

# STATISTICS HANDBOOK

## Welcome Message from the President of European Athletics

I am very pleased to introduce the Statistics Handbook for this edition of the European Athletics U18 Championships.

This is one of the youngest events in the European Athletics portfolio, having been inaugurated in 2016, but the two previous championships saw a plethora of outstanding performances.

The championships in Tbilisi, Georgia in 2016 and Győr, Hungary in 2018 – and the results there are chronicled in this book – demonstrated that the depth of emerging athletics talent in Europe remains as strong as it ever was.

Notably, some of the athletes who featured prominently at those championships are already becoming stars of our sport.

For instance, Great Britain's Keely Hodgkinson and Ukraine's Yaroslava Mahuchikh set impressive championship bests in the 800m and high jump respectively four years ago and this pair have quickly proved themselves to be formidable competitors in the senior ranks despite their youth, their prodigious talent demonstrated by them winning medals in their specialist events

at last summer's Olympic Games in Tokyo.

It will be interesting to compare the performances of the competitors here in Jerusalem – and the Statistics Handbook is a vital instrument in that appraisal – with those that have gone before them at these championships but a glance at Europe's U18 list prior to arriving here suggests that we can expect a number of championship best performances and many more national best marks.

Realistically, it may be too soon for winners here in Jerusalem to also climb onto the podium at either the World Athletics Championships or European Athletics Championships later this summer but, nevertheless, these championships should also provide an intriguing insight into the future for our sport.

This will be the most prestigious athletics event ever staged in Israel and I would like to congratulate the Israeli Athletics Association for its imagination and initiative in bringing these championships to this wonderful country, which I am confident will be a magnificent showcase for Europe's teenage talent in this age category.

With that in mind as a closing thought, I would like to wish everyone an enjoyable and memorable four days of competition.

I would also like to offer a heartfelt thank you on behalf of European Athletics to the Israeli Athletics Association, the Jerusalem 2022 Local Organising Committee, the city of Jerusalem, all the other host institutions and partners, as well as the officials and volunteers who have been working very hard and enthusiastically to make this event a success.

A handwritten signature in black ink, appearing to read 'D. Karamarinov'. The signature is stylized and fluid, with a prominent flourish at the end.

**Dobromir Karamarinov**

European Athletics President

## Local Organising Committee's Welcome Message

Dear Friends,

Welcome to the U18 European Championships hosted in the city of Jerusalem.

For the first time in history the U18 European Athletics Championships shall be held in Israel, with the participation of over a thousand athletes from 48 European countries, accompanied by hundreds of coaches and team members.

Hosting the Championships is a great honor for the State of Israel, the city of Jerusalem and the Israeli Athletics Association. Hopefully, all of the participants in the Championships will return home with unforgettable memories of these Championships and the city of Jerusalem.

This opportunity will allow us to share our well-known Israeli hospitality, with an open and warm heart and I wish all participants to truly enjoy their experience in Israel, and success in their competitions.

Hosting the Championships in Jerusalem will provide a special opportunity for Israeli athletics enthusiasts to watch unique competitions and to get to know the future stars of European and World athletics who will participate in the 2024 and 2028 Olympic Games as well as in the European and World Championships in the coming years. It is an exciting opportunity to watch the anonymous athletes of today who will be the stars of tomorrow's world athletics.

I would like to thank all of those who have worked hard to make the Championships a success; volunteers, judges and members of the organization.

Wishing you success,

A handwritten signature in black ink, appearing to be 'Doron Shitruk'. The signature is stylized and fluid, with a prominent upward stroke on the left side.

**Doron Shitruk**

Local Organizing Committee President
