Ramped Craft Logistic
Ex RLCV L105 Arromanches

Direct from the Ministry of Defence, The Ramped Craft Logistic (RCL) is a type of landing craft that was operated by the Royal Logistic Corps of the British Army.

The Arromanches was built by James & Stone Brightlingsea Ltd

The vessel was fully refurbished & refitted in June 2008 & again in April 2011 by Manor Marine Dockyard (Portland).

This is an extremely good condition example of a high specification useful landing craft which has been impeccably maintained. The vessel is supplied with the logs and maintenance history.
