About these data

Enrollments as of Spring 2016 are those as of institutions' respective Spring census dates, which correspond to approximately three weeks after the start of classes, with the exception of Charter Oak State College, whose census date is approximately two months after the start of classes. Data prior to Spring 2016 were obtained via the Integrated Postsecondary Education Data System (IPEDS). As per IPEDS definitions, students exclusively auditing courses are excluded from the counts.

About these data

Enrollments as of Spring 2016 are those as of institutions' respective Spring census dates, which correspond to approximately three weeks after the start of classes, with the exception of Charter Oak State College, whose census date is approximately two months after the start of classes. Data prior to Spring 2016 were obtained via the Integrated Postsecondary Education Data System (IPEDS). As per IPEDS definitions, students exclusively auditing courses are excluded from the counts.

Prepared by the Connecticut State College and Universities, Office of Research and System Effectiveness, April 5, 2022.
