**HOPEFIELD-BURAJA CLUB NOTES**

1998 has been another tough year for the Hopefield-Buraja Football Club on the field. We have recruited some new players and promoted some juniors who will someday be the core of our team. With the netball, three out of the four grades made it through to the finals with A grade narrowly beaten in the 1st semi, so congratulations must go to all the girls who have played.

A big thank you to our coaching staff and their assistants, Craig and Mick, Swinger and Mark, and Michael and all his assistants for their dedication to the club in getting a team on the ground each week and to each and every player for giving their all each game.

Our appreciation to our dedicated team of ladies who work so very hard during the year. Also to our hard working committee, players and supporters for their co-operation and assistance during the year.

Thank you to all the sponsors that support us because without your support, running the club is made that little bit harder.

Congratulations to Craig Bryon for taking out the Arcade Jewellers Award, to Sue Morley for winning the B Grade Netball and Helen Fuge for winning the C Grade Netball for the league and to all other winners on the night.

Congratulations to Merrick Kingston, Warren Clifton and Matt Mills for taking out the Best & Fairest in the respective grades this year and to all the other recipients of trophies. Also congratulations to all players who have reached personal milestones this year. Congratulations must also go to our netball Best & Fairest winners in each grade, Jo Kerr, Sue Morley, Helen Fuge and Kylie Moffart.

Our presentation night for football and netball is to be held next Friday, 18th September starting at 6.30pm. Bookings essential to Tracey Bush.

The club would like to thank all our players and supporters for their help throughout the year and finally wish all teams competing in today's football and netball grand finals all the very best of luck.

## **WHAT IS SPORT?**

An activity pursued for experience and or pleasure

Requiring some degree of physical prowess.

A form of pastime, of recreation, of pleasure.

Let's say it's a pleasant pastime and treat it as such.

To play sport, it is said, a person should be a sportsman.

A sportsman should be a person who exhibits qualities especially esteemed in those that play.

Qualities such as fairness, good humour when losing, willingness to take risks, to realise that winning is not as good as enjoying participation.

To be a modest winner and a good loser.

**BE HAPPY THAT YOU PLAYED,  
NOT SORRY THAT YOU LOST.**

## **SECRETARY'S MESSAGE**

The Delegates & Executive of the C.D.F.L. Inc. welcome you to the 1998 Grand Final.

We would like to take this opportunity to thank the Coaches of our Inter-league teams, David Barkley, Ian Lewis and Craig Bryon. It was great to see Craig, a senior coach take such an interest in our Juniors. We were not successful this year in our games but the spirit showed by players was great.

Congratulations to Tyson Moloney, Darren McGown & equal Juniors winners Dallas McCormick and Joshua Woods on winning the Best & Fairest in their respective grades.

Thanks to the recreation ground committees who presented their grounds in such good condition for the finals.

Many thanks must go to a band of voluntary workers who score, time keep and goal umpire at all the finals. In our 90 years of the League it is people like yourselves that are taken for granted and your time is appreciated by the League Executive.

Best of luck to all teams today competing in football and netball finals.

Have a safe trip home and see you all in '99.

**DEAN HARTLEY:** Very reliable anywhere in the backline. He has had a solid year.  
**TONY TOUHEY:** A quick on baller who is seeking a permanent Seniors position.  
**ROBERT MARSHALL:** The general of the backline. A great addition to the team and his ability to change play is a feature.  
**KEN COLLIER:** The most experienced in the team. Great in defence and can hold his own with any opposition.  
**WAYNE WHITE:** A complete footballer who can play in any key position. Very effective at FF.  
**AARON PURCELL:** R/U in Arch Dennis Medal. Has had a great year in ruck or CHF.  
**JUSTIN WILLIAMS:** Very quick and keen for the ball. Effective at wing or HFF.  
**BARRY ROE:** Non stop player from the Robert Harvey mould. Still very keen for a premiership.  
**TREVOR ELDRIDGE:** Young man in his first year with the club. Very quick and loves to play on the ball.  
**MICHAEL PITT:** A good mark and tough for his size. Puts through many a good goal.  
**JASON WALKER:** A solid backline player in his first year with the club. Pushing for a permanent Seniors spot.  
**SIMON MILLER:** A very handy pickup. Hard working and good thinker.  
**GLENN EDDIE:** One of the most reliable backmen in the game. No concern for his own body and he loves to upset an opposition attack.  
**SEAN ELLIS:** One of the tallest in the team and a good mark. Has been plagued by injury all year.  
**DONALD BROWN:** Nearly gave the game away this year but has come back bigger and better. Still only stops for a "chunder".  
**SCOTT SHAW:** A very solid player who has returned to the fold and brings with him a wealth of experience.

## **JERILDERIE CLUB NOTES**

Jerilderie started the year very short of personnel and the future looked rather bleak. We travelled to Coleambally in Round 1 and all grades were defeated. The Seniors, however, playing with a makeshift team went down by only 5 points.

Following a whitewash of Urana we were visited by last year's premier, Wahgunyah, who had the wood on us. They took the honours by 16 points.

Jerilderie then travelled along nicely having gained the service of key players. Returning to the side were veteran, Ken Collier, Wayne White and Stuart Munro. Munro along with Arch Dennis Medal runner-up, Aaron Purcell, have proved to be a very formidable duo of tall men. They have both improved with each game.

Our next loss was in Round 13 and yes that was at the hands of Wahgunyah by 31 points.

Some big wins followed this last loss for the season. The final home and away game was an exception when we prevailed over Rand by 6 goals. We are now in the Grand Final and expect to win at our fourth go.

Both reserves and juniors made it to the elimination semi but were both defeated. We hope that the reserves will get out on the track next year and present as a team wanting to go somewhere.

The juniors were capably coached by Barry Roe and they are unlucky not to be playing today.

Best wishes to all teams competing today.

## **COACHES SELECTIONS FOR TODAY'S GRANDFINAL**

### **WAHGUNYAH: David Barkley**

Today we are attempting back to back premierships in both Seniors and Reserves. After the 2nd semi-final loss we've all worked extremely hard to ensure we had another opportunity against Jerilderie. Jerilderie will start favourites but if we can get off to a good start and pressure them into making mistakes anything can happen.

### **JERILDERIE: Ty Russell**

Jerilderie has learnt from the defeats at the hands of Wahgunyah in recent times. The second semi victory has given the demon players the confidence needed to take out the flag. We will win today's match but will have to work extremely hard to do so. Our back line & forward line have a good understanding with our mid-fielders. We seem to have hit our straps at the right time.

### **OTHER CLUBS TIPS:**

#### **BURAJA - Craig Bryon**

The Tigers won't be embarrassed like that in a finals series. Wahgunyah has too much class and Jerilderie may have played all their cards in the 2nd semi. Wahgunyah by 5 goals.

#### **CDU - Mathew Brockley (Assistant)**

It is hard to pick a winner with both top sides playing. Jerilderie with a weeks rest will start favourites.

#### **COLEAMBALLY - Craig Seton**

Jerilderie, I think with a weeks break and Wahgunyah having some injury problems, the fresher Jerilderie side should prevail.

#### **OAKLANDS - Winston Rhodes**

Congratulations to all teams participating in today's finals. Wahgunyah and Jerilderie have been the form teams throughout the season. However with Wahgunyah midfielders strength and overall depth I think they will prevent Jerilderie from winning their first Senior flag since re-joining the League.

#### **RENNIE - Ian Toms**

Congratulations to both teams. After the second semi win, Jerilderie have to start favourites but Wahgunyah will come back a very different side second time around. In a close game, Jerilderie by 18 points.

#### **RAND - Ted Miller**

Both sides are evenly matched but if Wahgunyah can get over their injury problems, they might just sneak home.

#### **URANA - Glen Carroll**

Jerilderie for Premiers, having been beaten last year, will be hungry for a flag. Having a weeks rest will also help them get over any injuries which seem to be affecting Wahgunyah at the wrong time of the year.

## RENNIE FOOTBALL CLUB

Rennie commenced the season with a great deal of optimism. The pre-season form was good, and the senior line-up had been strengthened with the return of Ian Toms as coach, and the recruitment of key position players in Adam Thomson and Steve Margetts. Unfortunately the club lost Marcus Scott (1997 Best and Fairest Player) to Goorambat and veteran Winston Rhodes to Oaklands. Our most consistent player from 1997, Stuart Bruce was also sidelined with injury for the entire season. The season started with a few close games but injuries and player transfers made it more and more difficult for the club as the season progressed.

The senior side remained competitive throughout the season, but unfortunately has not been able to register many wins. The season was a time for rebuilding, and in that light, it is pleasing to see so many younger players taking the step up to play senior football - and to regularly feature in the club's best player lists. Andrew Lewis, Brad Lewis, Damon Ferguson and Duane Rhodes have all made a big contribution to the Rennie Football Club this season, and it is clearly very important for the club that it can continue to attract and retain young players of this calibre.

The club has continued to rely heavily on the Fergusons with Big Jack taking out the Rennie Hotel Award and Richard being Runner-up. Robbie Ferguson found himself back in the senior side after a short stint in the reserves.

The Reserves side had a few wins early in the season, but struggled later on with injuries showing up a lack of depth. Many of the juniors were asked to play two games, and coach Mick Sandral should be congratulated for his efforts just to field a team each week. The Reserves side has great potential if some of the irregular players from this year could be more consistent in 1999.

The junior side had a number of wins during the year, and went close to a finals berth. Congratulations to coach Ian Lewis who has worked hard to develop the football talents of the boys. Congratulations also to Joshua Woods on his success in taking out the equal Best and Fairest Medal for Junior players in the Coreen League.

The Committee and players are looking forward to 1999. We expect a big improvement in the team's on field performances.

## BOMBER NEWS

Urana Football Club, under new Senior Coach Glenn Carroll, did not have a very successful season, having struggled through lack of numbers, and therefore not being able to field a Reserve Grade team for 1998.

Even though we struggled, we managed to field a Senior and Junior football team, together with three Netball teams and hopefully, the Bombers can rally around and be there in 1999.

Congratulations to Cody Mansell for coming 4th in the Coreen League Best & Fairest for Under 16's, which is a tremendous effort.

A special thanks to Junior coach, Robbie Kenny and his assistant, Brad Kenny and Team Manager, Bronwyn Wilson, for their efforts this year.

Our appreciation to Barbara Kenny and her band of ladies for the wonderful work in the Afternoon Tea Shed each home game. Thanks also to our hard working Committee, players and supporters for their co-operation and assistance during this difficult year.

The Football and Netball Presentation Dinner will be held at the Urana Hall on Friday 25th September at 7.00pm and everyone is most welcome.

Finally, the Club would like to thank all its sponsors during the year for their generous support and wish all clubs participating in today's Grand Finals the best of luck.

## WELCOME TO THE CDNL FINALS

Congratulations to all teams who made the finals and best of luck for those in today's Grandfinal. Thankyou to all clubs for their help with scoring and timing, thanks also to the umpires for officiating at all our finals.

The vote count held in Corowa was a great success (so I'm told), thanks to Nicole for doing the Presidents duties, a job well done. To the winners Joel Spencer (Coleambally), Sue Morely (Buraja), Helen Fuge (Buraja), Bethany Hanrahan (CDU) and Runners-up Clare Andrews (Jerilderie), Gabrielle Lewis (Rennie), Penny Dick (Wahgunyah) tied D Allen (Rand) and Lauren O'Connel (Coleambally). My congratulations of having such a successful year.

This year the league was represented in netball at Barooga, the girls played extremely well, coming second to Picola. Strong performances in the Hume under 16 & 14 inter-leagues weren't quite enough to bring home the shields, all players put in great games. Thankyou to Rosemary, Angie, Alicia and Katrina for coaching the girls and Urana for scoring on the day.

Last but by no means least thanks to Noreen for all her work throughout the year, and no doubt she will want to thank her helpers, Kate and Jo for filling her role and both for helping with the Interleague selections.

Finally thanks to all players, coaches, umpires and parents for their support this year, your help has kept this league strong.

Caroline Lewis (President CDNA)
