MEDIA INFORMATION

MEDIA SEATING

An event/media bench has been constructed at the home end. Seating will be limited. The bench offers wireless Internet, electrical outlets and TV's, as does the media room, should you wish to file from there.

MEDIA ROOM/LOUNGE

The media room is located on the lower level, east side of the arena (Sheet A). It will open Tuesday, November 26 at 3 p.m. for team practices.

Beginning Wednesday, November 27, it will be open roughly a half hour before the first draw until a half hour after the evening draw has concluded.

The media room has electrical outlets, wireless Internet and television to assist in the production and distribution of media materials and media services.

INTERVIEW REGULATIONS/PROCEDURES

You will be required to fill out interview request forms, which will be available on the media bench and in the media room. Volunteers will be gathering the forms as the draw progresses and will hand them to requested players at the completion of their games. Players will be told they cannot leave the scrum area until they have fulfilled all requested interviews.

All post-game media interviews during the round robin will be conducted in a scrum format at ice level in a designated space adjacent to the media bench. All players have been instructed to exit through this area on their way to the dressing rooms. Every effort will be made to escort players to the specified area as quickly as possible after each draw.

For the finals, arrangements may be made to offer a very brief scrum with the winner and/or loser, on or near the ice surface, prior to the closing ceremony.

DRAW STATISTICS

A statistical report will be produced and limited copies distributed to the media shortly (about 15 minutes) after the conclusion of each draw. Live scores and stats can be viewed online at the Curling Canada website (www.curling.ca).

If you would like to receive the Draw Stats media report by email, please contact Al Cameron (acameron@curling.ca or 403-463-5500)

CURLING CANADA PHOTOGRAPHY GUIDELINES

All photographers must be identified with a B4 credential. You must also wear black/dark colour clothing and shoes.

In general, you are allowed to shoot from positions between the hoglines (starting about two metres from each hogline) on the carpeted areas separating the game sheets; in the corners of the arena; or behind the hack signs/scoreboards, provided you are not obscuring the vision of the spectators, blocking the scoreboard or in the way of the players.

Before entering the ice surface, please ensure that you have used the shoe cleaner, located near the home-end entrance, to remove dust, dirt and other particles from your shoes.

You are not allowed on the ice surface at any time.

Also:

- Flashes are not allowed.
- If you are carrying a mobile device, turn it to silent before entering the ice surface.
- No video can be shot from inside the boards.
- Please photograph from a sitting or squatting position; not standing or kneeling. Please shift your position at appropriate intervals to not consistently block the view of the same spectators.
- When moving along the walkway, ensure that no player is in the process of delivering a rock. If the curler is delivering, please wait until the deliver is complete before crossing the carpet at the end of the sheet.
- When a player is about to deliver a stone, you must be behind the hack signs/scoreboards, or situated between the hoglines.
- For playoff games, special instructions will be issued for photo locations in conjunction with the location of TSN's cameras. In general, though, you should avoid being in the TSN shot at all times.

Thank you for your co-operation.

Failure to adhere to these regulations could result in the forfeiture of your photography credential.

TV NON-RIGHTS HOLDERS

TSN is the sole TV rights-holder for the 2019 Home Hardware Canada Cup, thus no cameras/portable video devices from any other media affiliation are allowed **inside** the boards during morning, afternoon and evening draws.

However, in order to provide other stations and/or networks with an opportunity to get brief game/highlight footage, approved camera positions will be available at certain locations **outside** the boards around the perimeter or at various places on the concourse level or press box, provided your position at no time blocks the view of spectators nor presents a fire access hazard. **Please ensure that your camera has no visible logo. If so, please cover it up.**

You are allowed to air two minutes of game footage daily, provided the game footage is not from a game being televised as the feature game by TSN, in which case you must use their highlights with the appropriate credit.

The main media scrum takes place at ice level near the media bench. There will be an appropriate backdrop/signage noting the area. All players will pass by this area en route to their dressing rooms.

TV cameras must allow the media scrum to first interview any requested players before arranging individual interviews. However, cameras may be part of any scrum. For TV non rights-holders, you are allowed to air as much footage from the scrums as you wish.

When all games have been completed for any draw **AND** when TSN has concluded its telecast and is off the air, you are allowed to do 'stand-ups' or interviews at ice level on the carpeted areas, near the scoreboards or even inside the boards, provided you are not disrupting the ice technicians as they prepare the surface for the next draw.

For brief live hits, if TSN is not on the air, you will be able to do stand-ups on the concourse, seating areas, etc., providing any lighting requirements have been pre-approved. **When TSN is on the air, NO live hits are allowed.**

Thank you. If there are any questions, please contact (on-site):

2019 HOME HARDWARE CANADA CUP HEADED TO LEDUC, ALTA.

The race to Beijing will be heating up in 13 months when Canada's best men's and women's curling teams gather in Leduc, Alta., for the 2019 Home Hardware Canada Cup, it was announced today by Curling Canada.

The 2019 Home Hardware Canada Cup will be one of the key events as teams begin their chases in earnest for berths into the 2021 Tim Hortons Roar of the Rings, which will decide Canada's men's and women's four-player curling teams for the 2022 Winter Olympics in Beijing.

The 2019 Home Hardware Canada Cup will be played Nov. 27-Dec. 1 at the 1,500-seat Sobeys Arena, which is part of the Leduc Recreation Centre.

"Curling fans in Leduc and nearby Edmonton will get a wonderful opportunity to watch a world-class competition during the 2019 Home Hardware Canada Cup," said Maureen Miller, Chair of Curling Canada's Board of Governors. "We've seen in the past that Leduc has an amazing core of volunteers who put on first-class curling events, and I know the 2019 Home Hardware Canada Cup is in good hands."

Leduc is no stranger to hosting high-profile curling events; earlier this year, the Leduc Recreation Centre played host to the Curl 4 Canada festival, which saw four Canadian championships contested: the Canadian Mixed Doubles, Canadian Wheelchair, U-SPORTS Canadian University and CCAA Canadian College Championships.

Prior to that, Leduc hosted the 2013 Canadian Mixed Doubles Championship, the 1994 Canadian Mixed Championship and the 1991 Canadian Junior Men's and Women's Championships.

"It's an incredible honour to be selected as the host city of the Home Hardware Canada Cup of Curling for 2019," said Leduc Mayor Bob Young. "Leduc is excited to welcome all of the athletes, coaches, sponsors, family and friends to our city. Hosting this significant event at the Leduc Recreation Centre is a point of pride for the city, all thanks to our dedicated curling and volunteer community."

"We are very excited to be able to host the 2019 Home Hardware Cup," said Shaye Anderson, MLA for Leduc-Beaumont. "Leduc has consistently hosted world-class sporting events, and this will be no exception. I know our volunteers, sponsors, and supporters will do an incredible job, and I look forward to this opportunity to showcase our community and cheer on the athletes!"

It will be the 15th edition of the Home Hardware Canada Cup. In addition to cash prizes, the winning teams will also be guaranteed of berths into the 2021 Road to the Roar Pre-Trials, which will be the final qualifying event for the 2021 Tim Hortons Roar of the Rings. Additionally, the 2019 Home Hardware Canada Cup champions will play in the 2020 Continental Cup (dates, location to be announced) and will represent Canada at a Curling World Cup event during the 2020-21 season.

"We're excited to welcome the Home Hardware Canada Cup back to Alberta for the fourth time since 2010," said Jill Richard, Executive Director of Curling Alberta. "There's a genuine passion in our province for hosting curling championships, and that's particularly true in Leduc, which has a dedicated group of volunteers as well as an amazing facility that will be a true showcase for Canada's best teams."

Seven men's and seven women's teams will be invited to play at the 2019 Home Hardware Canada Cup. The first six teams of each gender will be determined based on the final results of the 2018-19 Canadian Team Ranking System and will be announced in May 2019.

One more team in each gender will be decided based on the CTRS standings from the 2019-20 season as of mid-November next year.

“We’re thrilled that Curling Canada has given us this opportunity to put on the 2019 Home Hardware Canada Cup in our hometown, and we are ready to get to work,” said Dawn Gavin, vice-chair of the Leduc Host Committee. “We’re going to give curlers and curling fans alike an early Christmas present with our hospitality. We can’t wait to see the first rock thrown!”

The Home Hardware Canada Cup was staged in Kamloops, B.C., for the first six years, beginning with its debut in 2003. It has since been played in Yorkton, Sask., Medicine Hat, Alta., Cranbrook, B.C., Moose Jaw, Camrose, Alta., Grande Prairie, Alta., and, most recently, in Brandon, Man., in 2016, where teams skipped by Winnipeg’s Reid Carruthers and Jennifer Jones prevailed.

“Home Hardware is proud to sponsor the 2019 Home Hardware Canada Cup,” said Kevin Macnab, President and CEO, Home Hardware Stores Limited. “We serve over 1,000 communities across Canada and curling is a sport that brings these Canadian communities together. We are pleased to support such an important sport for our country.”

The Home Hardware Canada Cup isn’t played in Olympic seasons, and is replaced in the schedule by the Tim Hortons Roar of the Rings.

Tickets will go on sale in February. Details will be announced close to the on-sale date.

TSN/RDS2 will provide complete broadcast coverage of the 2019 Home Hardware Canada Cup.
