## ACCREDITATION

Accreditation can be picked up at the east end of the building at the volunteer entrance at the ice level (near dome truck). Hours for pickup are Feb. 16, 9 a.m. - 5 p.m.; Feb. 17 9 a.m. until end of final draw; Feb. 18-26, one hour prior to draw until end of draw.

**All media badges issued for this event are non-transferable. Failure to follow this rule will result in forfeiture of your media credential.**

## MEDIA BENCH

A media bench has been set up at the east side of the concourse on the home end. The bench offers wireless Internet and electrical outlets.

## MEDIA WORKROOM

A media workroom is set up at the northeast corner at ice level near the home end.

It will open 30 minutes before the first draw of the day and close roughly one hour after the last draw.

The media room has electrical outlets, wireless Internet, a printer and television to assist in the production and distribution of media materials and media services.

## INTERVIEW REGULATIONS/PROCEDURES

You will be required to fill out interview request forms, which will be available on the media bench and in the media room. The forms will be gathered as the draw progresses and will be handed to requested players at the completion of their games.

All post-game media interviews will be conducted in a scrum format at ice level in a designated space adjacent to the media bench. All players have been instructed to exit through this area on their way to the dressing rooms. Every effort will be made to escort players to the specified area as quickly as possible after each draw.

## DRAW STATISTICS

A statistical report will be produced and limited copies distributed to the media shortly (about 15 minutes) after the conclusion of each draw. Live scores and stats can be viewed online at the Curling Canada website ([www.curling.ca](http://www.curling.ca)).

**If you would like to receive the Draw Stats media report by email, please contact Al Cameron ([media@curling.ca](mailto:media@curling.ca) or 403-463-5500)**

TSN is sole TV rights-holder for this event. However, in order to provide other stations and/or networks with an opportunity to get brief game/highlight footage, broadcast media may **air two minutes of game footage daily**, and must provide credit to TSN.

TV non-rights holders may use as much post-game media scrum footage as they wish.

No live hits, stand-ups or recording of non-broadcast games will be allowed to occur inside the venue.

# FACT SHEET

**OFFICIAL NAME:** 2023 Scotties Tournament of Hearts

**DATE/SITE:** Feb. 17-26, 2023 - Sandman Centre - Kamloops, B.C.

**SEATING CAPACITY:** 5,464

**FORMAT:** Eighteen teams (14 Member Association provinces and territories, Team Canada and three Wild Card teams) will compete in two pools of nine.

Teams will play eight games in their respective pools. At the conclusion of the eight games, the top three teams in each pool advance to the playoffs.

Only one tiebreaker game will be played Friday morning for third place, if necessary. If there are more than two teams tied for third place, teams will be eliminated by head-to-head record or accumulated last stone draw distance until there are only two teams left to play one tiebreaker draw. Tiebreakers will only be played by teams with a record better than .500 (5-3).

The second- and third-ranked teams in each pool crossover to play in a Page playoff qualifying games on Friday afternoon. The winners advance to the Page playoff seeding games on Friday night to play the top-ranked teams in each pool. The winners of the Page playoff seeding games advance to the Page 1v2 game and the losers advance to the Page 3v4 game.

The Page playoff 3v4 game is scheduled for Saturday afternoon with the winner advancing to the semifinal. The Page playoff 1v2 game will be on Saturday night where the winner advances to the final and the loser drops to the semifinal. The semifinal game is scheduled for Sunday afternoon, with the winner advancing to the final on Sunday night.

**INTERNET:** Draw results and event information can be obtained at:  
<https://www.curling.ca/2023scotties/>

**TELEVISION:** TSN, RDS2 (All draws)

**WINNERS EARN:** The right to represent Canada at the 2023 World Women's Curling Championship at Goeransson Arena in Sandviken, Sweden, from March 18-26.

**Total purse:** \$300,000

**1st:** \$108,000

**2nd:** \$60,000

**3rd:** \$40,000

**4th:** \$20,000

**5th & 6th:** \$10,000

**7th-10th:** \$6,000

**11th-14th:** \$4,500

**15th-18th:** \$2,500

**GAME DURATION:** Teams must play a minimum of eight ends during a round-robin game before conceding. Where necessary, tiebreakers are a minimum of eight ends played. Playoff games are a minimum of 10 ends.

**LAST STONE DRAW (LSD):** Last stone advantage will be determined by the Last Stone Draws before each round-robin game.

Both teams will name the two players delivering the Last Stone Draws before the first team practice.

At the conclusion of each team's pre-game practice, two stones will be delivered to the tee at the home end, by different players – the first stone with a clockwise rotation and the second with a counter-clockwise rotation.

There will be announcements to deliver the Last Stone Draw's (LSD's). A stone delivered prior to the announcement or NOT delivered within the one minute allotted, will be assigned a distance of 199.60 cm (the stone must reach the near tee-line before the time expires).

The first stone will be measured and removed from play before the second stone is announced to be delivered. The distances recorded for each stone will be added together to give the team its LSD total for that game.

The team with the lesser LSD total will have the choice of delivering the first or second stone in the first end of that game. If the LSD totals for both teams are the same, the individual LSD stones are compared, and the best non-equal LSD has the choice of delivering first or second stone in the first end. When both teams have the exact same individual LSD stone distances, a coin toss will be used to determine that choice.

Stones moved by the delivery team before being measured will be assigned the distance of the next defined circle away from the button.

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to its original position by the delivering team.

Triangulation: any stone covering the tee (or centre pin) will be measured from two separate points 61.00 cm from the tee. These distances will calculate the exact distance from the tee to the centre of the curling stone.

At the conclusion of the pool play round robin, two single highest recorded Last Stone Draw distances will be discarded by each team to establish the final accumulated distance.

**GAME TIMING:** Thinking time will be used for this event. Each team receives 38 minutes to complete a ten-end game. Extra ends will be four minutes and 30 second (4:30) of thinking time for each team. A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

**NO-TICK ZONE:**

If prior to the delivery of the sixth stone of an end, the delivered stone causes - either directly or indirectly - an opposition stone in the Free Guard Zone (FGZ) which is touching the centre line to be moved to an off-centre position, to a position outside the FGZ or out of play, the non-offending team has the option to:

1. Remove the delivered stone from play and replace all stones that were displaced to their positions prior to the violation taking place, or;
2. leave all stones where they came to rest.

**TIMEOUTS:**

Each team is allotted two, 90-second timeouts. The timeout must be signaled to the umpire and time clock operator. Either a coach OR alternate may attend the timeout, but not both.

The team that did not call the timeout may meet with their coach/alternate positioned behind the scoreboard.

Breaks between ends one through five and six through 10 are 90 seconds. Teams may meet with their coach/alternate between these ends, however the coach/alternate must stay behind the scoreboard.

The fifth-end break will be five minutes.

There will be a one-minute break prior to an extra end. Both teams will receive one 90-second timeout to play in any extra end during that game.

**TIE-BREAKING:**

The following criteria will be used to rank teams at the completion of the round robin games in order:

1. Teams will be ranked based on their respective win/loss records.
2. If **two** teams are tied with the same record, the team that won the round-robin game between the two teams will be ranked higher.
3. If **more than two** teams are tied, the win/loss records in games between those teams only will determine ranking.
4. If points 1-3 do not determine ranking, then ranking will be determined by using the total distance of the accumulated draw shot distance.
5. If teams remain tied using accumulated distance of last stone draw, the next largest distances for tied teams will be removed until the tie is broken.

**TIEBREAKER GAMES,  
STONE SELECTION &  
LAST STONE ADVANTAGE:**

If the win/loss records are identical between teams (without using the cumulative last stone draw results) the higher ranked team will have the choice of last stone advantage and the first pre-game practice OR the choice of handle colour.

If the cumulative last stone draw process has been used to determine ranking, the higher ranked team will have choice of colour and second practice. The draw to the button process for last stone advantage shall be used.

All tiebreaker games shall be played with the stones from the assigned sheet.

**PLAYOFF GAMES,  
STONE SELECTION &  
LAST STONE ADVANTAGE:**

**Placement games (Friday):**

- Games will be played with stones from the assigned sheet.
- If the higher-ranked team has a better round-robin win/loss record than its opponent, then it will receive choice of stone colour AND hammer in the first end.
- If the higher-ranked team has the same round-robin win/loss record as its opponent, then it will receive choice of stone colour OR second practice and the teams will draw for hammer.

**Page Playoff 1v2, 3v4 (Saturday):**

- Teams will select any eight game stones of its designated colour to use.
- The team with the better round-robin win/loss record will receive choice of stone colour AND hammer in the first end.
- If both teams have the same round-robin win/loss record, the higher-ranked team receives choice of stone colour OR second practice and the teams will draw for hammer.

**Semifinal (Sunday):**

- Teams will select any eight game stones of its designated colour to use.
- If the loser of 1v2 game has a better round-robin win/loss record than the winner of the 3v4 game, then it will receive choice of hammer AND stone colour.
- If the loser of the 1v2 game has the same or worse round-robin win/loss record than the winner of the 3v4 game, then it will receive choice of hammer OR stone colour.

**Final (Sunday):**

- Teams will select any eight game stones of its designated colour to use.
- If the winner of the 1v2 game has a better round-robin win/loss record than the winner of the semifinal, then it will receive choice of hammer AND stone colour.
- If the winner of the 1v2 game has the same or worse round-robin win/loss record than the winner of the semifinal, then it will receive the choice of hammer OR stone colour.

In 2021 and 2022, the top three non-qualifying teams (Wild Card 1, 2, & 3) were invited to compete due to the Covid-19 pandemic and no Wild Card play-in game was held. In 2023, Curling Canada announced it would keep the three wild card teams at the event, therefore retiring the original Wild Card team that competed for a spot at the event during a Wild Card play-in game.

## SPORTSMANSHIP AWARD (1982 - PRESENT)

Each year an award is presented to the curler who best embodies the spirit of curling at the Scotties Tournament of Hearts. The winner is selected in a vote by all players at the tournament. Originally, named for a different curler or builder in the area hosting the event, the **Marj Mitchell Award** is now named in honour of Marj Mitchell, who skipped Canada to its first world title in 1980. In 1983, shortly after the first Scott Tournament of Hearts held in Regina, where she was a chairperson, Marj died of cancer at the age of 35.
