

# AT THE HEART

[humanrightslogo.net](http://humanrightslogo.net)

SUPPORT A LOGO FOR HUMAN RIGHTS

**»The logo is a symbol of hope, a symbol of individual rights, a symbol of liberty and justice.  
A logo doesn't magically change anything, of course. But a logo can be a symbol,  
and symbols reach the heart and mind in a powerful way.«**

JIMMY WALES, WIKIPEDIA FOUNDER
