# TODAY IS POST DAY

## OUR SECRET AGENTS

### First exclusive report on the CIA

---

Many Americans don't even know it exists. Yet the Central Intelligence Agency is perhaps more important to our security than the H-bomb. In "The Mysterious Doings of CIA," Richard and Gladys Harkness reveal the part it played in overthrowing King Farouk in Egypt, Premier Mossadegh in Iran, President Arbenz in Guatemala — and how its agents operate *behind the Iron Curtain!*
