#### **TOTAL INDIVIDUAL CHAMPIONSHIPS**

(Note: Each school is credited with one championship for each competitor involved in a tie. The boxing championships began in 1932 and were discontinued after the 1960 championships. The individual championships totals for fencing, rifle and skiing include some championships won by women. In tennis, two championships are awarded each year: one to the school whose competitor wins the singles championship and one to the school whose team wins the doubles championship. In swimming, track and skiing, relay victories count as one championship.)
