If you pay your local bus fare with coins, ask for a free magnetic-strip transfer to use on another local bus.

Benefits are available (except on peak-hour express buses) with proper identification, including Reduced Fare MetroCard or Medicare card. (*Medicaid cards do not qualify.*)

We're serious about safety— your safety

We are committed to providing you with the safest service possible. Please take a moment to read this list and consider what can happen if you're not careful:

- Don't run for the bus — that's when most accidents happen. Slips, trips, and falls are the most common causes of injuries.
- Stand behind the white line if you are in the front of the bus. A sudden stop could propel you forward into the dashboard, window, or stairwell.
- Avoid standing in the stairwell of the rear door, and don't lean on the rear door.
- Allow the bus operator to secure your chair if you are in a wheelchair.
- Keep your head and arms inside bus windows.
- Signal the bus operator two blocks before you want to get off so that there's sufficient time to stop.
- Hold the handrail when you exit, particularly in wintry weather when the steps get slippery from snow.
- Watch for cars as you leave the bus. This becomes even more important when the bus operator is unable to pull completely into the bus stop. Make it a point to not cross in front of the bus after you get off.
