## JAPANESE NAZIS ON TWITTER

View PDF 1

Due in part to the Internet, Nazi themes have again become popular in Japan. As a result, dozens of Japanese *Twitter* users have posted profiles using names and photographs of top Third Reich leaders, including SS Chief Heinrich Himmler, Otto Skorzeny, Deputy Fuhrer Rudolf Hess and even Adolf Hitler. In March 2014, one Hitler profile had posted over 56,000 tweets and had 3,500 followers and @HessRudolf, had over 33,000 followers. Although *Twitter* rules expressly forbid impersonation, little or nothing has been done to remove the hundreds of Nazi profiles that permeate the site.

## KHAKRIZ CULTURAL INSTITUTE

View Video 1

Khakriz Cultural Institute is an Iranian institution that put online a 57- page book claiming that the Holocaust was a lie. The book is filled with anti-Semitic caricatures of Jews. In 2011, ten videos were released based on the book. This is all part of Iran's official state policy of Holocaust denial, most notoriously seen in the conference that Iranian president Ahmadinejad sponsored in 2006 that brought together Western and Arab anti-Semites and Holocaust deniers.

## REAL NAZI HOLOCAUST DEATH CAMPS

The screenshot shows a YouTube video player interface. At the top, there's a navigation bar with 'Home', 'Categories', 'Channels', and 'Community'. Below that is a banner for 'You Choose '08' featuring John McCain. The video title is 'Real Nazi Holocaust Death Camps'. The video thumbnail shows a group of people with the text 'Actual Footage from WWII German Concentration Camps Plays'. To the right of the video player, there's a description starting with 'The Holocaust'...

Real Nazi Holocaust Death Camps is a YouTube video posted by "Holoheresy," a Holocaust denier. The majority of this 4:17 minute video is an excerpt from a Nazi propagand movie filmed at Theresienstadt concentration camp, which portrays the doomed Jewish inmates as happy inhabitants of a model community. Almost all of the Jews forced to participate in the charade were immediately deported to Auschwitz and gassed by the Nazis. The YouTube presentation also claims that water-filled pits at Auschwitz were actually swimming pools designed for the enjoyment of the inmates. "Holoheresy" betrays his true agenda when he refers to Jews as "vermicious knids"... the human form of lampreys, leeches and ticks," and goes on to claim that the "Holocaust was the best thing that ever happened to them."

## ADOLF HITLER THE GREATEST STORY NEVER TOLD

**TRAILER: THE GREATEST STORY NEVER TOLD**

Keep the untold story about the great leader of modern Germany, Adolf Hitler. The Greatest Story Never Told is a 6.5 hour documentary by Dennis Wise.

The greatest leading documentary is based on the life of Germany from 1918 to 1945. It is a committed attempt to take the country back to the beginning of the Weimar Republic, through the Weimar Republic, through the Weimar Republic, and Adolf Hitler to the present.

It also reveals a personal side of Adolf Hitler, which was the family background, his early struggles in Vienna and what led him to join the Nazis.

Download the full trailer today for only \$1.99! (This is the only price of the full trailer.)

**Adolf Hitler - The Greatest Story Never Told** is a 6.5 hours "documentary" (presented in 27 online segments) created and produced by UK film-maker **Dennis Wise**. The purpose of the so-called documentary is to tell "the untold story" about Hitler, in order to white-wash his responsibility for war crimes and crimes against humanity and amplifying purported wrong-doings by the Allied forces. Wise manipulates footage from other documentaries and movies, including *Downfall*, to promote an anti-Semitic agenda and deny the Holocaust. The *Twitter* account that promotes the documentary belies the strong anti-Semitism which motivated its creation. Tweets include "Keep your country clean. Stop #multiculturalism #Zionism & learn your #history."

## THE BAD WAR

[View PDF 1](#)

*The Bad War: The Truth Never Taught About World War 2* by M.S. King claims most of what is taught about World War II is a lie, “scripted by the victors and pounded into the minds of subsequent generations. Every medium of indoctrination has been harnessed to this end.” The book is marketed on multiple fringe platforms including **The Barnes Review (TBR)**. TBR is a “Revisionist History Magazine and Bookstore Dedicated to Bringing History Into Accord With The Facts.” TBR was the creation of **Willis Carto**, a long-time racist who founded a similar organization, **The Institute for Historical Review**.

## THE SECRET TRUTH ABOUT THE DALAI LAMA

**The Secret Truth About the Dalai Lama** is one of a number of sites attempting to discredit His Holiness The Dalai Lama, by portraying him as a friend of Nazis, terrorists and brutal dictators. The website cites his association with his tutor (1946-52) Heinrich Harrer (subject of the movie *Seven Years in Tibet*), a member of both the SA (Hitler's storm troopers) and the SS (Schutzstaffel). Although he was also a member of the Nazi party and met Hitler (after a mountain climbing expedition in 1938) Harrer was cleared of participation in any atrocities and actually spent all but the last few months of the war in a prison camp in India. The site engages in "selective history" claiming Harrer was a "good friend" of Hitler, referring to him as a "Death Squad" leader and discussing atrocities such as the Malmedy Massacre "committed by Harrer's SS." The Dalai Lama has stated he knew nothing of Harrer's past until the release of *Seven Years in Tibet* in 1997.

**American Civil Rights Review** is a racist site that claims to represent a "New Civil Rights Movement". The site, which targets Jews, African-Americans, and government agencies, is operated by **Frank Weltner**, who also founded the bigoted **Jewwatch.com**. One article, reprinted from **American Renaissance**, claims American slavery has been mischaracterized as a "cruel punishing existence" and that many slaves had "high self-esteem" and lived in "idyllic" conditions, not unlike "workers and managers today."

## THE SHOCKING STORY OF REAL SLAVERY IN AMERICA

This article, written by **Rachel Pendergraft** and published on the website of **The Knights Party**, alleges that the mistreatment of American slaves is "exaggerated" and forces "white students to slink lower in their classroom chair as the awesome guilt weighs heavy on their minds." Stating that "slaves didn't really have it that bad", the article laments "no, it wasn't within their power to travel abroad if they wished (although some did) but then again they weren't at the mercy of an African witch doctor or head hunter either." Pendergraft is the daughter of **Thom Robb**, leader of **The Knights Party**, a descendant of the **Ku Klux Klan** organization once run by **David Duke**. Together they produce **White Pride TV**, a weekly program available online.
