MEDIA BENCH

A media bench has been set up on the concourse behind Sections P & O. The bench offers wireless Internet and electrical outlets.

INTERVIEW REGULATIONS/PROCEDURES

You will be required to fill out interview request forms, which will be available on the media bench. The forms will be gathered as the draw progresses and will be handed to requested players at the completion of their games.

All post-game media interviews will be conducted in a scrum format at ice level in a designated space adjacent to the media bench. All players have been instructed to exit through this area on their way to the dressing rooms. Every effort will be made to escort players to the specified area as quickly as possible after each draw.

DRAW STATISTICS

A statistical report will be produced and limited copies distributed to the media shortly (about 15 minutes) after the conclusion of each draw. Live scores and stats can be viewed online at the Curling Canada website (www.curling.ca).

If you would like to receive the Draw Stats media report by email, please contact Al Cameron (media@curling.ca or 403-463-5500)

TV NON-RIGHTS HOLDERS

TSN is sole TV rights-holder for this event. However, in order to provide other stations and/or networks with an opportunity to get brief game/highlight footage, broadcast media may **air two minutes of game footage daily**, and must provide credit to TSN.

TV non-rights holders may use as much post-game media scrum footage as they wish.

No live hits, stand-ups or recording of non-broadcast games will be allowed to occur inside the venue.

CURLING CANADA PHOTOGRAPHY GUIDELINES

All photographers must be identified with a B4 credential. You must also wear black/dark colour clothing and shoes.

In general, you are allowed to shoot from positions between the hoglines (starting about two metres from each hogline) on the carpeted areas separating the game sheets; in the corners of the arena; or behind the hack signs/scoreboards, provided you are not obscuring the vision of the spectators, blocking the scoreboard or in the way of the players.

Before entering the ice surface, please ensure that you have used the shoe cleaner, located near the home-end entrance, to remove dust, dirt and other particles from your shoes.

You are not allowed on the ice surface at any time.

Also:

- Flashes are not allowed.
- If you are carrying a mobile device, turn it to silent before entering the ice surface.
- No video can be shot from inside the boards.
- Please photograph from a sitting or squatting position; not standing or kneeling. Please shift your position at appropriate intervals to not consistently block the view of the same spectators.
- When moving along the walkway, ensure that no player is in the process of delivering a rock. If the curler is delivering, please wait until the deliver is complete before crossing the carpet at the end of the sheet.
- When a player is about to deliver a stone, you must be behind the hack signs/scoreboards, or situated between the hoglines.
- For playoff games, special instructions will be issued for photo locations in conjunction with the location of TSN's cameras. In general, though, you should avoid being in the TSN shot at all times.

Thank you for your co-operation.

Failure to adhere to these regulations could result in the forfeiture of your photography credential.

FACT SHEET

OFFICIAL NAME: 2024 PointsBet Invitational

DATE/SITE: Sept. 25-29 - WinSport Event Centre, Calgary

SEATING CAPACITY: 1,459

FORMAT: Sixteen men's and women's teams compete in a single-elimination tournament to determine one men's and one women's winner.

The 16 teams in each gender comprise the top 10-ranked women's and men's teams on the final 2023-24 Canadian Team Ranking System standings; the 2024 Alberta women's and men's champions; the women's and men's 2024 New Holland Canadian Under-20 champions; the women's and men's 2024 Canadian Colleges Athletic Association/Curling Canada champions; the women's and men's 2024 U SPORTS/Curling Canada champions; the women's and men's 2024 U-25 NextGen champions; the women's and men's 2023 Everest Canadian Curling Club champions.

INTERNET: Draw results and event information can be obtained at:
<https://www.curling.ca/2024pointsbetinvitational/>

TELEVISION: TSN, RDS2 (All draws)

WINNERS EARN:

- All teams receive \$5,000
- \$3,000 - Sweep 16 win
- \$6,000 - Elite 8 win
- \$12,000 - Final 4 win
- \$24,000 - Men's or women's final win

- \$50,000 total to winning men's and women's teams

GAME DURATION: Games are scheduled for 10 ends. Teams must play a minimum of eight ends before conceding.

GAME TIMING: Teams will each have 38 minutes of "thinking time" to complete a 10-end game.

A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

TIMEOUTS: Each team is allotted ONE 90-second timeout total (which includes 30 seconds of travel time) when their team clock will be stopped.

TIES: If teams are tied following the 10th end, they will each throw a single draw to determine the victor.

- Each team will choose one team member to throw.
- The team that would have had hammer in a traditional extra end will throw second and can throw whichever turn it prefers.
- The team that would not have hammer in a traditional extra end will throw first and can throw whichever turn it prefers.

NO-TICK ZONE:

If, prior to the delivery of the sixth stone of an end, a delivered stone causes either directly or indirectly, an opposition stone in the Free Guard Zone (FGZ) which is touching the centre line to be moved to an off-centre line position or to a position outside the FGZ, the non-offending team has the option to:

- (i) Remove the delivered stone from play, and replace all stones that were displaced to their positions prior to the violation taking place; or
- (ii) Leave all stones where they came to rest.

If the stone is moved from the centre line to an out-of-play position, then the FGZ rule applies.

**ROCKS, COLOUR,
LAST STONE DRAW:**

The stones are Curling Canada stones, most recently used at the 2023 New Holland Canadian Under-20 Curling Championships.

The team with the higher ranking (based on seedings 1-16 in the draw) has the choice of handle colour OR second practice.

Only the four 'game' players are allowed on the ice surface for the Last Stone Draw. Full sweeping is allowed, however, one of the four players must hold the target broom.

Both teams will name the two (2) different players to deliver Last Stone Draw stones prior to the start of the first (or red team) practice.

After pre-game practice, the two different players will each deliver one (1) stone to the button; both stones will be measured and totalled.

If the second team registers the same two-stone distance as the team with first practice, the individual LSD stones are compared and the lowest non-equal LSD has the choice of delivering first or second in the first end. When both teams have the same individual LSD distances, the team will alternate delivering one stone each with the designated rotation until the tie is broken. Any player on the team can deliver the third and subsequent stones to break the tie.
