2023	February 19	April 09	May 28
2024	February 11	March 31	May 19
2025	March 02	April 02	June 08

## PREFACE

1. This Calendar is prepared in accordance with the decision of the Synod of the Syro-Malabar Bishops held in November 6 – 18, 1995.
2. The readings of the Sundays and other important days are given in the Calendar as per the direction of the *Supplementum Mysteriorum* and *Ordo* published by Rome in 1959 –'60. The long readings have been reduced, while the complete version of them are given in the brackets. Readings of ordinary days are selected as per the need required.
3. The division of the Liturgical Year of the Syro-Malabar Church is followed according to the Lectionary System of the East Syrian tradition. The liturgical calendar is divided into nine seasons. The spirit of each season is given in the introduction.
4. The Liturgical year is centered on the divine mysteries of salvation. These salvific events are: the birth of Jesus (Annunciation and Christmas), baptism (Epiphany), passion and death (Great Lent), resurrection and ascension (Resurrection), pentecost (Apostles and Summer), transfiguration and exaltation of the cross (Elia-Cross-Moses), and finally, the second coming of Jesus and the glorification of the Church (Dedication of the Church).
5. The feasts are divided into three categories according to their importance in the Syro-Malabar Church. The readings have been arranged accordingly.
  - a. In the first category, we have the feasts of Our Lord and Blessed Virgin Mary who are directly connected with the mystery of salvation and certain other important feasts of the Church (e.g. Christmas, Easter, Immaculate Conception of Bl. V. Mary, *Dukrana* (the feast of St. Thomas). On these festal days, the readings of the particular feasts are given first.

- b. In the second category, the popular feasts of the saints commonly commemorated in our church are given (e.g. St. Antony of Paduva, St. Sebastian, St. Francis Assisi, etc). On these days, the readings of the feasts are given after the readings of the day.
  - c. In the case of the third category of feasts also (e.g. St. Dominic Savio, St. Pius X) the same system of the second category of feasts is followed. Special readings are not given for a few feasts like that of Simon Barsaba and other martyrs, 70 disciples of our Lord Jesus Christ, etc. In Appendix-I the names and commemoration day of certain other saints are given. If necessary, the readings may be selected from Appendix- II.
6. The feasts on the Fridays of the period of Epiphany is given in accordance with the order of the temporal calendar. But they are given also on the fixed dates of celebration of the feasts as per the order of the sanctoral calendar of the Latin Church (e.g. feast of All Saints, St. Stephen). The second Sunday in the season of Annunciation can be celebrated as the Feast of Annunciation.
  7. If the feast of Denha occurs on Sunday, then it will be considered as the first Sunday of Denha. When the feast of Denha comes on Sunday to Thursday, then these days would be counted as the first week of Denha. However, if it happens to be on Friday, the readings of the following Saturday would be the same of the first Saturday of Denha and the following Sunday as its First Sunday.
  8. The commemoration of all the departed can be celebrated either on the last Friday of the Period of Epiphany or on 2<sup>nd</sup> November.
  9. The fasting and the penitential service for the preparation of the Great Lent are celebrated on the first Monday of Great Lent. If necessary, it can be celebrated on another day of Great Lent with the permission of the local ordinary.
  10. It is highly desirable to practise abstinence during the period of Great Lent but also that of Annunciation, Three Days' Lent, Eight Days' Lent and Fifteen Days' Lent.
  11. Four readings are given for Sundays and other important feasts.

12. On the day of penitential service marking the beginning of Great Lent and on Passion Friday, fasting and abstinence are to be observed.
13. It is desirable to fast on every Friday of the season of Great Lent.
14. All Fridays throughout the year are days of abstinence except the Fridays between Christmas and the feast of Epiphany, and the first Friday after Easter.
15. The important feasts of Christmas (Dec. 25), Epiphany (Jan .6), Peter and Paul (June 29), the Ascension of Our Lord (the sixth Thursday after Easter), St. Thomas (July 3), Assumption of Bl. V. Mary (August 15) are the days of obligation. In those places where these days are not holidays, all those who can are requested to participate in the Holy Qurbana and other liturgical ceremonies.
