# CHAIRMAN REPORT

Welcome to the 6<sup>th</sup> Annual Report of the AFL Barwon Football Commission Ltd. This AGM is the formal record of the activities and the financial status of the AFL Barwon Commission.

As is the case every year we acknowledge the great work of the army of volunteers who make our games of football and netball so special. The Football and Netball games we present are of the highest standard in regional Australia and the benefits that flow to our community as a result should never be underestimated. Our communities are better places to live in as a result of the activities our clubs promote. You just cannot imagine living in a community that does not have a Football Netball club. It is incumbent on all of us to strive to create an environment that allows all of our clubs to provide opportunities for participation and pathways for excellence.

The proposed Competition restructure has been removed from the agenda for 2019 in response to representations made by our member clubs and leagues. The Commission has resolved to revisit the policy and to engage with our affiliates to better understand the concerns that clubs have with regard to

this policy. To that end AFL Barwon will review the work done to this stage and work with all stakeholders to achieve the outcomes of club sustainability and competitiveness that we all aspire to. The Commission will look at all options to achieve the best outcome for Football and Netball.

AFL Barwon is introducing a Player Payments and Points system for Netball in 2019. There is widespread support for the formulation of this policy and the detail has been presented to Netball leaders for feedback and comment. This initiative has the support of Netball Victoria and has the potential to provide even greater competitiveness and interest in our A Grade Netball competitions. Our Netball operations team have done a great job in producing this policy.

AFL Barwon has just completed the review into Junior Football in Colac and district. This important piece of work is currently being discussed with the clubs and leagues. The focus on this policy is to develop and enhance participation and to ensure viable pathways for young people to play Junior Football in and around Colac.

Female football is booming in the region. The Grand Final day at Grovedale clearly illustrated the growth and interest in the Women's Football. This can only get bigger and better as the competition evolves. With careful planning and promotion the game will only get better in the years ahead.

Junior football in the region continues to grow. The evenness of the Junior competitions is providing a fertile environment in which to grow participation. The Grand Final weekend at Lara was a demonstration of all that is great in our game. Huge crowds entertained by the spirited competition at all levels along with a wonderful community atmosphere made it a weekend to savour.

Umpiring continues to be a focus of AFL Barwon. The AFL Barwon Umpire Academy has been expanded into several new schools in 2018. This initiative is a key to the recruitment of more young people into our umpiring ranks. The development of a library of umpire training skills and other on line tools is another feature that will be of benefit to umpires and clubs into the future.

Integrity is a major focus of the Commission and our Football and Netball Operations team. The Match Review Panel and Tribunal members are charged with the responsibility of ensuring a fair and proper process is in place to enforce our integrity measures. Off field integrity and governance measures are constantly being evaluated and reviewed as the expectations and standards of our community increase. The challenges that arise from new communication media and technology require constant scrutiny. The integrity of all of our rules and policies will continue to be administered with fairness and rigour.

2018 sees the departure of our inaugural Region General Manager Lee Hartman. Lee moves on after 11 years of service to the region and his contribution has been immense. We wish him well in his future endeavours. Will McGregor has been appointed as RGM and brings a great skill set to the role. During this year Greg Welsh and Andrew Downie, both of whom have served as Deputy Chair, have announced their retirement from the Commission. Both men are great servants to the region and deserve our thanks.

In closing I would like to thank all of the AFL Barwon affiliates for their dedication to the Community and to our sports. Your dedication and passion is what drives our clubs to ever greater heights.

# GENERAL MANAGER REPORT

2018 has produced another fantastic year of Football and Netball across the AFL Barwon region, which has delivered increased participation and growth in the second year of the revised strategic plan. Combining Football and Netball, AFL Barwon now has over 18,000 participants, highlighted by a 37% increase in Female Football teams and a 14% increase in senior Netball teams. With over 500 registered umpires and 3,100 Auskickers, the region is generally in a very healthy state.

This growth would not happen without the many tireless hours that are put in at club level. The volunteers across the region are as passionate and proud as any and the work that they do to ensure all clubs are viable across the region should always be recognised. Congratulations to the Club Executives, Members, Players and many Volunteers. Without you, the game would not be what it is today, and we will continue to find ways to work together, moving forward to grow the game across the region.

AFL Barwon's Major naming rights Partners in Blood Toyota, Buckley's Entertainment Centre & The Dow Chemical Company deserve many thanks and your support is invaluable to the region's competitions.

2018 has seen the introduction of the Senior Female competition and we welcome and thank Epworth Geelong for supporting this exciting part of the game through a long-term partnership. AFL Barwon also has many long-term partners including The Geelong Advertiser, Corio Bay Health Group, Bendigo Bank and Kempe who continue to allow our competitions to remain at the forefront of Football and Netball across Victoria. The Drain Man and Cleanaway, Medibank and G-Force are now very much a part of our organisation and our continued growth could not be possible without your support. To all partners who make significant contributions, AFL Barwon cannot thank you enough and we hope to strengthen these relationships into the future as we strive to create safe and inclusive environments at all clubs.

In 2019, AFL Barwon will be updating the G21 Strategy document in order to have a coordinated approach to facility and infrastructure upgrades. AFL Barwon continues to receive excellent support and cooperation from our shires and councils and we are excited to work with you going forward to produce the most up to date strategy document across the state that will benefit all member clubs.

The region is fortunate to have all AFL Barwon staff continuing to challenge new ideas and concepts and work thanklessly in order to produce the best possible football and netball matches across Victoria, if not, Australia at a community level. There is no doubt that the Operations team is one of the most experienced across the state. I have thoroughly enjoyed working with Michael Limb, Sean Atkinson, Sarah Scott, Tayla Ellis, Jock Hillgrove, Deb Thewlis, Matt Lindsay, Ray Berry and Josh Conway across 2018. The Club Sustainability Program is now firmly entrenched in our region, ensuring the long-term viability of all clubs and without the AFL Barwon staff driving this, Salary Cap and Player Points System governance would not be as sound as it currently is. In 2019, AFL Barwon will look to introduce these systems into Netball and Female Football to ensure clubs are investing in their junior programs.

The Football Development team in Luke Maher, Jess Smith, Katie Geerings and Sarah Scott have continued to deliver high quality programs for the region in areas such as Auskick, Schools, Coach Education, Inclusion and Diversity, AFL Player appearances at clubs and schools, Training and Education, Next Generation Academies and V/Line Cup programs as well as the work they are doing with many club's committees and volunteers. The development team continue to be progressive and look to innovate and I congratulate them on their work and encourage all clubs to form relationships with the Football Development Managers as they can support you across a range of areas.

On a personal note, I would like to thank and congratulate outgoing Region General Manager Lee Hartman. Lee has driven progressive change in many areas and the strength of the Regional Administration Centre and all competitions are what they are because of the many tireless hours Lee has put in. All staff at AFL Barwon wish Lee all the very best in his future endeavours.

Congratulations to St. Joseph's FNC and Newtown & Chilwell FNC in the GFNL and Modewarre FNC in the BFNL for your very successful Premiership year. All clubs are striving for similar on field and on court success and there is no doubt, many hours have and are being spent to prepare to go one better in 2019.

The AFL Barwon Commission led by Chairman Craig Keating have shown terrific support to all AFL Barwon staff and will continue to make decisions that have the best interest of the entire region at the forefront of their minds. I look forward to working with you in 2019 and beyond. There are many challenges we continue to face but there is no doubt the future is exciting for Football and Netball as we now turn our minds to 2019.

# OPERATIONS MANAGER REPORT

Our Region continues to lead the way with the implementation of AFL Victoria's Community Club Sustainability Program. The Player Payments and Player Points programs have now been fully implemented across the state, with the long term outcomes aimed at assisting clubs to ensure their viability well into the future. We have now developed clearly defined Policies and procedures for these programs that will assist all stakeholders with a sense of clarity and understanding of what is required.

## **Under 19s**

Outcomes implemented from the Junior Review, saw all junior age groups change in 2018. This resulted in a drop in eligible players at the top end, with no bottom age players coming up. Therefore the number of teams was reduced from 36 teams to 27 teams with only 3 clubs entering a 2<sup>nd</sup> team.

We conducted 3 divisions with 8, 12 & 7 teams competing respectively in each division. This was again an evenly contested year in most grades including hotly contested finals series in all grades with players from 12 different clubs experiencing finals football. With bottom age players progressing from the Under 17s, it is envisaged there will be more teams entered in the Under 19 competition in 2019.

## **Interleague**

After nearly a decade as the Number 1 Country League in Victoria and the reigning Number 1 League across the state in both Metropolitan & Country Football, the GFNL suffered their first loss in representative football since 2010 at the hands of a strong finishing Eastern Football League who kicked 8 goals in the last quarter. The game was played at Etihad Stadium as a curtain raiser to the AFL's Country Round Clash between St Kilda

and Collingwood. The Bob Cahir Memorial Medal for best player on the ground was awarded to St Mary's young gun Jack Blood. Unfortunately, due to the fixturing of the game at the Etihad, there was no under 19 football or Netball played.

After missing out on a game in 2017, the BFNL returned to interleague football with a strong win in Horsham against the Wimmera FNL. This was a great result having suffered a narrow defeat to the Wimmera at the same venue 3 years ago. Fast ball movement and explosive speed was the key for the BFNL's success, but the winner of the Brian "Bull" Bennett medal for best on the ground went to Ocean Grove ruckman Andrew Jarvis, who controlled the air and provided the opportunity for our running players to create plenty of scoring opportunities for our key forwards with Anglesea's Jordan Erskine kicking 6 goals.

I would like to thank our new GFNL football coach; Clinton Wells, BFNL Coach Mark Hildebrandt and their coaching staff for the time and effort that they provided during the preparation and on match day. I would also like to thank the support staff who volunteered their time and effort to ensure the players and leagues had all they needed to get the teams onto the field.

## **BFNL**

In what was the closest season in recent years, Barwon Heads led the way, only dropping 2 games throughout the home and away season. After the 18 rounds, only 3 wins separated the next 6 teams, with Ocean Grove & last year's premiers Torquay narrowly missing the finals action. Only percentage separated Modewarre, Geelong Amateur & Queenscliff, with Anglesea one win ahead of them. The first weekend saw strong wins to Geelong Amateur and Modewarre. Barwon Heads easily accounted for Modewarre in the 2<sup>nd</sup> semi final to storm into their first Grand Final since they won it in 1993 (15 years ago), whilst Anglesea ended Geelong Amateur's hopes to play Modewarre in the Preliminary Final. Modewarre found some form with a strong victory over Anglesea, earning another crack at Barwon Heads in the Grand Final. With Barwon Heads wasteful in front of goal, (5.16) and a hard fought well drilled performance Modewarre won their first senior flag since joining the BFNL in 1996 (22 years ago)

Barwon Heads recruit Mitchell Phelps won the BFL League goal kicking with 77 goals, whilst Anglesea utility Jackson Bews and Barwon Heads mid fielder Matt Dyer tied to win the Les Ash Medal.

## **GFNL**

Leopold dominated the home and away season finishing on top with 17 wins. St Mary's & St Joseph's also had very strong seasons with only 3 and 4 losses respectively. They were closely followed by South Barwon & Colac. Newtown & Chilwell and Bell Park narrowly missed finals. The much-improved South Barwon ended Colac's finals campaign, St Mary's inflicted a 9 goal defeat on reigning Premiers St Joseph's in their Qualifying Final clash, and followed it up with a strong win against ladder leaders Leopold to book a spot in their 3<sup>rd</sup> consecutive Grand Final. St Joseph's then rebounded against a young South Barwon to book a must win Preliminary Final against Leopold. In wintery conditions at GMHBA Stadium, St Joseph's looked to have the game in their control at three quarter time, 15 points up (17 scoring shots to 7) in a low scoring affair, but kicking with the aid of a strong wind, Leopold almost stole the match going down by a solitary point. The 2017 Grand Final rematch saw an epic game which saw St Mary's hold the early ascendancy, but St Joseph's took control of the match in the final quarter and held on to record an exciting 9 point victory over a disappointed St Mary's side.

The Mathieson medal was an emphatic victory for 2017 winner Newtown & Chilwell's Matthew McMahon who finished 12 votes ahead of 2016 winner and last year's joint runner up Nathan Deans from Grovedale. Gun St Mary's recruit Aiden Grace won the Goal kicking with 55 Goals.

## **CDFNL**

The Colac & District FNL had another very successful year, with many quality players finding their way to CDFNL teams.

Last year's Premiers Birregurra were again the pace setters, finishing the Home & Away season with 16 wins, only one loss and a draw, with their closest rivals Lorne & South Colac close behind them with 3 and 4 losses respectively. Alvie and Simpson again filled the remaining positions in the final five. Lorne and Alvie won their way through the first weekend of the finals. The 2<sup>nd</sup> week saw Birregurra stamp their authority with a strong win over a wasteful Lorne and South Colac account for Alvie. Lorne responded strongly with a good win over South Colac to set up another exciting Grand Final with Lorne. Lorne jumped out of the blocks early with the aid of the wind, to be 4 goals up at quarter time. Birregurra were not able to get their game going, and despite a gallant effort were unable to bridge the gap, with Lorne recording a strong 21 point victory.

The Mahoney Medal was again an amazing count with Alvie's Mark Riley leading Lorne's Mark McCormack by only 1 vote entering round 18. With Alvie playing Lorne in the final round and both players competing in the ruck, it was an exciting final game, which saw Mark McCormack get the 3 votes to claim back to back Mahoney Medals. Otway Districts' coach Tom Mullane-Grant won the goal kicking trophy with 76 goals in the home and away games.

Interleague was played at Central Reserve with a clash against the Kyabram & District Football League, again led by coach Steve O'Dowd. Our senior interleague campaign this year was much more successful with a strong home win. We thank Steve for the time and effort that he put in. We could not have asked any more of him and result was well deserved.

I would again like to thank Lee Hartman for his ongoing support and professional leadership. Having decided to move on in his career after 11 years with our organisation, I would like to note that his period of tenure has produced incredible growth, increased professionalism, and much improved resources for our clubs. He has certainly left us better for his contribution. I would also like to thank and acknowledge the rest of our staff, our Operations team of Sean, Tayla, Matt and Jock, as well as Deb who keeps it all together for us. The contribution made by the FDMs is an extremely important component in the service we are able to provide for the clubs, and their work has been outstanding this year. I would again like to express again my appreciation to all the club volunteers for their hours of work committed to ensuring all the required tasks are performed in a timely and efficient manner. They are often thankless tasks but are vital and very much appreciated by all here at AFL Barwon.

**Michael Limb**  
Operations Manager.

# NETBALL MANAGER REPORT

Season 2018 was another remarkable success with continued growth in our competitions.

I would like to thank our corporate partners, without their support we could not run the competitions each week. Blood Toyota, DOW, Bendigo Bank, Buckleys, Kempe, Espresso Alfresco & Corio Bay Health Group have been great supporters of AFL Barwon for many years now and we look forward to supporting you all and continuing your relationship with our leagues for many years to come. A big part of the growth of our sport is due to the wonderful media coverage now received at a local, national and international level. I would like to acknowledge and thank the Geelong Advertiser, for their support in the coverage they provide each week during the season. We look forward to working closely with you in 2019 to develop this relationship and continue to increase the coverage for this growing sport.

Congratulations to all our 2018 Premiers on a fantastic season and walking away with the result we all strive for. Congratulations to Modewarre on their second A Grade BFNL premiership in two years. A fantastic season with some fabulous games of netball that ended with a fantastic grand final against Geelong Amateur that could have gone either way. Thank-You to Leopold FNC, Portarlinton FNC and Drysdale FNC for hosting our finals. It was a pleasure to work with all of you and I thank-you for your support of our competitions and finals series. Newtown & Chilwell FNC continued their unbeaten run after another impressive performance beating St Albans in the A grade GFNL grand final. We again saw great crowds at all our games and enabled spectators to see both football & netball at the one venue over the finals series. Thank-you to Leopold FNC for the use of your scoreboards for both GFNL and BFNL finals. Thank-you to all clubs and spectators for supporting our finals series and Grand Final Days both BFNL and GFNL. The crowds were fantastic this year and I know the players appreciate the support they receive – making their achievements extra special.

2018 was another big year for coaching development. We had over 120 coaches complete their Foundation accreditation online which is a huge achievement for the league.

AFL Barwon continued providing administrative services in 2018 to the Geelong Netball Club who play in the State VNL Competition, forging the way for AFL Regional Administration Centres to support and promote elite netball in their respective regions. It's fantastic that we can provide these services to ensure Elite Netballers in our region are being provided an environment to train and play that will enable them to reach their full potential. Our administration services supported the Geelong Flyers in developing their new Junior Development Program, an elite junior program for the Barwon Region. Our involvement with the Barwon Junior Netball Championships now means that pathways and administration services for netball across our region have been streamlined ensuring the growth in our sport can be facilitated and fostered. With this a big Congratulations to the Geelong Netball Club for making it to the grand finals in the Championship competition the 19 and Under competition in 2018. A fantastic effort by all involved.

Finally, I would like to say huge thank-you to my colleagues at AFL Barwon. I look forward to 2018 and the challenges that the new season will bring. A huge thank-you to Matt Lindsay who was in the Netball Co-ordinator role throughout the season. His friendship and support kept me grounded and allowed for us to both grow professionally and personally.

**Tayla Ellis**  
**2018 Netball Manager**

# JUNIOR FOOTBALL REPORT

It was another wonderful year for Junior Football in our region with changes from the Junior Review being implemented for the 2018 season. There was a slight growth on the previous year seeing 273 teams competing in Junior mixed and male competitions.

There were some significant changes to the structure of Junior Football in our region for season 2018. The change to odd age groups, the integration of Newtown Little League and the consistency of fixturing had the biggest impact in 2018. We were pleased with the impact the changes had in 2018 and will continue to review junior football structures for the better for 2019 and beyond.

This was the first season Next Gen Academies for Under 13, 14 & 15 boys, replacing the previous Junior Interleague program. Thank you to the Geelong Cats for their support and contribution to the program. A further thank you must go to the coaches and staff also involved in making the program a success in 2018. We are excited for the further development of program in 2019.

A huge thank you to all who have contributed in season 2018, especially the Geelong Junior Football naming right sponsors - Buckley's Entertainment Centre, Kempe, The Geelong Advertiser, Medibank, Corio Bay Health Group, Supatramp, The Drain Man & Cleanaway. Without your generosity it would be impossible to run such a great competition.

To all the clubs that hosted finals, AFL Barwon offers you a huge thanks. Congratulations to Lara Football Netball Club for the outstanding running of junior grand final weekend. Your club should be very proud with the success of the weekend and the wonderful work done by all the volunteers. It was a huge weekend and your hospitality and commitment made it enjoyable for all competing clubs and spectators. A further Thank you to Bell Park, Bell Post Hill, Collendina Cobras, East Geelong, Newcomb, North Shore and Portarlington on hosting junior finals.

To all club coaches, team managers, trainers and volunteers, I thank you for all your hard work. I'm sure it doesn't go unnoticed at club level because I for one respect the amount of time you dedicate to your team and your club.

To all of the players, boys and girls, that were part of AFL Barwon Junior Football throughout the year, a huge thanks and I hope that you continue your footballing journey in 2018.

Thank you to the club Junior Coordinators for all the tireless work that is put in behind the scenes. It is due to the hard work of these coordinators that junior football in the region continues to run successfully. It was a pleasure to work with you all and hope you all continue in 2019.

**Sean Atkinson**  
**Football Coordinator**

# JUNIOR NETBALL REPORT

## **AFL Barwon Junior Netball**

In total for our AFL Barwon Junior Netball competitions this year we had 61 teams participate on a Tuesday night in the 11 & Under comp (46 at Kardinia Park and 15 at Ocean Grove) and on Friday night we had 68 teams participate from 13 & Under (33 teams), 15 & under (26 teams), 17 & Under (9 teams).

I would like to give a massive thanks to Matt Lindsay for organising the junior competitions and running them on a Friday and Tuesday night. Thank you also to Kelley Weldon who assisted Matt on Friday nights and Tuesdays at Ocean Grove. It would be impossible to run the competitions without her.

Thank you to our Friday night umpire supervisors Shirley Fagan and Ange Cripps, and to the many Friday night mentors throughout the year. We have had a large number of new umpires begin in our Friday night competition this year and many have started to move up to be trainees, and then on to working to become badged umpires.

## **Umpiring**

Our Friday night umpire mentoring program saw our mentors provide training, feedback and encouragement for our junior umpires throughout the season. Working with 70 junior umpires, we were able to develop their skills and confidence to work their way back to their clubs to umpire. Many of our umpires are now permanent fixtures each week at their clubs as club umpires, and majority of our umpires were able to progress through to the next level throughout the season.

Although we are still working on improving our Panel umpire program, we managed to take some steps to improve the quality of umpiring throughout by implementing a mentor program for 13/U all the way up to A grade. Thank you to all clubs who supported AFL Barwon with Panel umpiring this year, with last minute changes and calling upon club umpires to help fill spots. This year we worked very hard in developing and gaining new younger members onto our panel. This program will continue in 2018 where we are in the process of adding more umpires to our Panel list.

I wouldn't have been able to get umpires across 22 A & B grade games each week throughout the year without the help and support of the umpire development panel, Heather Carroll, Cheryl Van Dreumel, Kate Harding and Shirley Fagan. With the support of these ladies not only have we allocated panel every week, but have work with umpires to get there umpiring badges.

# UMPIRING REPORT

It gives me great pleasure to present my annual report for 2018.

Although for the first time ever AFL Barwon reached **501 umpire participants**, this didn't necessarily translate to "actual" weekend Colac/Geelong Association umpire numbers. Geelong was impacted with the introduction of Sunday boy's and Senior Women's competitions, with Geelong reaching **345 (-20)** umpires, coaches and support staff, while Colac grew from 71 umpires to **74 (+3)** including coaches. Another **82 (+32)** people registered as participating in umpiring as registered club appointed umpires and School based umpire academies.

Umpiring needs more people involved as the rapid growth of the game is still well ahead of any growth of umpires numbers. **Geelong Umpires have a bold target of 700 umpires while Colac Umpires need 100+**

AFL Barwon introduced an all abilities Umpire Program mid 2018 through the supporting efforts of AFL Barwon Commissioner Richard Underwood and Geelong Umpire Brendan Beveridge where participants were identified and able to be trained and umpire in a live match late in the season.

The AFL Barwon Region umpiring was again very well represented with umpires and umpire coaches from Geelong and Colac in the AFL Victoria 2018 Worksafe Country Championships, V/Line Umpire Academy, V/Line Cup and TAC Cup matches. Congratulations to all umpires who participated.

Our AFL Barwon School Based Umpire Academies again proved valuable with students participating in an umpiring specific programs at Clonard, St Joseph's Colleges (Geelong) and Trinity College (Colac).

AFL barwon engaged Chelsea Roffey (AFL Umpire) as AFL Barwon Umpire Ambassador. Chelsea delivered a number of promotional and recruiting videos (\*40,000 unique views – Facebook) along with 4 PD sessions (1 Colac and 3 Geelong), Clonard College Umpire Academy session and attended several other events as part of her role.

AFL Barwon Umpire Coaches				
Geelong				Colac
Field	Boundary	Goal	MDO	Coaches
Davin Reid	Kel Clissold	Colin Hood	Tony Brooks	Allan Grant
Steve Keating	Adam Bell	Rob Steel	Mark Bushfield	Adam Edwick
Darren Santospirito	Karen Wekwerth		Gary Flowers	Linda Knight
Joshua James	Chris Bell (to June )		Ray Menzies	
Jarrold Waight (Skills)			Steve Guarnaccia	

AFL Barwon High Performance Umpire Academy again partnered with the Geelong Falcons, David Harris (AFL Umpire) lead the group. Thank you also to Mick Turner (Falcons GM) for his support of the program which is the only TAC club to have an affiliated umpire program, unique to AFL Barwon.

The last possession rule was introduced by AFL Barwon in 2018, the rule allowed for clubs to no longer needing to find a boundary umpire and most importantly there was **no players throwing the ball in** a key delivery of the AFL Barwon Commission. Where the rule was implemented we removed boundary throw-ins and replaced this with a field ball up 15m on to the ground.

In closing I would like to thank the AFL Barwon Commission, AFL Barwon Staff and Geelong Umpires BoM, CDFUA, GDFL executive, and all AFL Barwon/GDFL clubs. I would particularly like to thank Lee Hartman for his leadership and support of umpiring and wish him well in his future endeavors.

# TRIBUNAL REPORT

The process for Reporting, Set Penalties & MRP that was adopted in 2017, continued to provide consistencies in outcomes and also a reduction in unnecessary Tribunal hearings.

There were a total of 107 reports laid across AFL Barwon leagues in the 2018 season. This was a slight drop from last year.

These reports comprised 64 Senior Grade, 10 Reserve Grade, 13 Under 19s, 17 from Junior Grades, 1 Netball, 2 from Female Football, and included 1 charge carried over from 2016. This includes 6 reports heard at Tribunal as a result of investigations at the request of Clubs, Umpires or League for various incidents, and 13 that were referred by the Match Review Panel.

60 players accepted the set penalty option. A total of 187 matches will be or have been missed by players through suspensions received in 2018. A significant reduction from last year.

Our Match Review Panel assessed 103 requests of which they found 39 reportable offences. 23 of these players accepted set penalties, 1 accepted a reprimand, 2 clubs were fined for engaging in a Melee, 6 were sent straight to tribunal and 7 challenged their charge at Tribunal with 11 found guilty. Our appreciation is extended to the members of the MRP who volunteered their time on a weekly basis to assess relevant footage as requested and provide their judgements. Tribunal results would indicate that their judgements were appropriate.

I would like to congratulate Chairman Werner Weigl and his panel members for their work and measured but consistent approach. Arthur Hodgson and Damian McKeegan also did a great job as our League Prosecutors.

I would like to thank Rob Drew for his work as Tribunal Secretary with the co-ordination, scheduling and running of the Tribunal sessions, I would also like to thank our Director of Umpiring Jock Hillgrove for his work co-ordinating and organizing the umpires and their advocates.

Anglesea Football and Netball Clubs had reasonably successful seasons in 2018. The netball girls battled a player number problem throughout the season but, with good junior numbers the future appears very positive.

The football club made terrific progress on the field. The Under 17s were defeated in their grand final by less than a goal and all other junior teams had excellent numbers under some wise coaching. The Seniors were defeated at preliminary final stage by eventual premiers, Modewarre, but generally played at a very high standard. It was pleasing to see an influx of players keen to represent Anglesea along with the core of locals.

Parental involvement was excellent in every aspect of junior netball and football.

All at Anglesea are very excited about the upcoming season!

The BHFNC had a tremendous 2018 despite senior men's loss on grand final day. All football and netball teams, aside from one, made the finals with 14 making it to the final game. The senior women's team - in their first year - won their Division 2 Premiership - an amazing achievement.

Winning the BFL Club of the Year - as the best performed club in both footy and netball - certainly highlighted the great success through the year by the club as a whole. The club is well served with an energetic committee, a generous group of sponsors, supporters and a throng of volunteers who help provide opportunities for over 500 players to participate each and every week. It is the combined efforts of all - across junior footy/netball and into the senior ranks, which helped make 2018 such a success.

2018 kicked off with the opening of Drysdale's new junior and women's football ground at Belcher's Road. This was the culmination of many years of planning and has the club well positioned to cater for the needs of our growing town.

Our Senior team fell away after a promising start to the year and we went deep into our list during the season. Our Junior, Auskick and Female football departments all enjoyed record participation. This enabled us to develop new coaches and grow our volunteer base well beyond 150 people. We were delighted to again host BFL Finals, receiving great feedback on a memorable Grand Final that showcased the Bellarine to a huge crowd in attendance.

The club have signed the majority of our list and with quality new recruits already added, we will approach our 140<sup>th</sup> anniversary season with optimism for a return to finals.

## OFFICE BEARERS

2018 saw Geelong Amateur Netball and Football club enter the season with a much different list; 7 of the 2017 grand final team not returning and with new recruits Daniel Lovick (named as 2018 captain), Adam Donohue, Brad Surkitt and Hamish Shephard, unfortunately our senior team found themselves in unfamiliar territory finishing the season in 4<sup>th</sup> place and the reserves side finishing the season 3<sup>rd</sup>. Our U19's had a slow start to the year with an unbelievable finals series to win the Division 2 premiership. There is some incredible talent coming through the ranks, which is exciting to see.

Blake Sutterby, Adam Donohue and Wade McSparron proudly represented the club in the BFL interleague team.

2018 saw the inaugural year of WAMMOS our Geelong Amateur Women's team, who had a most enjoyable inaugural season ending up 3<sup>rd</sup>. With Sharon Ford, Stephanie Abfalter, Cynthia Giuffrida and Mardi Dangerfield making the Seniors Women's Team of the year.

Our netball season saw us enter 18 teams with all teams bar one making the finals and our B grade team winning the premiership.

The whole club would like to wish Rowan McSparron all the best as he continues his coaching, taking on a coaching role at Colac and to thank him for the all the hard work and dedication he has shown over the past 4 years to the Ammos and also to Jarrod Young (who will continue on playing) as co-coach for the past 2 years.

Huge thanks to the committees and all the volunteers for another great year of hard work and commitment in 2018.

Well what a year! All of our Senior Netball Grades made finals. For the first time in the clubs history, our u19 Netball made finals and our all-conquering A-Grade netball team went Back to Back. An amazing effort. For the second year, our Reserves football side made the Grand Final. Unfortunately we didn't get the chocolates but with a young and developing squad we look forward to next year as we strive to go one better. Finally, history was created at our club with the Senior Football side taking out the Senior BFL Premiership for the first time since joining the league in 1996. This result has been the culmination of 22years of hard work by many people. A massive thankyou to all coaches, players, supporters, sponsors and most importantly to the hard working people, especially our club executive, that volunteer countless hours to keep the wheels turning. Bring on 2019.

Season 2018 has again seen many positive outcomes for the club, both on and off the field.

The Senior Team under the astute guidance of coach Rory Nicol, and his support staff, have showed great improvement. Several promising young players have developed throughout the year in both the Reserve Team and also the Under 19 Team. Congratulations to Jack Hudson on winning his third Ross Gibson Medal as Senior Best and Fairest.

Off the field the volunteers were again a highlight. All areas of the club were serviced by a committed band of loyal workers. Dale Finn was awarded Life Membership. Cherie and Jamie Hogan were honored with the Best Clubperson Trophy making it a trifecta of victories – a truly great achievement.

A special mention goes to Damian Mahoney for his determined leadership during his fifth term as President. He was ably supported by an energetic committee.

Scott Smith's involvement in building a strong Junior Section was recognized within the club and also by the greater football community

At Newcomb we look forward to being a competitive part of Season 2019.

## OFFICE BEARERS

A busy summer of recruiting had hopes high for an improved 2018 season on the footy fields and netball courts.

**Football:** After a solid start to the season, injuries, suspensions, a couple of near misses and a mini-slump midway through the year meant the senior men were relying on other results to make the finals. In all, sixth was a disappointing result because our best was good enough to challenge the top teams. The Reserves made the first week of the finals and the Colts made it to the big dance only to go down fighting after giving away a big start.

The ladies were well represented again with four teams and will be a big part of the club in future years – on and off the field.

**Netball:** After an up-and-down season, the A&B-Graders made the finals but bowed out in week 1. The D-graders were the shining light and finished off a great season by winning the premiership. The E-graders had a great season and made the grand-final while the under 19s just missed the finals. Elyse was tireless in her quest to get the entire netball group to be the best they can be and it was great news to hear that she has committed to the club for 2019 season.

Steve Clark returned to the Coutras in 2018 as senior football coach after a successful period coaching at GFL level. With the top up of some new senior players, the team made it through to the finals, losing in the first week to Geelong Amateur. Our Reserves team had its most successful year in a long time under new coach Kent Hannam, just missing out on a finals berth. With a great group of enthusiastic and talented youngsters, the future looks bright for both our senior football teams.

Kerri Maher and Pam Maurer continued at the helm of our senior netball group, coaching all four teams in 2018. The A grade team continued to improve and finished the year with seven wins and a draw. Our B grade girls made it through to the second week of finals and is hungry for greater success. 2019 promises to be an exciting year for all our netball teams as they move across to our newly completed courts and game day facility. Their patience has finally paid off!

Our junior Coutras had an outstanding year in football and netball, despite some teams struggling at times for numbers on game day. We managed to snag three premierships – in Under 17 netball and Under 17 & Under 15 football. There were also a range of outstanding individual performances in league vote counts and interleague squads which is a positive sign for the future.

Thanks to all our sponsors, supporters and volunteers for all your hard work in 2018. Go Coutras!

# TORQUAY

## OFFICE BEARERS

2018 was a mixed year for the Torquay Football Club with success in our reserves winning the BFL Reserves Grand Final and disappointment in our seniors failing to make finals.

Planning and recruitment for the 2019 season has already commenced and we are pleased to have Dom Gleeson commit to a fourth season as senior coach of our club.

With over 700 players in 30 teams the strength and size of our club is testament to the wonderful group of volunteers and dedicated coaches who work tirelessly to ensure our club is a great place.

We were one of only a few clubs in the region to field two Under 19 teams and we were very proud of both teams making the finals. Our junior program goes from strength to strength achieving the ultimate success at the Under 17 and Under 13 levels this season. We continue to work with AFL Barwon to ensure all our junior players, both boys and girls, are given the opportunity to play for the Torquay Tigers and participate in our great game.

On behalf of the Club we would like to thank our major sponsors in McCartney Real Estate for their great support. Your contribution to the club has been enormous.

The club is in great shape both of and on the field and we look forward to season 2019.

Season 2018 was a season of change for the Bell Park Football Club.

The club welcomed in quite a number of young recruits which was required to invigorate our senior playing list

Unfortunately we missed the finals for the first time in a while but as a club we feel we are moving forward in the right direction.

Our junior memberships remained steady with our Under 17 Division 1 team playing finals.

Season 2018 Bell Park also welcomed an All Abilities team which participated under the name of the Bell Park Dragons. We are looking forward to continuing and growing our association with them.

We are also sounding out interest in a female football team which currently is gathering quite a bit of momentum and we are hoping to field a female team in the near future.

A big thank you to the club and its volunteers whose time and efforts keep our club running smoothly.

A big thank you to all our coaches throughout the Club and special mention to our outgoing Senior Coach Luke Raynor. We now welcome our new Coach, Shane Jack who will share the duties with Tim Sheringham for Season 2019.

A big thank you to everyone involved in the Bell Park Football Club for all the work over the past 12 months and looking forward to continuing and improving this in 2019.

# GROVEDALE

## OFFICE BEARERS

The Grovedale Tigers Senior Football team were faced with an exodus of senior players at the end of the 2017 season and did not appoint the new Senior Coach, Simon Riddoch until early November 2017. The President of the football section also had to step down from the position due to work commitments. Club legend, Michael Schulze and Simon Hose, took on the role of joint Presidents. Despite these setbacks, the club had an excellent recruiting campaign, led by Paul Whyte, Brad Hauenstein & Simon Riddoch and fielded a competitive team for the year, finishing in 8th position with 6 wins.

The club is looking to further develop the list in the 2019 season and will aiming for a tilt towards finals action.

Some positives for the year included, ex player Ryan Abbott making his senior debut with with the Geelong Football Club and Gryan Miers being drafted to the Geelong Football Club.

The club also had five players train and play at the TAC Cup team, Geelong Falcons in 2018. We also have four of our U/19 players make their senior debut with our club.

The netball season began with the unique challenge of not having any netball courts due to the Grovedale College renovations. Fortunately, with the support of AFL Barwon and the South Barwon Football Netball Club we were able to overcome this hurdle and be given the opportunity to host our 'home' matches at McDonalds Reserve for the duration of the 2018 season. The 2018 season also saw the appointment of a new Senior netball coach. Tracy Wallace was appointed to the position after careful consideration and outstanding recommendations. Tracy brought with her a wealth of netball knowledge and strong club culture and presence. I would like to thank Tracy for her patience in what was a difficult year for the club, and her commitment to travelling from Melbourne for both training and match days. Unfortunately, as a club we did not experience the on-court success that we aimed for during the 2018 season. Although team success and premiership points did not lead to finals appearances for our senior/majority of junior teams, many players did experience individual successes as well as the achievement of playing milestones.

# GEELONG WEST GIANTS

## OFFICE BEARERS

The 2018 season began with one of the most important recruits to the club, Greg Mellor take the reigns of the Senior side. The preseason training schedule was of a very high standard which was demonstrated in the early part of the season. Although the Giants didn't come away with many wins, there were still many positives. A number of games against the eventual top 5, saw only a few goals difference at half time or three quarter time. The improvement this season compared to 2017, demonstrated that the Giants are getting closer to matching some of the better teams. Development of our young players was a key focus with 21 players under 21 who played at least one senior game. 2018 also saw a number of young key recruits join the Giants who will continue to improve year after year.

2018 has seen continued improvement in GFNL netball with an additional team representing the club in finals and better performances throughout the season in all grades. The Senior grades consolidated on their creation in 2017 becoming a most competitive squad of athletes. A Grade finished 8th on the ladder although had wins against two finals sides and narrow losses or draws to others. Meg Matthews was awarded AFL Barwon Rookie of the Year.

The Club has again enjoyed seeing the increase in home grown juniors make their senior debut during 2018, adding to the existing group of young players gaining experience at GFL level. Tony Armstrong took on the role of playing coach for 2018 and has played a major part in the retention and attraction and development of players through his energy, knowledge and experience, and will continue to develop in his role assisted by the coaching staff led by John Northey, Jerome Beekmans and Andrew Bruce.

The U/19's team remains one the most important groups within the Club, and the Committee would like to thank Jason Hassett for taking on the coaching role during the year. My thanks and appreciation go to our Junior Committee, led by Andrew Gunther. Junior football plays a critical part in the development and sustainability of our club not only from a sporting perspective but as an important part of our broader community. The Women's competition continues to expand, with LFC having 5 female teams competing in 5 grades.

I express my appreciation to all Committee Members, Supporters and Volunteers for their contribution to our current financial position. Thanks to the Netball Committee who continued to work closely with Football to ensure the One Club approach continues to strengthen LFNC and resulted in successful fundraising and social functions being held throughout the year.

Special acknowledgement to Peter Kelly and the Board for the support they have provided throughout the year and particularly the financial contribution to LFC to purchase new gym equipment during the season. Thanks also to Brendon Chavasse and his team for working with the Section throughout the year with functions held at LSC. I want to acknowledge the Executive – Darren Goodwin, Kath Fulton, Andrew Gunther and Steve Reynolds – for their assistance throughout the year and thank them for their commitment to continue their roles in 2019.

This year has presented many challenges for the Committee, Players, Coaching and Support Staff, and I would like to express my sincere gratitude to all for their support, counsel and encouragement to push ahead when the Club was faced with difficult situations and challenging decisions. Our Committee has and will continue to drive the culture through passion and regard for the Club, and with the involvement of the younger group, led by Matt Trethowan and Tyler Woods, we look forward to seeing more new faces involved for 2019 and beyond.

We would like to thank our members, player's, supporters and opposition clubs for their patience while our club has undergone a major redevelopment this year. We started the year off with limited facilities for canteen, bar and social rooms but it was worth the wait when we unveiled our new pavilion late August. We believe we now have some of the best facilities in the region thanks to funding from the State Government, COGG, Leopold Community Bank and our members donations. Also a Thank You to our valued sponsors, members, volunteers and supporters who continue to give generously of their sponsorship and time to help make the club a great place to be.

Congratulations to our 6 senior football representatives in the AFL Barwon GFL Team of the Year. Led by appointed captain, Jai Thompson, selected players included Marcus Thompson, Billy Smedts, Tom Ruggles, Trent West and Brandon Howarth. The 2018 season has been an exciting one for our Club, although we have experienced a mixed result across the sporting sections of our Club.

Congratulations must go to our victorious teams who won their respective Premierships. Also, congratulations to Matthew McMahon for winning the League's Mathieson Medal, Julia Woolley on winning the A Grade Netball League Best and Fairest, Sam Nicholls on winning Rookie of the Year, Len Alford being awarded Personality of the Year and Shaun McWilliam Administrator of the Year.

Our netball department has continued to grow. We fielded 12 teams across seniors and juniors on a Saturday, x4 11/U teams, and x8 Friday night junior teams. We had an all-time high of 8 squads make finals on a Saturday, and all 13/U teams made finals in their respective division. Our A Grade squad continued their successful competition, winning their 6th premiership. We also had x2 Friday night 13/U squads win their respective division grand finals. We thank the committee, coaching staff and all players, volunteers for their work over the season.

Our Club continues to grow year on year both on and off the field and court, and as always, we could not conduct the operations of the Club without the loyal support of our many volunteers who give up countless hours to make our Club successful. A big thank you also to our wonderful sponsors for again believing in and supporting the product that we offer.

We look forward to season 2019 with excitement as we work towards the continual improvement of our organisation.

The North Shore Football and Netball Club continued to concentrate on rebuilding junior participation. Auskick restarted at the club and consistently had 30+ participants and was fully funded by the club.

The senior Football side finished 9<sup>th</sup> with 4 wins and was competitive while the reserves side finished with 1 win. Sam Darley, Nathan Peoples and Julian Debosz all made the interleague squad. Tim Ivermee won the Allthorpe medal.

The Netball section showed great spirit throughout the year with the B grade doubling up to play A grade each week. The club fielded U/13, U/15, U/17 and A-E grades. Kelly Carol was a dual winner of the B Grade best and fairest and Tara Robinson won the U/15 Div 2 GFNL Best and Fairest

Off field the club installed a new electronic scoreboard, continued club room renovations, increased sponsorship revenue, hosted a regional school football clinic and hosted junior finals.

Season 2018 saw a genuine resurgence at the Swans with new senior coach, Dave Farrell and his group, leaving an indelible mark on the club. With a young playing group fully engaged, Farrell led a talented group into the club's first finals appearance since the 2013 premiership. Congratulations to the playing and coaching groups who lifted the club from 9<sup>th</sup> place in 2017 to 4<sup>th</sup> and set the platform for the coming seasons.

Individually the 2 o'clock players set a high standard with Jay Lever and Jonty Broughton selected in the GFL Team of the Year. Congrats to Luke Davis who won his first senior best and fairest award from Ethan Baker and Ryan Dillon in third place. Lachlan Lusher took out the Reserves B&F.

The netballers did our club proud with the Premier grade going down in a tough preliminary final. Nine grand finals were played with five premierships being the reward. Hearty congratulations to Caitlin Hoiles who played her 300<sup>th</sup> senior match during season 2018.

Like it or not, our football club is viewed very much on our senior win/loss ratio, based on this it would appear that this is very disappointing year and certainly not ideal. There were many factors that contributed towards a 3 win 15 loss result, these included severe injuries to our top tier players that resulted in 7 senior players being side lined for multiple weeks and in 2 situation for the entire season. Take out 7 of your best players in any team and it changes the dynamics, as result many players were fast tracked into senior football, this in my opinion can only be a positive to 'blood' many young footballers and no doubt will be better for the experience.

Our combined u19's team with Newtown applied themselves extremely well in the division 1 competition, this can only be positive for their development and transition into the senior football grades, with many of our regular senior players still being eligible for u19's selection. The combined St Albans/Newtown U19's team was a great outcome for our club as exposed not only what a great club we are but also first-hand demonstrated that perception of our club isn't always the reality.

The Netball division was the shining light of our club and we certainly acknowledge their achievements with both A & B grade reaching the Grand Final, A's for the second year in a row, I'm sure they can make the step and take out premiership in the coming season.

The task in Managing and Operating a sporting club is certainly not to be taken lightly and as volunteers all living busy life's, the role doesn't get any easier. The ever increasing administration requirement alone needs a fair degree on involvement and finding those wanting to commit to this level of assistance can be challenging.

We look towards 2019 with a fair degree of optimism and a fair degree of planning, player management and strategy implementation has already been occurring well before the last round ended.

The 2018 season was a great Journey for our Football and Netball Club with 8 premierships across Men's / Boy's , Girls Footy and Senior and Junior Netball ....

Continued Improvement on and off the field was the objective which will continue to be in 2019.

Facilities being a major focus and working with the COGG to develop the masterplan for Herne Hill Reserve ...

The performance of our footy dept was exceptional with our 2.00 o'clock ( premiers ) and 12 O'clock making the finals and both colts sides winning .. To cap that off Under 18 Girls Div 1 and Under 17 Boys Div 1 plus Under 15 Div 4 which is a great result for are hardworking junior coaches and coordinators.

We say Goodbye to Heath Jamieson , Shane Jack and Paul Northey who have had a massive impact on our Senior and Junior Football programs in the past few years .

Netball had a very good year with a large increase in playing numbers again across all levels and the senior sides playing lots of our juniors that will only help the club in the future. They also managed to win 2 Premierships as well in D Grade and Under 17 Div 2 Off Field was another solid year financially and socially which faced a few challenges with the impact of the Geelong Home games ...

With some recent announcements from the State Govt and the support of COGG we hope to see our masterplan come to fruition in the next 18 months which would help relieve the pressure our current facilities are facing .

### Football

We acknowledge a very disappointing result in the 2018 senior grand final, having now lost the last three in a row.

It was very disappointing for the Board, players, coaches, sponsors, our hard working volunteers and our many supporters.

Success is not however measured only by senior flags but our reserves went back to back premiers, a credit to all those involved.

Importantly the club fielded 26 football teams across the various age groups including 4 girls teams comprised of 120 players.

In addition there were 107 participants in Auskick.

While not winning the senior flag, other measures suggest a very successful football season.

### Netball

Our club fielded 32 netball teams across all age groups and was successful in winning 6 premierships.

Despite some necessary leadership changes at the end of the season, similarly to the football side, our netballers had an extremely successful season.

### General

The President and Board wish to acknowledge the enormous contribution that our sponsors, volunteers, supporters, parents, siblings and members that contribute to our great club.

The President and Board say a very big thank you to all.
