CHAIRMAN REPORT

Welcome to the AFL Barwon Annual General Meeting for 2017. This will be the 5th annual report to our affiliates since the formation of the Commission in 2012. The report will outline the progress made during the 2017 season and provide direction for the journey ahead.

We continue to enjoy the outstanding work of our club volunteers. The Football and Netball games we present are of the highest standard in regional Australia and the benefits that flow to our community as a result should never be under-estimated. It is the excellence of the sporting performance we strive for that drives the continuous improvement of our clubs – and it is the high quality of leadership and governance in our clubs that enables sporting excellence.

In 2017 AFL Barwon updated the Strategic Plan of 2014-2017 which has morphed into the 2017-2020 version. This plan has been communicated to stakeholders throughout 2017 and provides a clear vision for our region affiliates and their communities to engage with in order to ensure the growth and prosperity of our affiliates.

Participation

Participation is a key objective for AFL Barwon. The major focus this year has been the reviews of Junior Football and Netball. The work has been largely completed in these areas and the actions identified have been communicated to stakeholders. These actions will be developed and prioritised in the coming months and will provide the right environment to encourage growth in participation and better manage our competitions.

Umpiring remains a key focus for the Commission. There is a need to invest in Umpiring to ensure that our Umpires are well supported and resourced across the AFL Barwon region. The participation growth for football and netball umpires needs to meet or exceed the growth in our games. The appointment of the Regional Director of Umpiring, along with some innovative and specific program development, is crucial to achieving the required increase in both the number and quality of umpires. AFL Barwon is prepared to further increase the funding commitment to Umpire coaching and recruitment in 2018.

The Competition Restructure start date for 2019 draws ever nearer. The Commission has engaged with all affiliates to ensure a smooth transition in 2019 and beyond. This engagement is key to the success of the plan and will continue to be a focus for AFL Barwon Commissioners and staff over the next 12 months. The Commission is determined to promote vibrant and sustainable Clubs and Leagues that are at the heart of the Community in which they reside.

The growth in female participation in Football and Netball in the AFL Barwon region is massive. On the back of the inaugural AFLW season the interest in female football is expected to be a key focus moving forward. Clubs are encouraged to embrace the concept and the number of teams and competitions is forecast to continue to grow in 2018 and beyond. One of the significant challenges to build on this growth is the scheduling and infrastructure necessary to support female footy. AFL Barwon will work with our clubs to facilitate these competitions.

The Netball review has identified many of the issues that are challenging to the continued growth of participation in Netball. Our junior competitions face challenges in finding appropriate facilities to accommodate the games and the scheduling of games is a multi-faceted problem that will require careful planning and significant consultation with our clubs.

AFL Barwon is committed to finding solutions to these problems to meet the key objectives of Participation and Club sustainability.

Community:

AFL Barwon affiliates are well known to be leading organisations in the community. It is important that we uphold the values of AFL Barwon - **Accountable, Progressive, Respectful** – to ensure that our clubs retain that prominence and respect in our wider communities. Community awareness, behavioural standards and good governance and leadership will assure that our clubs support quality management and provide an environment that will motivate volunteers, umpires, coaches, teachers and fans for all levels of Football and Netball.

Integrity & Sustainability:

Our integrity measures in the areas of on field discipline have been strengthened and the Match Review Panel and Tribunal changes implemented have ensured a fair and proper process to enforce the integrity measures. The Commission has flagged changes to some of the Appeal processes and is working with the peak bodies to make the system more consistent and accountable. This will be a priority in the coming months with a view to implementation for the 2018 season.

Off field integrity and governance measures are constantly changing along with the expectations of our society. The Commission is, and will remain, vigilant to challenges that arise from advances in technology and communication media.

The continued evolution of the Club Sustainability measures will provide a template for clubs to monitor and control player payments and ensure that compliance with the CCSP rules is not too onerous for our club volunteers. The Player Payments and Player Points System (PPS) are central to club sustainability and AFL Barwon will absolutely uphold the integrity of these programs. The range of sanctions available to the Commission in these matters is wide ranging and will be enforced with rigour in the event of any breaches.

AFL Barwon is developing policies to enable similar sustainability measures to be applied to our Netball competitions. This is being undertaken with the co-operation and input of all clubs and Netball Victoria. This will be a major project to be undertaken in the coming months and will require much consultation with all stakeholders.

I would like to acknowledge the great work of the leaders in our sports who accept the responsibility to govern and operate our organisations with both passion and integrity. Our community is well served by the volunteers at our clubs and leagues and on behalf AFL Barwon and the wider Community I thank you all.

In closing I would like to thank all of the AFL Barwon staff, under the leadership of GM Lee Hartman, for their tireless efforts that often go above and beyond the call of duty.

Last but not least the AFL Barwon region is fortunate to have nine committed Commissioners who make a significant and selfless contribution to achieving the mission and vision outlined in the strategic plan.

Bring on 2018!

Craig Keating

Chairman

AFL Barwon Commission Ltd.

GENERAL MANAGER REPORT

Season 2017 was another successful season with continued growth of both participation and a review of strategic plan and direction

Once again a huge thanks again to our Major naming rights Partners, Blood Toyota, Buckley's Entertainment Centre & The Dow Chemical Company, we thank you, your support is invaluable to the leagues you support, our other long term partners including, The Geelong Advertiser, Corio Bay Health Group, Bendigo Bank, Kempe, CUB and K-Rock, to our new partners, The Drain Man and Cleanaway, we thank you for coming on board, you are all very much a part of our organisation and our continued growth could not be possible without your support. To the other partners who in their own right make significant contributions, we also thank you. Our work with the clubs creating safe, fun, family environments could only happen with the support we get from our partners.

Thank you again to the Shires and Councils in the region. Continued co-operation on projects in the region and the support with our G21 strategy is appreciated

As we continue to grow it has put extra pressure on current resources and our regional administration centre is now under stress to house all those resources. We plan to under a study to the future of our home base and will consider all options.

To my Staff, I thank you for your continued efforts, Michael Limb Football Operations Manager, Michael had a real focus on the salary cap reporting this year to make sure all clubs were compliant, Sarah Scott who in her 2nd year as Netball Manager really grew into that role, she managed the Netball review which was a lot of work, Sean Atkinson Football Co-Ordinator as well overseeing the Junior Football due and the points system and Jock Hillgrove our Regional Director of Umpiring continues to make inroads into the umpiring management, to our part time staff and volunteers, our many finals helpers and ground managers and everyone that helps out including our university placements, work experience and SEDA placements . Thanks again to Deb Thewlis, she is the first contact of our business and does an outstanding job. Thank you Deb for your personal efforts. To Luke, Will and Katie, well done on your year working together on development and delivering high quality outcomes for football in our region.

Thank you to the Players that represented the leagues at interleague in 2017, Thanks again to Jock McMahon and his team for their tireless work and also to Charlie Johnson and his team during finals.

Thank you also must go to Tribunal Secretary Rob Drew and our combined Tribunal Panel, for your weekly commitment. A new structure led by chairman Peter Murrhy and league prosecutor Arthur Hodgson, we had greater consistency and a system the clubs embraced

Once again I would like to thank all Club Executives, Members, Players and Volunteers, you are the heart and soul of our competitions, it is your game and we hope to grow and build it in conjunction with your input and support.

Finally thank you to the AFL Barwon Commission, your support in 2017 was appreciated. Led by our Chairman Craig Keating, these volunteers are making decisions in best interest in the local region for both sports.

See you at the Football and Netball in 2018.

Lee Hartman
Region General Manager, AFL Barwon

OPERATIONS MANAGER REPORT

With our Region in the 2nd year of operation under a Salary Cap and the Points system, the landscape at club level with regard to player recruitment strategies was evident. It is hoped that clubs will experience some form of relief with the need to raise excessive revenue and all sides will eventually have equal access to the recruitment of quality players. AFL Victoria conducted a thorough review of their policies and has made some minor amendments emanating from this feedback.

Colts

The Under 18 ½ Colts structure continued to flourish this year, with 36 teams representing a total of 28 clubs registered for the start of the 2017 season.

We again conducted 4 divisions with 10,8,10 & 8 teams competing respectively in each division. Unfortunately Winchelsea were forced to withdraw their team halfway through the season due to a lack of players. This was again an evenly contested year in most grades including hotly contested finals series in all grades with players from 18 different clubs experiencing finals football. This age group will be changing to Under 19 in 2018, as requested throughout the junior review, but will continue to be a graded competition.

Interleague

The GFL again successfully defended their mantle as the number one League in the state, by defeating the Mornington Peninsula-Nepean FNL at the MCG to retain their position as the undisputed champions of Victorian Football. The game was played as a curtain raiser to the AFL's Country Round Clash between Essendon and Geelong. The Bob Cahir Memorial Medal for best player on the

ground was awarded to Newtown & Chilwell stalwart Matthew McMahon. Unfortunately due to the fixturing of the game at the MCG, there was no under 19 football or Netball played. Similarly there was no interleague for the BFNL due to the late withdrawal of their scheduled opponent the Sunraysia FNL.

I would again like to thank our head GFNL football coach; Jeremy Dyer and his coaching staff for the time and effort that they provided during the preparation and on match day. I would also like to thank the support staff who volunteered their time and effort to ensure the players and leagues had all they needed to get the teams onto the field.

BFNL

In what was another extremely close season, Barwon Heads proved to be the early ladder leaders, but Torquay and Geelong Amateur also produced consistent performances and at the end of the home and away season, Torquay led the way, closely followed by Geelong Amateur and Barwon Heads. Last year's Grand Finalist Modewarre played the highly fancied Ocean Grove in the elimination final. The first weekend saw strong wins to Geelong Amateur and Modewarre. The Ammos accounted for Torquay in the 2nd semi final to storm into their fourth consecutive Grand Final, whilst Barwon Heads pushed past Modewarre to play Torquay in the Preliminary Final. Some poor kicking by Barwon Heads cost them dearly with Torquay earning another crack at Geelong Amateur in the Grand Final. It was then Ammos turn to be wasteful in front of goal, and a hard fought well drilled performance saw Torquay win their first senior flag in eleven years.

Ammos power forward Mitch Day again won the BFL League goal kicking with 70 goals, whilst Torquay mid fielder James Darke returned from a brief stint in the GFL to easily win his 2nd Les Ash Medal from last year's runner-up James Linton from Ocean Grove.

GFNL

St Joseph's dominated the home and away season finishing on top, undefeated on 18 wins. Bell Park & St Mary's were next having lost only 3 games each, they were closely followed by Colac who only lost 4 games. Last year's premiers Leopold made up the final five with 4 less wins. The rest of the teams were well back, but a vastly improved season from North Shore saw them finish 7th with plenty of optimism for the future. Colac continued their success on the open spaces of Simonds Stadium by winning their way through to the preliminary final, pushing past Leopold and Bell Park who both went out in straight sets. St Mary's inflicted defeat on St Joseph's for the first time this year in their 2nd semi Final clash. St Joseph's then rebounded against a confident Colac to record a convincing victory that took them to the Grand Final. Apparently stung into action, St Joseph's took control of the match early and cruised to an emphatic victory over a youthful, but gallant St Mary's side.

The Mathieson medal was yet another thrilling count, with one round to play, any one of 4 players were in a position to win, but Newtown & Chilwell's Matthew McMahon polled 3 votes in the last round to leap frog over Bell Park's Jarrod Garth, St Joseph's Lech Fetherstone and last year's winner Nathan Deans from Grovedale to take out the medal, with the other 3 players joint runners up. Jarrod Garth won the Goal kicking with 90 Goals.

CDFNL

The Colac & District FNL had another very successful year, with many quality players finding their way to CDFNL teams.

Last year's Premiers Birregurra were again the pace setters, finishing the Home & Away season undefeated, with their closest rivals Lorne & South Colac well back with 3 and 4 losses respectively. Alvie and Simpson filled the remaining positions in the final five. Lorne and Alvie won their way through the first weekend of the finals. The 2nd week saw Lorne put an end to Birregurra's unbeaten run and South Colac account for a much improved Alvie. Birregurra responded strongly with a good win over South Colac to set up an exciting Grand Final with Lorne. Birregurra took control early and went onto score a comfortable back to back win.

The Mahoney Medal was again an amazing count with 5 players entering round 18 separated only by 3 votes. A tense last round was called with none of these 5 players polling a vote, resulting in a tied win for Apollo Bay's Jarrod Wight and Lorne's Mark McCormack. Birregurra spear head Christian Kelly won the goal kicking trophy with 87 goals in the home and away games.

Interleague was played at Horsham with a clash against the Horsham & District Football League led by coach Steve O'Dowd. Unfortunately the boys started slowly and were unable to claw their way back into the game. Seven straight points without a goal in the 3rd term were extremely costly. Birregurra's Josh Weatherhead was named the CDFNL's best player.

As always, I would again like to thank Lee Hartman for his ongoing support and professional leadership. I would also like to thank and acknowledge the rest of our staff, in particular our Operations team of Sean, Sarah, Tayla and Jock, as well as Deb who keeps it all together for us. The contribution made by the FDMs is an extremely important component in the service we are able to provide for the clubs, and their work has been outstanding this year. It is always a pleasure working with such a cohesive, hardworking and competent team. Each year it is the same message, but I would like to express again my appreciation to all the club volunteers for their hours of work committed to ensuring all the required tasks are performed in a timely and efficient manner. They are more often than not thankless tasks, but are vital and very much appreciated by all here at AFL Barwon.

Michael Limb
Operations Manager.

NETBALL MANAGER REPORT

Season 2017 was another remarkable success with continued growth in our competitions.

I would like to thank our corporate partners, without their support we could not run the competitions each week. Blood, DOW, Bendigo Bank, Buckleys, Kempe, Espresso Alfresco & Corio Bay Health Group have been great supporters of AFL Barwon for many years now and we look forward to supporting you all and continuing your relationship with our leagues for many years to come. A big part of the growth of our sport is due to the wonderful media coverage now received at a local, national and international level. I would like to acknowledge and thank the Geelong Advertiser, especially Lachlan Young for their support in the coverage they provide each week during the season. I look forward to working closely with you in 2018 to develop this relationship and continue to increase our coverage for this growing sport.

Congratulations to all our 2017 Premiers on a fantastic season and walking away with the result we all strive for.

Congratulations to Modewarre on their Premier Division Premiership. A fantastic season with some fabulous games of netball, some stressful moments over the finals series that ended with a cracking Grand Final against Geelong Amateur. Thank-You to Portarlington FNC, Torquay FNC and Drysdale FNC for hosting our finals. It was a pleasure to work with all of you and I thank-you for your support of our competitions and finals series. Newtown & Chilwell FNC continued their unbeaten run after another impressive performance beating St Albans in the Premier Grand Final. We were again blessed with fabulous weather and this combined with no entry fees saw great crowds to all our games and enabled spectators to see both football & netball at the one venue over the finals series. Thank-you to Geelong West Giants for the loan of your electronic scoreboard for the finals series for both the GFNL and BFNL. Thank-you to all clubs and spectators for supporting our finals series and Grand Final Days both BFNL and GFNL. The crowds were fantastic this year and I know the players appreciate the support they receive – making their achievements extra special.

2017 was another big year for coaching development. We had 100 coaches complete their Foundation accreditation online which is a huge achievement for the league.

At the end of the 2016 season the workings for a Netball Review were put into place. We are excited to now say that from this review and the hard work and feedback of the clubs and the committee, we will be putting into play changes for Netball in the region for 2018 and beyond. Looking at points and salary caps, as well as improving umpiring and coaching development within the region. All changes have been adopted and look forward to seeing these changes take shape in our competitions.

AFL Barwon continued providing administrative services in 2017 to the Geelong Netball Club who play in the State VNL Competition, forging the way for AFL Regional Administration Centres to support and promote elite netball in their respective regions. AFL Goldfields have since set up a similar partnership with the newly formed VNL club Ballarat Sovereigns. It's fantastic that we can provide these services to ensure Elite Netballers in our region are being provided an environment to train and play that will enable them to reach their full potential. Our administration services supported the Geelong Flyers in developing their new Junior Development Program, an elite junior program for the Barwon Region. Our involvement with the Barwon Junior Netball Championships now means that pathways and administration services for netball across our region have been streamlined ensuring the growth in our sport can be facilitated and fostered. With this a big Congratulations to the Geelong Netball Club for their two Premierships wins in 2017. Back to back for the Under 19's and the first Division 1 Premiership for the Club. A fantastic effort by all involved.

AFL Barwon Netball welcomed on board in 2017 the Colac & District Football League Netball Association into the administration hub. It has been fantastic working with a new league and getting to meet and work with a new great bunch of passionate and hardworking people. Thank you to Lorraine Rodger, Netball Executive and Football Board for teaching me the ropes of the league and your hard work for a fantastic 2017 season.

Finally, I would like to say huge thank-you to my colleagues at AFL Barwon. I look forward to 2018 and the challenges that the new season will bring. A huge thank-you to Tayla Ellis our Netball Co-ordinator. She has taken on her new role with enthusiasm and professionalism. I am very grateful to the support she has provided me.

Sarah Scott

Netball Manager

JUNIOR FOOTBALL REPORT

It was another wonderful year for Geelong Junior Football, with 288 teams competing in Geelong Junior Football boys and girls competitions.

A huge thank you to all who have contributed in season 2017, especially the Geelong Junior Football naming right sponsors - Buckley's Entertainment Centre, Kempe, The Geelong Advertiser, Geelong Technical Centre, Red Onion, Coca Cola, Corio Bay Health Group, Supatramp, National Heating & Cooling, The Drain Man & Cleanaway. Without your generosity it would be impossible to run such a great competition.

We welcomed the introduction of Little River and Colac Imperials into Geelong Junior Football in season 2017. Congratulations to both clubs for all your hard work in getting kids onto the ground.

The growth of Geelong Junior Football in 2017 was based on the substantial increase of female participants joining our competitions. The growth of female teams to 44 in 2017 after having 17 was an enormous success for our region. The introduction of the Under 15 girl's competitions helped bridge the gap between the Under 18 and Under 12 competitions. I would like to personally thank all the volunteers involved in helping to grow female football this season.

The Interleague Carnival was again a success for Geelong Junior Football, we were successful in defending our titles against AFL Goldfields. Congratulations and thank you to Lara FNC for putting on a wonderful day when hosting our carnival against AFL Goldfields.

A big thank you to Aaron, Krista and all the team from AFL Goldfields for their hard work and support in making these days work so smoothly.

Thank you to all the Junior Interleague coaches and support staff for volunteering their time to work with the best kids in our region. This was the final year that the Junior Interleague program will run as it will be replaced with the AFL Barwon Next Gen Development Academies for both boys and girls.

To all the clubs that hosted finals, Geelong Junior Football offers you a huge thanks. Congratulations to Torquay Football Netball Club for the outstanding running of junior grand final weekend. It was a massive weekend and your hospitality and commitment made it enjoyable for all competing clubs and spectators. Thanks must also go to Neil Vivian, Ian McTaggart, Andrew Downie, Elijah Wall and Luke Maher on your assistance and support throughout the finals series.

To all club coaches, team managers, trainers and volunteers, I thank you for all your hard work. I'm sure it doesn't go un-noticed at club level because I for one respect the amount of time you dedicate to your team and your club.

To all of the players, boys and girls, that were part of Geelong Junior Football throughout the year, a huge thanks and I hope that you continue your footballing journey in 2018.

Lastly, to all of the Junior Coordinators, **ALL** the tireless work that is put in behind the scenes by you is the reason junior football in the region continues to run successfully. It was a pleasure to work with you all and hope you all continue in 2018.

Sean Atkinson
Football Coordinator

JUNIOR NETBALL REPORT

In total for our Geelong Junior Netball competitions this year we had 63 teams participate on a Tuesday night in the 11 & Under comp (45 at Kardinia Park and 18 at Ocean Grove) and on Friday night we had 72 teams participate from 13 & Under (31 teams), 15 & under (26 teams), 17 & Under (9 teams) and All Abilities (6 teams).

I would like to give a massive thanks to Matt Lindsay for assisting me every Friday night, and running the Ocean Grove 11 & Under competition. Matt is an immense help and it would be impossible to run the competitions without him.

Thank you to our Friday night umpire supervisors Shirley Fagan and Ange Cripps, and to the many Friday night mentors throughout the year. We have had a large number of new umpires begin in our Friday night competition this year and many have started to move up to be trainees, and then on to working to become badged umpires.

Our Friday night umpire mentoring program saw our 11 mentors provide training, feedback and encouragement for our junior umpires throughout the season. Working with 80 junior umpires, we were able to develop their skills and confidence to work their way back to their clubs to umpire. Many of our umpires are now permanent fixtures each week at their clubs as club umpires, and majority of our umpires were able to progress through to the next level throughout the season.

Although we are still working on improving our Panel umpire program, we managed to ensure all games had two umpires on the court. Thank you to all clubs who supported AFL Barwon with Panel umpiring this year, with last minute changes and calling upon club umpires to help fill spots. This year we worked very hard in developing and gaining new younger members onto our panel. This program will continue in 2018 where we are in the process of adding more umpires to our Panel list.

This year I would like to congratulate 3 of our AFL Barwon Panel members for obtaining their B badge accreditation for umpiring. Karen Green, Katie Castle, and Nikita Page have worked tirelessly for many years to get their umpiring up to this standard. Congratulations to you all.

I wouldn't have been able to get more than 22 umpires across 22 A & B grade games each week throughout the year without the help and support of the umpire development panel, Heather Carroll, Cheryl Van Dreumel, Ange Cripps and Shirley Fagan. With the support of these ladies not only have we allocated panel every week, but have work with umpires to get their umpiring badges.

Tayla Ellis
Netball Co-Ordinator

UMPIRING REPORT

It gives me great pleasure to present my annual report for 2017.

Firstly I would like to thank all the AFL Barwon umpire coaches and support staff in Geelong and Colac for their commitment and efforts in delivering coaching programs that has delivered improvement for all umpires, we saw improved umpire performances in all finals games across the Region, I am very proud of the people who umpire games each week, I am particularly proud of the club affiliated umpires who, without you many games would not go ahead, so from all your peers and to every person involved in umpiring well done.

Umpire numbers across Geelong and Colac were stagnant in 2017, with Geelong reaching **365 (+3)** umpires, coaches and support staff, while Colac grew from 69 umpires to **71 (+2)** including coaches. We have had another **48 (-1)** people registered as participating in umpiring which was made up from registered club appointed umpires through to School based umpire academy participants.

Umpiring needs more people involved as the rapid growth of the game is still well ahead of any growth of umpires numbers. **Geelong Umpires have a bold target of 700 umpires while Colac Umpires need 100+**

We must continue to encourage people to **“give umpiring a go”**, it’s one of the best seats in the house and a way to stay in the game and former footballers are strongly encouraged to try umpiring, in a supporting and welcoming environment and bring your valued experience back to the game.

As per the table below it is evident that we do have a very diverse age group of people who participate in umpiring for the AFL Barwon Region. Umpiring does offer opportunities to people of all cultures, ages and gender, with strong accredited coaching and support personal for anyone that wants to be part of the game as an umpire

Our internal data from 2017 show an 8/1 ratio of male to female umpires, yet our new umpires for 2017 was a staggering 4/1 ratio male to female umpires, a trend and direction that we need to keep going in 2018 and beyond.

AFL Barwon Umpiring Data Base - age demographic 2017

Gender/Age	10 -12	13	14	15	16	17	18	19	20	21	Seniors	32+	35+	40+	50+	Unknown	Total
Male	12	28	28	37	29	21	17	16	10	10	75	5	26	22	85	11	432
Female	0	6	9	5	4	5	2	1	2	1	8	0	1	0	7	1	52
Totals	12	34	37	42	33	26	19	17	12	11	83	5	27	22	92	12	484

Table includes all Geelong & Colac Umpires, coaches, staff, Club Umpires, School Academy participants

The AFL Barwon Region was again very well represented with umpires and umpire coaches from Geelong and Colac in the AFL Victoria 2017 Worksafe Country Championships, V/Line Umpire Academy, V/Line Cup and TAC Cup matches.

Over 50 umpires were involved in these programs which allowed for greater development of individual umpires by being exposed to higher opportunities similar to that as offered to players. The Geelong Umpires also have 2 umpires nominated for AFL Vic. Trials for the upcoming 2018 season. AFL Barwon was also very proud with Geelong Umpire members Nick Ross-Watson (Field), Max Visintin (Boundary) appointed to the AFL Vic Country v AFL Vic Metro match, a great accomplishment for them personally and very significant appointments for the Region, Joshua and Max went on to umpire in the GFNL Grand Final. Goal Umpire Cohen Shannon was named as one of the umpires of the Carnival at the 2017 V/Line Cup.

Sian Atkins and Nick Steel were elevated to the VFL Squad in 2017 with Sian going on to the VFL Women’s Grand Final, former Colac Umpire Locky Harty was appointed to the AFLW Grand Final, Simon Blight (Boundary) and Paul Trotter (Goal) the TAC Cup Grand Final and on the biggest stage former Geelong Umpires Shaun Ryan (Field) and Adam Wojick (Goal) officiated in the 2017 AFL Grand Final. Most outstanding Umpires for Geelong Umpires were Jarrod Waight (Field), Patrick Cannard (Boundary) and David House (Goal) while the Golden Whistle in Colac went to Joshua Facey Our AFL Barwon School Based Umpire Academies again proved valuable with students participating in an umpiring specific program through GISSA and Trinity College (Colac). Eleven students went on to join Geelong Umpires during 2017, all of whom were appointed to Finals and some Junior Grand Finals which endorses the effectiveness of the program, whilst many of the other students have indicated they would look to umpire in 2018.

The highlights of the AFL Barwon School Based Academies would be our Clonard College Academy where 15 girls participated across the 6 week program with 4 girls joining Geelong Umpires (2x Field and 2 x Boundary) for the regular season, Trinity College (Colac) participants were able to umpire the U12 (Friday night) competition as part of their Academy, CDFNL arranged generous sponsorship through Fonterra Foods and Wettenhalls Transport allowing the students to gain the best match learning experience, this was a fantastic outcome for the U12 competition and the umpires, hopefully this concept can continue in 2018. St Joseph’s College and Christian College Academies were well supported with several students joining Geelong Umpires as a result. We look forward to continuing these Academies and incorporating further Academies in 2018. AFL Barwon became responsible for the employment and management of umpires and umpire coaches during 2017 once the umpire affiliation agreements were finalised, we invested in more people across the coaching of umpire disciplines to further help and develop umpires in the Region, Geelong Field Umpires for the first time were coached by dual coaches Davin Reid and Steve Keating, being well received by the group allowing more versatility in delivery of sessions, Jarrod Waight came to us from the VFL and was appointed as a Senior Skills and Development Coach and also umpired games throughout the year as a regular field umpire.

AFL Umpire David Harris was added to our Junior Field Development each Wednesday night in Geelong providing unique coaching to our junior field umpires under the guidance of Darren Santospirito (Head Field Development Coach) and Joshua James (Assistant Development Coach). Rod Davies (AFL Goal Umpire Coach) assisted our Goal team lead by Colin Hood and Rob Steel with specialised skills training throughout the season. We also had seven match day observers assisting the umpire coaches with greater performance feedback. Colac umpires saw Allan Grant appointed as Head Coach after many years in Geelong assisted by Adam Edwick to develop the Colac group specifically in culture, approach and performance, challenging the status quo and produce opportunity for Colac umpires within the AFL Barwon Region. AFL Barwon High Performance Umpire Academy was established and partnered with the Geelong Falcons giving young umpires who have been identified as future VFL trialing umpires being given the chance to be introduced to a “high Performance” environment and equip them with the skills an culture that will be needed as they progressed, David Harris (AFL) lead the group on 12 umpires over 4 sessions assisted by Jarrod Waight, they all officiated the Falcons trial matches in February. As we move to 2018 umpiring will have many challenges across the Region, with the change in structure of junior football, the inclusion of a senior women’s competition, all demanding the need for more umpires, Colac umpires in particular need a stronger drive from clubs to assist in the recruitment of field umpires for their group, we are all in this together and together we can grow umpire numbers. I continue to look forward to an exciting future for AFL Barwon, Geelong and Colac umpire groups as we establish strategies that will recruit and most importantly retain community umpires, provide pathways for our talent umpires and deliver strong umpire coaching which will give us greater umpire performances to each game that is officiated in the AFL Barwon Region.

In closing I would like to thank the AFL Barwon Commission, AFL Barwon Staff and Geelong Umpires BoM, CDFUA, AFL Victoria Umpire State Development Manager Russell O’Toole, GDFL executive, and all AFL Barwon/GDFL clubs.

If anybody is interested in umpiring in 2018 please contact myself, GFUL, Colac Umpires or your local club.

Get in the game – umpireAFL

Jock Hillgrove

Director of Umpiring

TRIBUNAL REPORT

A review of the current Tribunal, MRP, Appeals and Investigations process and structure was conducted at the end of 2016. Extensive research was conducted to explore “best practices” at a number of other Major Regional Centres, Metropolitan Leagues as well as AFL Queensland. The information gathered from these visits was presented at a round table consultation with 6 of our most experienced and respected Club Advocates as well as our Investigations officer and operational staff. The findings that best suited our individual circumstances and perceived deficiencies were combined to create a revised structure and process.

The revised process gave the MRP more scope to lay or withdraw charges and offer penalties as deemed appropriate. We also sourced a paid professional Tribunal Chairman & League Prosecutor, as well as introducing the requirement to gain accreditation before acting as an advocate for a player. A Pool of trained advocates was also introduced to provide a service to clubs in need of support. Levies were introduced for players found guilty at tribunal and also as a result of involvement in Melees as deemed appropriate by the MRP. The feedback received from the clubs was positive with the perception of a more common sense, consistent and fair approach being followed.

There were a total of 120 reports laid across these leagues in the 2017 season. This was a slight drop from last year.

These reports comprised 55 Senior Grade, 14 Reserve Grade, 37 Colts, 14 from Junior Grades, and included 2 charges carried over from last year. This includes 6 reports heard at Tribunal as a result of investigations at the request of Clubs, Umpires or League for various incidents, and 20 that were referred by the Match Review Panel.

82 players accepted the set penalty option, which is almost double the number from last year. A total of 252 matches will be or have been missed by players through suspensions received in 2017.

Our Match Review Panel assessed 72 requests of which they found 20 reportable offences. 12 of these players accepted set penalties, one was sent straight to tribunal and the other 7 challenged their charge at Tribunal with 7 found guilty. Our appreciation is extended to the members of the MRP who volunteered their time on a weekly basis to assess relevant footage as requested and provide their judgements. Tribunal results would indicate that their judgements were appropriate.

I would like to congratulate Chairman Peter Murrihy and his panel members for their work and measured but consistent approach. Arthur Hodgson also did a great job as our League Prosecutor.

I would like to thank Rob Drew for his work as Tribunal Secretary with the co-ordination, scheduling and running of the Tribunal sessions, I would also like to thank our Director of Umpiring Jock Hillgrove for his work co-ordinating and organizing the umpires and their advocates.

FOOTBALL DEVELOPMENT REPORT

Development

As Football Development Managers we have successfully delivered Development Programs for AFL Victoria, as well as producing critical outcomes for the AFL Barwon Region through targeted League/Club Development Programs and strategies throughout 2017.

Participation

Our continued focus of developing and supporting all pillars of the game, from NAB AFL Auskick to Open-Age football, ensured that participation across the State and Region continued to develop:

- We were able to support 3121 NAB Auskick participants, an increase of 250 participants from the previous year.
- We supported all of our 130 AFL School Ambassadors and School Competitions including primary and secondary SSV and GISSA competitions.
- We continued to promote the game of AFL to school participants through the Sporting Schools Program.
- We conducted School Holiday Programs for 127 participants, as well as a Footy Frenzy promotions.

Community

We supported all of the AFL Barwon affiliated Leagues in regard to the management, structure and best practices of all our Clubs, as well as developing environments that seek to motivate committee members, volunteers, umpires and coaches at all levels in the Barwon region:

- We worked with all of the GFNL, BFNL, GDFL, CDFNL, GFUL and CFUL Football and Netball Clubs to implement outcomes that are outlined in the recently released G21 and AFL Barwon Strategic Plan.
- We conducted Facility Audits at 82 venues across the AFL Barwon Region.
- We facilitated and organised community education presentations for AFL Barwon aligned Clubs, which included topics consisting of: Vilification and Discrimination, Cyberbullying, Respect and Responsibility, Gambling and Drug & Alcohol Awareness.
- We accredited 219 coaches through our Senior, Youth and Junior/Auskick Coaching Courses.
- The Annual Coach of the Year Dinner for 178 guests was held, recognising the outstanding work of our Coaches and Volunteers in the AFL Barwon Region.
- Three coaches/coordinators were also recognised at state level. Congratulations to Dom Gleeson (Senior Coach of the Year Nominee), Ryan Mackay (WINNER of the State NAB Auskick Volunteer of the Year) and Barry Orvis (Allan Jeans Lifetime Achievement Award, rewarding contribution to coaching).

Engagement

We developed engagement initiatives, particularly within the multicultural and indigenous areas, as well as continuing to engage girls into football to grow female environments into the future:

- The Geelong Diverse Academy continued, giving approx. 70 players from diverse backgrounds the opportunity to learn the skills of AFL and develop as players and people.
- AFL Barwon and the Geelong Cats continued to strengthen its relationship with the Next Generation Academy program, and together introduced the Buddy Program for primary school aged students from diverse backgrounds.
- We established a Girls Under 15 competition, and grew the total number of female teams from 17 teams in 2016 to 44 teams this season.
- We conducted gala days with AFL Barwon clubs to promote students to transition to club football for over 1300 primary aged students.
- We ran the Geelong Cats Community Camp in the Northern Suburbs of Geelong, where we engaged with indigenous and multicultural groups.

Fans

We worked hard to develop our 'fans of the game' by working closely with the Geelong FC:

- We coordinated all of the AFL Player Appearances for Geelong FC players at approx. 90 schools, 40 junior clubs and 40 NAB Auskick centres and extra visits.
- We ran a NAB Auskick Superclinic for approx. 1,500 participants at Simonds as well as the Geelong FC Junior member's clinic for approximately 800 kids.

Talent

- We successfully managed and coordinated the V/Line Cup program for 49 Under 15 boys and 25 Under 16 girls.
- We were involved with the organization and running of the Worksafe Community Championships, Herald Sun Shield School football competitions and other representative games at club and school levels.
- In it's second year, the Colac Academy consisted of 44 boys from the Colac region who participated in the 8 session program.

Good luck to all for the 2018 preseason,

Katie Geerings, Luke Maher and Will McGregor

ANGLESEA

CLUB SUMMARY

Anglesea Football Club experienced an interesting season during 2017. A number of experienced recruits, exciting top-age Colts, the appointment of Paul Carson as Senior Coach, all complementing a steady player list, pointed to encouraging on-field performance during the season.

A mixture of circumstances, foremost being an unprecedented number of senior player injuries, saw the Seniors finish outside of the finals series and the Reserves battling for numbers throughout the season.

The Club was encouraged, however, to be in the position to register and play 85 senior age players during the season.

In reality, the ability to be able to call on such a large player roster, to have our Under 16 and Colts play finals football, to have a very strong and developing junior section, to conclude the season in an excellent off-field position, all lead to a great deal of optimism in regard to the immediate and long-term future of the Anglesea Football Club.

BARWON HEADS

CLUB SUMMARY

Season 2017 saw many achievements for Barwon Heads across all areas of the club. Two local lads, Mitch Herbison and Bobby Wallace, both sons of life members and team mates in the clubs 2005 U/18 Premiership team, coached the senior football teams. Although the senior lost the Preliminary final, great in-roads were made and some great football was played. The Under 18 team achieved the ultimate success by winning the Division 2 Grand final in fine style. . Coached by Sam Schaller the team played a great brand of footy with Noah Young talking out the leagues B&F.

Barwon Heads fielded 10 junior footy teams in 2017, a terrific result for our club. This included three female teams with U/12, U15 and U/19 teams gracing the field. This is an exciting area for all clubs and Barwon Heads looks forward to continuing to develop our *Seagals*.

Netball also saw great success with the club admirably led by Olivia and Sharon Wilson. Finals were on the cards for most teams with 3 senior teams playing off on Grand final Day and all but one senior team making the finals. The new Division 4 team, coached by Sandy Goddard, won their Grand Final with Ash Williams also winning the Leagues B&F. In the juniors, every Saturday team played in the Grand final with the U/13 Division 1 team winning. In the U/17's Division2, Mieta Wilkins won the league B&F.

Success on the field was matched off the field with the club extremely proud of everyone who helped. Volunteers are the life blood of all clubs and Barwon Heads and all of those who helped in 2017 should be proud of their efforts. Barwon Heads is also proud to have a great group of sponsors whose commitment is very much appreciated.

At the League level, Ange Spinks, a long time servant and member of the Clubs executive, was awarded the Administrator of the Year. This was certainly well deserved.

Brett Lewis, the Clubs President for 4 years, stood down at the conclusion of season 2017. Brett made a significant contribution to the Club and he leaves the club in a strong position.

DRYSDALE

CLUB SUMMARY

In 2017 Drysdale fielded 14 teams, which was a good result, including Division 1 teams in U14 & U16. We had six of nine eligible teams play finals and whilst we again finished 8th in seniors, we have a young list who are developing well.

Participation wise, from Auskick through Senior Football, we had over 500 players pull on a Hawks Jumper this year. This was basically on one ground and 2018 brings with it the opening of our new sports precinct where we plan to play most of our juniors and Women's games.

We were delighted to represent our League by hosting another successful Grand Final and we are blessed to have the support of our many volunteers. Off field we've made progress on some system improvements and our bar and kitchen profitability have benefitted. Our gym has been fitted out with brand new equipment and we made good progress with events held to support our juniors & youth. The implementation of a code of conduct, investment in amenities, the establishment of our new facilities, and pro-active policies to help us promote wellness and inclusion are priorities.

GEEELONG AMATEUR

CLUB SUMMARY

The Ammos again had a great year on and off the ground. The 2017 journey had the completion of the main change rooms, which thanks to our awesome sponsors and our Vice President Mark West managing the project, resulted in a fantastic facility. We upgraded our goal posts to AFL standard , It was another enormously successful ladies day raising considerable funds for cancer research, Paula and her kitchen staff broke all records and all the functions had the usual fun and chaos that we have come to expect. Unfortunately we lost one of our Life Members and former Presidents Arty Fleet during the year - a truly great clubman.

On the ground the club played in seven football & seven netball grand finals and were successful on ten occasions, which put a bit of pressure on the old trophy cabinet! We salute our retired champions Tim Clark , Damian Zaparenkov & Jarrod Westwood and wish all the best to Ben Lavars starting his coaching career in Maryborough. 2018 is already shaping up as another year of high expectation but most importantly one to be enjoyed.

MODEWARRE

CLUB SUMMARY

2018 provided many highlights for our great club. All senior netball teams participated in finals with Premier-Grade winning the Grand Final. Our u14, u16, Colts and Youth Girls Football teams made finals with the u14's winning the Premiership. Our Reserves and Senior Football both made finals with the Reserves making the Grand Final. Unfortunately we didn't get the chocolates but with a young and developing squad we look forward to next year as we strive to go one better. A massive thankyou to all coaches, players, supporters, sponsors and most importantly to the hard working people, especially our club executive, that volunteer countless hours to keep the wheels turning. Finally to the amazing crew that co-ordinated the Finals catering, words cannot express our sincere thanks and gratitude to you for making it such a financially successful campaign. Bring on 2018.

NEWCOMB

CLUB SUMMARY

The season saw many positives in the clubs on field performances. Credit goes to an excellent developing senior coach in Rory Nicol. A win and a drawn result may not appear flattering however another couple of winnable games went begging which would have seen benchmarks reached for 2017. The senior playing group are young and learning their craft. The addition of some bigger and stronger players in 2018 will add to the win/loss ratio. Off field an energetic and supportive band of volunteers continually thrive to reach new levels of participation. The committee is strong in numbers and with plans in place for a bright future. The Junior Section continues to grow after a structured five-year period which has seen players numbers increase annually. Their planned development of our second oval has been forefront in their endeavours. The club breaks briefly at this time knowing that a positive and productive future lies ahead.

OCEAN GROVE

CLUB SUMMARY

The 2017 season saw us welcome new senior coaches to the club in Paul Lynch and Elyse Howard. Both Paul & Elyse worked extremely hard throughout the season and their efforts were rewarded with a return to finals action for both our senior footballers and our Premier Division netballers who qualified for finals for the first time in close to 10 years. Unfortunately both senior teams bowed out in the first week of finals but we are confident that we have laid the foundation for success in future years.

The strength of our junior programs is evident with 9 footballers aged between 17 & 19 making their senior debut this year, and our junior netballers having strong representation throughout the finals.

A highlight of the year for our club was the introduction of Girls Football and we were thrilled to field 4 junior Grubber Girls teams. The Grubber Girls program will go from strength to strength in coming years.

Thank you to all players, coaches, committee members and volunteers for their efforts throughout the year. We look forward to further improvement on and off the field in 2018.

PORTARLINGTON

CLUB SUMMARY

The Club had a year of regeneration in the 2017 season. Highlights included:

- ✓ Jesse Smith's first year as head coach of the senior football team:
 - A year of remaining competitive despite significant injury setbacks
 - 42 players used in the senior grade/ 72 in both grades indicating strong participation rates
 - 12 new senior players recruited
- ✓ Under 14s won the Premiership
- ✓ Under 13s Netball Grand Final appearance:
- ✓ Continued upgrade of facilities throughout the club
- ✓ James Harvey nominated as AFL Barwon Junior Coach of the Year
- ✓ Continued improved fundraising highlighted by:
 - Goods and Services Auction, and
 - Sportmans' Day
- ✓ Hosted the first week of the Bellarine League finals

The Club is confident of a successful future into 2018 and beyond.

QUEENSCLIFF

CLUB SUMMARY

2017 was a season of mixed fortunes for the Coutas. The senior football team missed finals action after making it through to the Preliminary Final in 2016. Amongst some disappointing losses, our senior side had some stirring wins, defeating eventual premiers Torquay in the first half of the season and finalists Ocean Grove convincingly in the last game of the year. On the courts our netballers had their best year in quite a while. Under a new coaching structure, the Premier Division side was competitive in most games for the year and the Division 1 team played in the first week of finals.

Our junior football and netball teams performed very well across most grades and won premierships in Colts, Under 16 football and Under 19 netball. The club was very pleased to field its first female football team in the Under 19 competition.

2018 promises to be an exciting year for the club with the long-anticipated move of netball to our new facilities in the Recreation Reserve and the appointment of Steve Clark to the senior football coaching role after a long stint in the GFL.

GO COUTAS!

TORQUAY

CLUB SUMMARY

Football

2017 was a fantastic year for the Torquay Football club culminating in the club winning the BFL Grand final, our first senior flag in 11 years, this success was made possible by a dedicated team of coaches, support staff, volunteers, players and executive committee all working together as a team.

With over 700 players in 30 teams the strength and size of our club is testament to the wonderful group of volunteers and dedicated coaches who work tirelessly to ensure our club is a great place to play football and be engaged in a community based club environment. We were one of only two clubs in the region to field a Div1 and Div 2 under 18 teams and we were very proud of our U18 Div 1 side in making the Grand Final only going down by 7 points.

Our junior program goes from strength to strength and we strive to ensure that all our junior players both boys and girls are given equal opportunity to play and participate in our great game. On behalf of the Club I would like to thank our major sponsors in McCartney Real Estate for their great support of the last 3 years, your contribution to the club has been enormous.

The club is in great shape both of and on the field and we look forward to season 2018.

Netball

During season 2017 our netball committee of 13 worked tirelessly week in and week out with our 31 coaches to get 23 teams onto the courts each week. 14 of our teams made it through to finals with 9 teams making it through to prelims. Although it was an extremely frustrating season for our Under 17 Division 2 girls, they worked hard on staying focused throughout the year and came out Premiers on grand final day. Overall it is probably fair to say we had more individual success's than teams with six of our players taking out individual league awards. We have been working behind the scenes to ensure player retention and further development of our players at all levels. The netball club is positive all this hard work will pay off into season 2018 and beyond.

BELL PARK

CLUB SUMMARY

2017 was another successful season for both our football and netball sections.

To our senior coaches, Tim Sheringham and Luke Rayner, football and to Jackie Riddle, Netball a huge thanks for your time and effort. Our footballers finished in the top 5 but were unable to progress any further while our netballers made the finals for the first time in a few years and won our first final. Well done and congratulations to all our players for their efforts this season.

Our junior section was led extremely well by Sean Jones, football and Carmen Williams, netball with our u/14 div2 side winning a flag and several football and netball teams playing finals. To the committees, coaches, parents and players a huge thanks.

Our Auskick program continues to grow with over 60 kids running around every Sunday morning in what was a very successful season for our Auskickers. Thanks to Jimmy Bartel for supplying boots for all our kids.

Off the field we continue to work hard in all areas of our club and look forward to another successful and competitive year in 2018.

COLAC

CLUB SUMMARY

The 2017 season proved to be a successful one for the Colac Tigers. With the long awaited redevelopment of the football and netball amenities completed and opened it provided us with arguably some of the best facilities in country football. We had nine sides reach the finals in both football and netball with our senior and reserve footballers reaching the preliminary final and our division one netball reaching the grand final along with the U/15 Div 1 netballers. We would like to thank all of our sponsors and volunteers for their investment in our club and thank AFL Barwon and their partners on putting together a successful 2017 season.

GROVEDALE

CLUB SUMMARY

Grovedale Tigers Senior Football team had a disappointing 2016 season finishing eighth after recruiting some quality players during the off season. The reserves made the finals again and both colts teams were very competitive through the season with the B Colts making the finals. The future is very positive with some very good colts players coming through and some younger senior players developing further. We will look to some quality players that will complement our current list.

We had a successful year of netball, despite not as many teams making finals. Congratulations to the 19 & under and the 15 & under teams for making finals. Many teams just missed out on finals and were very competitive throughout the season. We have many great juniors coming up through the ranks, which makes us excited about the future.

Overall, we had a challenging year as our performances did not meet the expectations of the club overall. We look forward to the 2018 season where we will look to "Grow Together" in every area of our club and ensure our solid foundation will put us in good stead for the years ahead.

GEELONG WEST

CLUB SUMMARY

- For 2017 we believe that 8 wins and a draw by the Div 3 team and 6 wins by the Div 1 team were acceptable results for the first 12 months of the new club and clearly a move forward for the new entity;
- At seasons end Andy Viola (coach of the GFNL football) advised us that he was submitting his resignation from coaching after 3 years at the helm. Greg Mellor has since been appointed as the clubs Div 1 head coach;
- Improved on court results in both GDFL and GFNL. Although not officially recorded as wins the improved standard of play, camaraderie and team and club commitment shown, bodes well for the future of GW Giants Netball.
- New GFNL Division 4 (E Grade) team formed giving a further 10 players the opportunity to play netball as part of a club. This team made finals and finished third overall.

LARA

CLUB SUMMARY

Following the appointment of a new coach October 2016, Lara Football continued to experience depth challenges associated with a very young list and several season ending injuries to our more experienced players.

A total of 45 players played senior football in season 2017 which does not allow for growth or stability. However we consistently fielded 18 local players per week which reflects positive retention and future development capability.

Off field structures and focus saw the club continue to contribute to community issues such as men's health, mental health and domestic violence through Pauline's House.

Lara Netball has enjoyed a season filled with new initiatives. Our Junior Program featured the BUMP (Buddy Up Mentor Program) which was a weekly mentor program aimed at developing closer links between our junior and senior players.

Our 15/Under Div 1 team were unsuccessful in their finals campaign and our 17/Under Div 1 team narrowly missed finals on percentage but we are encouraged by the talent coming through our club.

Off the court, we have launched a new website which has the functionality to take all player registrations, apparel sales, registration at events and a central point for news and event information.

We have retained all 2017 Premier Division and Division 1 Senior players and our Net Set Go and Netta programs have over 35 players who will be ready for the 11/Under competition beginning 2018.

Lara Netball and Football sections have enjoyed some fantastic social and fundraising events which will hold us in good stead for 2018. We are looking forward to GFNL Season 2018!

LEOPOLD

CLUB SUMMARY

Following on from the Senior Football Premiership success of 2016, this year was more difficult than expected. But there are always positives. To again be able to get Senior experience into some of our talented younger players will hold us in good stead for the future years. This year also saw Steve Clarke's tenure as Senior Coach end. What a privilege it has been to have Steve as our Senior Coach, and for him to now be a Premiership Coach is a well-deserved accolade. Congratulations to our Under 16B team on their Premiership. We also congratulate all our Best & Fairest Winners. We now look to 2018 with great enthusiasm, and a season of embracing change. 2017 was an exciting year for Netball with lots of finals action and the 15&U Division 5 Premiership. Moving to our brand new courts and netball clubrooms was a real highlight as we finally had the amenities we've wanted for so long and they are possibly the best in the league. We fought hard for the formation of the Division 4 (E Grade) competition and embraced the competition, finishing fourth in the inaugural season. We had 3 senior sides (Division 3, Division 4 and 19&U) as well as 5 junior sides (13&U Division 1 and 2, 15&U Division 2 and 5 and 17&U Division 2) make finals which we were really proud of. We were extremely proud of our GFNL League Best and Fairest award winners – Zanna Woods (Premier B&F and Team of the Year), Ingrid Castricum (Division 3 Runner Up), Kelly-Anne Sheehan (19&U Runner Up), Brigette Murray (19&U B&F), Liana Brooks (13&U Div 3 B&F), as well as Ashleigh Coghlan (Junior Umpire of the Year). We congratulate all our club award winners and thank our players, coaches, managers and volunteers for a great season. We now look to 2018 with great enthusiasm.

NEWTOWN

CLUB SUMMARY

The 2017 season has been an exciting one for our Club, although we have experienced a mixed result across the sporting sections of our Club.

Congratulations must go to our victorious teams who won their respective Premierships. Also congratulations to Matthew McMahon for winning the League's Mathieson Medal.

Our Club continues to grow year on year both on and off the field and court, and as always, we could not conduct the operations of the Club without the loyal support of our many volunteers who give up countless hours to make our Club successful. A big thank you also to our wonderful sponsors for again believing and supporting the product that we offer.

We look forward to season 2018 with excitement as we work towards the continual improvement of our organisation.

NORTH SHORE

CLUB SUMMARY

2017 was another step forward for the Club, both on and off the field, largely through the significant improvement of the Senior Football team, and the rejuvenated Committee that was able to make considerable inroads in the areas of membership and sponsorship. The main objective over the off-season is for an increase in players for both Netball and Football in 2018. Tim Ivermee took out the Allthorpe Medal as GFL Reserve grade Best & Fairest & Dylan Harmer won the U/16 Div 3 League Best & Fairest. Renee Scott has recommitted to the Club as Senior Netball coach. It is with great excitement that we announce our 2018 playing coach Sam Darley and would like to thank Jason Davenport for his time as Assistant Coach in 2014 and Senior Coach of our club for the last three years. We wish Jason well in his new role at AFL club Carlton.

Community engagement remains a high priority as we continue to work, along with many other sporting organisations, for business & government support in the Northern suburbs.

SOUTH BARWON

CLUB SUMMARY

The South Barwon Football and Netball Club enjoyed a fluctuating season 2017 with strong results including multiple premierships across the senior and junior netball sections and solid results throughout junior and senior football.

The senior football was again in development stage with a talented young list competitive yet unable to win crunch games that could have delivered a finals spot. Our Reserve team finished well down the ladder while the two Colts teams participated in the first round of finals and pleasingly held numbers throughout in sometimes trying situations.

We congratulate and thank retiring senior coaches James Maas and Clinton Wells as well as Reserves coach Toby Prendergast for the contribution over the past two seasons.

Junior football saw a strong performance across the board while the club reestablished in numbers in under 12, 10s and Auskick. The Club was pleased to field junior girls teams and host junior finals in 2017 and looks forward to maximizing its facilities in promoting junior girls and boys activities.

ST ALBANS

CLUB SUMMARY

The 2017 season, was a tough one, A huge thanks to Paul Nigro for putting his hand up and taking on the huge role as senior coach, with initial assistance from Justin Carey and latterly Greg Mellor. We only started to see the benefits of their efforts towards the end of the season, with the senior team able to achieve 3 win in succession, 4 for in total season. The club thanks both Paul & Greg for their efforts throughout the season.

Congratulations to our Senior Best and Fairest winner, Andrew Higgins. The Reserves, under first year coach, Adam Marsland, experienced a solid performance throughout the season and were a bit of surprise packet considering where we were at during pre-season.

Kirby Bourke, assisted by his brother Casey coached the U18's, with a number of boys coming in and out of the senior team throughout the season.

Our shining light for the 2017 football season certainly has to go to U15 Butterworth girls team, who defeated St to take the flag home. Great effort by Brian Kelly and his team of assistants. You did yourself and the club proud.

To all our juniors, well done on a great year and a big thank you for all those who assisted with coaching, team managers, and goal umpires etc. This is where our future football and club leaders will come from, so it's important that at this level everyone enjoys their football as a priority and success will certainly follow

Well done to Megan Dean and Nicole Riches on what was an outstanding 2017 season for the Netball Club. Whilst the ultimate prize couldn't be achieved, you certainly gave yourself every opportunity by making it to the last Saturday of the season. All the hard work is paying off and I'm sure we will see ongoing success in the seasons to come.

Whilst there is a key focus on our on-field performance, we certainly need to ensure that the key focus remains with ongoing financial viability of running a football club in the number one league in Victoria, certainly one that cannot be underestimated.

We move into 2018 with a clear mandate to improve both our on-field and off-field performance, to ensure St Albans can move back to the level of performance it was renowned for.

ST JOSEPH'S

CLUB SUMMARY

The 2017 season was approached with much anticipation for both Football and Netball and knowing that we need to continue to improve across the board as a club to compete in the league.

Improvement on and off the field was the objective.

New President , New Footy Director ...

The performance of our footy dept was exceptional with our 2.00 o'clock (premiers) and 12 O'clock making Grand Finals and the colts and our junior sections being very competitive across the Boys and Girls .

Netball had a very good year with a large increase in playing numbers in the junior ranks and the senior sides playing a lot of juniors that will only help the club in the future.

Off Field was another solid year financially and socially due to the work of the many volunteers we have ..

We need to improve our facilities to keep pace with the rest of the league and this will continue to be a major focus for the upcoming season with our reserve now under masterplan we are working with COGG to get best outcome possible for the long-term viability of our club and community.

ST MARYS

CLUB SUMMARY

Football:

Season 2017 was undoubtedly successful.

In the football section, the outstanding performances were found in the sustained high positions on the ladder for both the senior and Reserves teams, the latter being outstanding Premiers with the Seniors going down in the Grand Final.

The outstanding performance of our Division 1 Colts team was to win their sixth straight premiership beating the red hot favourite St. Joseph's in the Grand Final.

Netball:

In 2017 we fielded 5 senior teams in the competition, with a total of 61 girls taking to the court in the St Marys colours.

Division one was the only team to make finals losing the second week in the Elimination final.

The other teams found themselves just outside the five.

A sincere thankyou to all our coaches, managers and parents for the support provided to our footballers and netballers during the season.
