WHEREAS, the maintenance of a strong and viable judiciary is essential to the protection of the rights and freedoms of the citizens of the State of Mississippi; and

WHEREAS, under the constitution and laws of the State of Mississippi, the Governor is authorized to fill by appointment certain vacancies in judicial office; and

WHEREAS, it is my firm belief that only the most qualified conscientious and dedicated persons available should be appointed to serve the public as judicial officers:

NOW, THEREFORE, I, William F. Winter, as Governor of the State of Mississippi, under and by virtue of the constitution and laws of this State, do hereby promulgate the following Executive Order effective immediately and all previous Executive Orders heretofore issued pertaining to the Judicial Nominating Committee are hereby rescinded and held for naught:

1. There is hereby created and established an Advisory Council to be known as the Judicial Nominating Committee. It shall be the responsibility of the Judicial Nominating Committee to consider all applications for nomination and shall nominate, in accordance with this Executive Order, persons qualified and eligible to fill vacancies in the Supreme Court, in the respective Chancery and Circuit Courts and the respective County Courts of the State of Mississippi.

2. The Judicial Nominating Committee shall consist of nineteen (19) members to be appointed as follows:

The Chairman shall be a practicing attorney, a citizen of Mississippi and a member of the Mississippi State Bar. Except for the initial appointment, the Chairman must in all events have served at least one (1) year on the Judicial Nominating Committee, and when he is appointed Chairman, a new committee member from his Supreme Court District shall be appointed by the Governor to serve during his tenure as Chairman. The appointment of the Chairman shall be for a period of one (1) year.

3. All initial appointments of the members of the Judicial Nominating Committee shall be for staggered initial terms for one (1), two (2) and three (3) years. When a vacancy occurs on the Committee due to the resignation, disability or death of a member, a successor shall be chosen by the Governor for the unexpired term, except as otherwise authorized herein.

Upon expiration of the term of any committee member, the Governor shall appoint a successor for a term of three (3) years. Except for a temporary replacement of the Chairman, no member of the Judicial Nominating Committee shall be eligible for the appointment to Judicial Office or reappointment to the Nominating Committee until after the expiration of one (1) year from the date of his resignation or completion of his term. The Governor shall designate an ex-officio Secretary, to serve at his will and pleasure, who shall be responsible for maintaining the records of the Committee.

4. The six (6) members appointed from each Supreme Court District shall constitute a Sub-committee, each bearing the number of the Supreme Court District they serve. The Chairman of the Judicial Nominating Committee shall appoint the Chairman of each Sub-committee, and such Chairman of the Sub-committee shall in all cases be a practicing attorney at law.

5. Wherever a vacancy occurs in a Circuit, Chancery or County Judicial Office within the jurisdiction of one of the aforementioned Sub-committees, upon the call of the Governor, the Sub-committee whose jurisdiction embraces the geographic area involved shall meet to consider the qualifications and eligibility of all proposed nominees for appointment. The Sub-committee shall seek, receive and review applications and other information concerning the the qualifications and eligibility of nominees. The Sub-committee shall notify the Mississippi Bar, the County or Local Bar Association within the jurisdiction where the vacancy shall exist, and such other bar or citizen organizations as the Sub-committee shall deem appropriate, of the existence of such vacancy and of the nomination procedure to be followed by the Sub-committee, and shall request nomination thereof. The Sub-committee may seek and receive recommendations from other interested citizens and groups.

6. By not later than ten (10) days after the occurrence of the vacancy or after the call by the Governor, the Judicial Nominating Committee shall meet, evaluate and select, by majority vote of its entire membership, proposed nominees as "fully qualified" or "not fully qualified". From among those persons who shall have been found "fully qualified" and eligible, the Nominating Committee shall select and recommend for gubernatorial appointment three (3) nominees for each vacancy in each Judicial Office. However, where the vacancy has less than forty (40) attorneys who actively practice in law, as shown by the most recent Judicial Records of the Mississippi Bar, the Nominating Committee may recommend for appointment less than three (3) persons for each vacancy.

7. Anything contained in the foregoing paragraph to the contrary notwithstanding, whenever there is a vacancy in the Supreme Court of the State of Mississippi, the entire Judicial Nominating Committee shall seek, receive and review applications as outlined above and shall meet to consider such vacancy and upon consideration of the nominees as aforementioned, shall select five (5) nominees for such vacancy in the Supreme Court of the State of Mississippi.

8. No nominee shall be certified as "fully qualified" by a Nominating Sub-committee or the Nominating Committee as a whole unless the Committee or Sub-committee finds that the nominee meets the following qualifications; it must affirmatively appear:

a. That the nominee possesses all of the qualifications provided by law for the Judicial Office involved.

b. That the nominee possesses the personal qualities and attributes of character and experience, judicial temperament, professional competence and other personal characteristics essential to the particular judgeship involved necessary to fully qualify a person to serve the public as a judicial officer. Personal qualities and attributes shall be identified and evaluated in light of guidelines established, with the approval of the Governor, by the Committee on Judicial Administration of the Mississippi Bar. Until and unless the Committee on Judicial Administration shall publish such guidelines, the Nominating Committee and Sub-Committees are hereby authorized to use the "model By-Laws for State and Local Bar Associations Respecting Appointment and Election of Judges" and "Handbook for Members of Judiciary Committees" published by the American Bar Association and Standing Committee on Judicial Selection, Tenure and Compensation, insofar as such Model By-Laws and Handbook do not conflict with this Executive Order or the spirit thereof.

9. The Nominating Committee shall certify and recommend to the Governor for appointment only those nominees deemed "fully qualified", in alphabetical order, and within not more than ten (10) days after the call by the Governor or the creation of the vacancy in Judicial Office. If any persons so nominated shall be rejected by the Governor or shall notify the Governor of their unwillingness or inability to accept appointment, the Governor may request the Nominating Committee to submit additional nominees.

10. With the approval of the Governor, the Committee shall adopt such operating rules, forms and notices as it may from time to time deem necessary. All applications and information received from or concerning nominees and all proceedings of the Nominating Committee shall be held strictly confidential.

11. Nothing contained herein is intended to in any way impair or delegate the constitutional and statutory duties or prerogatives of the Governor in the filling of vacancies of Judicial Office by appointment. The right to reject any or all of the nominees so selected and recommended is reserved unto the Governor.

12. Any Executive Orders relating to the subject matter hereof and contrary hereto are hereby superseded by this order.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

EXECUTIVE ORDER NO. 323

WHEREAS, the continued health and strength of democracy depends greatly on the ability of private citizens and their public officials to work together in mutual trust and respect. The participation of citizens in all levels of government on a more continuous and specific basis than provided for by the electoral process would greatly assist both citizens and public officials in relating their concerns to the complex and difficult decisions involved in formulating public policy and programs; and

WHEREAS, as private citizens and public officials work together to enhance and further the qualities of life they desire, it becomes immediately apparent that local units of government have responsibility for providing the most basic public services to meet the needs and concerns of citizens. It is imperative that the problems faced by local government in providing those services be effectively heard by state officials; and

WHEREAS, greater citizen participation in governmental affairs in Mississippi will enhance the credibility of the democratic process, increase the sensitivity of public officials to the concerns of the people, and result in more informed decision-making; and

WHEREAS, an ongoing council composed of both citizens and representatives of local units of government would be an effective channel through which these objectives could be achieved:

NOW, THEREFORE, I, William F. Winter, Governor of the State of Mississippi, do hereby establish the Mississippi Council on Intergovernmental Relations, with the following membership appointed by the Governor: One (1) county official and one (1) municipal official from each of the State's five (5) Congressional Districts, the President of the Mississippi County Supervisor's Association, the President of the Mississippi Municipal Association, the President of the Mississippi Tax Assessors and Collectors Association, the President of the Mississippi Board of Supervisors Attorney's Association, the President of the Mississippi Chancery Clerk's Association, the President of the Mississippi City Attorney's Association, the President of the Mississippi Sheriff's Association, the President of the Mississippi Circuit Clerk's Association, two (2) representatives from the State at Large who are members of the Planning and Development Districts, Three (3) members from the state at large. All members shall serve at the will and pleasure of the Governor.

The principal role of the Council will be to formulate state goals and objectives, review and evaluate state programs and make recommendations to the legislative, executive and judicial branches of state government.

The Council will meet at least quarterly in order to accomplish its tasks. The Governor shall serve as ex-officio chairperson. The Governor's Assistant for Intergovernmental Relations shall serve as ex-officio secretary. It will organize itself as it deems appropriate and proper to accomplish its objectives, deciding the officers it needs in addition to a chairperson and their manner of election, setting times and places of its meetings, determining its agendas and procedures for conducting its affairs, and making whatever other decisions are needed to accomplish its objectives in an effective and responsible manner.
