CURLING CANADA PHOTOGRAPHY GUIDELINES

All photographers must be identified with a B4 credential. You must also wear black/dark colour clothing and shoes.

In general, you are allowed to shoot from positions between the hoglines (starting about two metres from each hogline) on the carpeted areas separating the game sheets; in the corners of the arena; or behind the hack signs/scoreboards, provided you are not obscuring the vision of the spectators, blocking the scoreboard or in the way of the players.

Before entering the ice surface, please ensure that you have used the shoe cleaner, located near the home-end entrance, to remove dust, dirt and other particles from your shoes.

You are not allowed on the ice surface at any time.

Also:

- Flashes are not allowed.
- If you are carrying a mobile device, turn it to silent before entering the ice surface.
- No video can be shot from inside the boards.
- Please photograph from a sitting or squatting position; not standing or kneeling. Please shift your position at appropriate intervals to not consistently block the view of the same spectators.
- When moving along the walkway, ensure that no player is in the process of delivering a rock. If the curler is delivering, please wait until the deliver is complete before crossing the carpet at the end of the sheet.
- When a player is about to deliver a stone, you must be behind the hack signs/scoreboards, or situated between the hoglines.
- For playoff games, special instructions will be issued for photo locations in conjunction with the location of TSN's cameras. In general, though, you should avoid being in the TSN shot at all times.

Thank you for your co-operation.

Failure to adhere to these regulations could result in the forfeiture of your photography credential.

1. Remove the delivered stone from play and replace all stones that were displaced to their positions prior to the violation taking place, or;
2. leave all stones where they came to rest.

GAME DURATION: Teams must play a minimum of eight ends during a round-robin game before conceding.
Playoff games are a minimum of nine ends.

PREGAME PRACTICE & LAST STONE DRAW: The full set of Last Stone Draw regulations can be found here: <https://www.curling.ca/team-canada/hp-athletes/policies-guidelines/last-stone-draw-process/>

Teams will name the players delivering the last stone draws, including which turns, before the start of the first team practice. Failure to do so will result in an assigned distance of 399.20 cm.

Coaches may NOT deliver stones during the pregame practice.

Speed traps are NOT allowed during the pregame practice.

Teams listed on the top/first in the draw will practice first and are assigned dark-handled stones. The team throwing the light-handled stones (bottom/second in the draw) will have the same period of practice time starting immediately following the dark-handled stone draws for last stone advantage.

Each team will receive nine minutes of pregame practice time.

First practice commences 30 minutes prior to the posted draw time.

Last stone advantage will be determined by the Last Stone Draws before each round-robin game.

Following each team's pregame practice, two different players from the team each throw a stone. The first player will deliver the clockwise rotation, while the second player will deliver the counter-clockwise rotation.

During Pool play, each player on each team will deliver a minimum of three (3) stones, minimum of one (1) clockwise and one (1) counter-clockwise rotation. The Last Stone Draws can be delivered at any time during the round robin, but not during the same game.

GAME TIMING: Thinking time will be used for this event. Each team receives 38 minutes to complete a ten-end game. Extra ends will be four minutes and 30 seconds (4:30) of thinking time for each team. A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

TIMEOUTS:

Each team is allotted one, 60-second timeout, plus travel time. The timeout must be signaled to the umpire and time clock operator. Either a coach OR alternate may attend the timeout, but not both.

The team that did not call the timeout may meet with their coach/alternate positioned behind the scoreboard.

Breaks between ends one through five and six through 10 are 90 seconds. Teams may meet with their coach/alternate between these ends, however the coach/alternate must stay behind the scoreboard.

The fifth-end break will be five minutes.

There will be a one-minute break prior to an extra end. Both teams will receive one 90-second timeout to play in any extra end during that game.

**PLAYOFFS -
TEAM RANKING:**

The following criteria, in order, is used to rank teams one (1) through three (3) in each pool at the completion of the round robin.

1. Teams are first ranked by their respective win/loss records.
2. If two teams are tied in win/losses, the team that won the round-robin game between them will be ranked higher.
3. If more than two teams are tied, the win/loss records in games between those teams **only** will determine ranking.
4. When steps 1-3 cannot determine ranking, then it will be determined by using the total distance of the accumulated draw shot distance for those tied teams.
5. If teams remain tied using the accumulated distance of the last stone draw, the next largest distance of the tied teams will be dropped until the tie is broken.

The following criteria, in order, is used to rank playoff teams (top three from each pool) one (1) through six (6) in both pools at the completion of the round robin.

1. Two teams in first place in their pools are ranked 1 and 2. Two teams in second place in their pools are ranked 3 and 4. Two teams in third place in their pools are ranked 5 and 6.
2. If two teams have the same win/loss record in their round robin, then lowest cumulative last stone draw is used to rank the teams.

**PLAYOFF GAMES,
STONE SELECTION &
LAST STONE ADVANTAGE:****Last stone first end and colour selection for all playoff games except for the final:**

1. If the higher ranked team has a better win/loss record in the round robin, it will receive both last stone in the first end AND stone colour selection. The higher ranked team will practice first.
2. If the higher ranked team has the same or worse win/loss record in the round robin, the higher ranked team will receive choice of stone colour selection OR second practice and the teams will draw for last stone in the first end.

Last stone first end and colour selection for the final:

1. If the winner of the Page playoff 1v2 game has a better win/loss record in the round robin, it will receive both the last stone in the first and AND stone colour selection. **OTHERWISE,**
2. The team winning the Page playoff 1v2 game is awarded CHOICE of last stone in the first end OR stone colour selection.

Stone selection:

Two (2) games on the draw:

Teams on Sheet A or B may select any eight game stones and one reserve stone of the same colour from Sheets A or B. Stones selected do not have to come from the same sheet, but must be the same colour.

Teams on Sheet C or D may select any eight game stones and one reserve stone of the same colour from Sheets C or D. Stones selected do not have to come from the same sheet, but must be the same colour.

One (1) game on the draw:

Teams may select any eight game stones and one reserve stone of the same colour from any of the sheets. Stones selected do not have to come from the same sheet, but must be the same colour.

**Reserve stones may only be used if one of the eight game stones is damaged and becomes unsuitable for play as confirmed by the Chief Ice Technician.*

SEEDING METHODOLOGY

The Monday following the final playdowns, the final entrants to the women’s and men’s national championships are named. The highest-ranked CTRS team(s) that have not qualified as Team Canada, been pre-qualified or won a respective provincial/territorial playdown will receive an invitation to the national championship.

Teams are then seeded #1 to #18 based on CTRS standings.

POOL A	POOL B

#4	#3
#5	#6
#8	#7
#9	#10
#12	#11
#13	#14
#16	#15
#17	#18

Teams without CTRS points will be ranked by random order in the draw.

Team Canada (Team Einarson) and the host province (Team Sturmay) will automatically be placed in one pool, while the two pre-qualified teams (Team Homan and Team Jones) are placed in opposite pool.

If, after all teams are seeded based on CTRS, and the pre-placed teams do not end up in the same pool, the teams will be moved based on the snake-seeding format to ensure those teams are in the same pool as marketed.

When teams are moved in order to match with pre-placement, the lowest-ranked mis-placed teams will be moved.

Curling Canada announced changes to how teams qualified for the 2024, 2025 and 2026 events. In 2024, the top two CTRS teams not already qualified at the end of the 2022-23 season qualified as Wild Card 1 and Wild Card 2. The Wild Card 3 team was qualified after the 2023-24 provincial/territorial playdowns via CTRS. The Wild Card teams at 2025 and 2026 events will be determined by the three highest-ranked CTRS teams that still need to be qualified from the previous season (i.e. 2023-24 season in 2025 and 2024-25 season in 2026). As of 2024, the teams are named after the province/territory they represented instead of Wild Card.

Note: In 2024 Nunavut did not send a team to the Tournament of Hearts, thereby qualifying a fourth Wild Card team.

In 2021 and 2022, the top three non-qualifying teams (Wild Card 1, 2, & 3) were invited to compete due to the Covid-19 pandemic and no Wild Card play-in game was held. In 2023, Curling Canada announced it would keep the three wild card teams at the event, therefore retiring the original Wild Card team that competed for a spot at the event during a Wild Card play-in game.

In 2015, Curling Canada changed the format of the national women's championship to a 16-team field, allowing each territory (Northwest Territories, Nunavut and Yukon) and Northern Ontario to send representation. Prior to this, teams from the Northwest Territories and Yukon competed to represent to the Territories.

SPORTSMANSHIP AWARD (1982 - PRESENT)

Each year an award is presented to the curler who best embodies the spirit of curling at the Scotties Tournament of Hearts. The winner is selected in a vote by all players at the tournament. Originally, named for a different curler or builder in the area hosting the event, the **Marj Mitchell Award** is now named in honour of Marj Mitchell, who skipped Canada to its first world title in 1980. In 1983, shortly after the first Scott Tournament of Hearts held in Regina, where she was a chairperson, Marj died of cancer at the age of 35.
