fr. Daniel Callus OP set up the first Malta Catholic Action group among University students, and a year later, in October 1930, Mgr. Enrico Dandria organised some of the existing youth groups into a Federation of Catholic Action Centres.

Catholic Action is an organisation of lay people who freely commit themselves, as an organic community and in direct collaboration with the Hierarchy, to work for the fulfilment of the general apostolic aim of the Church.

Malta Catholic Action embraces adults, youths and adolescents divided in various branches which are found in most parishes. Other initiatives include the Secretariat for Social Assistance (SAS), and the Commission for the sick and persons with disabilities.

Malta Catholic Action was instrumental in the founding of “Dar tal-Providenza”, a complex including Villa Mons Gonzi, Villa Papa Giovanni and Villa Papa Luciani, homes for persons with disabilities. For a long time it also managed the Holy Family Home, a residential home for elderly people, in Naxxar. AKM invested lots of efforts through its volunteers, who worked to improve considerably the facilities and the quality of life of the residents. It invested also large sums of money, collected by volunteers.

Malta Catholic Action is responsible for the publication of ‘Lehen is-Sewwa’ and ‘Il-Faraġ’.

## COMUNIONE E LIBERAZIONE (MALTA)

*Comunione e Liberazione* huwa moviment fil-Knisja Kattolika li għandu bhala għan l-edukazzjoni tal-membri tiegħu lejn maturità Nisranija u l-kollaborazzjoni fil-missjoni tal-Knisja fl-isferi kollha tal-ħajja tal-lum.

Il-moviment beda fl-Italja fl-1954 meta Don Luigi Giussani ta bidu għall-preżenza Nisranija ta' grupp ta' żgħażaġh fi skola sekondarja f'Milan. Dan il-grupp għall-ewwel kien magħruf bhala *Gioventù Studentesca* (Żgħażaġh Studenti), fil-qosor *GS*, li mill-1969 beda jissejjaħ *Comunione e Liberazione*, kif għadu magħruf sal-lum. Dan l-isem jiġbor fih il-konvinzjoni li l-avveniment Nisrani, li tgħixu f'xirka, huwa l-bażi tal-helsien tassew tal-bniedem.

Illum *Comunione e Liberazione* jinsab f'xi disġin pajjiż madwar id-dinja, fosthom Malta. Ma hemm ebda forma ta' tesserament. Kollox hu bbażat fuq il-libertà ta' min irid jipparteċipa. L-istrument ewlieni tal-formazzjoni tal-membri hija l-laqgħa ta' kull ġimgha ta' katekeżi magħrufa bhala "Skola tal-Komunità". Il-magażin uffiċjali tal-Moviment, li joħroġ kull xahar, huwa 'Tracce – Litterae Communiois'. Don Julián Carrón ilu fit-tmexxija ta' *CL* mill-2005 minn wara l-mewt tal-fundatur Don Giussani. F'Malta il-Moviment huwa organizzat f'livell ta' adulti. L-Iskola tal-Komunità ssir filgħaxijiet kull nhar ta' Tlieta u kull l-ewwel Ġimgha tax-xahar issir il-Quddiesa.

*Comunione e Liberazione is a movement in the Church which has the purpose of forming its members in Christianity in order to make them co-workers in the Church's mission in all areas of society. CL began in 1954 in Italy, at the Berchet classical high school in Milan, when Fr Luigi Giussani (1922-2005) started an initiative of Christian presence which uses the pre-existent name Gioventù Studentesca (GS; English: Student Youth).*

*Its current name, Communion and Liberation (CL), appeared for the first time in 1969. This name brings together the conviction that the Christian event, lived in communion, is the foundation of man's authentic liberation. As Benedict XVI declared, Communion and Liberation "today. . . offers a profound way of life and actualizes the Christian faith, both in a total fidelity and communion with the Successor of Peter and with the Pastors who assure the governing of the Church, and through spontaneity and freedom that permit new and prophetic, apostolic and missionary achievements" (Address to CL, March 24, 2007).*

*Communion and Liberation is today present in roughly ninety countries on all the inhabited continents, and is guided by Father Julián Carrón, who succeeded Father Giussani after his death in 2005.*

*No form of membership enrolment is involved, but only the free participation of individual persons. The basic instrument for the formation of those who belong to the Movement is a weekly catechesis which is called the School of Community. The Movement's official publication is the international monthly magazine 'Tracce – Litterae Communiois', also published in English as Traces.*

L-Għaqda Bibblika Maltija giet imwaqqfa fl-14 ta' Settembru, 1958, minn Mons. Prof. Pietru Pawl Saydon u minn Mons. Prof. Karm Sant. Matul dawn l-aħħar 55 sena l-hidma tal-Għaqda serviet biex il-messaġġ li ġej mill-kelma ta' Alla jinfirx iżjed u jasal iżjed għand il-familji Maltin.

L-Istitut għall-Kultura Bibblika huwa ferġha tal-Għaqda, li jinsab fl-istess triq, faċċata tal-Uffiċini/Hanut tal-Għaqda. *The mission of the Malta Bible Society is to provide the Holy Scriptures to every child, young person, man and woman in a language and form each can readily understand and at a price each can easily afford. With this aim in mind the Malta Bible Society endeavours to keep the translation of the Bible up to date, publishes the Bible and distributes it. The Malta Bible Society works with and is a member of two world organisations engaged in Bible Work: The United Bible Societies and The Catholic Biblical Federation. The Society was founded on the 14th September, 1958, by Mons. Prof. Pietru Pawl Saydon and Mons. Prof. Karm Sant. During these last 55 years the Society rendered its services by spreading the message found in the WORD OF GOD in order to reach out many more Maltese families.*

*The Institute for Biblical Culture is a branch of the Society and has its premises opposite the Society offices and Bookshop. Regular Bible courses are organised here in a fully equipped lecture room, which houses also a specialised Library on the Holy Scripture, Commentaries, Encyclopedias, as well as other books related to Bible studies.*

## **GHAQDA TAL-ISTUDENTI TAT-TEOLOĠIJA** *Theology Students' Association*

L-Għaqda Studenti tat-Teoloġija (GH.S.T.) twaqqfet fis-6 ta' Novembru 1945, bl-isem ta' "Royal University Students' Theology Association" (RUSTA). L-Għaqda hadet l-isem li għandha issa fl-1978, wara li l-Fakultà tat-Teoloġija ma baqgħetx tiffirma parti mill-Università minhabba riformi li kienu saru. Il-Fakultà reġgħet lura l-Università fl-1988. Tul iż-żmien li l-Fakultà għamlet barra mill-Università, l-GH.S.T. dejjem esprimiet ix-xewqa profonda li l-Fakultà terġa' ssir parti integrali mill-Università, kif inhi illum.

L-għanijiet tal-Għaqda huma:

- Rappreżentazzjoni: tirrapreżenta lill-membri tagħha mal-awtoritajiet universitarji f'dak kollu li jikkonċernahom.
- Formazzjoni: tgħin lill-membri u, fejn hu possibbli, lil studenti oħra, fil-formazzjoni spiritwali u teoloġika tagħhom u tgħinhom jipprattikaw is-solidarjetà ma' min hu fil-bżonn.
- Rabta Soċjali: tgħin lill-istudenti tat-Teoloġija jingħaqdu flimkien billi torganizza attivitajiet soċjali għalihom.
- Parteċipazzjoni Attiva: tippromwovi l-involvement tal-membri tagħha fil-ħajja universitarja.

*The Theology Students' Association (TSA) was founded on the 6th November 1945 under the name of Royal University Students' Theology Association. The present name was adopted in 1978 after the Faculty of Theology ceased to form part of the University, because of the reforms then introduced. The Faculty of Theology again became part of the University of Malta in 1988. During the period in which the Theology students were not at the University, the TSA continually spoke out in favour of the return of the Faculty of Theology to the University, where it is today.*

*The Association's aims:*

- *Representation: to represent its members with the University authorities.*
- *Formation: to help its members and, where possible, other students in their spiritual and theological formation and encourage them to practise the virtue of solidarity.*
- *Social Activity: to help its members connect and build relationships through social activities.*
- *Active Participation: to promote the involvement of its members in University life.*

Il-Jesuit Youth Network twaqqaf biex jikkoordina l-hidma kollha taż-żgħażaġħ fil-Provinċja Maltija tal-Ġiżwiti u tara li s-setturi kollha ta' din il-hidma joffru esperjenzi u riflessjonijiet li jgħinu liż-żgħażaġħ jikbru bħala bnedmin hielsa fl-għarfien tal-hajja komunitarja u fl-għażla preferenzjali favur il-fqar. Dan in-network jgħaqqad l-oqsma prinċipali fejn jinstabu l-Ġiżwiti maż-żgħażaġħ: fiċ-Chaplaincies tas-Sixth Form ta' San Alwiġi u tal-Università ta' Malta, iż-żgħażaġħ fil-Komunitajiet tal-Ħajja Nisranija (CLC) u ż-żgħażaġħ fil-Istitut Paulo Freire, iż-Żejtun.

L-attivitajiet regolari tal-Jesuit Youth Network jinkludu l-attivitajiet ta' formazzjoni għaž-żgħażaġħ u proġetti spissi ta' xogħol volontarju mal-fqar u l-emarġinati sew f'Malta kif ukoll barra. Isiru wkoll inizjattivi ta' għbir ta' fondi għall-fqar li magħhom jaħdmu dawn il-voluntiera, sew f'Malta kif ukoll barra. Apparti minn dawn, il-Jesuit Youth Network jaħdem strettament mal-Young Communities' Team u, allura, issa, flimkien ma' dan it-tim, qed issir hidma biex tibda ssir quddiesa fix-xahar li tista' possibbilment tiġbor flimkien fuq bażi iżjed frekwenti lill-membri kollha tas-CLC. Kif issemma iktar 'il quddiem, jaħdem id f'id ukoll maċ-Chaplaincy tal-Università ta' Malta u f'din tal-aħħar, isiru żewġ quddisiet kull nhar ta' Sibt filgħaxija, fis-7.30pm u fid-9pm għall-familji u għaž-żgħażaġħ rispettivament.

*The Jesuit Youth Network is a network that was established to coordinate the youth initiatives within the Maltese Jesuit Province and to ensure that all the sectors offer experiences and reflections that help young people grow in freedom, in a sense of community and in a greater option for the poor. The network brings together the main areas in which the Jesuits work with young people: the Chaplaincies at St. Aloysius Sixth Form, at the University of Malta, the Young Christian Life Communities (CLCs) and the young people at Paulo Freire Institute, Zejtun.*

*The regular activities of the Jesuit Youth Network include formation activities for youths and frequent projects regarding voluntary work experiences with the poor and the marginalised offered locally and overseas. Fundraising activities for the poor with whom the volunteers work are also organised. Apart from these, the Jesuit Youth Network works closely with the Young Communities' Team and together they organise a mass every month so as to gather all the CLC members together more often. As was previously remarked, it does also work hand in hand with the Chaplaincy of the University of Malta and two masses are celebrated every Saturday evening, at 7.30pm and at 9pm for families and youths respectively at the University Chapel.*

## **MOVIMENT TAL-FOKOLARI**

### *The Focolare Movement*

Il-Moviment tal-Fokolari jaf il-bidu tiegħu lill-kariżma tal-unità li Alla poġġa fil-qalb ta' Chiara Lubich. Beda waqt it-Tieni Gwerra Dinjija fi Trento, l-Italja, meta Chiara Lubich ikkonsagrat ruħha lil Alla fis-7 ta' Diċembru 1943. L-iskoperta mill-ġdid ta' Alla Mhabba huwa l-ewwel punt importanti ta' "l-ispiritwalità tal-unità". Din titlob l-għajxien prattiku tal-imhabba reċiproka, ibbazata fuq il-Vanġelu, li tiġġenera l-preżenza ta' Ġesù fil-komunità. L-iskop speċifiku tal-Moviment hu li jikkontribwixxi biex issehh it-talba ta' Ġesù "Ha jkunu lkoll haġa waħda" (Gw 17, 21), u l-għan huwa l-fraternità universali. Biex jintlaħaq dan l-iskop isir djalogu ma' kulhadd, ukoll mal-fidili ta' reliġjonijiet oħra u popli ta' kulturi differenti.

Il-Moviment huwa preżenti f'194 pajjiż, u l-membri huma iktar minn żewġ miljuni u nofs, nies ta' kull età u vokazzjoni, Kattoliċi u Nsara minn Knejjes u Komunitajiet Insara oħra, segwaċi tar-reliġjonijiet il-kbar, u nies li ma għandhomx twemmin reliġjuż, iżda li jaqsmu l-ispiritwalità u l-iskop tagħha b'ħafna modi.

Il-Moviment tal-Fokolari (Opra ta' Marija) ġie approvat għall-ewwel darba mis-Santa Sede fl-1962. L-Istatuti Ġenerali ġew approvati b'digriet tal-Kunsill Pontifikali għal-Lajċi fid-29 ta' Ġunju, 1990. Iktar żviluppi ġew approvati mis-Santa Sede fil-15 ta' Marzu, 2007. Il-President attwali hija Maria (Emmaus) Voce, u l-ko-President huwa Jesùs Moran.

*The Focolare Movement owes its origin to the charisma of unity God gave to Chiara Lubich. It began during the Second World War in Trent (Italy)*

with Chiara Lubich's consecration to God on 7th December 1943. The re-discovery of God as love is the first key point of the "Spirituality of unity". It demands the practice of mutual love based on the gospel that generates the presence of Jesus in the community. The Movement's specific purpose is to contribute towards the fulfilment of Jesus' prayer "May they all be one" (Jn 17,21), and its goal is universal brotherhood. To achieve its aim, it dialogues with everyone, including faithful of other religions and people of different cultural backgrounds.

The Movement is present in 194 countries and has over two and a half million members, people of every age and vocation, Catholics and other Christians from different Churches and Christian Communities, followers of great religions and people of non-religious beliefs who share the spirituality and purpose in various ways.

The Holy See first approved the Focolare Movement (Work of Mary) in 1962. The General Statutes were approved by a decree of the Pontifical Council of the Laity on 29th June 1990. Further developments were approved by the Holy See on 15th March 2007. The current President is Maria (Emmaus) Voce, and the co-President is Jesús Moran.

Il-Mission Fund hija organizzazzjoni volontarja ta' Kattoliċi lajċi li twaqqfet fl-1984 bl-għan li tghin il-missjunarji Maltin u li għib 'il quddiem l-ispirtu missjunarju fil-Gżejjer Maltin. Fil-preżent, mijiet ta' missjunarji Maltin u Għawdxin f'erbgħin pajjiż jirċievu, b'mod regolari,

Il-missjunarji Maltin jużaw dawn id-donazzjonijiet biex jinbnew skejjel, kliniċi u kmamar li jservu ta' kenn għal dawk bla dar, biex jinxtraw il-mediċini, jithallsu l-ispejjeż tal-isptarijiet u biex ikunu jistgħu jingħataw programmi ta' tilqim. Barra milli jxerrdu l-Vanġelu, il-missjunarji jistinkaw biex itejbu l-ħajja ta' hafna u hafna persuni li jgħixu fi stat ta' faqar.

Kull sena grupp ta' madwar 25 volontier, taħt id-direzzjoni spiritwali ta' Patri Marcellino Micallef OFM, jissieħbu f'esperjenza missjunarja ta' 5 ġimgħat li hi organizzata mill-Mission Fund. Il-preparazzjoni għal din l-esperjenza tinkludi laqgħat ta' kull ġimgħa – għal tmien xhur, seminars ta' formazzjoni, programm ta' tilqim u numru ta' attivitajiet għal ġbir ta' fondi. Il-flus miġbura jintużaw speċifikament għall-proġett magħżul.

Għas-sena 2015, il-Mission Fund laqgħet it-talba ta' Sister Maria Borda MMM, missjunarja fit-Tanzanija għal aktar minn 30 sena. Il-Mission Fund għenet fil-bini ta' blokk iehor ġdid fl-isptar Makiungu, li jinsab f'Singida, fit-Tanzanija. Saru proġetti oħra f'dan l-isptar fis-snin 2010 u 2011. L-esperjenzi missjunarji organizzati mill-Mission Fund ilhom isiru sa mis-sena 1992.

*The Mission Fund is a lay Catholic voluntary organization founded in 1984 with the aim of assisting Maltese missionaries and of further enhancing the missionary spirit in our islands. At present hundreds of Maltese and Gozitan missionaries in 40 countries receive regular donations of €2,000 (or €4,000 in the case of Bishops) on a roster basis.*

*Maltese missionaries use these donations to build schools, clinics and shelters for the homeless, to buy medicines, pay hospital fees and maintain vaccination programmes. Apart from spreading the Gospel, missionaries strive to better the lives of so many persons living below the poverty line.*

*Every year a group of about 25 volunteers, under the spiritual guidance of Fr Marcellino Micallef OFM, take part in a 5 week missionary experience organized by the Mission Fund. Preparation for this event includes regular weekly meetings for 8 months, group building seminars, a vaccination programme and a number of fund raising activities. The funds raised are used exclusively to fund the selected project. These missionary experiences have been carried out since 1992.*

*During 2015, the Mission Fund volunteers undertook a project requested by Sr. Maria Borda MMM, a missionary in Tanzania for over 30 years. The volunteers assisted in the building of yet another block at Makiungu Hospital in Singida in Tanzania.*

*The Mission Fund participated in similar projects at Makiungu Hospital in 2010 and 2011.*

Il-Kan. Illum il-Missjoni ż-Żgħira, kif inhi magħrufa min-nies, ma tippridkax il-missjoni biss lit-tfal, imma lill-kbar ukoll u b'mod speċjali liż-żgħażaġh. F'Settembru 2012, Mons. Arcisqof Pawlu Cremona, O.P., approva Statut Ġdid għal din il-Missjoni ż-Żgħira.

*Canon Francesco Bonnici, inspired by the activities of the Mission founded by St. Gaspere del Bufalo in Rome, in 1884, established a Mission in Malta with the primary aim of instructing children through missionary preaching. Today, "Il-Missjoni ż-Żgħira", as it is popularly known, preaches missions not only to children but also to adults, and especially to youths. In September, 2012, a new Statute for the "Missjoni ż-Żgħira" was approved by H.G. Mgr Paul Cremona, O.P.*

## IL-MISSJONI L-KBIRA TAD-DEMM PREZZJUŻ

*Pia Opera Della Grande Missione*

*Del Prezioso Sangue Di Nostro Signore Gesù Cristo*

Fl-1645, qassis minn Ħal-Qormi kien waqqaf il-Missjoni u ħallielha xi renti, iżda biż-żmien din il-Missjoni giet fix-xejn imma fuq dan m'hemm xejn dokumentat fl-arkivju tal-opra. Fl-1811 Dun Filippu Calleja minn Ħal-Qormi u joqgħod Ħaż-Żebbuġ, imhegġeġ minn shaġbu Dun Bert Attard minn Ħaż-Żebbuġ u Dun Gan Nikol Camilleri mis-Siġġiewi, bdew imorru f'diversi postijiet tal-kampanja jippridkaw u jqarru lin-nies. Qabel miet bil-pesta fl-1813, fuq is-sodda tal-mewt ħalla gidu kollu biex titwaqqaf il-Missjoni. Fil-15 ta' Lulju 1815, l-Isqof Ferdinando Mattei waqqaf bħala fondazzjoni l-Opra pija tal-Missjoni għall-kampanja, popolarment magħrufa bħala l-Missjoni l-Kbira.

*In 1645 a priest from Qormi founded a Mission and gave it part of his property. Through the years the Mission lost its initial fervour, but it was revived and given new life in 1811 by Rev. Philip Calleja of Qormi, who resided in Żebbuġ. Encouraged and accompanied by his friends, Rev. Bertu Attard of Żebbuġ and Rev. Gan Nikol Camilleri of Siġġiewi, he visited the countryside villages, preaching and hearing confessions. In 1813, during the plague epidemic, on his death-bed he left all his possessions to the Mission. On 15th July 1815 Bishop Ferdinand Mattei accepted the foundation of the PIA OPERA which is popularly known as "Il-Missjoni l-Kbira".*

## MIXJA NEOKATEKUMENALI

*Neocatechumenal Way*

Il-Mixja Neokatekumenali bdiet fl-1964 fil-kwartieri tal-fqar ta' Palomeras Altas f'Madrid bil-hidma tas-Sur Francisco José (Kiko) Gómez Argüello u tas-Sinjorina Carmen Hernández li, għat-talba ta' dawk l-istess nies foqra li magħhom huma kienu jgħixu, kienu bdew iħabbrulhom l-Evangelju ta' Gesù Kristu. Mal-mogħdija taż-żmien din il-kèrigma giet konkretiz-

zata f' sinteżi kateketika msejsa fuq it-trepied 'Kelma ta' Alla - Liturgija – Komunità bl-iskop li twassal in-nies għall-komunjoni fraterna u għal fidi matura.

Il-Mixja Neokatekumenali hija itinerarju ta' formazzjoni kattolika li "qiegħed għas-servizz tal-Isqof bhala wiehed mill-modi li bih isehħu fid-djoċesi l-inizjazzjoni nisranija u l-edukazzjoni permanenti fil-fidi" (Statut, art. I§ 2). Imwieled fit-tranja tat-tigdid imqanqal mill-Konċilju Ekumeniku Vatikan II, dan l-itinerarju hu mgħix fi hdan il-parroċċi, f'komunitajiet żgħar imsawrin minn persuni ta' diversi etajiet u kundizzjonijiet soċjali u jitwettaq skont il-linji proposti mill-inizjaturi, li jinsabu fl-Istatut approvat mis-Santa Sede fis-Solemnità ta' Ghid il-Ħamsin fil-11 ta' Mejju 2008.

Benedittu XVI, meta kellem lill-membri tal-Mixja Neokatekumenali, afferma: "Il-hidma appostolika tagħkom għandha l-hsieb tqiegħed lilha nnifisha fil-qalba tal-Knisja, b'sintonija shiha mad-direttivi tagħha u f'għaqda mal-Knejjes partikolari li fihom tagħmlu l-hidma tagħkom, waqt li tivvalorizza bis-shih il-għana tal-kariżmi li l-Mulej qanqal permezz tal-inizjaturi tal-Mixja" (Insegnamenti di Benedetto XVIII, I [2006], 58-59).

Fuq stedina tal-E.T. Arcisqof Mikiel Gonzi, ekipp ta' katekisti itineranti magħmul minn Eusebio Astiasio, Giuletta Cascino, Don Giacomo Calabrese u Enrico Gioia waslu Malta f'Ottubru 1973 u katekizzaw fil-parroċċa tal-Kuncizzjoni, il-Ħamrun. Illum il-Mixja Neokatekumenali hi mferrxxa f'għadd sabih ta' parroċċi f'Malta u f'Għawdex u l-aħwa Maltin kienu strumentali biex tinfetah jew tiġi sostnuta f'għadd ta' pajjiżi barranin, fosthom l-Irlanda, l-Indja, il-Pakistan, il-Filippini, il-Venezwela, l-Istati Uniti tal-Amerika, il-Kanada, il-Libja, l-Afrika t'Isfel, l-Awstralja, il-Guam u gzejjer oħra fil-Paċifiku.

*The Neocatechumenal Way began in 1964 in the slums of Palomeras Altas, Madrid, through the work of Mr. Francisco José (Kiko) Gómez Argüello and of Miss Carmen Hernández who, at the request of the poor with whom they were living, began to announce to them the Gospel of Jesus Christ. As time passed, this kerygma was embodied in a catechetical synthesis founded on the tripod 'Word of God-Liturgy-Community', which aims at leading people to fraternal communion and mature faith.*

*The Neocatechumenal Way is an itinerary of Catholic formation that "is at the service of the Bishops as a form of diocesan implementation of Christian initiation and of ongoing education in faith" (Statute, art. 1 § 2).*

*Born in the wake of the renewal fostered by the Second Ecumenical Vatican Council, this new itinerary of Christian Initiation is lived within parishes and in small communities constituted by people of different ages and social conditions and is implemented according to the lines proposed by the initiators, which are contained in the Statute approved by the Holy See on the Solemnity of Pentecost, on May 11th 2008.*

*The Holy Father Benedict XVI affirmed: “Your apostolic action intends to take place in the heart of the Church, in total harmony with her directives and in communion with the particular Churches in which you are going to work, making the most of the richness of the charisms that the Lord has awakened through the Initiators of the Way” (Teachings of Benedict XVI II, 1 [2006], 58-59).*

*Invited by His Excellency Archbishop Michael Gonzi, a team of itinerant catechists made up of Eusebio Astiasio, Giuletta Cascino, Don Giacomo Calabrese and Enrico Gioia came to our islands in October 1973 and catechised at the Immaculate Conception parish in Hamrun.*

*Today the Neocatechumenal Way is spread in a good number of parishes in Malta and Gozo and the brothers were instrumental in opening and sustaining other nations – Ireland, India, Pakistan, Georgia, Korea, Holland, Venezuela, Sweden, USA, Canada, Libia, Australia, Guam and other islands in the Pacific.*

## RINASCITA CRISTIANA

Rinascita Cristiana kellha l-bidu tagħha fl-Italja fis-snin tal-gwerra bit-thabrik tal-Markiza Immacolata Salviati. Mons. Giovanni Battista Montini, li mbagħad sar il-Papa Pawlu VI, habrek biex Rinascita Cristiana tingħaqad mal-moviment tal-appostolat fost l-ambjenti soċjali indipendenti, imwaqqaf fi Franza minn Mlle. Marie-Louise Monet, u b'hekk twaqqaf il-Moviment internazzjonali għall-appostolat fost l-ambjenti indipendenti (M.I.A.M.S.I.) li illum jinsab imxerred f'40 pajjiż.

Rinascita Cristiana (Malta) twaqqfet f'Malta fl-1970 u illum hemm 9 gruppi li jiltaqgħu almenu 3 darbiet fis-sena.

L-għan tal-Moviment hu li (i) jgħin lill-membri jagħrfu r-responsabilitajiet tagħhom fil-Knisja, u li (ii) jgħinhom iwasslu l-Bxara t-tajba ta' Kristu fid-dinja tal-lum, halli (iii) isawru soċjetà mibnija fuq l-imħabba ta' Alla u tal-proxxmu.

*Rinascita Cristiana was founded in Italy during the war years with Marchesa Immacolata Salviati at the helm. Through the initiative of Mgr. John Baptist Montini, later Pope Paul VI, Rinascita Cristiana joined forces with the Apostolate for the Independent Social Milieux founded in 1940 by Mlle. Marie-Louise Monet. This brought about the foundation of the International Apostolic Movement of the Independent Social Milieux (M.I.A.M.S.I.), which today has 40 member countries in the four continents.*

*Rinascita Cristiana Malta was founded in 1970 and at present consists of 8 groups, with a coordinating Council which meets at least 3 times a year.*

*The movement aims at making its members conscious of their responsibilities in the Church and helping them in their efforts to make the message of the Gospel known to our modern society, so as to promote a human society permeated by the Love of God and one's neighbour.*

*The Society of Christian Doctrine (M.U.S.E.U.M.) is an association of lay faithful founded by St. George Preca with the aim of teaching the Catholic faith to children, youths and adults. ## TIGDID KARIŻMATIKU KATTOLIKU

16 Triq Hompesch, Haż-Żabbar ZBR 1313  
Tel: 2123 3206; Fax: 2124 4968  
email: [charisma@onvol.net](mailto:charisma@onvol.net)  
Website: <http://www.ccrmalta.org>

L-għan tat-Tigdid Kariżmatiku hu tigdid personali permezz ta' għarfien ta' Ġesù Kristu bħala s-Sid assolut tal-hajja. Ġesù għandu jkun dak li jħabbibna ma' Alla Missieru billi jkebbes ġewwa fina l-iSpirtu Qaddis tiegħu. It-Tigdid jishaq fuq "il-magħmudija fl-iSpirtu" jiġifieri esperjenza ta' tigdid ta' dak kollu li seħħ fina fis-sagramenti tal-inizjazzjoni u esperjenza ta' pentekoste personali. Minħabba li l-karatteristika l-aktar b'saħħitha tat-Tigdid Kariżmatiku hija l-libertà fl-iSpirtu, mhux faċli li wiehed jispjega fi kliem in-natura tiegħu.

Il-hidma speċifika biex jintlaħaq dan l-għan hi l-laqqgħa ta' talb ta' kull ġimgħa, imsieħba kull tant żmien, b'Life in the Spirit Seminars, li huma proċess ta' 8 ġimgħat li jqabbdok it-triq għal relazzjoni intima mal-Mulej li jagħti l-hajja: L-Ispirtu s-Santu.

*The aim of the Charismatic Renewal is personal renewal through the knowledge of Christ as supreme Lord of life, whose mission is to reconcile us to the Father by enkindling in us His Holy Spirit. Therefore, Charismatic Renewal emphasizes: "The Baptism in the Holy Spirit", that is a renewing experience of what actually takes place in us through the sacraments of initiation and experiencing a personal Pentecost. It is not easy to explain or contain in writing the nature of the Catholic Charismatic Renewal, primarily because its basic and strongest characteristic is the freedom in the Spirit.*

*This aim is attained through weekly prayer meetings and by occasional Life in the Spirit seminars which last eight weeks and lead to an intimate relation with the Lord: The Holy Spirit.*

## XIRKA TAL-ISEM IMQADDES TA' ALLA

*Holy Name Society*

Ix-Xirka tal-Isem Imqaddes ta' Alla ilha teżisti sa minn żmien il-Konċilju ta' Lyons, fis-sena 1274. Hawn Malta twaqqfet minn P. Ġeraldu Paris O.P., fid-19 ta' Novembru, 1928 u tinsab imxerrda tista' tgħid fil-parroċċi kollha ta' Malta u Għawdex.

Kull sena x-Xirka torganizza Kungress Nazzjonali, granet ta' tpattija għad-dagħa, fil-parroċċi kollha, irtiri kull tliet xhur għall-membri; tippubblika diversi kotba, stickers, slogans eċċ. Ix-Xirka torganizza wkoll laqgħat fil-każini

(politici, tal-football, tal-baned, eċċ.) fil-ħwienet, fil-fabbriki, biex tkellem in-nies fuq Alla u fuq il-kruha tad-dagħa. Sa minn żmien qadim ħafna, insibu li fil-knisja Dumnikana tal-Madonna tal-Portu Salvu fil-belt Valletta kienet imwaqqfa l-Konfraternita tal-Isem Imqaddes ta' Ġesù.

*The Holy Name Society has been in existence since the Council of Lyons in 1274. In Malta it was introduced by Fr. Geraldo Paris O.P. in November 1928 and is now established in nearly all the parishes of Malta and Gozo. The Society each year organizes a National Congress, days of reparation in the various parishes, and retreats every three months for its members; it also publishes various books, prints, stickers, slogans, etc.*

*The Society organises meetings in clubs, bars and factories to teach people to respect the name of God and avoid cursing and blasphemy. Since ancient times, we find indications that a Confraternity of the Sacred Name of Jesus was founded in the Dominican Church of Our Lady of Porto Salvo.*

## ŻĠHAŻAĠH HADDIEMA U STUDENTI NSARA

### *Young Christian Workers and Students*

Iż-Żgħażaġh Haddiema Nsara huwa Moviment ta' haddiema u studenti lajċi organizzati sabiex jagħtu xhieda ta' Kristu fost shabhom haddiema u jaħdmu flimkien mal-Ġerarkija tal-Knisja. L-iskop tax-xhieda konkreta hi sabiex il-membri jiksbu għalihom u għal shabhom ħajja ħielsa li tixraq id-dinjità tal-bniedem kif irid Kristu. Permezz tar-reviżjoni tal-ħajja li ssir fil-grupp, il-membri jaħdmu sabiex isibu tifsira sħiħa ta' ħajjithom. B'hekk ma jispicċawx biex isiru ġugarell f'idejn xi ħadd, biex jiġu sfruttati għal xi skop kummerċjali, politiku, eċċ. Fir-reviżjoni tal-ħajja l-haddiema u l-istudenti żgħażaġh jiġu edukati sabiex bil-mod il-mod jerfġu r-responsabbiltà tagħhom għas-sejha ta' soluzzjonijiet ġusti u xierqa għall-problemi li jiltaqġu magħhom f'ħajjithom. Dan jgħodd għal kull livell; lokali, nazzjonali u internazzjonali. Hu għalhekk li l-Moviment jagħmel parti minn Moviment Internazzjonali li hu mxxerred mad-dinja kollha. Fil-qosor, il-metodu u l-istil li bihom il-Moviment jaħdem huma li:

a. JEDUKA liż-żgħażaġh haddiema u studenti (kif ukoll dawk li qed ifittxu x-xogħol), biex b'mod responsabbli jgħixu l-ħajja soċjali, kulturali u reliġjuża tagħhom. B'dan il-mod jaslu biex jerfġu aħjar ir-responsabbiltajiet tal-ħajja.

Il-Moviment dan ix-xogħol iwettqu prinċipalment bil-metodu ARA-QIS-AGĦMEL.

b. JAQDI liż-żgħażaġh ħaddiema u studenti b'servizzi utli għalihom.

c. JIRRAPPREŻENTA liż-żgħażaġh ħaddiema u studenti quddiem il-Gvern, il-partikular, l-Għaqdiet u Istituzzjonijiet lokali, nazzjonali u internazzjonali.

*The Young Christian Workers and students are an organised movement of lay people whose aim is to witness Christ among their fellow workers and work hand in hand with the Hierarchy. The aim of their witness is to obtain for themselves and their fellow workers that freedom which is worthy of man's dignity as willed by Christ.*

*Through group activities young workers are trained to give a meaning to their lives and to find responsible and just solutions to their problems, at local, national and international levels.*

*Briefly the Movement aims at:*

- 1. training young workers and students or youths in search of work to live responsibly their social, cultural and religious life mainly through the method of SEE, JUDGE and ACT;*
- 2. helping young workers and students by providing useful services;*
- 3. representing young workers and students at local, national and international levels.*

*The Augustinian Institute was founded back in 1983 as the response on the part of the Maltese Augustinian Province to the Prior General’s desire to promote the study of Augustine and his teachings*

throughout the world where Augustinians serve the faithful. The results of the efforts to respond to this desire were reaped very quickly when the late Reverend Professor Edward Fenech OSA and an equipe of Augustinians met to set up an Institute and devise a series of public lectures which were very well attended. The Institute was housed at the Augustinian Monastery in Valletta.

In 1992, the Reverend Professor Salvino Caruana OSA was asked to assume the direction of this institution. The institute was moved to a more accessible and spacious environment in Pietà. Very soon other important achievements were reaped, especially with regards to the healing of some rather strained relations with the University of Malta and the Local Hierarchy.

Three Rectors of the University, and two Archbishops, subsequently accepted invitations to address topics on specific aspects of politics and church life, distributed certificates of attendance, or else were often present for the Annual Augustine Lecture at the University of Malta. Besides setting many minds at rest, this situation also resulted in an opportunity for enhancing the influence, operation and recognition, of the sterling work being done, as well as the success being reaped at the Institute.

Several deans, heads of department from various faculties at the State University of Malta, accepted to deliver lectures at the Institute. Besides, a number of students from various faculties were also encouraged to follow study-units in theology and philosophy offered at the Institute. At the end of each academic year, the Augustinian Institute awards a Certificate of Attendance to participants.

At present, the academic year consists of four study-units. The first and major study-unit is the **Augustine For All** series of lectures from September to December. The second study comprises the two lectures in the **Annual Saint Augustine Lecture**, one held at the University of Malta, and the other at the Institute. A scholar of international repute in Augustinian studies and research is invited to deliver the Annual Lecture. The third aspect of the annual curriculum is the **Lectio Augustinini**.

The **Lectio** consists of eight sessions of two hours each, from January to March of the academic year, during which a specific text of Augustine related to the over-arching topic of the current academic year is read and analyzed. The fourth and final aspect of the curriculum is the two-year course in the **Philosophy For All** series of lectures. The four semesters of the study-unit consist in ten lectures for each semester on ancient philosophy, Neoplatonism, Christian Neoplatonism and the philosophy of Augustine of Hippo's *Cassiciacum Philosophical Dialogues* of 386/386).

## ISTITUT HAJJA KKONSAGRATA (IHK)

*Institute for Consecrated Life*

3, Triq Hal Tartarni, ir-Rabat, RBT 2523, Malta  
Tel- 2145 1174

L-Istitut Hajja Konsagrata (IHK) huwa Istitut imwaqqaf mill-Kunsill tas-Superjuri Maġġuri (KSMR), biex jiehu hsieb il-formazzjoni shiha tal-persuni kkonsagrati. Huwa mqassam f'żewġ sezzjonijiet prinċipali: dik responsabbli mill-Formazzjoni Inizjali, kif ukoll minn dik responsabbli mill-Formazzjoni Permanenti. L-IHK kellu l-bidu tiegħu bhala INSERM Istitutum Nazionale Studiorum Ecclesiasticorum Religiosorum Melitensium, li twaqqaf b'Digriet tal-Kongregazzjoni għall-Edukazzjoni Kattolika fis-26 ta' Awwissu 1968. Dan l-Istitut offra l-formazzjoni akkademika kollha u l-preparazzjoni meħtieġa lill-kandidati reliġjużi bi preparazzjoni għas-saċerdozju.

Fis-16 ta' Settembru 1978 kien hemm il-ħtieġa li dan l-Istitut jingħaqad mal-Fakultà tat-Teoloġija li dak iż-żmien kellha s-sede tagħha fis-Seminarju, tal-Virtù, ir-Rabat. Dan baqa' hekk sakemm fl-1988 sar ftehim bejn il-Gvern u s-Santa Sede biex il-Fakultà tat-Teoloġija tirritorna fl-Università ta' Malta.

Mill-ġdid, is-Superjuri Maġġuri hassew il-ħtieġa ta' Istitut għall-formazzjoni reliġjuża. Fl-1992 twaqqaf iċ-ĊIR, Ċentru Istitut Reliġjużi, biex joffri formazzjoni Inizjali u Permanenti lir-Reliġjużi rġiel u nisa f'Malta u Għawdex. Dan ġie assorbit fl-INSERM, Istitut uffiċjalment magħruf mis-Santa Sede, mill-Knisja f'Malta, mill-Gvern u mill-Università ta' Malta.

Minhabba realtà dejjem tinbidel ta' forom ġodda ta' għajxien ta' Hajja Kkonsagrata, u minhabba talbiet minn persuni kkonsagrati, li mhumiex reliġjużi, biex jibbenefikaw mill-formazzjoni pprovduta, l-2013 rat il-bidu tal-Istitut tal-Hajja Kkonsagrata, IHK. Dan huwa iżjed inklussiv għar-realtà preżenti. L-għan ewlieni dejjem baqa' l-istess: Formazzjoni Inizjali u Permanenti għall-persuni kkonsagrati.

*The IHK is an Institute established by The Council of Major Superiors (KSMR) as an aid to the holistic formation of Consecrated Persons. Its set up has two main sections, one to follow candidates in Initial Formation and the other to provide help in the Ongoing Formation process of Consecrated Persons. IHK has gone through several phases which caused several adaptations. It started as INSERM, Istitutum Nazionale Studiorum Ecclesiasticorum Religiosorum Melitensium established through a Decree issued on 26th August 1968 by the Congregation for Catholic Education. The Institute offered academic and all the necessary formation to the religious candidates preparing themselves for the priesthood.*

*On 16th September 1978, INSERM had to be united with the Faculty of Theology which at that time had its seat at the Archbishop's Seminary, tal-Virtù, Rabat. This lasted up to 1988 when the Holy See and the Government*

of Malta reached an agreement by which the Faculty of Theology returned to the University of Malta.

Once more the Major Superiors felt the need of an Institute responsible for the formation of Religious. In 1992 they established the CIR, Ċentru Istituti Reliġjużi, as an aid to the Initial and Ongoing Formation of male and female Religious in Malta and Gozo. This was incorporated in INSERM, an Institute officially approved by the Holy See and recognised by the Archdiocese of Malta, the State and the University of Malta.

Owing to a reality ever changing with new forms of Consecrated Life, and after the request by Consecrated persons who are not religious to benefit from the formation offered, a new adaptation was felt. The year 2013 saw the beginning of IHK, Istitut ta' Hajja Kkonsagrata. This Institute is more inclusive to the reality of today's Consecrated Life. The core aim of IHK always remained constant: the Initial and Ongoing formation of Consecrated Persons.

## AGOSTINJANI (O.S.A.)

L-Agostinjani kienu f'Malta qabel is-sena 1413. Wara li l-kunvent tagħhom mibni barra s-swar tal-Imdina kien meqrud fis-sena 1551 minħabba l-biża' mit-Torok, il-patrijiet fl-1555 ngħataw, mill-Katidral, il-kappella ta' San Mark fuq is-Saqqajja biex flokha jibnu knisja ġdida u kunvent. Il-knisja ġdida hi tal-arkitett Glormu Cassar u l-kunvent tal-lum hu tal-Perit Andrea Belli. Qabel is-sena 1453, l-Agostinjani diġà kellhom kunvent fir-Rabat, Għawdex, fejn għadhom sal-lum. Fl-1571 beda jinbena l-kunvent tal-Belt Valletta u wara li saru Provinċja għalihom fl-1817, l-Agostinjani Maltin fetħu kunventi fuq il-bajja ta' San Gorg f'San Ġiljan (1928), f'Paceville (1936) u f'Hal Tarxien (1948).

Għal xi żmien kienu wkoll jamministraw is-Santwarju tal-Mellieħa u kellhom kunvent ieħor f'tal-Pietà, hdejn il-kappella tad-Duluri. Fl-1848 fetħu skola b'xejn fil-Belt li llum hi l-Kulleġġ Santu Wistin, tal-Pietà, u dan l-aħħar dik Primarja fil-Marsa. Fis-sena 2017 il-Provinċja se tkun tiċċelebra l-bi-ċentinarju mit-twaqqif tagħha.

*The Augustinians came to Malta before 1413. Their Friary and church, built outside the walls of Mdina, having been destroyed in 1551 for fear of the Turks, were rebuilt in 1555 on a piece of land near the chapel of St. Mark on the Saqqajja given to them by the Cathedral Chapter. The new church was built by Gerolamo Cassar, and Andrea Belli made the plans of the new Friary. Before the year 1453, the Augustinians were already in Victoria in Gozo. The building of the Valletta Priory started in 1571; after the Maltese Augustinians became a separate province of the Order in 1817. Friaries were founded at St. George's Bay in St. Julian's in 1928, in Paceville in 1936 and in Tarxien in 1948.*

*For a short time, the Augustinians administered the Sanctuary of Our Lady of Mellieħa and had a Friary at Pietà, adjoining the church of Our Lady of Sorrows. In 1848, they founded a Free School at Valletta; this has developed into the St. Augustine College at Pietà, and lately the Primary School at Marsa. In 2017 the Province will celebrate its bi-centenary.*

## DUMNIKANI (O.P.)

L-ewwel Kunvent tad-Dumnikani f'Malta twaqqaf madwar is-sena 1450, qrib ghar fir-Rabat fejn, kif jinghad, il-Madonna kienet dehret lil wiehed kaċċatur; għalhekk il-Kunvent imsemmi beda jissejjah u għadu magħruf sal-lum bl-isem ta' Kunvent tal-Madonna tal-Għar. Fl-1528 id-Dumnikani fetħu l-Kunvent tal-Lunzjata fil-Birgu; u fl-1569 fetħu l-Kunvent tal-Portu Salvu fil-Belt, Valletta, li kienet għadha kemm bdiet tinbena. Fl-1838 dawn it-tliet Kunventi nfrdu mill-Provinċja ta' Sqallija u twaqqfu bħala Provinċja ta' San Piju V. Aktar tard imbagħad ždiedu żewġ Kunventi oħra: fl-1909 il-Kunvent ta' Ġesu' Nazzarenu f'Tas-Sliema; fl-1945 dak tal-Madonna tar-Rużarju ta' Fatima fi Gwardamanga; fl-1948 Flores College, il-Belt, għadda f'idejn id-Dumnikani li tawh l-isem ta' St. Albert the Great College.

*The first Dominican Priory was established in Malta in 1450 near a grotto on the outskirts of Rabat where according to tradition the Virgin Mary had appeared to a bird hunter; for this reason the priory is known as the Priory of Our Lady of the Grotto. In 1528 the Dominicans established another priory in Vittoriosa and in 1569 they built their priory in Valletta. In 1838 these three priories became a separate province of the Dominican Order; later on, three other priories were founded: in Sliema in 1909, in Gwardamanga in 1945; in Valletta in 1948 the old Flores College was taken over by the Order and became the St. Albert the Great College.*

## AHWA MINURI KAPUĊĊINI (OFMCap)

Il-Frangiskani Kapuċċini ġew Malta fl-1588/89 u l-ewwel kunvent tagħhom ġie mibni mill-Gran Mastru Ugo Loubens de Verdalle barra mis-swar tal-Belt Valletta (illum Floriana). Madwar mija u hamsin sena wara fetħu żewġ kunventi oħra: dak ta' barra l-belt Vittoriosa (illum Kalkara) u dak fir-Rabat, Għawdex. B'hekk fl-1740 huma saru Kustodja awtonoma u mbagħad fl-1840 saru Provinċja, b'responsabbiltà wkoll tal-Prefettura ta' Tuneż. Fi żmien aktar riċenti žiedu hames kunventi oħra, tnejn fil-Marsa fl-1912 u fl-1961, wieħed ix-Xemxija fl-1935, iehor f'San Ġwann fl-1940 u l-aħħar wieħed f'Għajn Dwieli, Paola, fl-1953. Huma hadmu wkoll fl-Indja, fejn l-ewwel missjunarji tagħhom marru fl-1923 u baqgħu sal-1979. Hemm waqqfu d-Djoċesi ta' Jhansi, u għal 10 snin hadmu fl-Arċidjoċesi ta' Bhopal. Mill-1974 huma hadmu fil-missjoni ta' Garissa fil-Kenja, sakemm fl-1984 din saret Djoċesi. Fis-sena 2000 twaqqfet id-Djoċesi ġdida ta' Malindi, li nqatgħet mid-Djoċesi ta' Garissa u ta' Mombasa. Minbarra l-hidma pastorali tagħhom f'Malta, huma għandhom tliet parroċċi. Huma joffru wkoll l-assistenza spiritwali fl-isptarijiet, fil-habs, mal-Korp tal-Pulizija, u fil-Fundazzjoni 'Suret il-Bniedem' li toffri kenn għal dawk bla dar.

*The Franciscan Capuchins came to Malta in 1588/89 and their first Friary was built by Grand Master Hugh Loubens de Verdalle outside the city walls of Valletta (Floriana). About one hundred and fifty years later they built two more Friaries: one outside Vittoriosa (Kalkara) and another in Rabat, Gozo. Thus, they became an autonomous Custody in 1740 and then became a Province in 1840, with the added responsibility of a Prefecture in Tunis. During the last century they founded five more Friaries: two in Marsa in 1912 and 1961, one in Xemxija in 1935, another in San Ġwann in 1940, and the latest one in Għajn Dwieli, Paola, in 1953. They also undertook apostolic work in India, where their first missionaries went in 1923 and stayed till 1979 and in the process they founded the Diocese of Jhansi and also helped for 10 years in the Archdiocese of Bhopal. Since 1974 they have been engaged in missionary work in Garissa, Kenya, which became a Diocese in 1984. In the year 2000, a new Diocese of Malindi was established and separated from the Diocese of Garissa and Mombasa. Besides their pastoral work in Malta, they run three parishes and offer their spiritual assistance in hospitals, the prison, to the Police and 'Suret il-Bniedem' Foundation for the homeless.*

**FRANĠISKANI MINURI (O.F.M.)**  
([www.ofm.org.mt](http://www.ofm.org.mt))

Il-Frangiskani Minuri ġew Malta fl-1492 u l-ewwel kunvent tagħhom kien ir-Rabat (1494). Fl-1575 bnew dak tal-Belt, imbagħad dak ta' Tas-Sliema fl-1882, u dak ta' Għawdex fl-1899. Wara li saru provinċja għalihom fl-1914 fetħu kunvent il-Hamrun fl-1947, tnejn f' Baħar iċ-Ċagħaq, wieħed fl-1958 u l-iehor fl-1995.

*The Friars Minor arrived in Malta in 1492 and they opened their first Friary in Rabat in 1494. In 1575, they built the Valletta Friary, in 1882 that in Sliema, and in 1899 that in Gozo. The Friars Minor in Malta became a separate Province in 1914, and since then they have established other Friaries, one in Hamrun in 1947 two at Baħar iċ-Ċagħaq, one in 1958 and the other in 1995.*

## ĠIZWITI (S.J.)

Il-Ġizwiti l-ewwel li ġew Malta kien fl-1592, mibgħutin mill-Papa stess biex jifflu Kullegġ tal-istudji li bħal kullegġi oħra b'awtorità pontifiċja kellu s-setgħa jaġhti gradi akkademici. Wara li l-Ġizwiti tkeċċew mill-Granmastru Pinto fl-1768, il-Kulleġġ sar l-Università Ċivili li bil-mod żviluppat fl-Università ta' Malta. Il-Ġizwiti reġġu ġew Malta fl-1845, mibgħutin din id-darba wkoll mill-Papa biex jifflu kullegġ il-Belt Valletta, iżda l-ħsieb ma rnexxiex. Fl-1860 ġew hafna Ġizwiti Taljani, imkeċċijin minn Palermo, u fl-1866 l-isqof ta' Ghawdex f'dalhom f'idejhom is-Seminarju. Fl-1877 il-Ġizwiti Inġliżi fethu kullegġ f'San Ġiljan, iżda dan għalaq fl-1907. Dik is-sena stess il-Ġizwiti Sqallin hallew is-Seminarju ta' Ghawdex u fethu – b'ordni tal-Papa San Piju X – il-Kulleġġ ta' San Alwigi f'Birkirkara. Fl-1924 bdew jieħdu ħsieb il-Knisja u d-Dar ta' Sarria.

Mill-1945 'il hawn il-Ġizwiti bnew novizzjat fin-Naxxar, dar ta' l-irtiri fil-Mosta u fethu residenzi fl-Isla, il-Belt Valletta, l-Imsida u ż-Żejtun, waqt li nġhatat f'idejhom Dar Manresa, ir-Rabat, Ghawdex, biex jieħdu ħsiebha bhala dar tal-irtiri. Fiż-Żejtun huma jmexxu wkoll l-Istitut Paulo Freire, inawgurat fl-1999, waqt li f'Tas-Sliema għadhom jieħdu ħsieb il-Knisja ta' Sant'Injazju – li kienet tifforma parti mill-kulleġġ l-antik f'San Ġiljan. L-oqsma ewlenija ta' l-appostolat tal-Kumpanija ta' Ġesù f'Malta huma l-appostolat intellettuali u Universitarju, l-edukazzjoni sekondarja, l-ispiritwalità Injazjana, l-appostolat soċjali, Il-Pastorali tal-Vokazzjonijiet, l-Appostolat maż-żgħażaġh u il-Lajci u l-Kollaboraturi.

*The Jesuits came to Malta in 1592 at the request of the Pope to open a college in Malta with the right of conferring academic degrees. When Grand Master Pinto suppressed the Jesuits in Malta, in 1768, their college became the University of Malta. The Jesuits again returned to Malta at the request of the Pope in 1845 and tried unsuccessfully to open a college in Valletta. In 1860 several Italian Jesuits, expelled from Palermo, came to Malta and in 1866 the bishop of Gozo committed his Seminary in their care. In 1877 the English Jesuits opened a college at St. Julians, but this college was closed in 1907. That same year, the Sicilian Jesuits left the Gozo Seminary and by order of Pope St. Pius X opened St. Aloysius' College at Birkirkara. In 1924 they took charge of the house and church at Sarria. Since 1945, the Jesuits have opened a novitiate in Naxxar, a retreat house in Mosta, and residences in Senglea, Valletta, Msida, and Żejtun, while they were also entrusted with the running of Manresa House, Victoria, as a retreat house in Gozo. In 1999 the Jesuits set up the Paulo Freire Institute, in Żejtun, whereas in Sliema they still look after the Church of St. Ignatius, which once formed part of the old college in St. Julian's. The contemporary apostolic priorities of the Society of Jesus in Malta are the intellectual ministry and the university, educational ministry, Ignatian spirituality, the Faith-Justice Centre, the social apostolate, the vocation pastoral ministry, the youth ministry and the laity and collaborators.*

## KARMELITANI

Il-Karmelitani ġew Malta minn Sqallija madwar is-sena 1418. L-ewwel knisja u kunvent kienu magħrufa bħala “l-Lunzjata” u jinsabu fil-limiti tar-Rabat u llum qed jintużaw għall-Irtiri. Fl-1659 il-komunità tal-Lunzjata trasferiet ruħha fl-Imdina. Sadanittant, fl-1570 kien infetaħ il-kunvent tal-Belt.

Aktar tard fethu kunventi f’San Ġiljan (1892), f’Santa Venera (1912), li maġenbu fl-1970 fethu l-Mt Carmel College (illum St Elias College), fil-Fgura (1945), fi Fleur-de-Lys (1948) u iehor f’Santa Venera (1980). Sa mill-1965 il-Karmelitani Maltin jinsabu jaħdmu fil-Bolivja. Xi reliġjużi oħrajn qed jagħtu s-servizz tagħhom fl-Italja, fil-Perù u fl-Istati Uniti tal-Amerika.

*The Carmelites arrived in Malta from Sicily in 1418 or thereabouts. Their first church and priory were in the countryside known as “l-Lunzjata”, limits of Rabat. Today they are being used as a centre for spiritual activities. In 1659, the priory was transferred to Mdina. Meanwhile, in 1570 another priory was settled in Valletta.*

*Later, more priories were opened in St Julian’s (1892), Santa Venera (1912), where adjacent to it in 1970 was inaugurated Mt Carmel College (known today as St Elias College), in Fgura (1945), Fleur-de-Lys (1948) and another priory in Santa Venera (1980). Since 1965, the Maltese Carmelites have been engaged in Bolivia. Others are working in Italy, Perù and United States of America.*

## **SALESJANI TA' DON BOSCO (S.D.B.)**

Is-Salesjani ġew Malta fl-1903 u fethu dar għat-tfal iltiema u fil-bżonn, St Patrick's School. Magħha bnew knisja li tintuża mill-pubbliku. Hames snin wara bnew l-Oratorju ta' tas-Sliema, u mill-1910 sal-1914 kellhom f'idejhom l-Oratorju ta' Birkirkara li kien għadu kif ġie mibni għalihom. Għal xi sbatax-il sena mexxew l-Oratorju Dun Bosco mibni għalihom f'Għawdex minn Dun Pawl Micallef fl-1947. Mal-Oratorju ta' tas-Sliema, is-Salesjani kellhom ukoll l-iskola San Alfons għall-vokazzjonijiet li llum żviluppat u saret is-Savio College f'Had-Dingli, fejn għandhom ukoll Oratorju Salesjan għall-kbar u għaž-żgħar. Fil-komunità ta' Had-Dingli s-Salesjani għandhom ukoll l-Aspiranti u l-Pre-Novizzi tagħhom u issa għandhom ukoll Dar ta' l-irtiri għaž-żgħažgħ. Fl-1989 is-Salesjani fethu dar f'Tas-Sliema biex jilqgħu żgħažgħ bla dar, u hanut tal-kotba f'Tas-Sliema.

*The Salesians came to Malta in 1903 establishing Saint Patrick's School for orphans and needy boys, and a church open to the public, adjoining the school. Five years later they opened an Oratory in Sliema, and between 1910 to 1914 they also ran the Oratory in Birkirkara; for about seventeen years they were also responsible for the running of the Gozo Oratory, founded by Rev Paul Micallef. The Salesians also opened a school to cater for vocations; this school today is Savio College at Dingli. Here, besides an Oratory, the Salesians also have a house for aspirants and pre-novices and lately also a Retreat house for youths. In 1989 the Salesians opened a hostel for homeless youths and a bookshop in Sliema.*

## SORIJJET TAL-KLAWSURA

### MONASTERU SANTA KATERINA

Sorijiet Agostinjani

Triq ir-Repubblika, il-Belt VLT 1116 – Tel. 2122 1154

Fl-1580 għadd ta' xebbiet kienu jgħixu flimkien fil-palazz tal-Markizi Giovanni u Katerina Vasco Oliviero, fil-Belt, u kienu jiehdu hsieb it-tfal biex ibegħduhom mill-perikli tad-dinja. Huma sejhu l-Għaqda tagħhom 'Orfani della Misericordia'. Fl-1606 iddeċidew li jgħixu bhala sorijiet klawstrali. Din il-ħaġa għogbot lill-Markizi li, fl-1611, hallew lhom għidhom kollu biex il-palazz isir monasteru. Il-Papa Piju IX għarafhom bhala sorijiet Agostinjani fl-1849 u fit-3 ta' Settembru 1851, 16-il soru għamlu l-Professjoni tagħhom. Fl-1946 ġew uffiċjalment magħrufa bhala membri tat-Tieni Ordni Agostinjan.

*In 1580 a number of young women were living together as a community in the palace of the Marquis Giovanni and Katerina Vasco Oliviero at Valletta. They gathered children in the area with the aim of sheltering them from the evils of the world. They called themselves "Orfani della Misericordia". In 1606 they decided to change their place of residence into a monastery. The Marquis welcomed the idea and left all his possessions to the community so that his palace could be transformed into a monastery. Pope Pius IX recognised the community as a community of Augustinian nuns in 1849, and on the 3rd September, 1851, 16 nuns made their first Profession. Since 1946 they have been officially recognised as members of the Second Order of Saint Augustine.*

Fl-1496 l-Isqof Valguarnera fl-Imdina f'bini li sa f'it qabel kien is-sinagoga tal-Lhud (li tkeċċew minn Malta fl-1492) waqqaf monasteru ta' sorijiet benedittini biex jgħixu hajja iebsa ta' ċahda u penitenza. L-Isqof Royas ried li dawn il-benedittini tal-abbatija nuova jingħaqdu ma' dawk tal-monasteru ta' San Pietru, iżda mbagħad l-Isqof Gargallo reġa' fired iż-żewġ komunitajiet minn xulxin. Fl-1604 il-komunità tal-abbatia nuova marret il-Birgu, f'dak li kien il-monasteru tas-sorijiet ta' Sant'Ursula qabel marru l-Belt. Fl-1652 is-sorijiet benedittini ħadu bhala monasteru tagħhom l-infirmerija li kellhom l-Ordni qabel inbniet il-Belt, u għadhom hemm sal-lum.

*Bishop Valguarnera founded a Benedictine monastery in the synagogue the Jews had at Mdina before they were expelled from Malta in 1492. The monastery was known as abbatia nuova. Bishop Royas wanted the sisters of the abbatia nuova to live with the sisters of St. Peter's Monastery, but Bishop Gargallo restored the two communities. The abbatia nuova went to Vittoriosa in 1604 in the building the nuns of St. Ursula had left there when they went to their new monastery in Valletta. In 1652 the Benedictine nuns took over the old infirmary of the Order as their monastery.*

*St. Margaret's Convent in Cospicua was founded on the 9th of November, 1726, initially as a home for destitute girls, known as the "Konservatorju ta' Gesù u Marija". Its founders were two priests and a young woman by the name of Maria Maddalena Purselli (who later became the first nun). As from the 3rd October, 1731, the home started to house the Third Order of the Discalced Carmelites. Eight years later, on the 12th September 1739, the Holy See issued its approval for it to start functioning as a Convent for enclosed Discalced Carmelite Nuns. ## **SORIJIET TAL-BON PASTUR**

Is-sorijiet tal-Bon Pastur ġew Malta meta kienet għadha hajja l-fundatrici tagħhom S. Ewfrasja Pelletier fl-1858. Għall-ewwel kellhom skola f'Hal Lija, iżda meta mbagħad marru f'Hal Balzan, fl-1868, ma żammewx l-iskola imma ntefghu kollhom kemm huma f' hidma ta' ħniena u għajnuna ma' xebbiet u ommijiet imġarrbin, hidma li diġà kienu bdew jagħmlu Hal-Lija. Illum għandhom żewġ idjar u l-kunvent f'Hal-Balzan u dar fil-Mosta. Fid-djar f'Hal-Balzan isibu kenn in-nisa msawta u wliedhom, kif ukoll refuġjati, uħud minnhom bil-familja.

*The Good Shepherd Sisters came to Malta when their foundress Saint Euphrasia Pelletier was still living. The Sisters first opened a school at Lija but in 1868 they moved to Balzan and dedicated all their activities to young women in need of help, an activity which they had already started at Lija. Today the sisters have two homes and a convent in Balzan, and a home in Mosta. In Balzan the homes give refuge to battered wives and their children, and also refugee men, some of whom have thier families with them.*

## SORIJET TAL-KARITÀ TA' S. GIOVANNA ANTIDA THOURET *Sisters of Charity of St Joan Antida Thouret*

Is-Sorijiet tal-Karità ta' Santa Giovanna Antida Thouret waslu f' Malta fl-1868 u minn dik is-sena stess fdawlhom f' idejhom l-orfanatrofju tal-Gvern, li dak iż-żmien kien il-Belt. Fdawlhom ukoll tliet skejjel żgħar tal-Gvern, fil-Baħrija, l-Imtaħleb u f' Birżebbuġa. Ftit wara bdew jieħdu hsieb l-Istitut ta' Cini, l-Istitut Vincenzo Bugeja u l-Konservatorju tal-Isqof f' Ghawdex. Fl-1902 fetħu skola f' Hal Tarxien u mbagħad skejjel oħrajn f' San Ġiljan, f' Birżebbuġa u fil-Gudja. Izda l-aqwa hidma tagħhom hi fl-isptarijiet: malli waslu Malta bdew jaħdmu fl-Isptar Ċentrali, u fl-ospizju ta' H' Attard. Aktar tard fdawlhom l-isptarijiet l-oħra u d-djar tax-xjuħ tal-Gvern. Fil-Kappella tal-Isptar Ċentrali kien sar wieħed mill-mirakli li ġew aċċettati għall-kanonizzazzjoni ta' Santa Giovanna Antida.

“Alla biss” – dan huwa l-motto li l-fundatriċi tas-Sorijiet tal-Karità, Santa Giovanna Antida Thouret, ħalliet lis-sorijiet tagħha. Mill-1799 sal-lum, is-Sorijiet tal-Karità f' Malta u f' 27 pajjiż ieħor fid-dinja, dejjem żammew dan il-motto bħala kriterju ta' għażla fil-ħajja spiritwali, komunitarja u ta' apostolat tagħhom. Il-kariżma tagħhom hija li jservu lill-fqar, u għalhekk jinsabu fl-isptarijiet, fis-servizzi soċjali, fl-iskejjel, fil-ħabsijiet, mad-drogati, fil-missjonijiet u ma' persuni vulnerabbli ta' kull età, ta' kull kulur jew kultura. Dan wassal lil mijiet minnhom jgħixu ħajja eżemplari u qaddisa, l-ewwel fosthom il-fundatriċi, Santa Giovanna Antida Thouret, li ġiet kanonizzata fl-1934, Santa Agostina Pietrantonio (1999), Beata Sr. Nemesia Valle (2004), u Beata Sr. Enrichetta Alfieri (2011).

*The Sisters of Charity of Saint Jeanne Antide Thouret came to Malta in 1868 and that same year the running of the Government Orphanage at Valletta was entrusted to their care. The Government also entrusted to them the running of three small schools in Baħrija, Imtaħleb and Birżebbuġa. Soon after, they were invited to run the Cini Institute, the Vincenzo Bugeja Institute and the Gozo Conservatory. In 1902 they opened a school at Tarxien and later on other schools at St Julian's, Birżebbuġa and Gudja. But their principal activity in Malta has always been the care of the sick and the infirm and one meets them even today in all Government hospitals and homes for the elderly. One of the miracles which led to the canonization of St Jeanne Antide took place at the Central Hospital in Floriana.*

*“God Alone” is the motto which the Foundress St Jeanne Antide Thouret left to her sisters. From 1799 till the present day the Sisters of Charity in Malta and in the other 27 countries in the world have kept this motto as a criteria for discernment in their spiritual, community and apostolic life. Their charism is service to the poor and so they give their service in hospitals, social services, in schools, in prisons, with drug addicts, in the missions and*

*with all sorts of vulnerable persons of every age, colour and culture. As a consequence many sisters lead a holy and exemplary life, first among them is the foundress St Jeanne Antide who was canonized in 1934, St Agostina Pietrantoni (1999), Blessed Nemesia Valle (2004) and Blessed Enrichetta Alfieri (2011).*

## SOCIETY OF THE SACRED HEART

Is-Sorijiet tas-Sacred Heart ġew Malta fl-1903, wara li l-Gvern Franciż ta' dak iż-żmien ikkonfiskalhom il-kunventi u l-iskejjes li kellhom. Ġew seba' sorijiet minn hames pajjiżi differenti, u laqgħuhom għandhom is-sorijiet tal-Blue Sisters. Imbagħad marru joqogħdu f'Villa Portelli, Tas-Sliema, fejn f'Ottubru tal-istess sena fetħu skola u r-Rosary School. Erba' snin wara marru f'bini ġdid f'San Ġiljan.

Fis-sena 1944 bdew it-“Training College” għall-għalliema nisa f'San Ġiljan. Dan fis-sena 1954 infetħa bhala l-Mater Admirabilis College f'Tal-Virtù. Meta dan kellu jagħlaq, il-bini, xi sena wara laqa' fih is-Seminarju. Illum is-sorijiet għandhom tliet komunitajiet f'Malta.

*The Society of the Sacred Heart established itself in Malta when, in 1903, its schools and convents were confiscated by the French Government. Seven sisters of five different nationalities came to Malta at that time and the Blue Sisters welcomed them in their home. Later on they established themselves in Villa Portelli, in Sliema, where in October of that year they opened their school and the Rosary School; four years later they moved to their new school in St. Julian's.*

*In 1944 they started a training college for female teachers at St. Julian's. In 1954 the College moved to Tal-Virtù Mater Admirabilis Training College. When the Government stopped sending teachers for training at the College, it was closed and later the building was taken over by the Seminary. The Society has three houses in Malta.*

## SORIJJET ULIED MARIJA GHAJNUNA TAL-INSARA

*Sorijiet Salesjani ta' Dun Bosco*

Is-Sorijiet Salesjani bdew fil-qalb u fil-moħħ ta' San Ġwann Bosco u l-fedeltà kreattiva li biha l-Ko-Fundatrici, Santa Marija Duminka Mazzarello u s-sorijiet tagħha, għamlu tagħhom il-proġett li Don Bosco kellu f' moħħu. F' moħħ il-Qaddis, fil-fatt, huma kellhom jissejġu "Uljed Marija, Għajnuna tal-Insara" u jkunu monument ħaj tal-gratitudni tiegħu lejn il-Madonna. Is-Sorijiet jiddedikaw ħajjithom biex jeducaw lit-tfal u ż-żgħażaġ ta' kull età, jaqdu lill-fqar u jgħinu lil nisa li jkunu fil-periklu.

Din il-Kongregazzjoni, li bħalissa għandha mal-14,000 soru, tinsab imxerrda mad-dinja kollha u hija t-tieni l-akbar Kongregazzjoni ta' Reliġjużi Nisa fil-Knisja.

Is-Sorijiet waslu f'Għawdex fl-1963 u ftit wara fetħu l-iskola Primarja "Laura Vicuna", fl-Għasri. Fit-8 ta' Settembru, 2011, is-Sorijiet fetħu Dar oħra f'Tas-Sliema biex jgħinu lill-Patrijiet Sależjani fil-missjoni edukattiva tagħhom.

*The Salesian Sisters have their origin in the heart and mind of St John Bosco and in the creative fidelity with which their co-Foundress, St Mary Domenica Mazzarello and her Sisters assumed the project he intended, that of being called "Daughters of Mary Help of Christians", a living monument of his gratitude to the Madonna. They are known for their dedication and commitment to educating youth of all ages, serving the poor, and assisting women at risk.*

*The Congregation, which numbers nearly 14,000 world-wide, is the 2nd largest Community of Religious Women in the World. In 1963 they arrived in Victoria, Gozo, and soon after they established the “Laura Vicuna” Primary School in Ghasri. On the 8th September, 2011, the Sisters opened a new home in Sliema in order to collaborate in the educative pastoral mission of the Male Salesians.*

## ULIED TAL-QALB TA' ĠESÙ

Il-Kongregazzjoni tas-Sorijiet “Uljed il-Qalb ta’ Ġesù” giet imwaqqfa mill-Qaddejja t’Alla Madre M. Teresa Nuzzo fl-1903. Flimkien ma’ xebbiet oħrajn kienet tgħallem fi skola li kienet tmexxi hija stess. Huma kienu jgħallmu wkoll il-katekiżmu f’xi parroċi. Dan kien wiehed mill-ghanijiet prinċipali tal-Fundatrici, li tgħaddi edukazzjoni nisranija mibnija fuq l-imħabba u l-verità, partikolarment lit-tfal.

Illum is-sorijiet għandhom skejjel tal-Kindergarten fil-Ħamrun u Skola Primarja fil-Marsa. Huma attivi hafna fit-tagħlim tal-katekiżmu; iżommu dar tat-tfal fiż-Żurrieq u *Childcare Centre* għat-tfal fiż-Żejtun u iehor fil-Mellieħa. Huma jagħtu wkoll servizz pastorali fil-parroċi fejn qegħdin.

Is-sorijiet infirxu wkoll barra minn Malta. Għandhom djar f’Ruma u fl-Istati Uniti tal-Amerika, kif ukoll djar oħrajn fil-missjoni: fl-Indja, fil-Kenja, fit-Tanzanija, fl-Uganda u fil-Filippini.

Fl-1988, Uljed il-Qalb ta’ Ġesù saru Kongregazzjoni ta’ Dritt Pontifiċju. Fil-Kapitlu Ġenerali tal-1995 twaqqfu ż-żewġ Provinċji, dik ta’ Malta u dik tal-Indja, filwaqt li twaqqaf ir-reġjun *E. Africa*.

*The Servant of God Mother M. Teresa Nuzzo founded the Congregation “Daughters of the Sacred Heart” in 1903. Together with other young ladies she taught catechism in schools and in some parishes.*

*It was one of the main aims of the Foundress to impart education to children based on love and truth. Today the Sisters have a Kindergarten School in Hamrun and a Primary School in Marsa. They have a Children’s Home in Zurrieq and Childcare Centres in Zejtun and Mellieħa. They also take an active part in teaching catechism to the children.*

*Since its foundation, the Congregation has notably grown in number and apostolic work. It has its convents in Rome, the United States of America, India, Kenya, Tanzania, Uganda and the Philippines. The Sisters are carrying out their mission in various apostolic fields especially in schools, teaching catechism in the parishes, rendering pastoral services to the local parishes, running Childcare Centres and orphanages for children.*

*In 1988 the Congregation was approved as a Congregation of Pontifical Right. In the General Chapter of 1995, Malta and India were established as Provinces and E. Africa was declared a Region.*

### *The Order of Virgins*

Samill-bidunettal-Knisjakienhemmnisaverġni lixtaqujikkonsagra w il-verġnità tagħhom lil Kristu u lill-qadi tal-Knisja. Dawn kien jilqagħhom fil-hajjatal-verġnitàl-isqoflikienjikkonsagrahom f'ċerimonjapubblikauspeċjali.

L-aktar rit antik ta' konsagrazzjoni fil-Knisja jasal sas-sena 353 w.K. Kien rit użat mill-Papiet f'Ruma. Din il-vokazzjoni reġgħet qamet fil-bidu tas-seklu 20. Ir-rit il-ġdid ħareġ permezz ta' Digriet tal-Kongregazzjoni tal-Kult Divin u d-Dixxiplina tas-Sagramenti fil-31 ta' Mejju 1970. Bih dawk in-nisa li jibqgħu jghixu fid-dinja setghu jibdew jghixu uffiċjalment il-ħajja tal-konsagrazzjoni. Dan ir-rit "huwa wiehed mill-aktar teżori għezież tal-liturġija Rumana" (ara d-Digriet tal-31 ta' Mejju 1970).

L-Ordni tal-Verġni nsibuh imsemmi fil-Kodiċi tad-Dirittu Kanoniku, art. 604. F'dan il-kanone l-Ordni hu deskritt bħala "l-Ordni tal-Verġni, li impenjati fil-pjan qaddis tal-mixi aktar mill-qrib wara Kristu, jigu kkonsagrati lil Alla mill-isqof djoċesan skont ir-rit liturġiku approvat, huma mistikament mgħarrsin ma' Kristu, l-Iben ta' Alla, u jingħataw għall-qadi tal-Knisja."

L-Ordni tal-Verġni ma għandu ebda fundatur hlief il-Knisja, li tnebbhet mill-ħajja tal-Għarus innifsu Sidna Gesù Kristu u mill-ħajja tal-Verġni Marija.

L-Ordni tal-Verġni jingħazel mill-ordnijiet religjużi u l-is-tituti sekulari għax la għandu regoli fissi u lanqas struttura ta' ħajja komuni, imma "l-verġni jistgħu jingħaqdu flimkien biex jghixu l-wegħda tagħhom b'fedeltà akbar u biex jghinu 'l xulxin fil-qadi tal-Knisja bi stil li jixraq lill-istat tagħhom" (art. 604, B). Huma jghixu fid-dinja iżda "mhumiex tad-dinja."

Wara żmien ta' dixxerniment, nhar l-1 ta' Settembru 2009, l-Arċisqof Pawlu Cremona nieda d-digriet tal-approvazzjoni tal-Linji-Gwida u l-Programm ta' Formazzjoni għal dawk li jhossuhom imsejha li jhaddnu din il-forma ta' ħajja kkonsagrata. Fl-1 ta' Settembru wkoll, l-Arċisqof hatar bħala Delegat tiegħu għall-Ordni tal-Verġni lil P. Charlò Camilleri, O.Carm., li għal dan l-aħħar żmien kien qiegħed isegwi dan il-grupp ta' xebbiet fid-dixxerniment permezz ta' laqgħat, seminars u ritri ta' formazzjoni.

### *THE ORDER OF THE VIRGINS*

*Since the beginning of the Church there were virgins who wished to consecrate their virginity to Christ and to the service of the Church. They were accepted to the life of virginity by a bishop who consecrated them publicly during a special ceremony.*

*The most ancient consecration rite in the Church dates back to the year 353 A.D. It was the rite used by the Popes in Rome. The new rite was promoted by the Decree of the Congregation for Divine Worship and the Discipline of the Sacraments on May 31, 1970 and made possible for*

women living in the world to receive consecration. This rite “is one of the most precious treasures in the Roman liturgy” (Decree from May 31st 1970).

The order of virgins is laid down in the Code of Canon Law in article 604. In this Canon it is characterized as “the order of virgins, who, committed to the holy plan of following Christ more closely, are consecrated to God by the diocesan bishop according to the approved liturgical rite, are mystically espoused to Christ, the Son of God, and are dedicated to the service of the Church”.

The *Ordo Virginum* has no other founder than the Church, which took inspiration from the life of the Spouse himself our Lord Jesus Christ and from the life of the Virgin Mary.

As distinct from religious orders and secular institutes *Ordo Virginum* has no firm rules or structures of a common life but “virgins can be associated together to fulfill their pledge more faithfully and to assist each other to serve the Church in a way that befits their state” (Art. 604, B). They live in the world without “being of the world”.

On September 1st 2009 the Archbishop Mons. Pawl Cremona approved the guidelines and the formation programme for those who desire to live this specific consecrated life. Mons. Cremona has delegated Fr. Charlò Camilleri, O.Carm. for the *Ordo Virginum*. Fr. Camilleri is taking care of the formation programme through personal meetings, retreats and seminars.

### SPIGOLATRICI DELLA CHIESA

L-iSpigolatriċi huma lajċi kkonsagrati nisa li jiddedikaw haġġithom kollha lil Alla fi spirtu ta' riparazzjoni.

L-isem u l-atteġġjament tagħhom fis-servizz huma ispirati t-tnejn mill-figura biblika ta' Rut. Huma dan jagħmluh billi:

- jaqdu lil dawk li huma l-aktar fil-bżonn, l-iżbul tal-qamh li jaqgħu fil-ġenb tat-triq;
- jagħtu servizz umli li jithaddem f'għaqda mar-rgħajja tal-knisja, il-ħassada;
- ikunu leali lejn il-Maġisteru tal-Knisja.

L-Istitut "Spigolatrici della Chiesa" twaqqaf f'Lippiano, l-Italja fl-1949 minn Pia Tavernelli. L-iSpigolatrici ġew f'Malta fl-1964 u lllum għandhom erba' komunitatjiet, tlieta f'Malta u waħda f'Għawdex. L-istitut jinsab ukoll fl-Italja, fl-Isvizzera, fil-Polonja, fl-Amerika Latina (Brazil u Argentina) u fl-Indja.

L-iSpigolatriċi għandhom il-voti tas-safa, tal-faqar u tal-ubbidjenza. Xi membri jgħixu fi fraternitajiet żgħar waqt li oħrajn jgħixu waħidhom jew mal-familja. Bħal-lajċi l-oħra huma jgħixu permezz tal-professjoni tagħhom li hija l-mezz prinċipali tal-appostolat tagħhom. Huma jgħinu u jippromwovu inizzjattivi ta' promozzjoni umana u ta' xandir tal-Kelma. Imma fuq kollox is-sejha ewlenija tagħhom hija li jgħixu fil-qalba tad-dinja.

*The "Spigolatrici della Chiesa" are consecrated laywomen who, inspired by the biblical figure of Ruth, dedicate their whole life to God in a spirit of reparation. They are of service to all those who are most in need of love and God's grace.*

*The Spigolatrici della Chiesa owe their name and specific kind of service to the biblical story of Ruth. Its interpretation is this:*

- *Service to those who are most in need, the ears of corn overlooked in the farrow;*
- *Humble collaboration between the Spigolatrice and the Pastors, the reapers;*
- *Being faithful to the Magisterium of the Church.*

*The secular institute “Spigolatrici della Chiesa” was founded in 1949 in Lippiano, Italy, by Pia Tavernelli. The Spigolatrici have been in Malta since 1964. Today they are four communities, three in Malta and one in Gozo. Members of the Institute also live in Italy, Switzerland, Poland, India, Argentina and Brazil.*

*The Spigolatrici take the three vows of poverty, chastity and obedience. Some members live in fraternal groups, others with their family or on their own. Because we are part of the Christian laity, we work either in a profession, this being our main form of apostolate, or else dedicate our time and energy to pastoral or voluntary work. But above all our specific vocation is to live in the midst of the world.*

L-ASSOĊJAZZJONI MALTIJA TAL-ORDNI TA' MALTA

L-Ordni ta' Malta (L-Ordni Sovran Militari u Ospidaljier ta' San Ġwann ta' Ġerusalem, ta' Rodi u ta' Malta ) kien diġà jeżisti qabel l-ewwel Kruċjata (1095-1099). Xi merkanti minn Amalfi kienu bnew Knisja, kunvent u sptar f'Ġerusalem għall-pellegrini li jżuru l-Art Imqaddsa. L-Ordni ta' Ġerusalem, li kien jieħu ħsieb l-isptar, sar indipendenti taħt it-tmexxija tal-Beatu Gerardu, il-Fundatur tal-Ordni, u l-Papa Paskal II approva solennement dan l-Ordni għdid fil-15 ta' Frar, 1113, u poġġieh taħt il-protezzjoni tas-Santa Sede. Meta fl-1291 l-Ordni telaq mill-Art Imqaddsa, l-ewwel mar Ċipru u mbagħad, fl-1310, stabilixxa ruħu fil-gżira ta' Rodi. Wara l-assedju ta' Rodi fl-1522 minn Suleiman il-Manifiku, l-Ordni kellu jitlaq mill-gżira u fis-26 ta' Ottubru, 1530, l-Ordni ha lil Malta f'idejh, bl-approvazzjoni tal-Papa Klement VII. Napuljun Bonaparte, fis-sena 1798, ha lil Malta taħt idejh u l-Ordni kellu bilfors iħalli l-gżira. Fl-1834, l-Ordni stabbilixxa ruħu f'Ruma, fejn issa għandu s-Sede tiegħu fil-Palazz Maġistrali ta' Via Condotti u fil-Villa Maġistrali tal-Għolja Aventina.

L-Ordni huwa organizzazzjoni reliġjuża lajka marbuta mas-Santa Sede, imma fl-istess hin huwa Sovran taħt il-Liġi Internazzjonali. L-Ordni għandu rabtiet diplomatiċi ma' iktar minn 100 pajjiż u missjonijiet f'diversi pajjiżi Ewropej u Organizzazzjonijiet Internazzjonali. Il-Gran Mastru, bhala l-Kap tal-Ordni, huwa fl-istess hin kap ta' Stat Sovran u ta' Ordni Reliġjuż. Minhabba dan tal-aħħar, huwa għandu l-livell ta' Kardinal. Fil-preżent, il-Gran Mastru huwa Fra Matthew Festing, li ġie elett fil-11 ta' Marzu, 2008, wara l-mewt ta' Fra Andrew Bertie, bhala d-79 Gran Mastru tal-Ordni.

L-Ordni, li l-motto tiegħu huwa: “Tuitio Fidei et Obsequium pauperum”, jġigifieri l-harsien tal-fidi u l-assistenza lill-morda u lin-nies bi bżonnijiet ta’ kull tip, iwettaq dawn l-Idejali bil-hidma tiegħu f’iktar minn 120 pajjiż permezz tat-13,500 membru tiegħu, kif ukoll permezz ta’ iktar minn 80,000 voluntiera u 25,000 impjegati madwar id-dinja.

F’Malta, l-Assoċjazzjoni Maltija tal-Ordni Militari Sovran ta’ Malta (MASMOM) jwettaq il-hidmiet ospidaljeri tiegħu bl-ghajnuna tal-organizzazzjonijiet periferali tiegħu FOTO (Friends of the Order), VOTO (Voluntieri tal-Ordni) u OMVG (Voluntieri tal-Ordni) f’Għawdex, fost oħrajn. Dawn l-attivitajiet jinkludu: il-Pellegrinaġġ annwali għal Lourdes għal xi 300 persuna, fosthom persuni bi bżonnijiet speċjali u kundizzjonijiet mediċi, li jehtieġu l-ghajnuna li l-Ordni ssejthilhom “Is-Sinjuri tagħna l-Morda”; pellegrinaġġ annwali ta’ iktar minn 250 anzjan għas-Santwarju Ta’ Pinu; il-ħarġa għal iktar minn 500 anzjan sal-Palazz tal-President; żjarat lill-morda u lill-anzjani f’diversi sptarijiet u Djar tal-Anzjani; attivitajiet għal tfal fqar jew bi bżonnijiet speċjali; tqassim ta’ Hampers tal-Milied lil nies fil-bżonn; “Prison Ministry” għal zghażaġh fil-Facilità Korrettiva ta’ Kordin. B’kollaborazzjoni mal-Gvern, l-Ordni jgħin ukoll fil-proġett tal-“Meals on Wheels”. Flimkien mal-*Malta Guide Dogs Foundation*, l-Ordni tgħin fit-taħriġ tal-klieb li jmexxu l-ghomja.

*The Order had already existed for some time before the First Crusade (1095-1099). Merchants from Amalfi built a church, convent and hospital in Jerusalem for the pilgrims travelling to the Holy Land. The Order of Jerusalem which ran the hospital became independent under the leadership of Blessed Gerard. In 1113 Pope Paschal II approved the foundation of the Hospital and placed it under the protection of the Holy See.*

*When the Christians lost their last stronghold in the Holy Land in 1291, the Order established its home in Cyprus, and then in 1310 settled in Rhodes. Gradually, the Order grew into a naval power, fighting many battles for Christendom. In 1522, after a six-month siege of Rhodes led by Suleiman the Magnificent, the Order was forced to call for a truce and Suleiman allowed the Order to leave Rhodes with full military honours. In 1530 the Order was granted Malta as a fief by the Emperor Charles V and reigned in Malta until 1798, when Napoleon Bonaparte attacked Malta. Since 1834 the Order settled definitively in Rome, where it has its seat at the Magistral Palace at Via Condotti and the Magistral Villa on the Aventine Hill.*

*The Order, is a lay religious organisation linked to the Holy See, but at the same time independent as a sovereign subject of international law. It has diplomatic relations with over 100 countries and missions to major European countries and various international organisations. The Grand Master, as*

*Head of the Order, is at the same time head of a sovereign state and head of a religious order. In this second capacity the Holy Roman Church gives him the rank of Cardinal. The present Grand Master, Fra' Matthew Festing, was elected the 79th Grand Master of the Order on 11 March 2008. He succeeded another Englishman, Fra' Andrew Bertie.*

*The Order, whose motto is “Tuitio Fidei et Obsequium Pauperum”, Defence of the Faith and assistance to the poor; the suffering and the sick, carries out these activities in over 120 countries, through its 13,000 members and over 80,000 volunteers and 25,000 employees around the world.*

*In Malta, the Maltese Association of the Sovereign Military Order of Malta (MASMOM) exercises its hospitaller activities with the help of its peripheral organisations FOTO (Friends of the Order), VOTO (Volunteers of the Order) and OMVG (Order of Malta Volunteers in Gozo). These include: an annual pilgrimage to Lourdes for 300 persons, among whom are persons with special needs and other medical conditions, and who therefore require assistance, whom the Order refer to as “Our Lords the Sick”; an annual pilgrimage to the Sanctuary of Our Lady of Ta' Pinu for over 250 elderly persons; an annual summer afternoon picnic for around 500 elderly friends in the grounds of the President's Palace; regular visits to St. Vincent de Paule Hospital; distribution of Christmas hampers to needy families; a 'Prison Ministry' to young inmates at the Young Offenders Rehabilitation Unit (YOURS) at the Corradino Correctional Facility. The Association continues to assist the Malta Cross Corps in its nation-wide Meals on Wheels project. Meta Goffredo de Bouillon fl-ewwel Kroċjata ha l-belt ta' Ġerusalem minghand il-Misilmin fl-1099, sab ftit Kanonċi Regolari li flimkien mal-Patrijarka tagħhom kienu qed jieħdu hsieb il-Qabar ta' Kristu u l-gholja tal-Kalvarju. Magħhom halla għadd ta' kavallieri biex jgħinu l-kanonċi jharsu l-Qabar ta' Kristu: dawn kienu l-ewwel kavallieri tal-Qabar Imqaddes. Meta s-saltna Latina (nisranija) ta' Ġerusalem għet fix-xejn u l-kavallieri tkeċċew mill-Art Imqaddsa fis-seklu XIII, l-Ordni baqa' jeżisti f'xi pajjiżi tal-Ewropa bħala Ordni Militari Reliġjuż. Meta spicċa l-Patrijarkat Latin ta' Ġerusalem, il-Kustodju Franġiskan tal-Patrijiet Minuri ha postu u huwa kien jagħti, lil dawk l-Insara devoti li kienu jmorru Ġerusalem, l-investitura b'ċerimonja antika hafna, u li għadha tintuża sal-lum. Matul iż-żminijiet Papiet, slaten, isqfijiet u prinċipijiet kienu favur il-hidma tal-Ordni.

Il-Papiet Alessandro VI, Gulju II, Ljun X u Klement XII fahhru hafna l-hidma tal-Ordni u dan wassal lill-Papa Benedittu XIV biex jagħti kostituzzjoni għdida lill-Ordni fl-1746, waqt li fl-1847 reġa' twaqqaf il-Patrijarkat Latin ta' Ġerusalem mill-Beatu Papa Piju IX, bir-responsabbilta' li jamministra l-Ordni tas-Sepulkru Mqaddes li kellu d-dmir jgħinu biex igħib 'il quddiem il-hajja nisranija fil-Palestina. Fl-1888 il-Papa Ljun XIII ippermetta li n-nisa wkoll ikunu membri tal-Ordni. Piju XI għamel il-Patrijarka ta' Ġerusalem il-Prijur ewlieni tal-Ordni.

L-għan tal-Ordni hu li jgħib 'il quddiem il-hajja nisranija, juri de-

vozzjoni kbira lejn il-Papa u l-Knisja; il-harsien u t-tixrid tal-fidi nisranija fl-Art Imqaddsa; u l-harsien u d-difiża ta' drittijiet tal-Knisja Kattolika fl-Art Imqaddsa.

F'Malta sa mis-seklu tmintax kien hawn kavallieri tal-Qabar Imqaddes, iżda kien biss fl-1996 li l-Granmastru l-Kardinal Caprio waqqaf uffiċjalment delegazzjoni maġistrali f'Malta. L-ewwel investitura saret f'Settembru 1996 mill-Kardinal Furno. Ġew investiti bhala kavallieri 11-il Kavallier u Dama. Permezz ta' digriet maġistrali li jgħib id-data tal-25 ta' Mejju 2000, l-Eminenza Tiegħu il-Kardinal Granmastru għolla d-Delegazzjoni Maġistrali għal Malta għal dik ta' Logutenenza tal-Ordni. Permezz tal-istess digriet id-Delegat Maġistrali il-Komm. Victor Licari ġie promoss bhala l-ewwel Logutenent għal Malta. Sabiex tfakkar din il-ġrajja, plakka kommemorattiva nkixfet u giet imbierka fil-Kummissarjat tal-Art Imqaddsa fil-Belt Valletta. Fil-preżent il-Logutenenza thaddan fiha persuni ekkleżjastici, Dami u Kavallier.

*When Godfroi de Bouillon and his knights of the First Crusade captured Jerusalem from the Moslems in the year 1099 he found the Holy Sepulchre and Mount Calvary in the keeping of a handful of Canons Regular of the Order of St. Augustine, governed by their Patriarch, the Bishop of Jerusalem. He at once installed, in the remains of the original Basilica of the Holy Sepulchre, a selected number of his Knights to assist the Canons in guardianship of the Holy Places. These were the first Knights of the Holy Sepulchre. After the destruction of the Latin Kingdom of Jerusalem and the expulsion of the Knights from the Holy Land at the end of the thirteenth century, the order of the Holy Sepulchre was kept in being in a number of countries in Europe as a Religious Military Order. When the Latin Patriarchate was abolished it was given to the Franciscan Custodian of the Holy Land to choose new Knights to be created from among the fervent Christians devoutly going to the Holy Sepulchre to receive investiture according to the ancient ceremony of Christian Knighthood still in use within the Order.*

*The religious and charitable work of the Order, throughout the centuries, brought repeated and fervent praise from Popes, Kings, Bishops and Princes. After being specially commended and favoured by the Supreme Pontiffs Alexander VI, Julius II, Leo X and Clement XII, Benedict XIV gave the Order a new Constitution in 1746. In 1847 a further stage in the Order's history was marked by the restoration of the Latin Patriarchate by Blessed Pius IX. He bestowed on the Patriarchate the responsibility of ruling and administering the Order. At this time the Knights were given the specific task of the support of the Patriarch's work for the maintenance and advancement of Christianity in the Holy Land. In 1888 Leo XIII approved the entry of women*

*into the Order as Ladies of the Holy Sepulchre. In 1907 St. Pius X assumed the title of Grand Master. Pius XI re-appointed the Latin Patriarch as Regent of the Order. Pius XII removed the direction of the Order from Jerusalem to Rome and in a new Constitution decreed that the Order should be governed by a Cardinal appointed by the Holy Father to be Grand Master and that the Latin Patriarch should be Grand Prior of the Order. The Cardinal Grand Master is supported by a governing body known as the Grand Magisterium and by National Lieutenancies of the Order.*

*The purpose of the Order is threefold: the practice of the Christian Life in filial devotion to the Pope and the Church; the conservation and propagation of the Faith in the Holy Land; the protection and upholding in the Holy Places of the sacred indefeasible rights of the Catholic Church. Although members of the Order existed in Malta since the late 18th Century, no National Body was actually constituted. After various attempts, in 1996 the Cardinal Grand Master, H. Em Joseph Cardinal Caprio, officially installed the Magistral Delegation for Malta by Magistral Decree.*

*The first investiture of the Magistral Delegation was held in September of 1996 by H. Em. Carlo Cardinal Furno (succeeding H. Em Joseph Cardinal Caprio) for 11 knights and a Dame. His Eminence the Cardinal Grand Master elevated the Magistral Delegation for Malta to a Lieutenancy of the Order by Magistral Decree dated 25th May 2000. By similar decree the Magistral Delegate Comm. Victor Licari was appointed as the first Lieutenant for Malta. On 27th October 2000, a commemorative plaque to mark this special event was unveiled and blessed at the Commissariat for the Holy Land, Valletta. The Lieutenancy consists at present of Ecclesiastics, Ladies and Knights.*
