THE MOUNT: A WELSH ESTATE

Monday, October 17, BBC One Wales, 10.35pm

The Mount estate in Milford Haven is home to 400 flats and houses and is the focus of a brand new BBC Wales programme, ***The Mount - A Welsh Estate***. Cameras spent a year meeting and following the people who live there as they tell their stories in their own words.

The Mount is typical of the council estates built in the 1960s and 70s to a revolutionary American design, which meant no streets and no private gardens. Like similar estates it became stigmatised by high unemployment, anti-social behaviour and numerous people living on benefits.

Roughly 70 percent of The Mount residents are unemployed, but the programme talks to Roger and Stacy Davies who are in the minority as they both are in employment. Having lived in the area for 22 years, single parent Jane is proud that her only child Simone moved away to obtain a university degree - but circumstances change and Simone is back on The Mount. And for a few people, alcohol is a problem, especially for Jo, whose two children are in care as she battles an addiction which is destroying her life.

MERLIN

Saturday, October 15, BBC One, 8.15pm

The mighty citadel is buzzing in anticipation of the Prince's birthday celebrations, as the fantasy drama continues in ***Merlin*** this week. But an old adversary promises to ensure this is one party Camelot will never forget - for among the assembling guests lurks a deadly assassin set to strike.

As the dust settles, Camelot is left devastated. Just how far is Merlin prepared to go to put things right; would he really risk everything and reveal his secret?

Made by Shine West for BBC Cymru Wales, the series was filmed in a number of Wales's iconic locations, including Trefil Quarry, Raglan Castle, the Brecon Beacons, Caerphilly Castle and Cosmeston Medieval Village.

In this magical drama Colin Morgan plays Merlin, with Bradley James as Arthur, Anthony Head as Uther Pendragon, Richard Wilson as Gaius and Katie McGrath as Morgana.

LIONS - NEW ZEALAND 1971

Wednesday, October 19, BBC TWO, 11.20pm

A special BBC Wales documentary to be shown on network BBC Two looks back at the victorious Lions tour of 1971, which featured many of the stars of the 'golden era' of Welsh rugby.

In *Lions - New Zealand 1971*, BBC Two, Wednesday, October 19, Eddie Butler tells the story and reassesses the impact of the tour - taking a journey through a rugby-mad country. "So much of our rugby is familiar, close to home. Grand Slams, the Five Nations and Six Nations, grand days out in places we know. But the finest contribution ever to Welsh rugby was made in an alien environment, as far from home as you can go," says Eddie.

The programme features contributions from many of the '71 Lions Welsh stars including Gareth Edwards, Barry John, JPR Williams, Gerald Davies and Mervyn Davies. The programme also hears from many of the stars of the All Blacks team.

WALES ON WHEELS

Friday, October 21, BBC One Wales, 7.30pm

In the final episode of the BBC One Wales series that follows the people in Wales who are passionate about their caravans, *Wales On Wheels* cameras follow the vintage caravan enthusiasts at the Three Cocks Rally on the Welsh borders.

Vintage caravan enthusiasts go to huge lengths to make sure every detail in their caravan is completely authentic - from furniture to crockery to ornaments - even as far as their own outfits.

Ardent vintage caravan fans come from all over the UK to gather at the rally where they show off their caravans to like-minded enthusiasts. More of an obsession than a hobby, Barry and Richard from Welshpool have five beautiful examples of vintage caravans at home and Ivor from Abergavenny would really like to get his hands on one of them, whilst Richard from Llanidloes has a bit of trouble with gas travelling uphill in his vintage Teardrop.

Mae cyfnod hapus i Sheryl a Gethin yn troi'n rhwystredigaeth i'r pâr newydd gyda Sheryl yn treulio mwy o nosweithiau ar ei phen ei hun nawr nag yr oedd cyn i Gethin symud i fewn. O'r diwedd cânt gyfle i fynd allan ond ofer yw'r cynlluniau pan ddaw'r newyddion bod Dani wedi ei harestio. Cred DI Williams fod ganddi dystiolaeth newydd, ac mae ganddi lawer o wybodaeth am sefyllfa Dani. Gan adael Sheryl, aiff Gethin i geisio achub ei chwaer ond o dipyn i beth daw yntau dan amheuaeth yr heddlu yn ogystal.

Mae teimlad yng Nghwmderi fod newid mawr ar droed wrth i arwyddion 'Ar Werth' gael eu gosod y tu allan i'r Deri a Rhif 10. A hwythau'n poeni am oblygiadau y fath ddatblygiad, aiff Kevin a Denzil i Ynys Môn i ddwyn perswâd ar Meic i ddychwelyd i'r pentref. Ceisia Meic ei orau i ymddangos yn hapus o fod wedi gadael y Cwm ond awgryma ei wir sefyllfa y gallai fod nôl y tu ôl i'r bar cyn pen dim.

Ceisia Colin ei orau i wneud yn iawn am brynu'r pibelli a'r system wresogi oedd wedi'u dwyn o'r clwb. Ond fel arfer, mae Colin yn gwneud strach ohoni gan werthu'r copr am chwarter y pris y talodd amdanynt yn wreiddiol! Rhydd ymgais arall ar ennill arian i'r clwb drwy drefnu parti calan gaeaf yn gynnar, ond mae'r cyfan yn fethiant arall i Colin, sy'n golygu bod sefyllfa ariannol y clwb rygbi yn waeth nag erioed.

- *A happy time for Gethin and Sheryl is fast turning into frustration for the new couple. Sheryl seems to be spending more nights alone now than she did before they lived together. When they finally arrange a night out, their evening is scuppered by news of Dani's arrest. DI Williams has uncovered new evidence, and much to the dismay of Dani, the detective seems to know a lot about her circumstances. Gethin deserts Sheryl and tries to protect his sister, but in so doing ends up being in the line of fire himself.*

There's a feeling in Cwmderi that change is afoot as 'For Sale' signs are erected on the Deri and No 10. In an attempt to alleviate this awkward scenario, Kevin and Denzil visit Meic in Anglesey to plead with him to return. Meic tries his best to convince his son and friend that he's better off far away from Cwmderi and having the time of his life. But his true circumstances say otherwise, and don't rule out a return to the Deri.

Colin tries his best to make up for his past mistakes with lolo, and sells the copper pipes as scrap. As usual, he makes a complete hash of it all and only gets a quarter of what he originally paid for the material. Desperate to get back in favour at the rugby club, Colin arranges a fundraising night to celebrate Halloween early. But it's a shambolic failure and leaves the club in a worse situation than ever.
