FRIDAY, 21 NOVEMBER, 1947

At the Council Chamber, Whitehall, the 21st day of November, 1947.

By The Lords of His Majesty's Most Honourable Privy Council.

Archbishop of Canterbury.
Lord President.
Mr. Secretary Ede.
Mr. Secretary Woodburn.

WHEREAS in the Act of Uniformity, which established the Liturgy of the Church of England, provision is made for such alterations in the Prayers for the Royal Family as from time to time shall become necessary, and be directed by lawful authority; it is, thereupon, this day ordered in Council, that in the Morning and Evening Prayers, in the Litany, and in all other parts of the Public Service, as well in the occasional offices as in the Book of Common Prayer, where the Royal Family is appointed to be particularly prayed for, the words "the Duke of Edinburgh" be inserted immediately after the words "the Princess Elizabeth."

And it is further ordered, that no edition of the Common Prayer be from henceforth printed but with this amendment; and that in the meantime, and until copies of such edition may be had, all Parsons, Vicars and Curates within this Realm do (for the preventing of mistakes), with the pen, correct and amend all such prayers in their Church Books, according to the foregoing direction: And for the better notice hereof, that this Order be forthwith printed and published, and sent to the several parishes; and that the Right Reverend the Bishops do take care that obedience be paid to the same accordingly.

The KING has been pleased to award the Edward Medal to Harry Crummack and Sydney Blackburn in recognition of their gallantry in the following circumstances:—

An explosion occurred at Barnsley Main Colliery at about 12.15 p.m. on Wednesday the 7th May last. Harry Crummack, Chargeman Filler, and Sydney Blackburn, Shotfirer, were at the end of the face away from the resulting flame; Crummack was blown over by a gust of wind caused by the explosion but quickly recovered and with Blackburn, despite fumes and dust, assembled men who had scrambled from the face and led them to a place of safety. Returning they found a number of injured men to whom they gave assistance and then proceeded through fumes and clouds of dust in search of others. Both men, while taking every reasonable precaution, continued to disregard their own personal safety in their efforts to ensure that none of the victims were left unattended in the danger area.
