# **HOPPER NEWS**

As we know, our seniors had a disappointing start to the season, but finished off the year well to show they maybe something next year.

The Reserves put up a good show to make the finals and will be all out today to take out a premiership so good luck to Ron and the boys.

The Junior Hoppers batttled it out hard during the year but due to a lot of perservance and hard work managed to win their share of games.

Our netball girls have three teams, A, C, and Juniors, playing today so good luck girls, hopefully you will bring a flag or two back to Rennie.

Our best and fairest vote count for the football and netball clubs will be held tomorrow (Sunday) at the ground at 1.30pm followed by a pig on the spit. All supporters are welcome.

The presentation night will be held next Friday night, the 21st, at the hall at 6.00pm. \$10 for adults and \$5 for the juniors. All members and trophy donors welcome.

Best of luck to all other teams in the finals, see you all next year.

Congratulations must go to Peter Carroll and Lindsay Norman on their awards at the league count, well done both of you. To the winners of the league best and fairest in the various grades, congratulations.

On the home front, the club best and fairest was won by Jason English with Rick McMaster runner-up. The reserves was won by Allen Morris with Russell Bourke winning the juniors.

Midway through the season the club opened the new extensions to the clubrooms which have been a bonus to the entertainment side of running a strong club.

# HAWK NOTES

Today is what the whole football season is about — the battle for the premiership.

Congratulations goes to Bryan Payne, the players and the hard working committee for again getting to the grand final. Now it is up to the players to complete our mission for the season.

The club had a successful Coreen & District League senior vote count with Pat Beattie winning the medal and Justin Way being beaten on a count back for second place. Patricks win was remarkable in the fact that he played only 10 games.

Special thanks to Michael Dalitz and Steve Way, our respective coaches in our seconds and thirds.

The club is also proud of the achievements of Justin Way who made the all Australian Teal Cup side as emergency.

The club had a successful vote day with the senior best and fairest winner Bryan Payne, runner up Russell Moloney. Seconds award went to Braydon Thomas, runner up Andrew Day. Under 16's winner was Brendan Way.

After todays game, everyone is invited to the Oaklands Hall for our win, lose or draw function and Sunday will be our trophy presentation day.

Oaklands wishes all teams playing in todays finals "All the Best" and with any luck we can grab two premierships.

Harry the Hawk

# **BLUES NEWS**

After a very tough start to the season due to lack of numbers and injuries, things started to improve as the season progressed.

Unfortunately due to a slow start the success we were seeking did not eventuate. However, the boys stuck together and in the second round showed their supporters what they were capable of.

Congratulations to Captain/Coach Ken Collier on being runner up in the league best and fairest, also congratulations to our netball girls who faired very well in their medal count.

Finally we would like to wish all teams participating in the grand final today good fortune and a great day for the Coreen League and patrons of our great game and hope the weather is kind to all.

Up the Blues

# MAGPIES MESSAGE

Although the Magpies had a tough time on the field, the club is proud the way the players fought the season out right to the end. A big thanks to Matt Collins and Ian Bock who shouldered a lot of the responsibility when things got tough, also to the committee who worked hard all year.

The club is pleased to announce that Matt Collins will be coach of the magpies again next season and the club looks forward to next year with the possibility of fielding thirds as well as firsts and seconds.

Congratulations to Bocky on winning the Arcade Jewellers Award and he must be a big chance in the club award along with Bruce Hill, Russell McFarlane, Troyu Brockley, Matt Collins and Steve Brockley. Likely chances in the seconds could be Jeff Nixon, Mark Rhodes or Robert Macartney. The club vote and presentation day will be held next Saturday at the hall, 12 noon start.

Thanks to Art Bonat who took on a big job trying to arrange a team from the veterans in the seconds.

A milestone was achieved by Jeff Nixon of playing 300 games with the club. We hope Nicko will set himself for 400!!!

Well done to the A and B Grade netballers on making the finals and hope the A, or called A Reserve for the finals, can bring back a premiership to Daysdale today.

A big thanks to the ladies committee who are a tremendous help and support to our club.

Finally, the club would like to thank all sponsors for their support throughout the season and to all clubs participaing today "Best of Luck".

# **BOMBER NEWS**

A slow build up to the 1990 season was reflected in our early games where we were just beaten on the bell. Unfortunately this set the pattern for the whole year where there were many games that could have been won, ended in defeat.

However, there were a number of positives to come from the year. The improvement made by younger players such as Andrew Driscoll, Andrew Passlow, Craig Knox, Gavin Rhodes and Bevan Martin, was most pleasing both to the Committee and Club supporters. Along with Josh Widdup all these players were members of the 1989 under 16 Premiership team and showed outstanding promise in the first year in first grade, well done boys.

Our Coach, Richard Flanigan winning the League goal kicking award was a great achievement particularly when you look at the position the club finished on the ladder. Richard has again agreed to coach the club in 1991.

Congratulations to John Coghill winning the first grade best and fairest with Andrew Driscoll runner up.

Again under the direction of Max Montgomery, the second grade battled out the season. Thanks again must go to the younger members of the Club who doubled up from the under 16's each Saturday so that the Club could meet its commitments.

Greg Cassidy who came out of retirement, won the best and fairest in a close finish from last years winner, Mark Hemphill.

After winning last years Grand Final, this years under 16's finished fifth. However, there are a number of promising young footballers coming along which goes well for the future of the club. Thanks go to Bob and Alan for the coaching of these boys. It was also pleasing to see all clubs inthe league making an effort to provide football for these young boys every weekend, whether it be under 16's or 14's.

Gavin Rhodes won the clubs under 16 award from Phillip Jones, congratulations boys.

The netballers were again competitive this year with the club being represented in the A Reserve Final and the C Grade just missing the finals. This was despite Ronda threatening earlier in the year to change her allegiance and coach the mens football team.

Thanks must go to the Ladies Auxiliary and the Committee for their work during the year.

Our final night of the season will be the Presentation Night in the Urana Hall on Friday, 21st September, see you there.

# BULLDOG BULLETIN

1990 started very promising for the bulldogs with the senior team registering 7 wins and a draw in the first round. The second round was a total disaster losing 6 of the last 9 games to miss the finals. On the other hand the juniors reached the first semi final on ly to be beaten by a better side. A job well done by coach Jeff Lavis and boys.

The club acquired new recruits in Roger Hall, Arthur Willet, Robert O'Dwyer, David Kenny, Mick Fainges, Paul Dykstra, Peter Robertson and Peter Hubbard. To further strengthen the two sides add to this Jason McLachlan, Glen Brown and Esad Skalic who have come up through the juniors.

Trevor Kuschert celebrated his 200th senior game with the club and Peter Filliponi his 100th game. Other milestones were Greg Wilson 150 club games and David Lane his 100th club game.

Peter Longmire (45 votes) capped off a great year by winning the senior best and fairest count from Gavin Rhodes (38) and Trevor Kuschert (37). The seconds count was won by their captain Bruce Dwyer (26) from Wally Martin (24) and Andrew Barber (22). The junior count proved to be a close contest with Nick Conroy (45) coming out on top with Merrick Kingston (43) and Daniel Way (34).

Another positive aspect of this year was that all four netball teams made the finals. A great effort by the girls and the club wishes them all the best and hope they can win a couple of premierships.

In closing the club would like to thank the Ladies Committee for their hard work during the year and to the supporters who helped the secretary to make this year run so smoothly.

Finally the club wishes all the sides competing today "The Best of Luck".

# TIGER TALK

Season 1990 has been one of mixed fortunes for the Wahgunyah Football Club. With a new committee taking over the reigns led by Darren Chester as president and Terry Mullins as secretary, the club has had a very successful off field season with many functions held which brought the club very close together.

Wayne Milthorpe was appointed senior coach for a fourth year, Ross Schilg was back as seconds coach after a year off, Mick Upton took up the position of thirds coach and all three have done a great job.

A big highlight for the year was Mick Upton playing his 300th senior game with the club against Oaklands in the last home and away game. The 100 mark was reached during the season by Hugo McMullin, Stephen Grantham, and Gary Davie.

Congratulations to Bradley Roach on being runner-up to Danny Shiers on a countback in the thirds best and fairest, a fine effort by both boys, also congratulations to Pat Beattie and Gerard Talbot on their medal wins.

As usual, we have a netball team in a grand final, all theb est girls and we hope that next year, you can watch the footballers play in one.

All the best to all teams playing today and may the best teams win, see you all next year.

# NETBALL PRESIDENT'S MESSAGE

Welcome to Grand Final Day, the finale of the 1990 netball season.

Thank you to the inter-league coaches: Julie, Susie, Kathy and Rosie, also the umpires and parents for their help. Both teams played terrific netball with the Under 14's winning the shield.

To Fiona Casu, Nadine Donovan, Susie Graham and Naomi Woods, congratulations on winning the best and fairest in your respective grades.

This year we have instigated 2 divisions and a final five in the "A" grade, involving all clubs. Thank you to the Wodonga umpires and all scorers over the finals.

Finally thanks must go to the league clubs for their continuing support and our secretary, Noreen, for all the help given during the year.

Best of luck to all teams today and I look forward to seeing you all in 1991, our 20th year.

Carolin Lewis, C.D.N.A. President
