1. Age.

Candidates must be at least 21 and under 30 years of age on 1st August, 1951, i.e., they must have been born on or after the 2nd August, 1921, and on or before the 1st August, 1930. *BUT*

(1) The maximum age limit of 30 is extended to 31 for candidates who hold a permanent appointment in the Experimental Officer Class, i.e., they must have been born on or after 2nd August, 1920, and on or before the 1st August, 1930.

(2) A candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may for this purpose deduct his period of such service from his actual age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualifications.

(i) Every candidate must have obtained a university degree with first or second class honours in Geology or an equivalent qualification.

Provided that the Commissioners may at their discretion admit a candidate with high professional attainments.

(ii) A candidate holding a permanent appointment in the Experimental Officer Class who was born on or before 1st August, 1923, and on or after 2nd August, 1920, and who does not fulfil the above requirements may be admitted on the recommendation of the Government Department in which he or she is serving.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

(i) The Commissioners may at their discretion summon candidates to a preliminary formal interview.

(ii) A certain number of the candidates will be chosen, on the basis of the information available, to appear

before a Selection Board appointed by the Commissioners. The Selection Board in making their recommendations to the Commissioners, and the Commissioners in making their final decision, will give weight to the candidates' capacity or potentiality for original research or development work; and they will as a rule expect this quality to be demonstrated in a candidate's record.

The decision of the Commissioners will be final.

7. Candidates trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their Application Forms, will disqualify them for appointment.

No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole-time systematic education up to the age of at least 16 years.

4. Service.

(i) Candidates must have completed before the first day of the examination a period of compulsory service in His Majesty's Forces under the National Service Acts; they may not make more than two attempts in all and these must be made not later than the third examination held under these Regulations after the completion of National Service. The date officially recorded as the last day of National Service is normally the last day of demobilisation or release leave; candidates are not, however, precluded from competing at an examination held during their demobilisation or release leave.

(ii) The Commissioners may at their discretion accept a candidate as eligible under this Regulation if, having completed a period of compulsory service in H.M. Forces under the National Service Acts, he has voluntarily undertaken further whole-time service

in H.M. Forces, continuous with his compulsory service, for a limited period, normally not exceeding 18 months. 8. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

9. Fee.

A fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances.

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held under the above Regulations commencing on 19th June, 1951.

1. Age

Candidates must be at least 17½ and under 26 years of age on 1st January, 1951. But

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may deduct the period of such service from his actual age;

(b) for a certain number of vacancies, candidates born on or before 1st January, 1925, who have specialised experience may be admitted. No upper age limit is specified for such candidates; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates who are over 50 years of age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced,

or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry or Ministry of Supply unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to competition or appointment by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air, or Minister of Supply, as the case may be.

4. Educational Qualifications.

Every candidate must, on the date he sends in his application, be in possession of one of the under-mentioned qualifications:—

the Forces Preliminary Examination with a pass in either mathematics or natural science, or the Royal Air Force Higher Education Test, Part I, with a pass in mathematics, mechanics or the properties of matter, or

the Admiralty Higher Educational Test, Second Class, with a pass in mathematics or mechanics or magnetism and electricity, but

(j) The Commissioners may also accept as eligible candidates who are unable to comply with the requirements above but who

(i) produce evidence satisfactory to the Commissioners that they have reached School Certificate Credit standard in Mathematics or a Science subject, or

(ii) have served for at least 10 years, on a regular (including a regular short-service) engagement, in the technical branch of H.M. Forces. Such candidates must have served an artificer apprenticeship (where appropriate) or have reached the rank of Petty Officer or Sergeant, or

Every candidate must have had thorough experience in the duties of the class gained by service in a Government Department or other civilian scientific establishment or in technical branches of the Forces. The experience must cover a minimum period of two years to be completed before the date on which he sends in his application, on duties appropriate to the type of vacancy for which application is made and the two-year period must be recent, subject to allowance for gaps in cases where the experience has been broken by service in H.M. Forces.

6. Competition.

(i) The Commissioners may, at their discretion, summon candidates to preliminary informal interview.

(ii) The Commissioners may, at their discretion, impose a practical or other relevant test upon candidates, or groups of candidates, as seems appropriate.

(iii) Those candidates whose qualifications and experience seem most suitable will be summoned to appear before a Selection Board appointed by the Commissioners. The Board will take into consideration the candidates' record of education and experience, any recommendations that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the candidates' scientific knowledge and personal qualities as shown at the preliminary interview, the practical or other test imposed, and at the final interview; and on their estimation of all the above evidence the Board will frame their recommendations.

(iv) The decision of the Commissioners will be final.

7. A candidate may make one and only one application under these Regulations.

8. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

9. Candidates Trained as Teachers.

10. Assignment.

It will rest with the Commissioners to determine the Department to which each successful candidate shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service but the wishes of candidates will be met as far as possible.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment.
