Narayana-smaranas to the followers of ISKCON,

We are very much pained to note that you have been undertaking public propagations of some imaginarily fabricated incidents such as the story of Gouranga etc., which would disgrace the esteemed personality of Jagad-guru Sri Madhvacharya. It has created sorrowful anger among the devotees of Sri Madhva. We feel that such unworthy practice may cause for crisis in harmonious relationship between the followers of Madhva and ISKCON. Therefore, we strongly advise you to withdraw the statements of such baseless matters, and to ensure that it will not be continued in future.

Ithi Narayana Smaranas
