Nielsen Music Canada, in collaboration with Billboard, has compiled its own celebratory lists of the biggest artists, albums and songs since the data-tracking system came into Canada in 1996 (and cut off Dec. 31, 2016).

Nielsen Music Canada's recap charts include all-format and radio charts (started April 1995), album sales (1996 -) and digital song sales (2005 -). The most recent chart for streaming (July 2014 -) extends to March 2017.

Nielsen Music Canada — The top selling digital songs of the Nielsen Music Canada era (2005-present) from each decade.
