

# Space Systems Command Organization

Current as of: 31 Jul 2023

- OT&E
- Acquisition Authority
- AFRL "One Lab" Construct

# Assured Access to Space (AATS) (SSC/AA)

**Mission Solutions AAM**  
SML Col C. Melone

**Launch Execution AAL**  
SML Col E. Gulden

**SEL**  
CMSgt H. Jennings

**Space Launch Delta 30**  
Col M. Shoemaker

**SEL**  
CMSgt S. Sparks

**Space Launch Delta 45**  
Brig Gen K. Panzenhagen

- Mission Focus Areas**
- Rocket Systems Launch Program
  - Payload Management & Mission Integration (MMO)
  - Future Procurement (NSSL Phase 3)

- Mission Focus Areas**
- ULA Senior Lead
  - SpaceX Senior Lead
  - Atlas/Delta Systems
  - Vulcan Systems
  - Falcon Systems

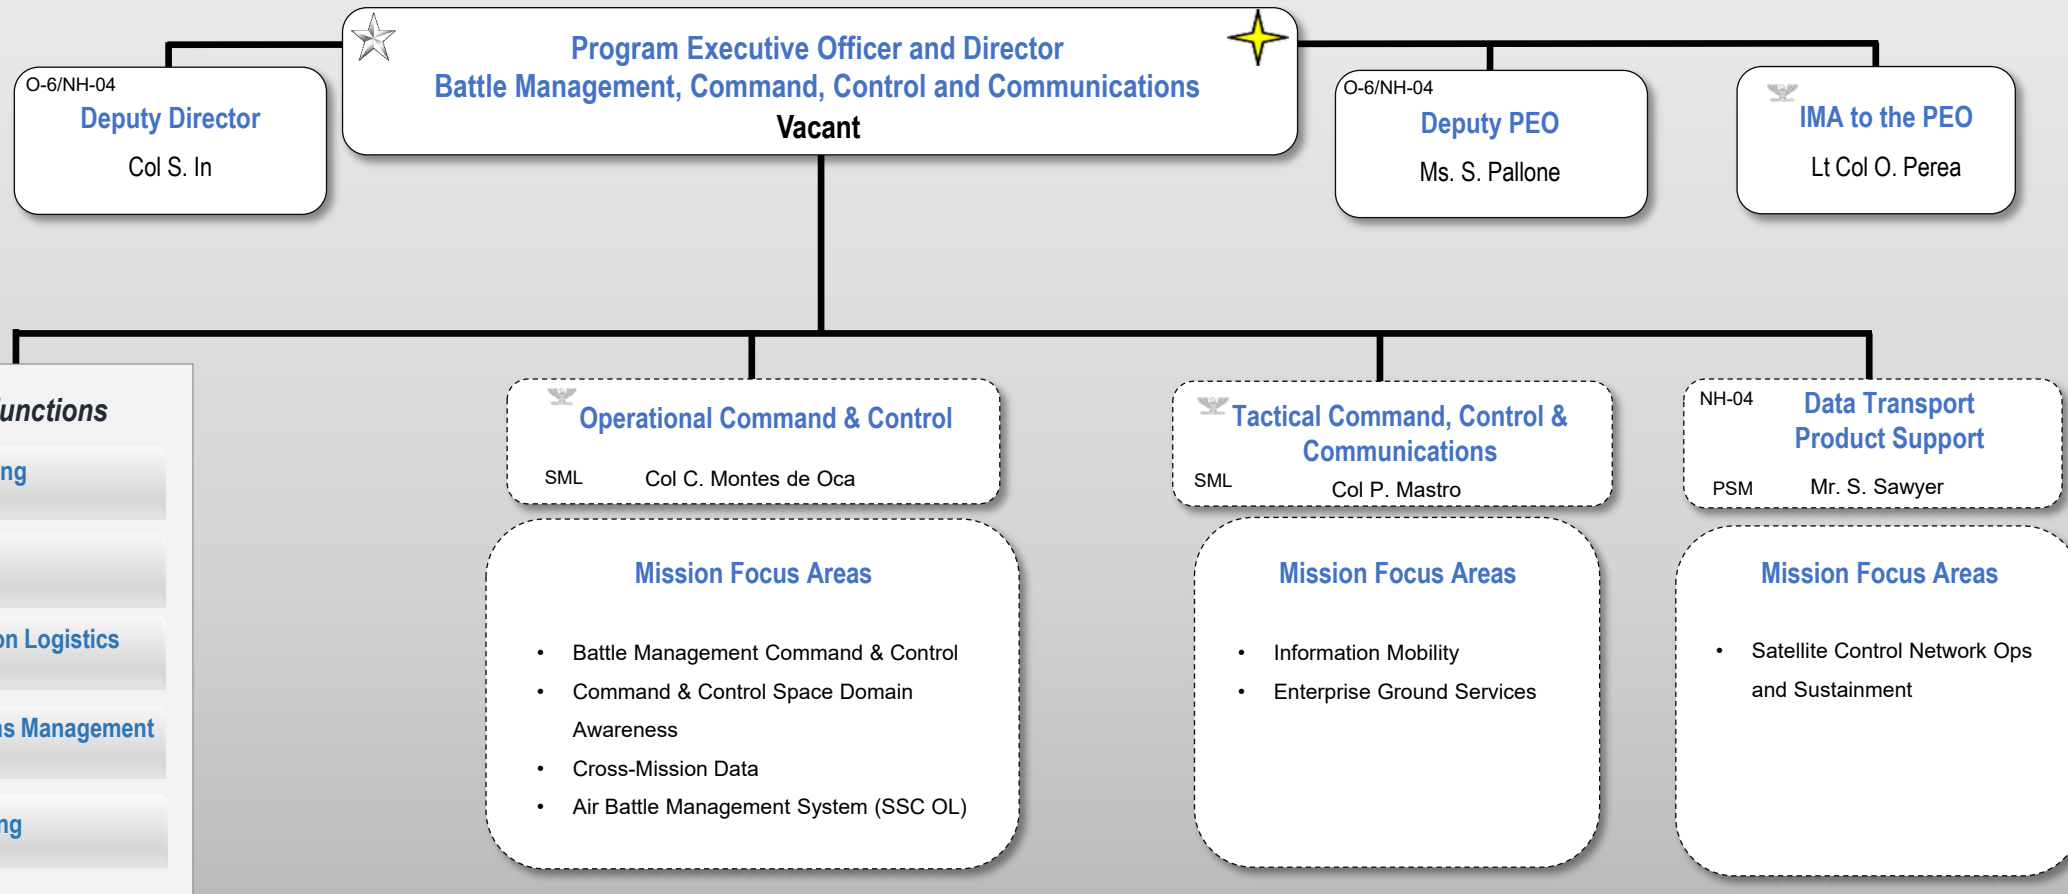

- Assigned Group & Squadrons**
- 30 MDG
  - 30 HCOS
  - 30 OMRS
  - 2 ROPS
  - 2 SLS
  - 30 CES
  - 30 FSS
  - 30 LRS
  - 30 CONS
  - 30 SCS
  - 30 SFS
  - 30 CPTS
  - 30 OSS

- Assigned Group & Squadrons**
- 45 MDG
  - 45 HCOS
  - 45 OMRS
  - 1 ROPS
  - 5 SLS
  - 45 CES
  - 45 FSS
  - 45 LRS
  - 45 CONS
  - 45 SFS
  - 45 CPTS
  - 45 WS
  - DET 2 – Ascension
  - Delta Staff Agencies

- Staff Functions**
- Talent Management
  - Intelligence
  - Financial Management
  - Tech & Innovation
  - Ops Integration
  - Sustainment
  - Engineering
  - Contracting

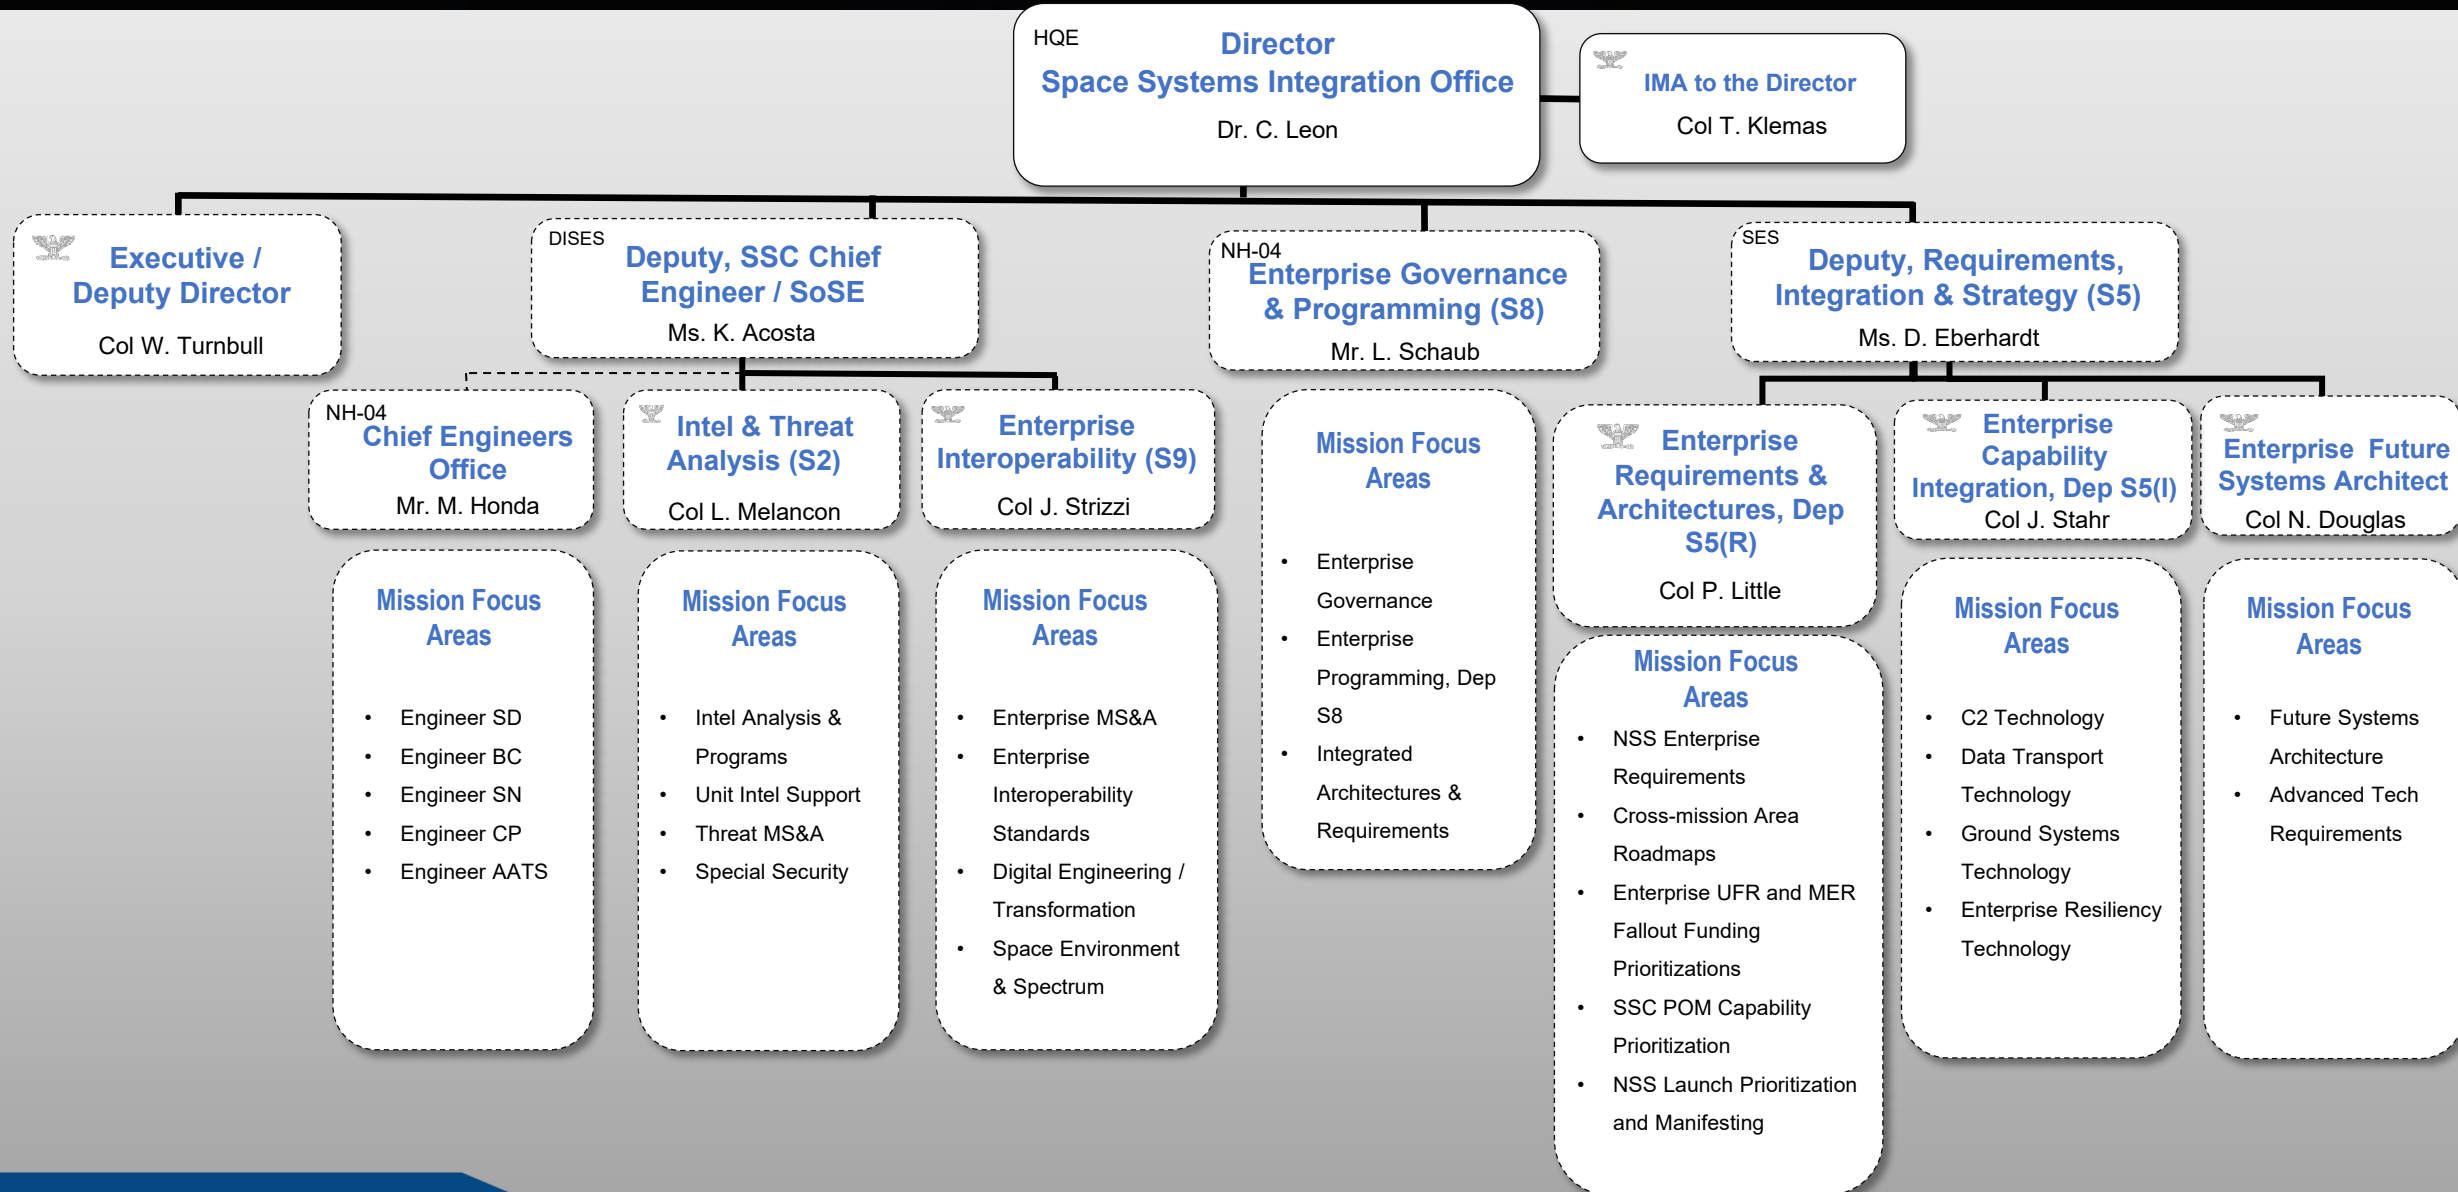

# ▶▶▶ Battle Management, Command, Control, & Communications (BMC3) (SSC/BC)

# Space Systems Integration Office (SSIO) (SSC/BZ)

# MilComm & PNT (MCPNT) (SSC/CG)

SES **Program Executive Officer  
MilComm & PNT  
Mr. C. DeLaPena, Jr.**

**Deputy Director**  
SML Col M. Flahive

**Deputy PEO**  
SML Ms. B. Baker

**IMA to the PEO**  
SML Col C. Jordan

**Tactical SATCOM**  
SML Ms. C. Gerhart

**Strategic SATCOM**  
SML Col A. Ashby

**Narrowband SATCOM**  
SML Capt P. Sheehy

**GPS**  
SML Col A. Menschner

**GPS User Equipment**  
SML Col M. Spencer

**GPS Ground CS**  
SML Lt Col M. Cooper

**Staff Functions**

Talent Mgt

Intelligence

Financial Mgt

Tech & Innovation

Ops Integration

Sustainment

Engineering

Contracting

**Mission Focus Areas**

- Protected Tactical SATCOM
- Protected Tactical Enterprise Services
- Wideband Global SATCOM

**Mission Focus Areas**

- Evolved Strategic SATCOM Ground
- Evolved Strategic SATCOM Space
- Enhanced Polar System Recapitalization

**Mission Focus Areas**

- Mobile User Objective Baseline Space
- Mobile User Objective Baseline Ground
- Mobile User Objective SLE Space
- Mobile User Objective SLE Ground

**Mission Focus Areas**

- Global Positioning System III
- Global Positioning System IIIIF

**Mission Focus Areas**

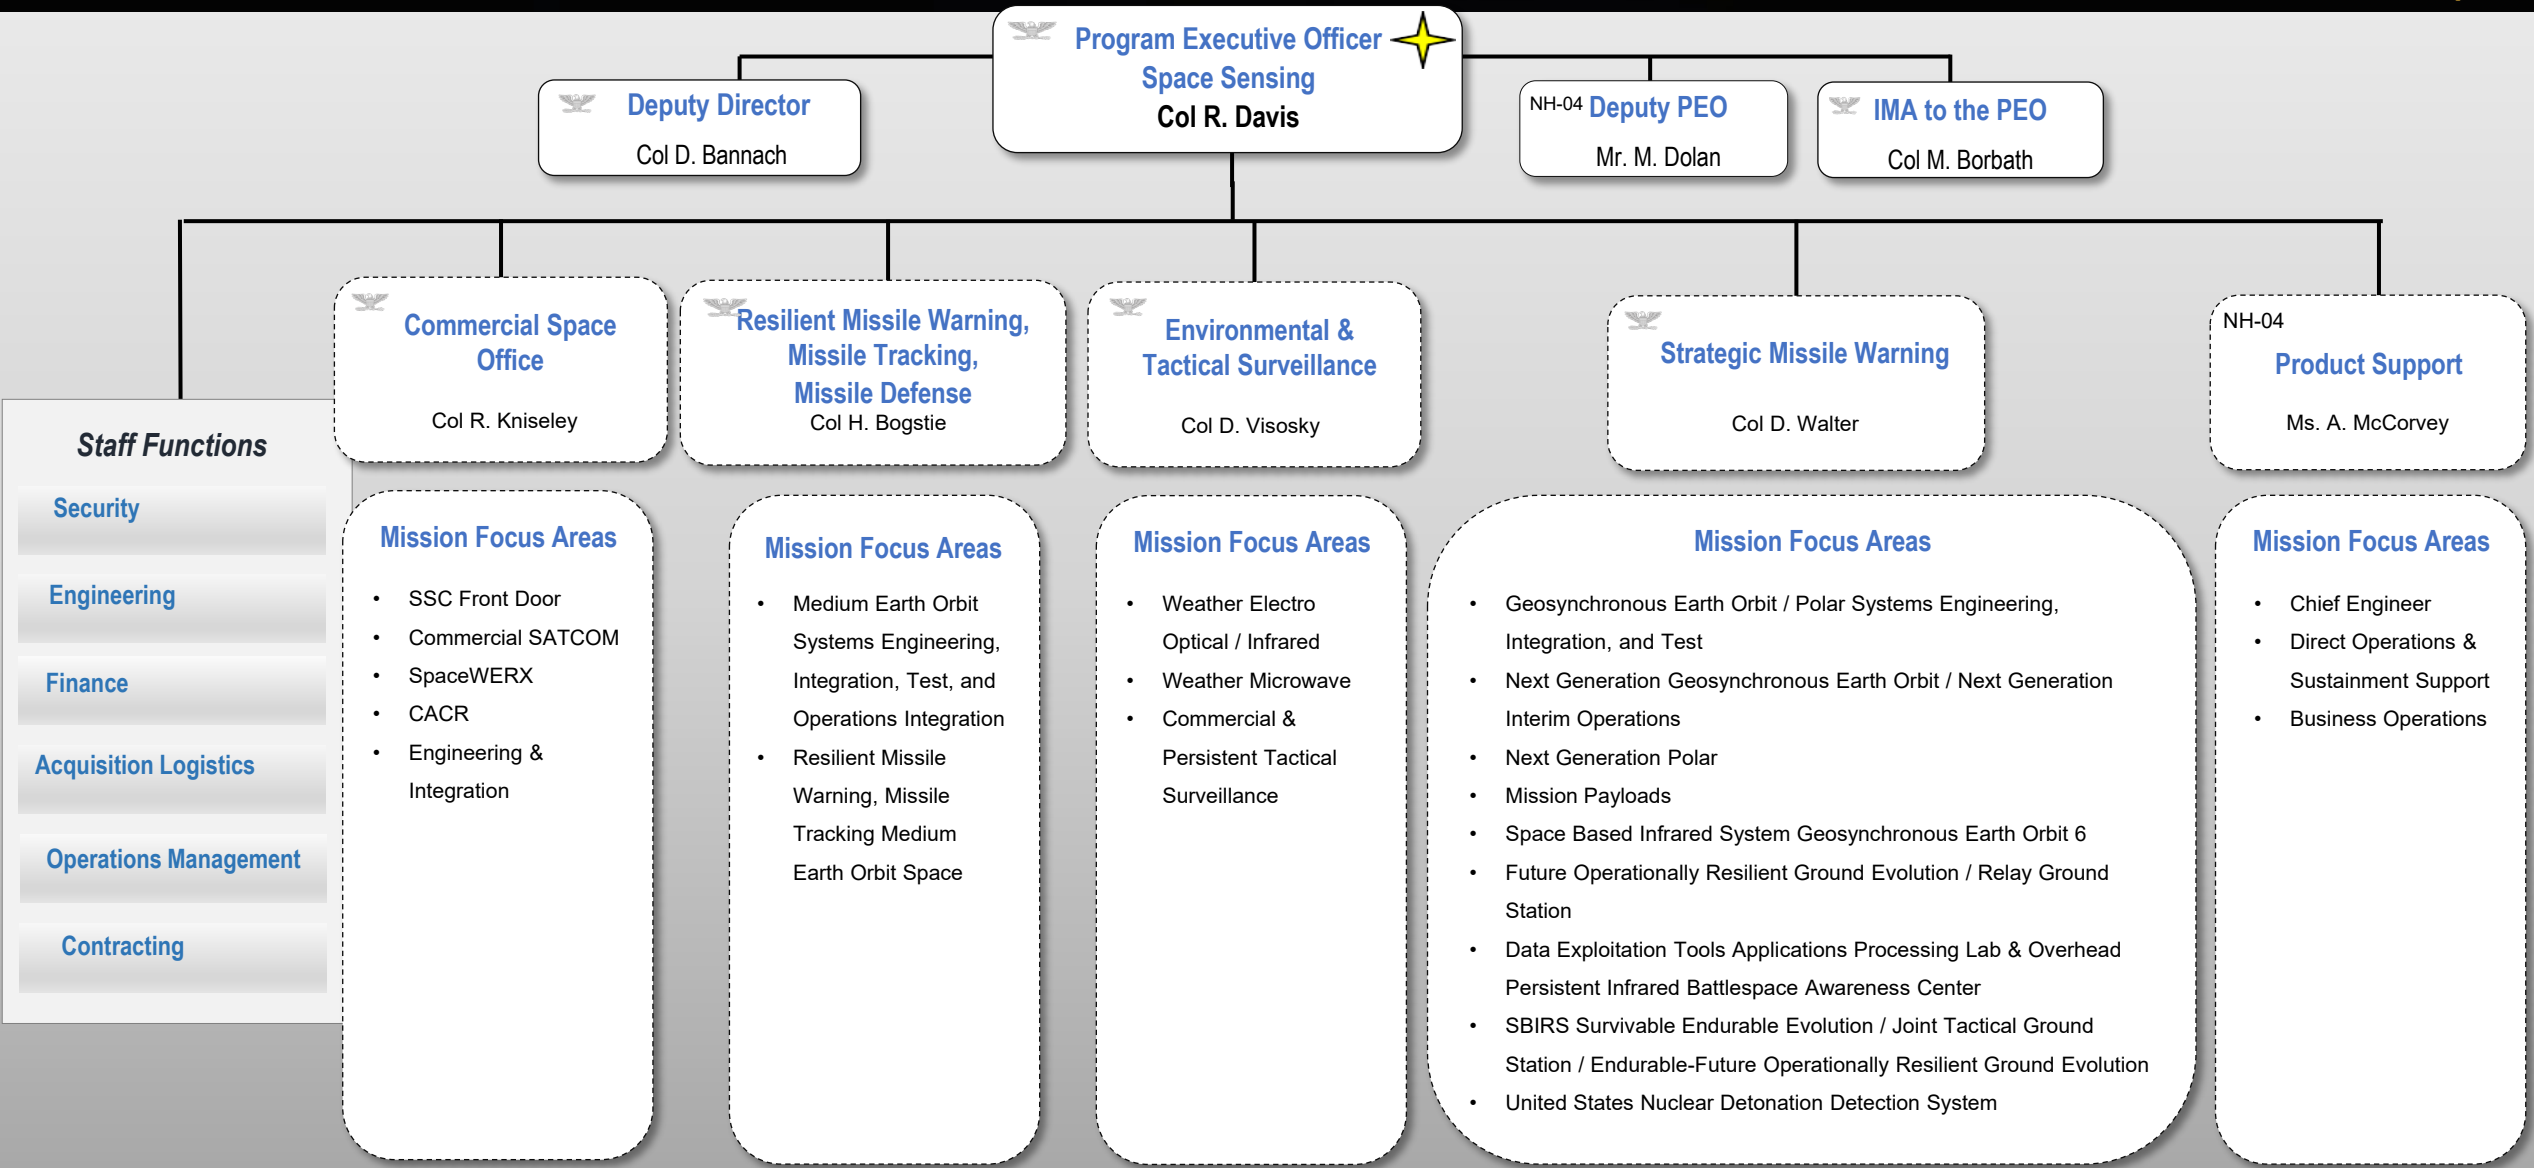

- MGUE Inc 1
- MGUE Inc 2
- Foreign Military Sales

**Mission Focus Areas**

- OCX
- OCXIIIIF
- C2 Mods

# Space Sensing (SSC/SN)

- Staff Functions**
- Security
  - Engineering
  - Finance
  - Acquisition Logistics
  - Operations Management
  - Contracting

**Commercial Space Office**  
Col R. Kniseley

- Mission Focus Areas**
- SSC Front Door
  - Commercial SATCOM
  - SpaceWERX
  - CACR
  - Engineering & Integration

**Resilient Missile Warning, Missile Tracking, Missile Defense**  
Col H. Bogstie

- Mission Focus Areas**
- Medium Earth Orbit Systems Engineering, Integration, Test, and Operations Integration
  - Resilient Missile Warning, Missile Tracking Medium Earth Orbit Space

**Environmental & Tactical Surveillance**  
Col D. Visosky

- Mission Focus Areas**
- Weather Electro Optical / Infrared
  - Weather Microwave
  - Commercial & Persistent Tactical Surveillance

**Strategic Missile Warning**  
Col D. Walter

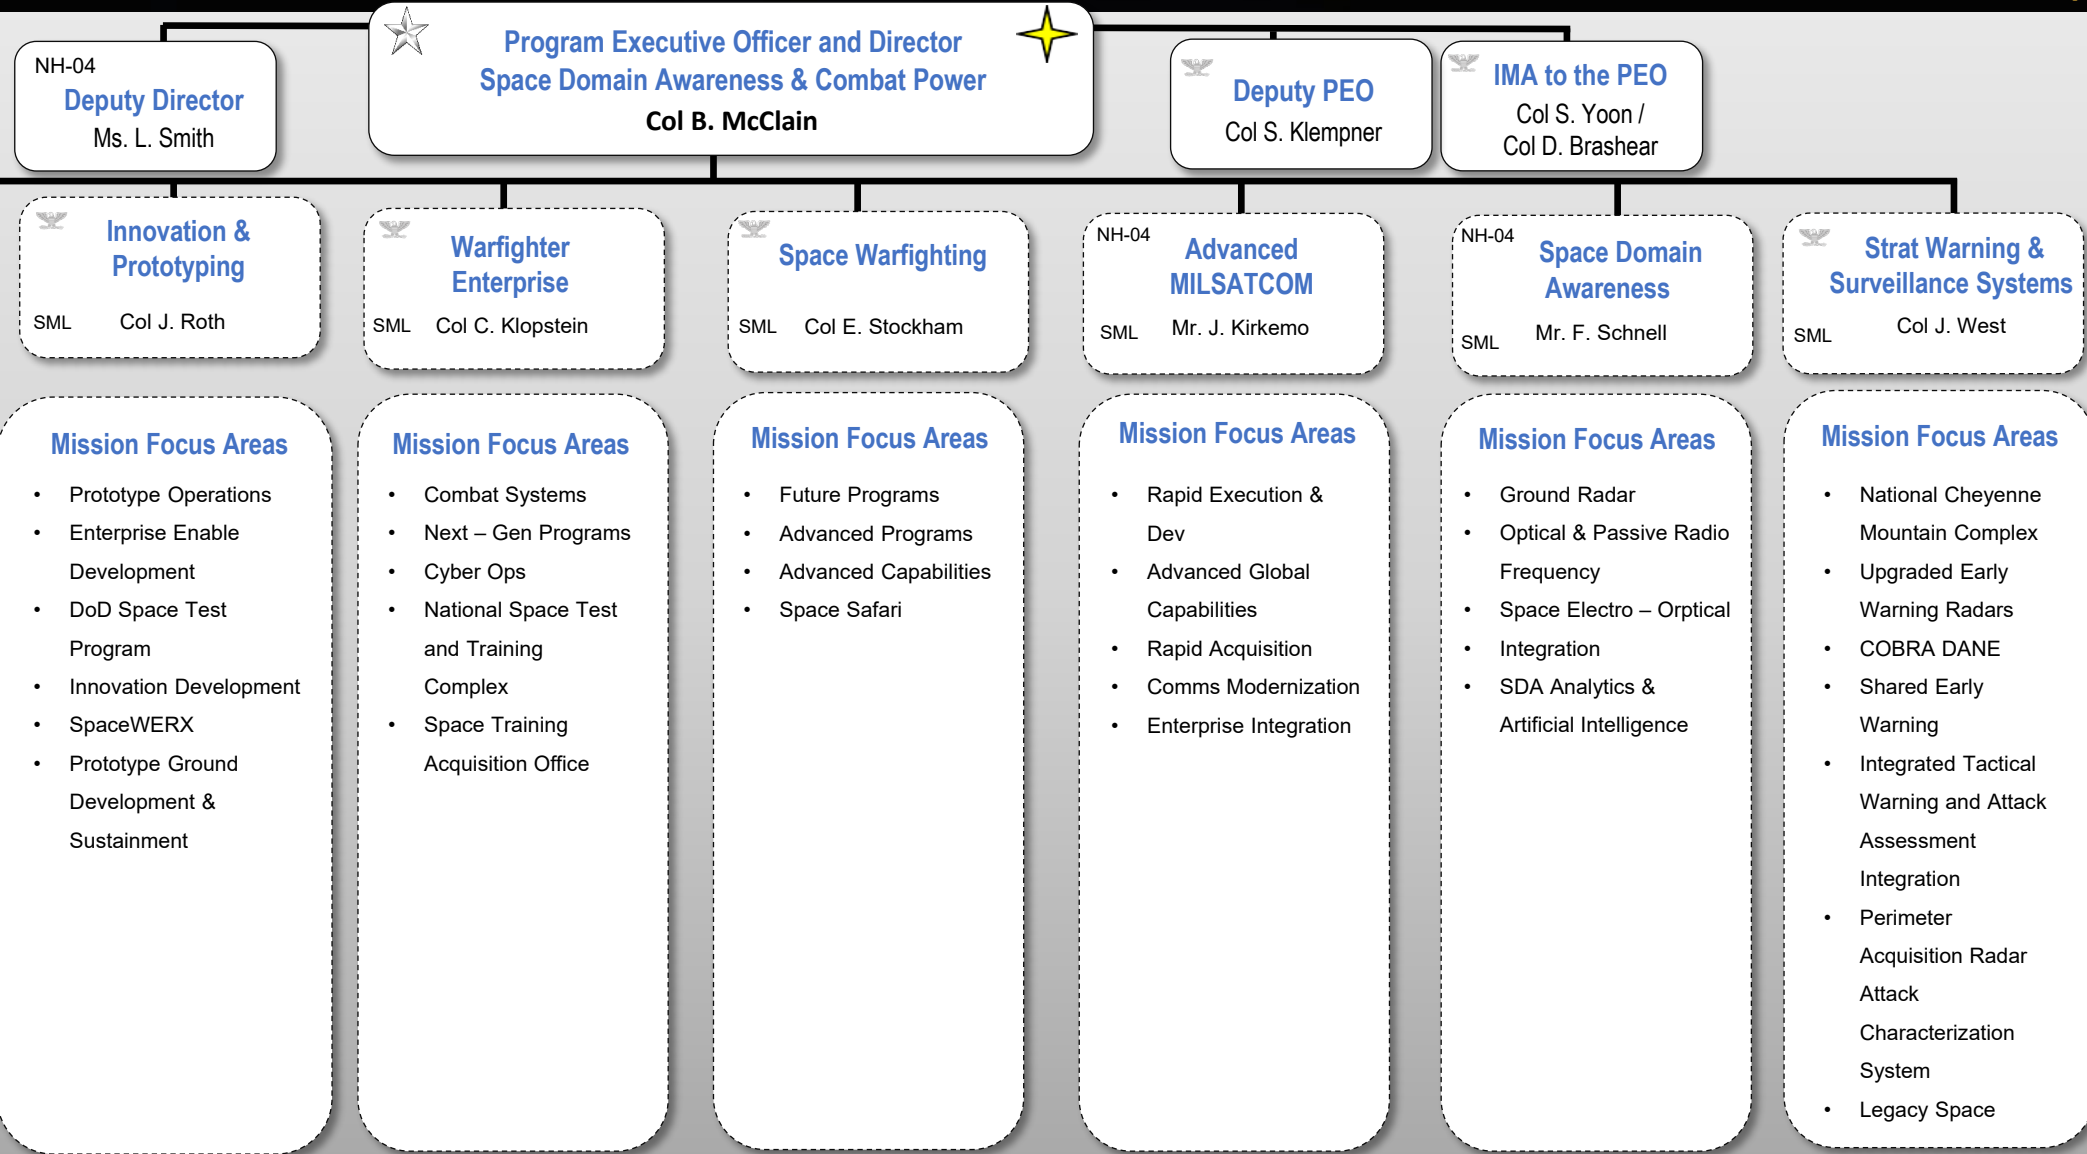

- Mission Focus Areas**
- Geosynchronous Earth Orbit / Polar Systems Engineering, Integration, and Test
  - Next Generation Geosynchronous Earth Orbit / Next Generation Interim Operations
  - Next Generation Polar
  - Mission Payloads
  - Space Based Infrared System Geosynchronous Earth Orbit 6
  - Future Operationally Resilient Ground Evolution / Relay Ground Station
  - Data Exploitation Tools Applications Processing Lab & Overhead Persistent Infrared Battlespace Awareness Center
  - SBIRS Survivable Endurable Evolution / Joint Tactical Ground Station / Endurable-Future Operationally Resilient Ground Evolution
  - United States Nuclear Detonation Detection System

**NH-04 Product Support**  
Ms. A. McCorvey

- Mission Focus Areas**
- Chief Engineer
  - Direct Operations & Sustainment Support
  - Business Operations

# Space Domain Awareness & Combat Power (SDACP) (SSC/SZ)

**Staff Functions**

- Engineering
- Finance
- Acquisition Logistics
- Operations Management
- Contracting
