CHAIRMAN'S REPORT

On behalf of the AFL Barwon Commission Ltd I am proud to present this 7th Annual Report to this Annual General Meeting as the formal record of the 2019 year to all affiliates and stakeholders.

Since the establishment of Regional Commissions in 2013 there have been many changes to the structures that support our Community Clubs at all levels – all of which have been driven by the need to create an environment in which Clubs will be able to thrive. AFL Barwon is committed to continuous improvement of our service delivery and providing sound governance and oversight of our member Clubs and of the competitions in which they compete. AFL Victoria has itself made significant changes to its structure to enable a more streamlined management system which is driving some outstanding outcomes to our participants and our member clubs. The removal of all affiliation and registration fees is a significant investment in country football by the AFL. The removal of player levies is the second part of the grass roots investment which will be a direct benefit to all clubs, with the funds being provided directly to AFL Barwon in place of club and player levies. The total value of this investment for the AFL Barwon region is just short of \$450,000.

The intent of this investment is to reduce the cost to participants in the first instance and in the second announcement the AFL is increasing the funding to Region Commissions to allow for the removal of player levies to provide relief for all clubs. Club volunteers will be delighted to see this investment in our game from the AFL and we need to acknowledge the work of those who have advocated strongly for this suite of changes. It must be said that this investment is ongoing over the next 3 years and it is not unreasonable to expect that the investment will be measured against positive outcomes for the game and all stakeholders.

Player Points and Player Payment Caps are a significant part of our strategy to facilitate strong and viable Football and Netball clubs. We will continue to look at ways of improving what is still an evolving process. In Football we have 3 years of application of these programs to evaluate and we will work with AFL Vic to review and improve the plan at a state level. We have sought and received feedback from clubs around these policies and we acknowledge that we need to ensure that we can address local issues within the statewide policy framework. Netball has seen the first year of having a Community Club Sustainability Program introduced. We will continue to work with our clubs and Netball Victoria to develop and improve our model.

Our Junior football program is going to be even better following the funding arrangements announced by the AFL. The momentum provided by the announcements should stimulate our participation rates and at the same time assist our clubs to provide the best possible environment for our young members. Our graded competitions provide opportunities for all participants to learn the skills of the game and to enjoy participating in competitive games.

The Women's game is growing at a stunning rate. The level of competition is rapidly improving, and the games are making a strong contribution to our clubs. The finals day hosted at Lara this year provided the huge crowd with great entertainment and the spirit in which the games were played epitomises what Community sport is all about.

Our Netball competitions continue to maintain the highest standard of Community Netball. The introduction of sustainability measures is an acknowledgement of the importance of Netball to our clubs and leagues.

AFL Barwon will continue to invest in Umpiring. Just like our member clubs our Umpires are continually looking to get better. We need to continue to find ways to encourage more people into umpiring and to make the umpiring experience better. It is the responsibility of all clubs and leagues to ensure that we do all that we can to engage respectfully with our Football and Netball Umpires.

With the continued growth in participation in Football and Netball in the region we need to update our G21 Regional Strategy document. AFL Barwon has committed funds to this project that will commence immediately. The provision of new facilities to accommodate the future needs of Football and Netball must be planned well in advance along with the identification of facility upgrades needed for our Community clubs. The 2014 version of the G21 Strategic plan delivered in excess of \$30M worth of facility investment in our region. The 2020 version will look to continue to support the development of club facilities.

The level of commitment of our Community club volunteers is astonishing. We are very fortunate to have great leadership at our clubs and leagues who oversee thousands of volunteers who make our Community clubs great. We should never lose sight of the role that sporting clubs play in building better Communities and the value that adds to the lives of so many.

Our staff have again provided great service to the region. Thank you all for your commitment to our sports of Football and Netball. A special thank you to Will McGregor who has provided great leadership and performed beyond expectations in his first year as RGM.

Finally, I would like to acknowledge the commitment of my fellow Commissioners, all of whom contribute to the good governance of our Commission and continue to provide support and direction to our staff and our stakeholders.

I look forward to season 2020.

Craig Keating – Chairman AFL Barwon Football Commission Ltd.

GENERAL MANAGER'S REPORT

2019 has been a year of outstanding outcomes for our participants across the whole of Victoria. The AFL, in partnership with the Victorian State Government announced an additional \$18 million investment into Victorian country football from 2020-2022. The three-year funding announcement marks the largest investment in country football in Victoria in more than two decades.

The funding will support country football communities through targeted initiatives, providing immediate financial relief to clubs and volunteers and ensure the long-term sustainability of the game through the growth of grassroots participation. The initiatives include the removal of AFL Victoria affiliation fees, which will save country football clubs a total of \$3.22 million each year, the removal of AFL Victoria umpire registration fees and significant reduction in the cost of club apparel. This will see clubs in the AFL Barwon region retain over \$450,000 and should delight the many hard-working volunteers that continue to keep club doors open for future generations.

To further support the funding announcement, AFL Barwon has removed all 2020 Player Development Levies that will see direct savings to participants. Further financial support will continue through with the introduction of the \$1.5million Strategic Community Investment Fund which will allow flexibility and immediate response to local league and club needs.

In 2019, AFL Barwon has invested in the refresh of the G21 Strategy document in order to have a coordinated approach to facility and infrastructure upgrades. The previous document completed in April 2015 has now seen over \$30million of investment into sporting infrastructure in our region and it is now time to ensure we have the appropriate updated strategy in place to drive significant outcomes that the previous strategy has produced. AFL Barwon continues to receive excellent support and cooperation from our shires and councils, as well as AFL Victoria staff and we are excited to produce the most up to date strategy document across the state that will benefit all member clubs.

2019 also saw the introduction of the Towards Zero Grant Funding that contributed \$100,000 direct to AFL Barwon region clubs who supported the Towards Zero campaign. It is evident that the above funding announcements will support local community clubs significantly to ensure financial stability and remove a level of volunteer burden.

AFL Barwon has also made a concerted effort across 2019 to support the demand of club volunteers with two positive initiatives that have been well supported by all. The introduction of the 'Game Plan' day in February that saw over 400 volunteers educated across 26 different education sessions on the one day, in a very professional setting. The introduction of the AFL Barwon Corporate Social Responsibility Strategy reduced the number of themed rounds across the year to allow clubs to support their own important causes. I would like to thank the TAC (Towards Zero), Victorian Responsible Gambling Foundation (Love the Game), Beyond Blue (Mental Health) and Geelong Cats (Just Think) for their support in highlighting significant social issues that our region faces daily. 2019 has seen the introduction of a Netball Points System and Salary Cap and a Female Football Points system that has complimented the senior male Club Sustainability Program and should enable clubs to continue to focus on their junior development programs and ensure player loyalty trends continue to reverse.

In 2019, AFL Barwon has become a more inclusive workplace and region by continuing to drive development outcomes that show we are more than just a competition management organisation. For the first time this year, a Koori Auskick program was managed, an Indigenous Coaches Course, Gender Equity training for our Commission, staff and clubs has begun as well as a Mums Auskick Coaching course and CALD Mums group.

AFL Barwon has many long-term partners who continue to allow our competitions to remain at the forefront of Football and Netball across Victoria. Through the terrific work of Daniel O'Keefe in strengthening our partners relationships our organisation continues to grow and would not be possible without your support. To all our valued partners who make significant contributions, AFL Barwon cannot thank you enough and we hope to continue to strengthen these relationships into the future as we strive to create safe and inclusive environments at all clubs. I would also like to wish Daniel O'Keefe all the very best in his new role as Player Development Coach at Carlton FC.

AFL Barwon continues to be a destination workplace in the region which over the last two years has recruited three high level female staff in Jess Smith (FDM), Lily Graham (FDM) and Georgia Hillman (Commercial Partnerships Manager) from AFL Victoria head office. With the further recruitment of Nathan Ervin from the Melbourne Cricket Club and the consolidation of our current experienced staff, we continue to challenge new ideas and concepts and work thanklessly in order to produce the best possible football and netball matches across Victoria, if not, Australia at a community level.

GENERAL MANAGER'S REPORT

The Football Development team in Luke Maher, Jess Smith, Sarah Scott and now Lily Graham have continued to deliver high quality programs for the region that has seen Auskick growth (+138) driving the introduction of an U10 female competition in 2020. Coach Education, Inclusion and Diversity, AFL Player appearances at clubs and schools, Training and Education, Geelong Cats NGA programs as well as the work they are doing with many club's committees and volunteers has seen many positive development outcomes achieved this year. The development team continue to be progressive and look to innovate and I congratulate them on their work and encourage all clubs to continue to form relationships with the Football Development Managers as they can support you across a range of areas.

Congratulations to St. Mary's Sporting Club for winning the GFNL Premiership in what was a brilliant finish to a great year of football as well as the Division 1 Female Football Premiership and Newtown & Chilwell FNC for winning an unprecedented 7th consecutive A Grade flag. Congratulations to Barwon Heads FNC for breaking a 26-year premiership drought in the BFNL and to Torquay FNC for their A Grade premiership victory. Congratulations to all other premiership winners across the region at senior and junior level.

2019 has been a year of growth, positivity and progress and I would like to thank the AFL Barwon Commission led by Chairman Craig Keating. The Commission has made sound governance decisions and continue to provide outcomes that have the best interest of the entire region at the forefront of their minds. Our region is strong and, in a sound, financial position to continue to progress the future of football and netball well beyond 2019.

Will McGregor

A handwritten signature in black ink, appearing to read 'Will McGregor', written over a horizontal line.

Regional General Manager
AFL Barwon

FOOTBALL MANAGER'S REPORT

In its fourth year of operation, the AFL Victoria's Community Club Sustainability Program continues to progress, with clear policy established, and further refinements ongoing which will assist in the long term viability of all clubs and the continuation of vibrant competitions across the state. The emergence of Female Football has continued with a dramatic increase in participation levels across our Region.

Under 19s

The number of teams was increased from 27 teams to 28 teams with only 3 clubs entering a 2nd team. We conducted 3 divisions with 10, 10 & 8 teams competing respectively in each division. This was again an evenly contested year in most grades including hotly contested finals series in all grades with players from 13 different clubs experiencing finals football. Data will be reviewed during the course of 2020 to determine the success of the changed age groups, with recommendations for 2021 to be finalised mid season.

Interleague

This year we had the rare experience of hosting a triple header at Queen's Park, with the day consisting of our Inaugural Senior Female Football team playing the Northern FNL, the BFNL playing a long awaited derby against the Geelong & District FNL and the Geelong FNL men playing the Northern FNL to regain the #1 spot in the state rankings.

The women coached by AFLW star Mel Hickey, started the day with a solid victory; best player was awarded to Barwon Heads gun Emma Allen. After a strong win in Horsham last year against the Wimmera FNL, the BFNL was keen to continue their rise up the state rankings and claim local bragging rights over the GDFL. Fast ball movement and explosive speed was the key for the BFNL's success, with 3 quality power forwards in Jarrod Garth, Jordan Erskine and Mitch Day rotating through to provide imposing targets. The winner of the Brian "Bull" Bennett medal for best on the ground went to Modewarre defender Mitch Farrelly, who provided strong run off the half backline and finishing off with 2 goals of his own. Depleted by injury and VFL commitments, the GFNL suffered their second consecutive loss in representative football at the hands of a powerful and well-structured Northern Football League. After a promising start, NFNL pulled away with a productive period in the 2nd & 3rd quarters which produced 10 goals to 4 goals. The GFNL fought hard, but eventually fell short by 4 goals. The Bob Cahir Memorial Medal for best player on the ground was awarded to St Joseph's Cam Tudor. No Underage football was played.

I would like to thank our coaches; AFL Barwon (Female) Mel Hickey, GFNL (male) Clinton Wells, BFNL Mark Hildebrandt and their coaching staff for the time and effort that they provided during the preparation and on match day. I would also like to thank the support staff who volunteered their time and effort to ensure the players and leagues had all they needed to get the teams onto the field.

BFNL

In what was the closest season in recent years, ladder leaders Anglesea's loss in round 18 cost them top spot and dropped them to fifth with only 4 points separating top from 5th. Newcomb were the early leaders following solid development in recent years, and after some bold recruiting Drysdale achieved an improved season finishing in sixth position. The first weekend of finals saw strong wins to Barwon Heads and Anglesea. Barwon Heads easily accounted for Geelong Amateur in the 2nd semi-final to storm into consecutive Grand Finals, whilst Torquay ended Anglesea's hopes in the First Semi Final. Torquay held off Geelong Amateur in the Preliminary Final to challenge Barwon Heads in the Grand Final. Barwon Heads held off an inaccurate Torquay to record an historic and hard-fought victory; their first Senior Premiership since 1993 (26 years ago)

Anglesea spearhead Jordan Erskine won the BFL League goal kicking with 94 goals, whilst two decorated veterans, Torquay Midfielder Dom Gleeson and Modewarre Ruckman John Meesen tied to win the Les Ash Medal.

GFNL

There was not much between the top 6 teams, but strong seasons from Colac, St Joseph's & Newtown & Chilwell saw them finish the home and away season in the top 3 positions with only 6 points separating them. St Mary's edged Bell Park out of the finals by percentage to fill the 5th position just behind Leopold. With strong form coming into the final's series, St Mary's had an emphatic 110-point win over Leopold in the Elimination Final, whilst St Joseph's easily accounted for Newtown & Chilwell in their Qualifying Final clash. St Mary's followed it up with a strong 10 goal win against Newtown & Chilwell, whilst ladder leaders Colac booked a spot in the Grand Final with a comfortable win over St Joseph's. St Mary's continued their strong form to end St Joseph's finals campaign and book a place in their 4th consecutive grand final. It was another an epic Grand Final which saw St Mary's hold the early ascendancy, but Colac fought back strongly only to fall an agonising 2 points short with St Mary's breaking their run of 3 consecutive Grand Final losses, and a 26 year premiership drought.

The Mathieson medal was an emphatic third consecutive win for 2017 & 2018 winner Newtown & Chilwell's Matthew McMahon who finished 14 votes ahead of Lachlan Patten from Bell Park. South Barwon spearhead Andrew Boseley won the Goal kicking with 57 Goals.

FOOTBALL MANAGER'S REPORT

CDFNL

The Colac & District FNL had another very successful year, with more and more quality players finding their way to CDFNL teams.

South Colac were the early pace setters with reigning Premiers Lorne, finishing the Home & Away season with 3 losses and only percentage separating them. Only 8 points separated the next 4 teams, with Simpson missing the finals by one game. Whilst Lorne earned the week off, Apollo Bay ended Alvie's campaign in the Elimination Final and South Colac defeated Birregurra in the Qualifying Final. The 2nd week of finals saw Lorne overcome South Colac to make it through to their 3rd consecutive Grand Final. Apollo Bay defeated Birregurra in an enthralling encounter which was decided after extra time was played. Apollo Bay started brightly in their Preliminary final, but South Colac took control in the 2nd half and won comfortably to set up a top of the table clash in the Grand Final with Lorne. Lorne dominated the game, with South Colac failing to score a goal until the last quarter. Lorne recording a strong 59-point victory to take out back to back premierships.

The Mahoney Medal was a runaway victory to Apollo Bay Captain Coach Brent Macleod who polled an amazing 37 votes. Colac Imperials young gun Bailey Scott was the Runner up and also won the Max Gray Award for best Under 21 Player in the Senior competition. Dominic Dare from Alvie won the goal kicking trophy with 83 goals in the home and away games.

Interleague was played against the Maryborough Castlemaine Football Netball League in Maryborough, led by coach Dan Casey. With scores level at quarter time, the CDFNL ran away from their opponents with a solid 53-point victory. Simpson's Nick Harding kicked 9 goals and Mahoney Medallist Brent Macleod was named Best player on the Ground. We thank Dan for the time and effort that he put in. We could not have asked any more of him and the result was well deserved.

Female Football

The growth of female football continued to exceed expectations with 65 Teams entered comprising; 2 Senior Competitions, 2 Under 18 competitions, 3 Under 15 competitions and 17 Under 12 Teams.

Talent pathways are emerging with the Falcons, VFLW and AFLW competitions all tapping into the talent we are nurturing and discovering. The Female Finals series was an extremely successful day conducted at Lara with St Mary's taking out the coveted Division 1 premiership over a strong Geelong Amateur team. North Geelong were too strong for Drysdale in the Senior Female Division 2 Grand Final. The Senior Female Best & Fairest winners were Geelong Amateur's Stephanie Abfalter in Division 1 and North Geelong's Charlotte Thorne in Division 2.

I would like to congratulate Will McGregor on his first year as our RGM and acknowledge the impact he has had on our structures and business management as well as his focus on club welfare and sustainability. I would also like to thank and acknowledge the rest of our staff, our Operations team of Nathan, Matt, Sean, Emily and Jock, as well as Deb who keeps it all together for us. The contribution made by the FDMs is an extremely important component in the service we are able to provide for the clubs, and their work has again been outstanding this year. I would again like to express again my appreciation to all the club volunteers for their hours of work committed to ensuring all the required tasks are performed in a timely and efficient manner. They are often thankless tasks but are vital and very much appreciated by all here at AFL Barwon.

Michael Limb
Operations Manager

NETBALL MANAGER'S REPORT

This season was certainly a challenge for us at AFL Barwon with a brand-new looking Netball Department. Season 2019 also saw the introduction of the Player Points and Salary Cap policies. We are extremely confident that these policies will continue to ensure the long-term sustainability of clubs.

Thank you to all 23 netball clubs for your patience and assistance to ensure that Emily and I could continue to learn and grow throughout the season. We are extremely grateful for the support shown this year and the tireless working volunteers at the clubs who need to be recognised for the wonderful job you do to make the competitions so successful.

I would like to thank our corporate partners; without their support we could not run the competitions each week. Blood Toyota, DOW, Bendigo Bank, Buckley's, Kempe, Epworth, G-Force, Geelong Advertiser, Medibank, Espresso Alfresco & Corio Bay Health Group have been great supporters of AFL Barwon for many years now and we look forward to supporting you all and continuing your relationship with our leagues for many years to come. A big part of the growth of our sport is due to the wonderful media coverage now received at a local, national and international level.

Congratulations to all our 2019 Premiers on a fantastic season and walking away with the result we all strive for. Well done to Newtown & Chilwell on their sixth consecutive A-Grade GFNL Premiership. It is a credit to your entire club for this continued success. Congratulations to Torquay on winning this season's BFNL A-Grade Premiership. Thank you to Portarlington FNC and Torquay FNC and all their hard-working volunteers in hosting our Bellarine FNL finals. A special thank you to Meagan Mifsud and Denise Alaalatoa, your assistance across the BFNL finals was an invaluable asset and the finals wouldn't have been such a success without your guidance. We again saw great crowds at all our games with spectators able to see both football & netball at the one venue over the final's series. Thank-you to Leopold FNC and Ocean Grove FNC for the use of your scoreboards for both GFNL and BFNL finals. Thank you to all clubs and spectators for supporting our finals series and Grand Final Days both BFNL and GFNL.

I must make a special thank you to Heather Carroll, Shirley Fagan, Sharron Taylor and Mark Cockerill who were vital resources in making this season's netball umpiring roster and mentoring go so successfully. No words can reflect the mammoth amount of work you did this season and Emily and I are extremely grateful. Thank you to all the panel umpires who backed up week to week this year and did a wonderful job. Both AFL Barwon and the clubs are very thankful for your continual hard work.

Well done and thank you to Ocean Grove FNC for the hosting our Tuesday night Under 11 competition. A further thank you to all the umpires of the AFL Barwon Junior Netball midweek competition. These competitions would not be able to continue without your support.

Thank you to all those involved in our Senior and Junior Representative programs this season. Well done and thank you to Geelong Amateur FNC for hosting what was a fantastic day at Queens Park for this season's Senior Interleague. It was a wonderful representation of Netball in our Region and I thank Jason, Olivia, Bev and Leah on coaching these teams. The Junior Representative program was certainly a challenge this year and unfortunately our teams failed to make the finals day of Association Championships. Well done to all the coaches and those who assisted us in selecting these teams. This program will be regenerated in 2020 with changes already been made to ensure this program is a priority for the best players in our region to be part of.

A big thank you to Mel Taylor and Maddie Okely at Netball Victoria for the support you have shown AFL Barwon and our clubs. We are looking forward to continually improving the ways the businesses work together to benefit the clubs. Congratulations to Lee Doherty in your first season as GDFNL Netball Manager. We look forward to continuing to improve the strong relationship we have developed this season.

AFL Barwon continued providing administrative services in 2019 to the Geelong Netball Club. It's fantastic that we can provide these services to ensure Elite Netballers in our region are being provided an environment to train and play that will enable them to reach their full potential. Congratulations on a wonderful season and winning the VNL Champ Premiership. Our administration services also supported the Geelong Flyers in developing their Junior Development Program, an elite junior program for the Barwon Region.

Lastly, thank you and well done to Emily Wolfenden-Carey on what was a wonderful job that you did in your first season. The growth and development you have shown this year will be a benefit to AFL Barwon and its Clubs for years to come. I must thank you for all the support you have shown me this season and being the netball knowledge of our team. Thank you to Sarah Scott for the mentoring role you provided this season. The business and clubs are extremely lucky to have you back as Netball Manager for season 2020.

Well done again to everyone on 2019 and good luck for season 2020.

Sean Atkinson

Netball Operations Manager

JUNIOR FOOTBALL REPORT

In my first year in the role overseeing junior football for the region it's clear to see why it is regarded as one of the premier junior competitions in the country. The passion and commitment from all areas of the region's clubs show why they continue to grow the game and produce fantastic footballers and maintain strong senior competitions. This year again saw further growth across the junior football team numbers with 332 teams competing in junior female and male competitions.

We continue to see amazing growth of female participation across the various junior age groups, which will no doubt bolster the senior competitions in coming years.

A huge thank you to our partners who have contributed in season 2019, especially the Geelong Junior Football naming right sponsors - Buckley's Entertainment Centre, Kempe, Geelong Advertiser, Medibank, Corio Bay Health Group and P&R Foods. Without your generosity it would be impossible to run such a great competition.

To all the clubs that hosted finals, AFL Barwon offers you a huge thanks. Congratulations to Bell Park and South Barwon Football Netball Club's for the outstanding coordination of the junior male grand finals and Lara Sporting Club for the exceptional hosting of the junior female grand finals. Although the weather didn't quite come to the party you should feel very proud with the success of the weekend and the wonderful work done by all the volunteers. It was a huge weekend and your hospitality and commitment made it enjoyable for all competing clubs and spectators. A further thank you to Drysdale, East Geelong, Geelong Amateur, Grovedale, Modewarre, Newcomb, Newtown & Chilwell, North Shore and Ocean Grove Cobras, Portarlington and Torquay on hosting junior finals.

To all club coaches, team managers, trainers and volunteers, thank you for all your hard work. It certainly doesn't go unnoticed and without your dedication the competitions wouldn't be possible.

To the players that were part of AFL Barwon Junior Football throughout the year, a huge thanks and I hope that you continue your footballing journey in 2020.

Thank you to the club Junior Coordinators for all the tireless work that is put in behind the scenes. Your patience and assistance in my first year in the role was certainly appreciated, it was a pleasure to work with you all and hope you all continue in 2020.

Nathan Ervin
Football Coordinator

UMPIRING REPORT

Firstly I would like to thank all the AFL Barwon umpire coaches and support staff in Geelong and Colac for their commitment and efforts in delivering coaching programs that has impacted on improvement for all umpires, we saw outstanding umpire performances in all finals games across the Region, I am very proud of the people who umpire games each week, I am particularly proud of the club affiliated umpires who, without you many games would not go ahead, so from all your peers and to every person involved in umpiring well done.

We again reached a record participation of umpires in AFL Barwon of **508 (+7 from 2018)**, this did translate to “actual” weekend Colac (+3) and Geelong (+12) umpire numbers. Geelong continues to be impacted with Sunday boy’s and female competitions, in total including Coaching and support staff AFL Barwon - Geelong **371** umpires (+26), while AFL Barwon - Colac grew from 74 umpires to **80 (+6)** including coaches/staff. We have had another **57** people registered as participating in umpiring which was made up from registered club appointed umpires and registered School based umpire academy participants.

Umpire absenteeism still remains challenging with around 20-25% unavailable each week, this is mainly due to family, work and school commitments.

We had growth of 5 female participants from 2018 (42-47), although this is a positive female participation increase, it still only represents 9.25% of female umpires in our region, an area we need to grow further with emphasis on stronger match day environments and female umpire facilities.

We must continue to encourage people to **“give umpiring a go”**, we know it’s one of the best seats in the house and a great way to stay in the game, **former footballers of all ages are strongly encouraged to try umpiring**, our umpiring programs offer a supporting and welcoming environments and former footballers can value add their experience back into the game.

AFL Barwon has a very diverse group of people who participate in umpiring. Umpiring does offer opportunities to people of all cultures, ages and gender, with strong accredited coaching and support personal for anyone that wants to be part of the game as an umpire.

Season	Gender	Age 12	Age 13	Age 14	Age 15	Age 16	Age 17	Age 18	Age 19	Age 20	Age 21	Seniors- (Mixed)	Veterans Over 32s	Veterans Over 35s	Veterans Over 40s	Veterans Over 45s	Unknown	Total

*Table includes all participants registered in 2019

The DRod Umpire Academy (David Rodan) was launched by AFL Barwon in June 2019 at Nth Geelong Secondary College where 22 students participated and 7 taking on weekend umpiring, along with other Umpire Academies conducted at Trinity College Colac, Clonard College, Christian College continue to expose school students to umpiring and has been a successful recruitment program for the Region.

AFL Barwon all abilities Umpire Program continued its growth with 8 participants through the supporting efforts of AFL Barwon Commissioner Richard Underwood and Geelong Umpire Brendan Beveridge where all participants were identified and able to be trained and umpire in a live matches in our junior grades each week including 4 who umpired in the U13 Div 8 Grand Final. We know this program can be further developed and showcase that anyone wanting to participate in AFL – can.

UMPIRING REPORT

The AFL Barwon Region was again very well represented with umpires and umpire coaches from Geelong and Colac in the AFL Victoria 2019 Worksafe Country Championships, V/Line Umpire Academy, V/Line Cup and NAB League matches.

Over 35 umpires were involved in these programs which allowed for greater development of individual umpires by being exposed to higher opportunities similar to that as offered to players. The Geelong Umpires also have 3 umpires nominated for AFL Vic. Trials for the upcoming 2020 season.

AFL Barwon had 6 Umpires and 2 Umpire Coaches attend the 2019 V/Line Cup and was well represented from across the State, a great outcome and credit to our umpire coaching staff and developing umpires.. Will Ross (Field), Jaymee Guy (Boundary) and William Bothe (Goal) were appointed to the AFL Vic Country v AFL Vic Metro match after a strong performance during the 2019 Worksafe Championships, The BFNL v GDFL match was umpired by our growing talented umpires all of whom were under the age of 19 further enhancing the quality and depth of umpiring we have in the AFL Barwon region.

Will Ross (Geelong Field Umpire) was named the inaugural recipient of the AFL Barwon Community Umpire of the year award, other finalists were Craig Kerr (Colac), Jonathan Peck (Geelong) and Sian James (Geelong). AFL Victoria Golden Whistle recipients were Trent Blake (Colac) and Will Ross (Geelong). AFL Barwon now has 100% of 2nd year and above Accredited umpires and all AFL Barwon Umpire Coaches fully accredited.

Thank you to Larry Donohue who without his efforts as AFL Barwon - Geelong Umpires Appointments Coordinator we would be in turmoil getting the umpires to games each week, this is a huge job that takes a lot of coordination with the coaches, patience and persistence which Larry does without fuss.

AFL Barwon High Performance Falcons Umpire Academy, now in its 3rd year is giving young umpires who have been identified as future VFL trialing umpires being "introduced" to what a "high Performance" environment is and equip them with the skills and mindset that will be required as they progress, David Harris (AFL Umpire) lead the group of 18 umpires over 4 sessions, they all officiated the Falcons trial matches in February/March. Thank you also to Mick Turner (Falcons GM) for his support of the program. This Program has now been adopted as the AFL Victoria Umpire Talent Pathway Program and rolled out to all NAB League Clubs across the State, it has now replaced what was the V/Line Umpire Academy for 2020, a big recognition for our Region in Umpire Development.

As we move to 2020 umpiring will have many challenges across the Region, with the change in structure of junior football now fully established and being reviewed on its progress along with the changes to CDFNL to the CDFNL Junior restructure in 2019, and the senior women's competition continuing to grow further, all demanding the need for even more umpires, Colac umpires in particular need a stronger and urgent drive from clubs to assist in the recruitment of **umpires** for their League, we are all in this together and together we can grow umpire numbers.

AFL Barwon will continue to invest in umpire development and umpire coaching, by investigating and purchasing greater technology and the funding of more match day observers allowing greater assistance to Club appointed umpires, particularly in the non-competitive grades where parents and others need such support.

AFL Barwon need to consider how better to accommodate umpire training at different areas within our Region as people spread out across the Greater Geelong and Colac area, satellite venues need to be considered in the North, South and Bellarine, possibly utilising school and/or clubs, making sure greater investment to umpire coaching and people resources can be delivered.

I continue to look forward to an exciting future for AFL Barwon, Geelong and Colac umpire groups as we establish more strategies that will recruit and more importantly retain community umpires, continue to provide greater pathways for our talent umpires and deliver even stronger umpire coaching which will give us greater umpire performances to each game that is officiated in the AFL Barwon Region.

In closing I would like to thank the AFL Barwon Commission, AFL Barwon Staff and Geelong Umpires BoM, CDFUA, AFL Victoria Umpire State Development Manager Russell O'Toole, GDFL executive, and all AFL Barwon/GDFL clubs. Thank you to Mark Davison (GFUL Chairman) and Craig Kerr (CDFUA President) for their support over their terms, I want to acknowledge the time, contribution and sacrifice you have made to your Umpire Associations along with your board members, it's much appreciated by everyone in umpiring and AFL Barwon, well done and again thank you!

If anybody is interested in umpiring in 2020 please contact myself, GFUL, Colac Umpires or your local club.

Jock Hillgrove

AFL Barwon Regional Director of Umpiring

FOOTBALL DEVELOPMENT REPORT

Football Development Managers play a key role in achieving AFL Victoria's Vision "To be the most accessible sport for all Victorians". They are also responsible for delivering programs and targeted strategies to grow the game throughout the AFL Barwon Region.

2019 HIGHLIGHTS

AUSKICK

- 40 Auskick centres operated across the AFL Barwon region throughout 2019
- A total of 3,261 Auskick participants registered in 2019 (2,670 – Male & 591- Female)
- Auskick Super Clinic allowed almost 1500 kids to fill GMHBA stadium to meet the Geelong Cats players and show off their Auskick skills.
- The Auskick Challenge was established in August to assist with the transition of Auskickers into Junior Football. 28 teams participated at the North Geelong Football Netball Club.
- We held our first Koorie Auskick program in partnership with the Wathaurong Aboriginal Co-Operative.
- Our region was selected as one of 5 locations across the state to host Pop Up Auskick in partnership with the Leisuretime Sports Precinct
- Henry Baum from Lara Auskick was selected as an Auskicker of the Year finalists.

CLUB FOOTBALL

- 494 teams competed across all age groups in the AFL Barwon region (439 male teams & 65 female teams), equating to over 12,800 club participants.

SCHOOL

- 130 AFL School Ambassadors supported our game development initiatives and helped to keep Australian rules football in the school yard and in the curriculum.
- School Competitions including primary and secondary SSV and GISSA competitions.
- We continued to promote the game of AFL to school participants through the Sporting Schools Program & School Clinics.
- We partnered with Geelong Football Club to deliver programs into more schools through the Cats LEAP Program.

COACHING

- 811 Accredited coaches throughout the region
- 259 Coaches have participated in Coaching Workshops throughout 2019.
- 100% of Community Coaches are accredited through the Coach.AFL portal.
- We held our first Indigenous Coaching Course with premiership player Chris Johnson
- We worked with the AFL coaching team to host the Level 2 coaching course, resulting in more of our local coaches attaining level 2 accreditation.
- Congratulations to our annual AFL Barwon Coaches Association Coach of the Year award winners
 - Peter Burke Senior Coach of the Year – Mitchell Herbison and Troy Mitchell Barwon Heads FNC
 - Youth Coach of the Year – Matt Dowling Geelong Amateur FNC
 - Female Coach of the Year – Prue Davies Drysdale FNC
 - Junior Coach of the Year – Cameron Healy Torquay FNC
 - Auskick Coach of the Year – Matt Ward Lara AAA Auskick
 - John Edsall Award – Peter Robertson and Glenn Browne Bell Park and Geelong Dragons
 - Leon Schram Award – Naomi Madigan Torquay FNC
 - Geelong Advertiser Personality of the Year – Shirley Fagan
 - State Youth Coach of the Year Finalist - Matt Dowling Geelong Amateur FNC
 - State Volunteer of the Year Finalist - Matt Ward Lara AAA Auskick

REPRESENTATIVE FOOTBALL

- The Worksafe Community Championships, Herald Sun Shield School football competitions and other representative games at club and school levels.
- The Geelong Cats Academy in September at the V/Line Cup and the AFL Under 16 Girls High Performance Carnivals.

PROMOTIONAL

- Footy Frenzys held through 2019 with over 300 participants
- AFLW activations and Auskick promotions throughout the first part of the year.

FOOTBALL DEVELOPMENT REPORT

CLUB & REGION DEVELOPMENT

- We worked with GFNL, BFNL, GDFL, CDFNL, GFUL and CFUL Football and Netball Clubs to implement outcomes that are outlined in the recently released G21 and AFL Barwon Strategic Plan.
- The Bell Park Dragons FIDA team continued to go from strength to strength. A huge thank you to Bell Park FNC, Leisure Networks, Tegan Curwood and Tim Downes for their foresight and hard work.

GEELONG FOOTBALL CLUB – COMMUNITY COLLABORATION

- Working with Geelong to coordinate all the AFL Player Appearances at schools, junior clubs, NAB Auskick centres and community events.
- Assistance in bringing the Geelong Cats Community team to the Colac Region for Healthy Heroes and School Clinic visits in August.
- We collaborated on the NAB Auskick Super Clinic for approx. 1,500 participants at Simonds as well as the Geelong FC Junior member's clinic for approximately 800 kids.
- We hosted community camp again this year, with a focus on Golden Plains Shire and Northern Geelong. In partnership with Geelong Cats, we visited 3 community organisations, 18 schools and 10 clubs across the selected locations across 2 days.
- We were able to provide 70 multicultural people with the opportunity to witness their first game of AFL Football at GMHBA Stadium.
- In partnership with Geelong Football Club and Catholic Care, we held our first CALD mums clinic, where our famous 70 year old mum with the tackle bag was born!
- 23 multicultural and indigenous boys travelled up the highway to Arden Street to represent Geelong Cats against North Melbourne in the NGA Games.

Good luck to all for the 2020 preseason,

Jess Smith, Luke Maher, Sarah Scott and Lily Graham

To say the football season was a challenge would be an understatement, with the senior coach being rushed to hospital two weeks from the season commencing. Jordan Erskine, Ryan Williams and Andrew Bews all stepping up to fill the role until Paul our Senior Coach was back and able. The football club in all areas enjoyed a successful season.

After a slow start to the netball season, with many of our A grade team heading to Melbourne and the settling of new players. We came together and played some positive netball in a strong second half to the season.

Players stepped up into higher grades and gave their all. We were excited to have our new shelters installed at the courts this season. Thank you to the Lions and Lionesses of Anglesea, the Uniting Church of Anglesea and the Anglesea Bendigo Community Bank, along with Patrick Dangerfield, Tegan Philip and Andrew Bews for their support. We enjoyed a positive, encouraging and fun year, no matter the results. Our junior netball is looking good, with exciting numbers in the lower age groups.

To our volunteers who have helped this season, thank you from myself and the Committee and trust you will be on board in the coming seasons. The club is in a very good position going forward in 2020.

The football season saw Barwon Heads break a 26-year premiership drought with a famous victory over Torquay at Torquay.

As a coaching and playing group the season threw up many different challenges with numerous injuries and player unavailability. This was highlighted by 45 different players appearing at senior level. I look forward to defending our crown in 2020 as the competition was very even in 2019 and should be the case again in 2020.

The netball season was another to be proud. All teams finished top five, with seven teams playing Grand Finals.

E Grade and U13 Division 6 won Premierships, whilst the rest will regroup and come back stronger again next year.

The end of this season brings the end of an era. We have had the pleasure of Olivia Young and Sharon Wilson, coaching A and B for four years. We are extremely grateful and wish them every happiness as they move on.

Congratulations to all of our award winners in 2019!

The Drysdale Football Club underwent major change in 2019 with a change in Senior Football coaches, to Luke Matthews and Daniel Jull, and a successful recruiting program. This resulted in an improvement from five wins in 2017 and 2018, to 11 wins in 2019, but unfortunately, we just missed out on finals. Off field the new committee engineered a stunning financial turnaround, from a 2018 \$40,000 loss, to a 2019 expected profit of \$50,000. We forecast stability in 2020 with continuity on and off the field.

The Netball Club had a successful 2019 season with 15 junior teams and 6 senior teams playing in the BFL competitions across Tuesday, Friday and Saturday. We were pleased to have a strong number of junior and senior participants. We had five teams represented across the finals series and our club won 2 junior premierships and one senior premiership.

Our sponsorship numbers are increasing fast and our membership numbers continue to move in the right direction.

We need to focus on recruiting a couple of quality senior players that will strengthen the club from the top in our senior ranks and with Olivia Young's appointment as coach for the next two seasons we believe this is well and truly possible.

We are looking forward to more growth across 2020.

GEELONG AMATEUR

OFFICE BEARERS

We had another successful season with new club senior coaches in both netball - Vanessa Sgamaro and football - Kane Tenace, leading the way. The club worked hard to develop and encourage young players to play senior football and exceeded expectations with making the finals in both Seniors and U19's.

The women's football welcomed Shannon Knox-Gray to assist Tim "Bluey" McGrath coaching the senior girls team to an amazing grand final appearance. The U18 girls were led by Graeme Arnold, bringing home the flag.

Our netballers made finals in all divisions, an amazing achievement. The club thanks all the hardworking volunteers and the players for contributing to another successful year both on and off the field/court.

MODEWARRE

OFFICE BEARERS

It has been a very successful year for our club, with several football and netball teams reaching finals. Our Reserves football broke through for a long awaited Premiership. This is the result of a very united and dedicated group of players, coaches and officials. As always the entire club celebrated. We also took out the Football Club Championship which is a great effort for a club of our size. There were a couple of outstanding individual honours with Luca McElhinney winning the U19 League B&F and John Meesen taking home the Les Ash Medal. A massive thankyou to all football and netball coaches, players, supporters, sponsors and most importantly to the hard working people, especially our club executive, that volunteer countless hours to keep the wheels turning. Bring on 2020.

The Newcomb Football & Netball Club's summary on a football sense was a pleasing return for some hard work put in over a number of years. With both the senior and reserves team both winning 6 games and being very close in a number of other games that could have fallen either way. A better season obviously from previous years, and in saying that we believe that we have turned the corner for a more sustainable & competitive club moving forward. All involved with the club are looking forward to the 2020 season to ideally improve again from 2019. Lastly congratulations to the Barwon Heads FNC on winning the 2019 premiership.

OFFICE BEARERS

Football

Our senior men had a tough year on and off the field. Thank you to David King for stepping into the coaching role in difficult circumstances mid-year. Injuries hit the group extremely hard, so it was a credit to Cheyne Kelly and the reserves that they were able to qualify for the finals with so many players unavailable in the back half of the year. Congratulations to our Under 19 boys on winning the premiership in fine style over Barwon Heads. There is a lot of talent in this group which should have our supporters looking forward to seeing in senior ranks next year and beyond.

Our senior women did it tough all year, graded into Division 1 but showed great resilience to crack in each week. Next year will definitely be different, with a focus on enjoyment and development in a lower division of football.

Netball

An extremely successful year highlighted by one senior and four junior premierships and multiple finals representatives showcasing the depth across all grades. Well done to our D Grade, 17U(2), 15U(2), 13U(2) and 13U(4) teams on their Grand Final wins. Congratulations to our league Best & Fairest winners Shereen Wolfe (D grade) and Anna Smith (15U Div 1 and 17U Div 1).

A massive congratulations to Elyse Howard who is stepping down as senior coach after 3 years in the role. Our club is competitive in all grades, due in no part to Elyse's passion and enthusiasm.

The Portarlington Demons Football Netball Club has continued to develop and strengthen its junior departments throughout season 2019. In football our U/15's and U/13's were competitive throughout the finals series and for a first time in many years fielded an U/17's side. Our U/15's netballers were good enough to win the premiership. Under new coach, our netball has rebuilt the department with a number of significant players being welcomed to the club and committing for the seasons ahead. Our senior football was the focus of a full external review and has subsequently seen a number of changes implemented with these works continuing throughout the off season. The club would like to extend a warm and heartfelt thankyou to the numerous volunteers, parents, members and sponsors who have provided overwhelming support during this important rebuild the club is currently working through. Off field, we continue to welcome more personnel with a professional background to assist in implementing the required change.

OFFICE BEARERS

After a busy and enthusiastic pre-season our senior netballers and footballers started the season full of hope and confidence. Unfortunately, that confidence had evaporated by mid-season as the club was hit with an unprecedented rash of injuries across most teams. By season's end our two senior football teams had played a record total of 104 players. The unavailability of key players did however provide the opportunity for the club to blood some promising juniors in senior netball and football teams.

On a better note, 2019 saw our netballers make the long-awaited move into brand new state of the art courts and facilities in the Sports Precinct. And our E Grade netballers played finals in their first season. The Couta juniors continued to perform well with our Under 15 and Under 17 football teams acquitting themselves well in the Division 1 competitions. And our Under 17 netballers won the premiership in 2019 to make it two in a row. The future definitely looks bright!

In what was a difficult year on field, the club continued to prosper off-field and we thank all our sponsors, supporters and volunteers for all your hard work in 2019. Looking forward to a great year in 2020. Go Coutas!

OFFICE BEARERS

2019 was a successful year for the Torquay Tigers with our A grade senior netball winning the premiership and seniors and reserves football both making the Grand Final. With another highlight being the introduction of a senior women's football team this year.

With over 1,000 players in more than 50 teams across football and netball, the strength and size of our club is testament to the wonderful group of volunteers and dedicated coaches who work tirelessly to ensure our club is a great place.

Our junior program goes from strength to strength achieving the ultimate success in both football and netball this season at multiple age groups.

On behalf of the Club we would like to acknowledge our major sponsors in McCartney Real Estate and Saltair Spa for their ongoing support.

The club is in great shape both of and on the field and we look forward to season 2020.

Colac

Our Senior side finished the year in 6th position just missing out on a finals position by percentage. As a club we were quite happy finishing the season on 12 wins which would in any other year almost guarantee you a finals position. Also having defeated the eventual premiers both times during the home and away season was pleasing. We thank our Senior coaches Tim Sheringham and Shane Jack for the season and thank Tim Sheringham for the past eight years as Senior coach. Tim is stepping down from his coaching role but will continue with the club as a player. Our Reserves had an indifferent season through player availability and finished the season outside of the five. Our U19 side competed admirably in the Division 1 competition being competitive in most games and pleased to receive the Victorian Spirit of Sports Award. Our Junior section remains vibrant with our U17 Division 1 side competing in the Grand Final.

2019 has been a challenging year for many of our sides, however we are continuing to build our club and create a 'positive culture' amongst this group. Our girls are happy, enthusiastic and highly motivated to develop and improve this club. Thank you to our playing groups. Thank you to all of our Senior grade coaches – Bree Walton, Kaity Sheringham, Kerri O'Brien, Karla Duynhoven, Tracey Purcell, Mel Moore, Fiona Chisholm, Heather Cheever and Lisa Uebergang. The time and effort provided by these ladies has been enormous. In 2019 we were again fortunate to have some senior players that coached junior sides here at the club, so thank you to Tayla Falconer (17As), Tess Finnemore & Carla O'Brien (15As), Phoebe Wilson (15Bs), Maggie Williams (13As) and Bridget Mapleson (U11 Green). This link has been essential to better develop our juniors and also provide greater relations between our juniors and seniors. Thank you to Carmen Williams who ran the Junior program at the club again this year. Carmen has now been doing this role for over 5 years and is tireless in her time and commitment our junior program. A special congratulations to two of our U17 girls who played games in our B grade side this year – Makaela Connelly and Katie Gdak. These girls along many other budding juniors will eventually be the backbone within our senior ranks.

The Executive Committee has a particular goal to grow this club and swell our numbers at Senior and Junior level. This year we had 6 Senior sides, 8 Junior sides and a developing Net-Set-Go program, however we need to continue to expand these numbers. Go Dragons.

COLAC

OFFICE BEARERS

The 2019 season proved to be a successful one for the Colac Tigers. We had strong representation in both football and netball finals. Our U13 football team made the Grand final and the Reserves progressed deep into September. The Seniors went very close to winning the Grand final but unfortunately fell painstakingly short on the day. The highlight in Netball was having all junior netball teams make the finals with 17 and under Div. 1 and 13 and under Div. 2 both making their grand finals. This was great reward for the coaches and junior teams and showed very positive signs for our junior netball program. We would like to thank all of our sponsors and volunteers for their investment in our club and thank AFL Barwon and their partners for putting together a successful 2019 season.

GROVEDALE

The Netball season began with the club not having any home courts again, due to the new outdoor courts not meeting regulations. With the support of AFL Barwon and Grovedale College we were able to play the remainder of our home games on the College's new indoor courts. The appointment of a new Senior netball coach Bruce Waldron. Bruce brought with him a wealth of netball knowledge, strong club culture and a commitment to develop our club from juniors through to seniors. Bruce worked tirelessly in the off season recruiting new players, we were restricted in who we could recruit due to the introduction of the player points system. Three of our Friday night junior teams were successful in making finals appearances, the U13 Division 5 team made it to the Grand Final. We had 14 Junior and six Senior teams in 2019.

The Football season went well, we had one representative in the Interleague squad, one player in the AFL Barwon Team of the Year and one player who polled double figures in the league B&F. Our Reserves finished 5th following a 50-point loss in their first final. Our U19 team finished last with two regular season wins and two grading game wins.

In our third year as the Geelong West Giants, both our netball and football teams have demonstrated improvement and growth across the board. We fielded netball teams in all Senior and Junior grades with our Senior netball teams experiencing the most successful year yet of competition as the Geelong West Giants with A and B Grade making finals, and C, D and E Grade narrowly missing out on finals. We were able to field two U19 football teams and two Senior women's football teams this season with both our Senior Women's teams making finals. Our Senior men's football team have continued to develop younger players and will reap the rewards in years to come as these players continue to play at this level. Our Junior teams were guided by some very experienced coaches and are developing in to talented footballers and netballers which will bring a promising future to the Giants.

OFFICE BEARERS

On behalf of the Football and Netball Committees, we thank our sponsors, coaches, parents, players, committee members and all volunteers who have once again done an amazing job at providing very high-level programs to all our members. From Net Set Go! through to A Grade, we continue to develop, increase numbers and with four teams in finals this year, we can see some reward for our efforts. Football success continued for both male and female teams with increasing participation and several teams making finals, including one premiership for our U15 boys. The inclusion of an All Abilities netball team and an All Abilities Auskick program had great impact on the club along with the many social and community-based functions and programs we aligned with the club this year. Thanks to all for their support and continued enthusiasm.

OFFICE BEARERS

It was a great season for the Leopold Football Netball Club. While success is sometimes only measured by premierships, only our U17 girls netball were successful in winning the premiership this season. However, 2019 will go down as one of the more successful seasons for the club as a whole.

Many changes were made at committee level at the start of the season. The incoming committee were able to build on the hard work of the previous committee adding some finishing touches to our new facility, increasing revenue through sponsorship and fundraising and implementing a successful junior forum. This aimed at improving the link between the Junior and Senior sections of the club being our 2019 highlights.

We would like to thank our sponsors, members, volunteers and AFL Barwon for your support throughout the year. We are already looking forward to bigger and better things in 2020.

OFFICE BEARERS

On reflection on the 2019 season, everyone involved through all grades of Senior football and netball can be proud of what was achieved. Top of the list is our A Grade netball winning their 7th premiership in a row, as well as B Grade winning the flag. Our Reserves footballers came away with a hard-fought win to come home with the Premiership, which was a fantastic achievement. We also won the overall Club Championship, as well as the Netball Club championship, which is a reward for everyone involved at the club. It was a busy September with most Senior grades of football and netball playing finals, including U19 netball and U19 football, which paths the way for success in the future. We celebrated some excellent finals wins in the Junior grades, with the numbers continually growing in the Junior ranks.

NORTH SHORE

OFFICE BEARERS

The club had a challenging year in both the Senior Netball and Football. The departure of players across both Netball and Football resulted in an influx of new players. The Senior Football sides were winless, but the courage and determination of the teams shone throughout the year. Nick Dixon represented the GFNL in the Interleague. The Netball section is rebuilding with the A and B Grade Coach Terry Corry and the new Netball Coordinator Kyly Davies doing a great job attracting young talent to the club. Although results didn't go our way for much of the year, there were definite glimpses of the talent and game plan required for this level.

The Junior Netball teams tried hard all year and posted wins but missed out on finals. The U13 and U19 football sides were both premiers and the U15's were runners up. The U11 football side also had a great year. The club room toilets were renovated, and we continue to be well supported by our major Partners Vikon Geelong, WarrenComms, Avalon Airport and VIVA.

SOUTH BARWON

OFFICE BEARERS

At Senior and Reserve grade levels, the season started with high expectations but finished a disappointing 7th. Both our Colts teams represented in finals and this augurs well for 2020 and beyond. The Juniors competition continues to grow with 634 registered participants in 24 teams. On the female side, we fielded teams in U12, U15 and U18 for the first time. Overall the season was successful for the girls football with several new players and most committing to continue in 2020. Our netball women failed to make finals (by percentage only) for the first time in memory but the club did achieve five premierships in eight Grand Final appearances over all grades in an enjoyable Grand Final Saturday.

St Albans Football and Netball

Football Report

The year started under challenging circumstance with a late change in our senior coaching roles and with appointment of Joint Coaches in Chris Carlon and Adam Boshevski, despite this we were able to recruit well alongside retaining our existing list. There was a clear focus on high performance, we introduced many new concepts to challenge the playing group both physically, and mentally, this certainly paid dividends with a much more competitive output from our senior teams. This was evident in our percentage jumping from mid-40% to low 90% and if it wasn't for a couple of single figure defeat our season could have ended up much different and we feel as though we heading in the right direction which is based on a stable and strong foundation. Our coaches have been appointed and we are already well on the player recruiting front. As a committee, we are considering changes to our structure to be more a one-club philosophy and collectively will have a clear focus on our junior development program whilst ensuring our financial stability is maintained.

From a junior perspective, we had 4 teams represented in Grand Finals, with our u13's boys team winning the premiership, these success validate our ongoing focus on our junior development that will continue to be a key focus for our club going forward.

There is no doubt running a sporting club is an onerous task that seem to never get any easier, there is a real concern of volunteer churn and the burden the some volunteers carry can have adverse impacts. Despite this challenge, we are very fortunate to have a loyal and very giving supporter base and collectively we are exciting with upcoming season and opportunities that it will bring.

Netball Report

St Albans Netball started the season back at our home ground with the completion of the two court renovation. The courts look fantastic and aligning with the scheduled match times was a welcomed change. We maintained a strong senior and junior squad, with returning players and new players joining us. We fielded two sides per junior age group and a team in every senior division for the first time with the fielding of an E grade team. This team was made up of mostly new players to our club and they were quickly embraced into our netball community.

It has been another successful year for us not so much in the ultimate on field success but certainly in our off-field pursuits which has only happened due to the enormous amount and time, effort and expertise of our club volunteers continue to provide.

We have achieved the following in 2019; Netball change rooms and facility completed, new away team coaches box completed (club funded), Herne Hill Reserve Masterplan approved by all stakeholders, walkway between the two ovals has been asphalted and concreted, design work has started on the new Football and Cricket facilities for Herne Hill Reserve, online volunteering system, online apparel system, record sponsorship growth and club Coterie Groups membership, upgraded Netball courts lights to enable games for points under lights (club funded) and Walker Oval had drainage works completed.

The club will continue to work with the COGG and State & Federal Governments to improve our facilities and we as a community will continue to improve our on-field performances in 2020 and beyond.

Men's Football

It truly was an outstanding effort from all the whole playing list and thanks Chippa for that miraculous goal from outside 50. Since then it's been great to see all the boys celebrate the win like it should have been but even greater to see them all back in the gym and pushing themselves to go again. At this stage it looks like the playing group and coaches will stick together which is critical to sustained success. As a club we should all be so proud of what was achieved through a pretty tough year. To win like that shows the real character of a pretty special group. Be proud and ensure we all stick together to do it again in 2020.

Female Football

This year we had over 130 girls & women play football for our club which is an increase of 10% from the previous year. The two teams who went to Grand Finals came away with premierships – congratulations to the U15s and Div 1 Senior females and their support people on those thrilling wins, in doing so, we became the first club in AFL Barwon history to win senior premierships in men's and women's football in the same year. Our senior females also played in and won the inaugural Pride Cup in May against Colac.

Netball

We fielded 6 senior teams in the competition, with a total of 68 girls taking to the court in the St Mary's colours. Five senior teams made finals, with the Under 19s taking home the premiership and C and B grades being runners up. A few girls reach milestones in 2019: Claudia Conway, Meg Blood and Laura Ellis played their 100th senior game for St Mary's during the season. Kate Fowles, Bree Walters, Jackie Riddle, Alexandra Sheridan and Courtney McCrow played 50 senior games. Hannah Van Gemst was named Best and Fairest for the league in A Grade and was also a member of the A Grade GFL team of the year. She also took out the Hot Shots award for most goals scored by anyone in the competition for 2019. Emma Walters was awarded AFL Barwon Rookie of the Year for A grade. A sincere thank you to our coaches, team managers, primary carers and parents for the support provided to all our netballers during the season. A huge thanks to all the coaches, support staff, board members, volunteers and parents who worked tirelessly to make 2019 the success it was.
