Other:

I am a lifelong, third-generation Alaskan, a community leader, an education advocate, and a businessman. I grew up in our district, went to our schools, worked for our community, and I understand the unique needs facing our district. Having served on the boards of the Abbott Loop Community

Council and the Anchorage Chamber of Commerce, I have a proven track record of bringing people together to find real solutions.

My wife Heather and I plan to raise a family here in our community. As a staunch independent, I will put party politics aside and work to ensure Alaska is a place with good jobs, strong educational opportunities, and safe communities to live, work, and raise a family.

Position Statement:

It's clear we are headed in the wrong direction and we need new leadership in Juneau.

I support a government that's responsible and efficient, but recent cuts to schools, our universities, the ferries, public safety, and other essential services have gone too far. I worry that future generations will have fewer opportunities than I did.

That's why, as your representative, my priorities will be to:

- Defend the PFD - We need to constitutionally protect a sustainable permanent fund dividend that will be around for our children and grandchildren.
- Protect Education Funding - Our community and our economy depend on our education system. I will fight to ensure education funding is protected and we provide a pathway to higher education, vocational training, and trade opportunities.
- Develop a Long-term Fiscal Plan - By diversifying our economy and adopting broad-based revenue measures, we can stabilize our economy, support our essential services, and get Alaska back on track.
- Invest in Alaska - To build a strong economy and middle-class, it's time we invest in capital projects, create good-paying jobs, and strengthen Alaska workers' protections.
- Fund Essential Services - Whether it's our Pioneer Homes, public safety, or our ferry system, we need to govern with integrity, and create a responsible budget that is fair to all Alaskans.

I'm running for State House to listen to our community and make sure our next generation of Alaskans has a bright future in Alaska. Thank you for your vote and please reach out anytime, 907-240-8986.
