MEDIA INFORMATION

INTERVIEW REGULATIONS/PROCEDURES

All 2021 Scotties Tournament of Hearts media interviews will be virtual.

Accredited media will receive a Zoom link that will be valid for the entirety of the event. Players will be brought to the mixed zone upon completion of their games and available for five-minute media scrums. It is the responsibility of the accredited media member to be on the Zoom call upon completion of the game as players will not be available after leaving the mixed zone unless pre-arranged in advance. All media scrums will be uploaded to [Curling Canada's YouTube page](#) as soon as possible after each draw.

During the round-robin, Championship Pool and playoffs, Curling Canada will bring at least one member of the winning team from each game into the mixed zone. Media with specific requests should email them to media@curling.ca. **Please include the Draw #, team and player name in the subject line of your e-mail.**

DRAW STATISTICS

Live scores and stats are updated in real-time and can be viewed online at the [Curling Canada scoreboard page](#).

If you would like to receive the Draw Stats media report by email, please contact Al Cameron (acameron@curling.ca or 403-463-5500)

TV NON-RIGHTS HOLDERS

TSN is sole TV rights-holder for this event. However, in order to provide other stations and/or networks with an opportunity to get brief game/highlight footage, broadcast media may **air two minutes of game footage daily**, and must provide credit to TSN.

TV non-rights holders may use as much post-game media scrum footage as they wish.

No live hits, stand-ups or recording of non-broadcast games will be allowed to occur inside Markin MacPhail Centre.

PHOTOGRAPHY GUIDELINES

Curling Canada will have a photographer at this event.

Media outlets in need of photos should e-mail media@curling.ca.

FACT SHEET

OFFICIAL NAME: Scotties Tournament of Hearts

DATE/SITE: Feb. 19-28, 2021 - Markin MacPhail Centre, Calgary

SEATING CAPACITY: 2,500 (not applicable)

FORMAT: Eighteen teams (14-member provinces and territories, Team Canada and three Wild Card teams) will compete in two pools of nine.

Teams will play eight games in their respective pools. At the conclusion of the eight games, the top four teams in each pool advance to the Championship Pool where each team plays another 4 games; one against each of the top four teams from the other pool for a total of 12 games. Records from the first round are carried over to the Championship Pool. If necessary, tiebreaker games prior to the Championship Pool will be played Friday morning for the final place available in the Championship Pool by teams with a better than .500 record (5-3 or better). Teams tied for fourth place at 4-4 or worse will be determined by head-to-head ranking first, then accumulated last stone draw ranking.

Should tiebreakers be needed prior to Friday morning, games will be played on Thursday evening, with the possibility of shorter games being played.

Following the Championship Pool games, the team with the best record will advance directly to the final. The second- and third-placed teams will play in the semifinal. Tiebreakers for 3rd place will be played Sunday morning (if necessary). Due to the inclusion of two additional teams, the format could not accommodate the Page playoff this season.

On Sunday afternoon the second and third ranked teams will play with the winner advancing to the final on Sunday evening.

INTERNET: Draw results and event information can be obtained at:
<https://www.curling.ca/2021scotties/>

TELEVISION: TSN, RDS2 (All draws), ESPN+

- WINNERS EARN:**
- Berth into the 2021 Tim Hortons Curling Trials. (Note: If team has already qualified [Homan/Einarson/Fleury/Jones] then the berth will be made available at Trial Qualifying Event in early fall; dates, location to be announced;
 - If the 2021 LGT World Women's Curling Championship, presented by BKT Tires, is rescheduled for this curling season, the winner will represent Canada;
 - If a qualifying event is planned the winning team will be factored into Canada's efforts to qualify a four-player women's team for the 2022 Winter Olympics.

Total purse: \$300,000

1st: \$100,000

2nd: \$60,000

3rd: \$40,000

Championship Pool (4th-8th): \$15,000

Non-Championship Pool (9th-18th): \$2,500

GAME DURATION: Teams must play a minimum of eight ends during a round-robin game before conceding. Where necessary, tiebreakers are a minimum of eight ends played. Playoff games are a minimum of 10 ends.

LAST STONE DRAW (LSD): Last stone advantage will be determined by the Last Stone Draws before each Round Robin, and each Championship Round game.

Both teams will name the players delivering the Last Stone Draws before the first team practice.

At the conclusion of each team's pre-game practice, two stones will be delivered to the tee at the home end, by different players – the first stone with a clockwise rotation and the second with a counter-clockwise rotation.

There will be announcements to deliver the Last Stone Draw's (LSD's). A stone delivered prior to the announcement or NOT delivered within the one minute allotted, will be assigned a distance of 199.60 cm (the stone must reach the near tee-line before the time expires).

The first stone will be measured and removed from play before the second stone is announced to be delivered. The distances recorded for each stone will be added together to give the team its LSD total for that game.

The team with the lesser LSD total will have the choice of delivering the first or second stone in the first end of that game. If the LSD totals for both teams are the same, the individual LSD stones are compared, and the best non-equal LSD has the choice of delivering first or second stone in the first end. When both teams have the exact same individual LSD stone distances, a coin toss will be used to determine that choice.

Stones moved by the delivery team before being measured will be assigned the distance of the next defined circle away from the button.

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to its original position by the delivering team.

Triangulation: any stone covering the tee (or centre pin) will be measured from two separate points 61.00 cm from the tee. These distances will calculate the exact distance from the tee to the centre of the curling stone.

At the conclusion of the pool play round robin, two single highest recorded Last Stone Draw distances will be discarded by each team to establish the final accumulated distance.

Each player must deliver ONE stone of EACH rotation during the Last Stone Draw process in the pool play round robin. Any player can deliver in the Championship Pool (but not the same player for both stones).

GAME TIMING: Thinking time will be used for this event. Each team receives 38 minutes to complete a ten-end game. Extra ends will be four minutes and 30 second (4:30) of thinking time for each team. A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

TIMEOUTS: Each team is allotted two, 90-second timeouts. The timeout must be signaled to the umpire and time clock operator. Either a coach OR alternate may attend the timeout, but not both.

The team that did not call the timeout may meet with their coach/alternate positioned behind the scoreboard.

Breaks between ends one through five and six through 10 are 90 seconds. Teams may meet with their coach/alternate between these ends, however the coach/alternate must stay behind the scoreboard.

The fifth-end break will be six minutes.

There will be a one-minute break prior to an extra end. Both teams will receive one 90-second timeout to play in any extra end during that game.

TIE-BREAKING: The following criteria will be used to rank teams at the completion of the round robin or championship pool games in order:

1. Teams will be ranked based on their respective win/loss records.
2. If **two** teams are tied with the same record, the team that won the round-robin game between the two teams will be ranked higher.
3. If **more than two** teams are tied, the win/loss records in games between those teams only will determine ranking.
4. If points 1-3 do not determine ranking, then ranking will be determined by using the total distance of the accumulated draw shot distance.
5. If teams remain tied using accumulated distance of last stone draw, the next largest distances for tied teams will be removed until the tie is broken.

TIEBREAKER GAMES, STONE SELECTION & LAST STONE ADVANTAGE: If the win/loss records are identical between teams (without using the cumulative last stone draw results) the higher ranked team will have the choice of last stone advantage and the first pre-game practice OR the choice of handle colour.

If the cumulative last stone draw process has been used to determine ranking, the higher ranked team will have choice of colour and second practice. The draw to the button process for last stone advantage shall be used.

All tiebreaker games shall be played with the stones from the assigned sheet.

PLAYOFF GAMES, STONE SELECTION & LAST STONE ADVANTAGE: In playoff games, last stone advantage, first pre-game practice, AND the choice of handle colour is awarded to the team with the best win / loss record during the round robin.

If the win/loss records are identical between teams (without using the cumulative last stone draw results), the higher ranked team will have the choice of last stone advantage and first pre-game practice, OR choice of handle colour.

If the cumulative last stone draw process has been used to determine ranking, the higher ranked team will have choice of colour OR second practice. If they choose second practice the lower ranked team will be awarded choice of colour. The draw to the button for last stone advantage shall be used.

SPORTSMANSHIP AWARD (1982 - PRESENT)

Each year an award is presented to the curler who best embodies the spirit of curling at the Scotties Tournament of Hearts. The winner is selected in a vote by all players at the tournament. Originally, named for a different curler or builder in the area hosting the event, the **Marj Mitchell Award** is now named in honour of Marj Mitchell, who skipped Canada to its first world title in 1980. In 1983, shortly after the first Scott Tournament of Hearts held in Regina, where she was a chairperson, Marj died of cancer at the age of 35.
