Dear Valued Customers,

Due to increasing costs and inflationary pressures, this letter serves as notification of an increase to our domestic freight rates effectively immediately on all open orders. Applicable fuel surcharges remain in effect. We will continue to monitor these costs to provide the best rates possible.

We appreciate your ongoing support and understanding in this matter. If you have any questions or concerns, please feel free to reach out to the Crucible Sales Team, [sales@crucible.com](mailto:sales@crucible.com).

Sincerely,

Andrew Smith

Sales Manager
