PS Brief History	<p>The Sundarban Delta comprises of more or less 100 Islands among which 05 Islands are only inhabited by the native people of Sundarban. There are also large numbers of tributaries and water channels leading to the Bay of Bengal. The Sundarban Delta Area has 72 km. of porous border with Bangladesh. The islands are inhabited by local fishermen and native people who earn their livelihood by fishing from the riverine area and collecting honey from the reserved forests. Prior to the setting of Sundarban Coastal Police Station and other Coastal PS like Mahipith Coastal PS and Frezargunge Coastal PS these areas remained out of the ambit of police. There was no supervision on the movement of various water crafts in those tributaries and water channels mentioned above. In this backdrop the Sundarban Coastal Police Station of South 24 Parganas started functioning on 19.02.2009 in the Sundarban Delta Area in a rented house at Chottomollakhali on temporary basis. The new building for accommodating Sundarban Coastal PS has been constructed at Chttomollakhali Market. Hon'ble Chief Minister of West Bengal Mamata Banerjee inaugurated the new PS building on 21.01.13. The government was pleased to sanction an amount of Rs. Eighty Three (83) lakhs, for the construction of PS Building. The construction of the PS Building was completed on 15.04.13 by SIDA (Sunderban Infrastructure Development Authority).</p>
