Introduction

According to the MoU, Attachment B, the PKD Fee Schedule is published annually. The MoU principle of cost recovery implies the distribution of costs between PKD Participants and users. As a consequence the costs for any PKD Participant change in particular in case of:

- an additional PKD Participant is registered; and
- a balance of accounts is carried out after a budgetary year ended.

Therefore, the PKD Fee Schedule can only give back a coarse estimate and the main principles of fees and calculations.

Registration Fee

According to the MoU, Attachment B, paragraph 1.1.1.1, a PKD Participant pays a one-time Registration Fee of 56,000 US\$ after the MoU Notice of Participation is lodged.

Annual Fee

The Annual Fee comprises two components: The ICAO part and the PKD Operator part. The indicated amounts below are full year contributions that are reduced pro rata on a day basis should a PKD Participant sign the MoU or start activity in the PKD later in the year.

For 2014 the budgetary commitment of ICAO is around 429,200US\$. With thirty-nine PKD Participants this works out to around 11,005 US\$ each for 2014.

For 2014 the technical participation in the PKD costs 34,000 US\$ for each active PKD Participant.
